PUBLISHED IN THE INTEREST OF OTTERBEIN COLLEGE

VOL. 8

WESTERVILLE, OHIO, SEPTEMBER 29, 1924.

No. 2.

## ENROLLMENT FOR YEAR IS ONLY 490

Abolishment of First Two Years of Academy Reason for Low Registration.

### FRESHMAN CLASS LARGEST

Figures Obtained from College Registrar Reveal Many Interesting Enrollment Facts.

Contrary to the popular opinion that the enrollment in Otterbein would be greatly increased this year, figures just issued by the Registrar show that there are only 490 students as against 504 last year at this time. There are more than twice as many girls as there are boys. Last year 176 new students were recorded while this year only 152 were registered. The shortage this year, according to President Clippinger, can be traced to the fact that the first and second years of Martin Boehm Academy have been abolished; otherwise the enrollment is very near normal.

President Clippinger points out that the industrial condition throughout the country tends to make it very difficult for many of the students who are making their own way through college to return. The situation is typical over the entire country. Very few colleges, according to very recent reports, have normal attendance this fall.

"Most of our people are in moderate circumstances," states President Clippinger, "some of them actually poor, and are dependent upon their own resources to get through college. Industrial and financial conditions are such that..." (Continued on Page Seven)

## A. A. Exendine, Former Coach Enjoys Success

A. A. Exendine, who while coach here turned out two of the strongest teams Otterbein has ever had, is making phenomenal success coaching at Washington State. Here is what Glenn Warner has to say about Exendine.

"This is Exendine's second year at Washington State. He found things in a rather chaotic state when he went there last fall, but toward the end of the season he had a team which held the champions to a close score and this year may bring his boys right up near the top. I have great respect for Exendine's ability."

## E. L. SHUEY DIES

President of Board of Trustees Dies At Home in Dayton—Member of Class of 1877.

Students, Alumni and friends of Otterbein were saddened when they learned of the death of E. L. Shuey, '77, at his home in Dayton Saturday evening. He had been ill only a few months. He was president of the Board of Trustees and a member of the executive committee.

Mr. Shuey was a member of the class of 1877, and for many years has been a loyal friend of Otterbein. He was very active in planning for the future of Otterbein.

The funeral services were held Monday afternoon in Dayton. The services were attended by a delegation from Otterbein and President Clippinger took an active part in the services.

### O C

Noise, Stunts and Fire Will Arouse Spirit Thursday Night

On Thursday night the first big football rally will be held in the college chapel immediately following the dismissal of the literary societies. The committee is working hard and by the time Thursday rolls around enthusiasm is sure to be at a high pitch.

On the program will be pep speeches by prominent men on the campus. Professors, alumni and students will be represented. An orchestra will furnish music and the cheer leader will be given time to rehearse yells.

After the program in the chapel and when enthusiasm is at its highest a big bon fire prepared by the Freshmen will be the climax for the evening.

The committee arranging for the rally is "Red" Camp, Wilbur Wood, Dean Upson, Helen Palmer and Alice Sanders.

### O C

PROF. HANAWALT SELLS STORIES TO MAGAZINES

Professor Hanawalt, head of the department of zoology, has recently sold stories to several of the country's leading sport magazines. In the August number of the DuPont Magazine Professor Hanawalt has an article, "Is The Crow Shooting Contest Justifiable?", in which he points out the destructive habits of the crow. In an early number of Field and Stream will appear another story by Professor Hanawalt.

### O C

Oxford to Meet O. S. U. in Debate

Debate fans will have a treat on Oct. 10 in being enabled to hear Oxford, England, meet Ohio State on the forensic platform in Columbus.

## PROSPECTS BRIGHT FOR TAN AND CARDINAL BAND

The intermittent flashes of interest in a student band which have flared up from time to time during the past two years, only to die out again, have crystallized this fall into a definite attempt to place a college band on the list of Otterbein campus activities. The impetus comes directly from students who are interested, and who, fortified by Professor Grabill's cooperation and the promise of the administration's moral support, have secured the services of Mr. R. R. Shaw of Columbus, to lead the work of organizing and perfecting the band.

Mr. Shaw has had ample experience in this line of work, both as a member of the O. S. U. band for four years, and as the director of the band at Capital University. He is also in charge of the local organization. Over thirty students have expressed their desire to take part in a college band, and with these as a nucleus, Mr. Shaw is confident that an organization can be built up which will be a credit both to the students participating and to the college as a whole.

The program as outlined at present is not aimed at the formation of a band for the purpose of arousing pep at athletic contests only, but of an organization capable of giving concert programs as well.

### O C "WESTERVILLE DAY"

Football Game With Muskingum Will Be Feature of "Westerville Day."

