### WELCOME, WILMINGTON COLLEGE BOOSTERS

In the minds of many, collegiate football is America's greatest sport. The color, the thrill, the gay meeting of friends, the suspense, and the satisfaction that comes from team work well done—these all weave memories that live in us forever.

So, we welcome you to another event in this great athletic tradition.

For many, the team of the Green and White expresses the spirit of Wilmington College, its youth, its vitality, its possibility for further growth and greatness. To the members of this team and to their coaches go our fondest wishes. And to their many backers and loyal friends, who wish to see Wilmington have a great year, we welcome you to the company of all other loyal Wilmingtonians, who are proud to be "on the team."

## HEAD COACH FRED RAIZK

A native of Wilmington and a graduate of Wilmington College in 1936 Fred Raizk is in his fourth year of coaching the teams of his Alma Mater. Starting in 1947 with a record of two wins and six setbacks he has led his team to better records each succeeding season. All Wilmington fans are hoping that despite the loss of 13 lettermen he can improve upon last year's good results. Before joining collegiate ranks Fred Raizk had 11 highly successful years in high schools of Ohio, Michigan, and Oklahoma.

The Quaker mentor doubles as director of athletics.
