HOMECOMING

President's Welcome . . .

A Welcome from President Howe—

On behalf of Otterbein College may I express a heartfelt welcome to the host of alumni and friends who today return to make festive and delightful another Homecoming occasion! No one who has worked and played on Otterbein's campus can fail to understand the deepening significance that Homecoming carries for all our lives.

We welcome you here today. We rejoice in your presence and we bespeak for each one an abundance of good fellowship and happy recollection.

For you and for the team and for our "friendly enemy" from Marietta we wish the thrill of a great game, well played and the exhilaration that comes when good sportsmen from kindred institutions match strength and skill on the gridiron.

J. Ruskin Howe,
President.

High School Auditorium	
"Queen's Reception" by Senior Class	10:30 P. M.
Westerville Armory	

HONORED BY VARSITY "O" . . .

It has been the custom of the Varsity "O" Association each year to choose one of its alumni who has been outstanding in athletic achievement and who has made unusual contribution to the athletic program of the school for recognition at Homecoming. We salute Elmo Lingrel as Varsity "O's" 1941 number one choice.

ELMO LINGREL

Varsity "O" is delighted to honor today as its number one man for 1941, Elmo "Ling" Lingrel.

Elmo first saw the light of day at Byhalia where he, with his brothers and cousins became famous for their athletic powers in the Kenton area. He came to Otterbein in the fall of 1913 where, according to the Middletown News Journal, he "learned to 'sock it to them'" in football and at them in baseball. For his stellar work, he was nominated to the All-Ohio mythical football team.

After graduation Lingrel coached at Sandusky for one year and served over-seas as a sergeant in the 320th Machine Gun Battalion. In 1919 he coached two years each at Walla Walla, Washington and Stivers High School, Dayton, Ohio.

In 1923, he went to Middletown, Ohio, where he has enjoyed 18 years of coaching and built up an enviable record in interscholastic football. The "Middies" have won 124 out of 165 games, losing 27, tying 14, for a percentage of .751.

"Ling" also made a very wise choice at Otterbein when he selected Miss Alta Nelson to be his teammate through life.

ROY PEDEN was the 1940 choice.

HOMER LAMBERT was the 1939 choice.

Sportsman's Code . . .

BOTH IN PLAY and by tradition football is a distinctively academic game—the game of the schools and the colleges. The friends of the game must accordingly rely on the schools and colleges for the preservation of its past traditions and the maintenance of the high standards of sportsmanship in its play, which are to be expected in a distinctively academic game.

ALWAYS KEEP THIS THOUGHT IN MIND; both coaches selected the officials for this game, and have every confidence in their integrity and ability.

UNSPORTSMANLIKE acts by players, coaches or spectators provoke disorders and spread confusion on and off the field. If the game of football is to maintain that high place in the hearts of sports loving fans that it rightly deserves, then we must be jealous of any act that tends to mar the game. The game is primarily for the welfare of the players and the enjoyment of the spectators, and it is the solemn duty of all lovers of the game to see that these ends are accomplished.