Otterbein College will cooperate with the business men of Westerville in celebrating Friday, November 14, which has been designated as "Westerville Day." On that day all the local business houses will close from 3:00 o'clock until 5:30 to attend the football game between Muskingum and Otterbein.

This is the first time that the merchants have cooperated in staging a football game and it is hoped that this will become an annual feature of the Otterbein football season.

### O C

Many Contests to Feature Intra-mural Athletic Program

Prof. Martin has announced that an attempt to have a series of intra-mural and inter-class soccer games will be made in the near future.

The date for the annual Freshman-Sophomore football game has been set for Nov. 25. The date for the Freshman two mile run has not been determined but it will probably take place before Thanksgiving recess begins.

## VARSITY READY FOR FIRST GAME

Footballers Warm Up for Wooster Foe in Game to Be Played Saturday.

### SQUAD IS LIGHT BUT FAST

Varsity Squad Faces Challenging Schedule—Spirit of Practices Indicate Team Is Out to Win.

The Tan grid squad has been undergoing some gruelling workouts during the past few days in preparation for a strenuous set-to with Wooster next Saturday. Under the eagle eye of Coach Ditmer difficulties and weak spots are being ironed out in actual scrimmage.

Fortunate it is that the outfit as a whole is in good physical trim, and no serious injuries, the nemesis of early practices, have been reported. The boys are hitting hard, too, ambitious to win a regular berth. Facing the most difficult schedule in years with a light and green team is no easy matter. Yet the warriors are hitting with a vim and enthusiasm to warm the heart of the oldest alumnus. Even the coach smiles, and that is saying a lot.

With an untried outfit such as the present one, it is difficult to predict the outcome. But one thing is certain and that is that "Dit's" proteges are going to make it interesting for anyone who attempts to annex a game from them. Light, yes, but with speed, vim and grit, and that's what counts. Plenty of husky "subs" on the sideline, too, ready to jump into the fray at a moment's notice, is another (Continued on Page Seven)

## Establish Reserve Book System at Library

A new system of cataloguing reference reading has been established in the library in order that the reference books may reach as many students as possible.

In place of the old system of having certain tables and shelves for books all reference books are placed in the new reference room at the north side of the main floor. The student is not given access to the room but is required to call at the reference room window for the book and to sign a slip which is used as a check. The books are not allowed to be taken away from the building.

## SPECIAL FAVOR IS ASKED OF PROF. ROSSELOT BY WRITER

Vacations may come and vacations may go, but the tales thereof run on forever!!! However, a sad part of it all is that the vacationists have no more regard for the truth in telling of their vacations than the average boa constrictor has for Fletcherizing. The tails tied on to some Otterbein-ites' vacations would make a long tailed dragon look like a Guinea Pig.

Just who deserves the box of imported, double strength salt (to be handed out with the vacation tales) as a trophy for the wildest story is still in doubt. One member of the student body who can't hear anybody but his girl, the steward of his boarding club when he says it's time to eat, and the coach when he tells the boys to go on in, tries to tell the story that he heard a gas well three miles away!!! A better one is that Kotsy Durr had a date during the summer months, and worked as a life guard at a Y. W. C. A. camp. Francis Marion Pottenger Junior really deserves commendation for only mentioning the wonderful climate of California on the average of forty-three times per meal at his boarding club, but other figures are not available. "Red Camp" inspected the natural engineering of Vermont and New York and O. Ked. the work of nature with several recommendations for future improvements. Tim Newell, with his experience with cattle, comes perilously near taking the trophy for shooting a gentleman inhabitant of a stock yards, but we all bow in respect to Prof. Rossie, whose experience would make Bill Hart think he was never at anything in his life but a pink tea. With characteristic alacrity the Romantic professor drove upon a railroad track in Missouri. That is the first remarkable point. From personal experience the writer wonders if anything but flat boats could manipulate the Muddy Sea. Of course, to make the tale good, a train was coming, and to make the insurance good the train didn't blow its whistle. Mrs. Rossie was talking and Prof. didn't have time to make any suggestions so the whole outfit jumped—the supple Alonzo rolling barely out of the way of the approaching train. The Prof. thus got rid of a car that he couldn't sell. Having collected the insurance the Professor bought him a new car, paid all damages to the railroad's right of way on which he rolled and came home.

The writer would like to suggest that he has an unstable and demoralized Ford, which is in the process demobilization, and like some English verbs has lost its principal parts, that he would appreciate having Rossie drive south of town across the railroad crossing. We need a new one too!!!

### NEW ALUMNAI REGISTER COMPLETED LAST SUMMER

During the summer months the new Alumni Register was completed and copies mailed to all alumni of Otterbein College.

The register is a booklet of 84 pages and contains a complete list of the alumni of Otterbein College with the year of graduation, occupation and present address, revised to date. Also there is to be found the Roll of Classes, and other important information.

To Professor Guitner is due all the credit for the gathering, revising and editing of the material in the Register. Elizabeth Saxour, '25, assisted in the editing of the book.

A limited number of the new registers are on hand and those who want a book can get one by calling at the college office.

### SCHEDULE

Oct. 4—Wooster, there.  
Oct. 11—Case, there.  
Oct. 18—Hiram, there.  
Oct. 25—Wesleyan, there.  
Nov. 1—Open.  
\*Nov. 8—Heidelberg, here.  
Nov. 14—Muskingum, here.  
Nov. 22—St. Xavier, there.  
\*Home-coming Game.

### Professor Hursh Leads "Y"

"Measurements and Men" was the subject for the Y. M. meeting led by Professor Hursh last Thursday evening. The summary of the discussion pointed to the fact that college education is measured by the way it equips a man to do service after he gets out of school.

As an added feature to the program Wendell Williams, one of the freshman boys, sang a solo.

After a two weeks' absence "Edie" Seibert is again on the campus.

Everard Ulrey, '23, was visiting in Westerville Saturday with friends.

### COUNCIL BEGINS WORK

Student Council and Senates Organize and Begin Work for Coming Year.

In their first meetings during the past week the Student Council elected their officers for the year. For the benefit of the new students and also for many of the old students it might be well to list the names of the members of the Council and Senates so that each student may know by whom he is being represented. The members of the Council are:

#### Seniors

E. F. McCarroll, President; Paul Garver, Floyd McGuire, Dave Reck, Elizabeth Saxour, Christena Wahl, Edith Oyler, Lucile Judy.

#### Juniors

Lenore Smith, Margaret Widdoes, Betty Marsh, Ruskin Hoover, George Gohn, Carl Eschbach.

#### Men's Senate

#### Seniors

Emmett McCarroll, Paul Garver, Floyd McGuire, Dave Reck.

#### Juniors

Ruskin Hoover, George Gohn, Carl Eschbach.

#### Sophomores

Gwynne McConaughy, John Carroll.

#### Freshmen

Byron Jacoby.

#### Women's Senate

#### Seniors

Elizabeth Saxour, Christena Wahl, Edith Oyler, Lucile Judy, Secretary.

#### Juniors

Lenore Smith, Margaret Widdoes, Betty Marsh.

#### Sophomores

Freda Snyder, Ruth Hayes.

#### Freshmen

Florence Howard.

#### O C

Vance Cribbs, '20, of Middletown, was in Westerville over the week-end.

visiting with friends.

O C  
DARN BILL!

Bill wuz talkin' as usual  
An' wuz tryin' to tell  
How funny it wuz w'en at the  
Mixer they got two folks up an'  
Gave 'em each a piece of wood  
An' ast 'em if they didn't  
Feel a little bored, but  
Bill got his signals mixed  
An' said, "Now don't you  
Feel a little ashamed?"

## Athletic Goods, Shoes, Hosiery and Furnishings

'19, '14. Mr. and Mrs. Peter G. Naber (Mary Grise) and their four children, who spent the summer with Mrs. Naber's parents in Canton, Ohio, were visiting friends in Westerville for a short time early this month on their way back to their home in Chicago. Mr. Naber expects to study for his Master's degree in the University of Chicago this year.

'17. Mr. and Mrs. John B. Garver of Strasburg, Ohio, have announced the birth of a little daughter on September 9. The baby has been named Elizabeth Anne.

'83. Dr. and Mrs. Francis A. Williams of Richey, Illinois, were recent guests of relatives in Westerville. While here they attended the annual reunion of the Williams family held last Monday at the home of Mr. and Mrs. L. H. Cook on West Home Street.

'86. Dr. William S. Gilbert, who was for many years pastor of the Presbyterian church in Astoria, Oregon, has become the executive secretary and superintendent of national missions of the Portland Presbytery, with headquarters in Portland, Oregon.

'07. Mr. and Mrs. Lewis E. Myers of Valparaiso, Indiana, have taken an apartment in New York City and will spend the school year there while their children are attending the Lincoln School connected with Columbia University. Mr. Myers will divide his time between his New York and Valparaiso offices.

'98, '99. Mrs. Howard M. Newton (Anna Baker), of Lansing, Michigan, and Walter E. Baker of Pittsburgh, Pennsylvania, were called to Westerville a little over a week ago by the unexpected death of their mother, Mrs. W. O. Baker.

'85, '92. Mr. and Mrs. F. A. Z. Kummer (Mattie Bender), of Dayton, Ohio, celebrated the thirtieth anniversary of their marriage with a reception at their home Sunday evening, September 28, to which a large number of guests were invited, including those who were present at their wedding in Westerville.

O C

#### Many Students Enroll In

#### Science Laboratories

In the science departments this year there is an increase in numbers over last year. The department of Zoology seems to be the only one in which there is a marked decrease.

There are 46 enrolled in Zoology this year as against last year's enrollment of 65. There are 125 in the chemistry department, 33 in Physics, 55 in Botany, 9 in Geology, 13 in Bacteriology and 8 in Physiology.

There is a total of 293 students in the laboratories of the college and the professors report a splendid beginning in their different departments.

#### CLASSES ELECT OFFICERS

#### All College Classes Elect Officers and Organize for the College Year of 1924-25.

Class elections have been the subject of conversation for the past few days. The three upper classes have organized permanently but the officers for the Freshman Class will serve for only six weeks and at the end of that time permanent officers will be elected. The results are as follows:

##### Seniors

President—Wilbur Wood.  
Vice President—Abel Ruffini.  
Secretary—Alice George.

•Treasurer—F. M. Pottenger.

##### Juniors

President—Carl Eschbach.  
Vice President—Dwight Arnold.  
Secretary—Ruth Braley.  
Treasurer—Robert Cavins.

##### Sophomores

President—Marcus Schear.  
Vice President—Edward Hammon.  
Secretary—Mary Mills.  
Treasurer—Charles Lambert.

##### Freshmen

President—Louis Norris.  
Vice President—Margaret Eubanks.  
Secretary—Adelaide Pottenger.  
Treasurer—Myron Reek.

##### O C

#### Y. W. C. A. Enjoys Interesting Meeting Tuesday Evening

Tuesday evening Y. W. C. A. began its year of meetings with the same

amount of zeal and enthusiasm which has characterized the opening of our school activities this year. The Freshman girls almost outnumbered the older girls.

Elizabeth Saxour chose for her devotions, the parable of the wise and foolish virgins. Ernestine Schmitt sang "On Life's Highway." The theme of the meeting was, "Greetings." Christena Wahl, the president, introduced the cabinet. Mrs. Hursh brought the greetings from the advisory committee, and Margaret Widoes the greetings from the cabinet. In her talk, the leader, Christena Wahl, spoke of the ideals of Y. W. in developing the fourfold life and "the Jesus way of living." At the close of the talk Lenore Smith sang, "Follow the Gleam."

### EDITORIALS

#### Show Your Interest

It is gratifying to see such a large  
number of students out on the ath-  
letic field every evening attending  
varsity football practice. The size of  
the crowds at the athletic field again  
tell of the fine spirit existing on the  
campus.

Ditmer wants students to watch the  
practices. But he does not want to  
"call" students who just come to in-  
terfere with practice by "haw-hawing"  
at each little peculiar motion of the  
men. As yet it has not been neces-  
sary for the coach to "call" the crowd  
and for this spectators are to be com-  
mended.

Come out on the field. Every stu-  
dent owes the men on the squad some-  
thing and nothing gives them confi-  
dence like a good crowd of really in-  
terested spectators at the practices.  
Your presence on the field silently  
tells the coach and the team that you  
are with them. Let's all COME  
with enthusiasm but with considera-  
tion.

— O C —

#### Get Out For Rally.

Next Thursday night will take  
place the annual football rally and  
bon-fire. This rally is one of Otter-  
bein's traditions and is the one big  
event of its kind for the year. Its  
purpose is two fold. One is to create  
pep and enthusiasm in the student body  
and the other is to show the mem-  
bers of the team that the school is  
behind them. To be successful the

rally must accomplish those two  
things.

Now what we meant to say was  
"get out to the rally". Every student  
from the first year prep to the senior  
owes it to the school and the team  
to attend the rally. Faculty members  
and all who are in any way directly  
connected with the college can by  
their presence show their good will  
towards the team.

What we as students can do to help  
make a winning team is not little.  
You are responsible for the success of  
the Thursday night rally. Let's all  
come with enthusiasm and do our part  
to help make the 1924 season a suc-  
cess.

— O C —

#### Will We Have a Band?

Within the next few days an at-  
tempt will be made to organize a col-  
lege band. The promoters of the  
band have the sanction of the faculty  
and will receive cooperation from the  
School of Music. We have long  
needed a band and this step is a de-  
cided advance forward. The reasons  
why we must have a band and the  
good it will accomplish need no com-  
ment here.

Now if you are a musician and  
within the next few days asked to en-  
roll in the band please don't fail to  
do so. Every one who can play an  
instrument is needed. When you are  
once a member be loyal, attend every  
practice and give Otterbein a band to  
be proud of.

— O C —

#### IT STRIKES US—

That every student should get out  
for the rally.

That a good bunch of rooters is  
going to follow the team to Wooster.

That this year's football rally  
should be the biggest and best ever.

That our coaching staff looks good  
and will turn out a good team.

That every student who plays an  
instrument should be out for the band  
and those who don't play should lend  
support to the band.

That students should begin to use  
the CLUB TALK column.

That the entire student body is be-  
hind the team.

— O C —

#### CLUB TALK

##### Notice

All high school, prep and foreign  
college numerals and letters are for-  
bidden to appear on or about the  
campus. Any person wearing nu-  
merals or a letter not awarded by Ot-

terbein College will kindly henceforth  
discontinue to do so. "He who hes-  
itates is lost."

— O C —

#### Former Student Wins

Geneva Braley, '22, a graduate in  
both the college and voice recently  
won first prize in the Eistedford  
Contest held at Jackson, Ohio. The  
contest attracted national attention in  
musical circles and Miss Braley won  
first prize, singing an alto solo, "He  
Was Despised"—a song which she  
studied under Prof. Spessard here in  
Otterbein.

The victory of Miss Braley was all  
the more notable inasmuch as the  
winner for the past four years was a  
contestant, while Miss Braley had ap-  
peared for the first time.

— O C —

#### Section "A" Meets

"Organization" was the topic for  
discussion of Section "A" of Christian  
Endeavor which met last Sunday  
evening in the basement of the  
church, Pauline Knepp, the leader,  
emphasized the necessity of cooper-

ation and organization in the C. E.  
society for the coming year. Robert  
Weitkamp played a cornet solo.

After Killinger and Marsh settled  
their dispute as to which aisle they  
would take the book, which the leader  
asked for, the necessity of organiza-  
tion was proved.

## VARSAITY DEBATERS WILL BEGIN WORK TONIGHT

Debate activities will begin Tuesday night when both old and new debaters will start on the season's work. The debate schedule opens with a pre-season meet with Capital, the regular debates being with Hiram, Heidelberg, Ohio Northern and Bluffton. Following this series, the old triple alliance, strong debate rivals, Muskingum, Wittenberg and Otterbein, will meet in a post-season affair as it was impossible to arrange regular debates with them.

Although one last year's speakers, Barnett Eby, has not returned to school, a former debater of experience, Dwight Arnold, has returned, making available six experienced men, including Wood, who captained a team last year, Hoover, Henry, McGuire and Howard.

Preparations for the Freshman-Sophomore debate will soon get under way so new aspirants can battle older men for places on the Otterbein teams.

Prof. Leon McCarty, succeeding Prof. Fritz, will coach the forensic teams this year.

O C

## 1925 Sibyl Staff Busy at Work on New Annual

Plans for the 1925 Sibyl are early taking form as both the business and editorial staffs are getting their work under way. The failure of several staff members to return to school resulted in the election of Dwight Arnold as advertising manager, Alice Sanders as one of the assistant editors and of Helen Palmer as an organization editor.

Inasmuch as the present staff was elected last year and work could be carried on through the summer the 1925 staff assures a good edition of the Sibyl this year.

O C

## RESPONSE TO SUBSCRIPTION CAMPAIGN ONLY ORDINARY

387 students and faculty members responded to the appeal for subscriptions made in Chapel Wednesday morning by "Red" Camp in behalf of the Tan and Cardinal.

Whether the Freshmen are more observing and feel the need of responding to the conspicuous placard "Freshmen", or merely hold forth in greater numbers, it is difficult to say. But we do know that the Freshmen head the list for the largest number of subscriptions for the Tan and Cardinal. It is also interesting to note that the boys responded better than the girls. The following statistics showing the subscriptions this year, prove interesting:

Freshmen	99
Sophomores	66
Seniors	53
Juniors	47
Triangles	8
Boys	211
Girls	176
Professors	20
Ex-Students	94
Total last year	407
Total this year	387

O C

Come Out for the Rally!

## Member of First Class to Enter O. C. Celebrates Birthday

Mrs. Julia Taylor, better known perhaps to Alumni and students of Otterbein as "Grandma" Taylor celebrated her ninety-third birthday last Wednesday.

"Grandma" Taylor entered Otterbein College the first year it was opened in 1848. When she entered Otterbein there were two professors one instructor and an enrollment of twenty-five. Now there is a faculty of 44 members with 11 student assistants and an enrollment of 500.

## Board Elects Cheer Leader

At a meeting of the Athletic Board held Monday morning Wilbur Wood, '25, was elected cheer leader for the year 1924-25. Wendell Camp and Dean Upson were elected assistants.

O C

## Will Hold Contest Here

The Ohio State Inter-Collegiate Oratorical Association of which Floyd McGuire is president, will hold its annual oratorical contest here on the campus during the third week in February.

## If father did the washing just once!

If every father did the family washing next Monday there would be an electric washing machine in every home before next Saturday night.

For fathers are used to figuring costs. They'd say: "The electricity for a week's washing costs less than a cake of soap. Human time and strength are too precious for work which a machine can do so cheaply and well."

You will live in a new age—an electrical age. Heavy tasks will be shifted from human shoulders to electric motors. Remember the letters "G-E". They are a symbol of service—the initials of a friend.

If you are interested to learn more about what electricity is doing, write for Reprint No. AR391 containing a complete set of these advertisements.

## FOOTBALL BEGINS

Results of Saturday's Football Games  
Bring Many Upsets in Ohio  
Conference.

Most of the Ohio Conference teams were in action last Saturday. But only two games played counted in the Conference standing, the Case-Muskingum game and the Oberlin-Hiram game.

The Case-Muskingum game was the most hotly contested tilt. Case finally put the pigskin over early in the fourth quarter for the only touchdown of the game. The victory was a sweet one for Case, it being her first since 1922.

Oberlin had an easy time of it with Hiram, the final score being 41 to 0. Oberlin secured at the same time ample revenge for the 7 to 6 trimming handed to them by Hiram last year. Weber, Oberlin's quarter, proved to be the star of the game.

Although Capital put up a game fight against Ohio Wesleyan they were hopelessly out-classed to the tune of 40 to 0.

Fumbles and penalties featured in the game between Wooster and Ashland, which resulted in a 17 to 0 victory for Wooster.

Defiance pulled the big surprise by defeating Heidelberg 13 to 0, scoring two touchdowns on passes, intercepting one of Heidelberg's passes for the last marker.

St. Xavier, the last opponent for O. C., did not get into action but will start their season next Saturday against Transylvania.

O C

Seven Members of Last  
Year's Class Are Coaching

Seven members of the class of 1924 are now coaching athletics in high schools. Captain Stoltz of last year's football team is coach of football at Nelsonville and is having success. Thanksgiving Day "Eddie's" team meets Logan where "Skinny" Lehman is coach.

Gilman barks coach's orders at Gallitzin, Pa. and Harold Anderson is second in command at Fraunfelder school in Akron. Hancock is the mentor at Grove City and at Reynoldsburg "Len" Newell is in charge. Harvey Leffel is coaching athletics in a southern Ohio high school while "Ken" Priest will direct both the football and basket ball teams at North Baltimore.

O C

Freshman Efficiency Tests to  
Include Both Boys and Girls

An innovation has been added to the Freshman efficiency tests which will be held within the next two weeks, in that the girls will also have a series of events to determine their athletic abilities. Heretofore the boys only were obliged to undergo the tests.

The events in which the girls will compete are: 50-yard dash, volley ball serving, foul shooting, and possibly the standing broad jump.

The boys have the usual events which consist of: 100-yard dash, running broad jump, baseball throw, rope climbing and the pull up.

## FROSH REPORT

Thirty-three Yearling Report for  
Football—Material Looks  
Good.

The first Freshman football practice was held Wednesday afternoon, when twenty-six Freshmen reported to "Deke" Edler, the new Freshman coach. Seven more have reported since then, making the squad total thirty-three. This is the largest Freshman squad in the history of the college.

At first time was devoted to going over the rudiments of the game but now Coach Edler has begun to give his men some strenuous practice preparatory to meeting the varsity. Some very good material is found to exist among the wearers of the green caps.

Those reporting for practice are Whitehead, Reck, Jacoby, Sonner, Williams, Euverard, Wales, Drexel, Abbott, Burtner, Bishop, Weber, Hankinson, Griggs, Beucier, Shott, Gantz, Weitkamp, Spitzer, Endsley, Conger, Reigel, Minnick, Norris, Buell, Dieterle, Barnes, Gordon, Pinney, Van Curen, Quinlan, Crawford, Landis.

O C

Changes Are Made In  
Football Playing Code

Now that the football season is here and the first game less than a week off, the fans should know the new changes in the football playing code. The abolition of artificial tees, the advancement of the kick-off from the 40-yard line to the center of the field, an increase from two to five yards of the penalty for excess time out and decision to try for point after touchdowns from the three instead of the five yard line, are the four most important changes in the football playing code for this year.

The first three changes will tend to speed up the game while the last will increase the versatility of play for the point after touchdown.

O C

Team Working Hard in  
Preparation for Wooster

To fight and to fight hard is the determination of Otterbein gridgers when on next Saturday they clash with Wooster in Severance Stadium. Every man on the team is in tip-top shape after another week of practice. Both the line and backfield were a little slow in getting started but with this week's conditioning will be ready for battle.

Little has been heard from Wooster other than that they will have one of the strongest teams in years. The up-state team has five letter men back on the line and four in the backfield. Wooster's team will be three pounds lighter to the man than last year so the Presbyterians are centering their offense on speed. Otterbein hasn't defeated Wooster for many years but it can be done. If it should turn into an Otterbein victory it will be the biggest and most desired scalp of the season.

O C

Former Coach Visits  
Wednesday evening, F. H. Gorton,

former football coach, visited the athletic field to see the varsity squad practice. Gorton was coach of football here during the war. After leaving Otterbein he engaged in business and is now on his way to Los Angeles where he is planning to make his home.

O C

FOOTBALL SCHEDULE FOR  
VARSITY IS CHALLENGING

A glance at Otterbein's schedule for the gridiron battles does not permit a feeling of joy. The usual over-balanced schedule of past years seems to be the case again this year.

The first game is at Wooster and it will be a hard one. Wooster reports a strong team and is confident of going through the season undefeated.

The following week the team journey's to Cleveland where they will meet Case. The Tan team may find Case an easy victim this year.

Hiram at Hiram will be a more hotly contested battle. Our 13-0 victory of last year should be an incentive to repeat.

The fourth game with Ohio Wesleyan will be another hard battle. Wesleyan will have another strong team but spirit and cooperation coupled with determination can do the impossible.

The Home-coming game with Heidelberg should be the fourth victory in as many years.

Muskingum will furnish the opposition for the last home game. The 6-0 defeat handed the varsity last year at New Concord should make the Tan team fight hard.

The last game with St. Xavier at Cincinnati causes a lot of speculation. If the team hits St. X with the same spirit and determination as they did last year the varsity should close the season with a win.

O C  
SIDELINES

Scrimmage is rapidly becoming a daily occurrence. Dittmer seems determined that his plays shall work in

practice as well as in theory.

Every afternoon the sidelines are crowded with spectators. Such interest bespeaks the proper Otterbein spirit.

The squad has been very fortunate in the matter of injuries. Nothing serious has developed so far and outside of a few bum fingers, sore feet and numerous scratches the team is in fine physical condition.

The large number of Frosh gridgers on the field and the ability they show bespeaks that there will be some hectic scrimmage between the varsity and the yearlings.

The presence of three coaches on the field each evening tells much of what the college is doing for athletics.

Renner is still the same accurate passer that he was two years ago.

Who will do the punting Saturday is only a conjecture but Snavely, Carroll or Richter can boot the ball for distance.

As for ends who should worry except the opponents when "Ruff" and Carroll are on the wings.

"Kotsy" Durr has come to his own and he will be a tower of strength on the line this year.

Richter, Porosky, Captain Reck are the three other men who are showing well on the line. As a center Reck is second to none.

DRY CLEANING  
PRESSING AND  
REPAIRING

Friday evening the Talisman Club entertained a number of guests with a weiner roast at the canoe landing. Games and music were responsible for a delightfully carefree evening.

Dorothy Wadsworth, Virginia Le-Master and Margaret Weinland were at their homes Saturday and Sunday.

Sleepy Hollow was chosen by the Polygon Club as the scene of their steak roast Friday evening. Several new girls participated in the jolly round of entertainment.

Mary McKenzie spent Sunday afternoon at her home in Delaware.

Mrs. Fansler was with her daughter Mildred over the week-end.

Elizabeth Trost, who painfully cut her hands and arms on one of the glass doors in Cochran Hall, is getting along nicely.

Helen Miller spent Saturday and Sunday with friends in Columbus.

The Arbutus Club, with twelve guests, enjoyed a steak roast frolic on Monday evening.

Ruth Braley was the fortunate hostess to her entire family Sunday afternoon. The Braleys motored up from Wellston especially to visit Ruth.

The Arcady Club chose a harvest party to entertain twelve new girls. The party, which was held at the McLain home, had for its special feature a Kiddy Kar race.

Lorene Smith, Celia Johnson, Mary Whiteford and Helen Webster motored to Chillicothe, where they spent a pleasant week-end with Lorene's parents.

Margaret Kumler attended her parents' thirtieth wedding anniversary in Dayton this week-end.

On Friday night, the Greenwich Club were hostesses to twenty-one new girls, Mrs. Valentine and Dean McFadden. The party, which was held in Cochran Hall, was exceptionally pleasing.

The Owl Club went to Sleepy Hollow Saturday evening for a jolly push. Besides several local guests, Mary Tinstman, '20, and a girl friend, who had motored from Middlebourne, W. Va., Mrs. E. W. E. Schear and Mrs. Routzohn were present.

Mildred Conn, '24, who is teaching at Cardington, Ohio, has been with Polygon friends since Wednesday. Marjorie Copeland, '23, who also is teaching at Cardington, has been vis-

iting the Phoenix girls.

Josephine Foor Cribbs, '20, had Sunday dinner with the Owls. Mrs. Leon McCarty had Sunday evening luncheon with these girls.

The Tomo-Dachi Club were guests at a party in honor of Miriam George Van Mason, '19, Saturday night.

Beulah Wood, '24, was an Otterbein visitor Saturday and Sunday.

"Al" Mattoon, principal of the Cardington high school, has been visiting Mary Hummel since Wednesday.

#### ENROLLMENT FOR YEAR ONLY 490 (Continued from Page One)

tions have been bad and scores of our former students and prospective students have not been able to earn enough to get into college this year."

Outnumbering all other classes, thus sustaining the age-old custom, the Freshman roll contains one hundred and thirty-three students. The Sophomores rank next with an enrollment of 123, the Juniors 87, and finally the Seniors with 83.

The elimination of the first two years in the academy cut into the roll deeply. In this department there are only 16 students left where at one time there were as many as 100. There are 41 enrolled in the music and art departments. Three students are taking special work and four have studies of a miscellaneous character.

#### CO-EDS COLLUM

In society the other night we learned that the American aviators who circled the globe weren't married. And we thought them brave men.

Last week the almunal editor reported seventeen marriages. At least the Otterbein men aren't cowards.

#### DAN CROCE

Proprietor of  
STAR SHOE REPAIR SHOP

Men's Dress Winter  
Shoes ..... \$4.25, \$4.75 and \$5.65  
Boys' School Shoes, the best  
you can buy, at ..... \$3.35

This saving sale starts at once, come in and take advantage of these prices.

You know after all it isn't a question of what we'll do when we get through college as what the college will do when we get through with it.

St. Pat looked down from heaven, His eyes filled up with tears  
He saw our nice new freshmen  
"Why, St. Pete, look at those Irish dears."

Dean McFadden reports a mad dog in the vicinity of the two mile square, we're passing the news on to the freshmen. Upper classmen never frequent the two-mile after dark so they needn't take notice.

We've worked an hour  
To write this much.  
And we guess you'll wish  
We hadn't done such.

#### VARSITY READY FOR FIRST GAME

(Continued from page one.)

new feature for a Tan squad.

The initial battle is to be with Wooster, last year's conference champions. It will be remembered that last season the Tan team held them scoreless until the second half in a thrilling engagement, though they got away to three touchdowns in the last two periods. The Presbyterians are going to have a scrap on hand when they try for the honors this year, for the Otterbein bunch is out for blood. It will be an uphill fight during the

early part of the season, playing four hard games away from home. But so long as Otterbein pep remains at such a high level there's plenty of reason for being cheerful.

WHERE EVERYBODY GOES

A number of Freshmen were guests of the Alps Club at a stag session held Tuesday evening at the Armory on East College Avenue.

"Al" Elliott, '23, paid a brief visit to Otterbein Saturday. "Al" is the Boy Scout Field Secretary at Columbus.

Paul Spragg, ex-'26, who attended Western Reserve last year, visited his Philophronean brothers Friday evening.

"Perk" Collier, '23, coach at the Maple Heights high school, Cleveland, and Millard Hancock, '24, returned to give Otterbein the once over Saturday. "Hank" is coaching at the Grove City, Ohio, high school.

The parents of Elmer Dieterle, '28, of Detroit, visited him Saturday and Sunday.

George Sipe and "Corny" Moore, '21, who is employed in a bank at Canal Winchester, were welcomed back again.

Larry Miller and R. A. Williams, both of the class of '27, made a flying trip to the latter's home in Bellville Saturday.

Saturday night the Sphinx Club was royally entertained at the home of Wilbur Stoughton on North State Street.

Among those back this week were "Jud" Siddall, '19, principal of the high school at Kilbourne, Ohio; "Bill" Evans, '19, Wayne Neally '17, Dayton, and "Deuzy" Durrant.

"Ick" Keeny of Akron, who is a student at Ohio Northern University, was the week-end guest of "Johnny" Carroll.

A "get-together", held in the Annex rooms Friday evening, was attended by a number of alumni and Frosh. After the serving of refreshments, a very enjoyable serenade was given in the vicinity of the dorms.

Denny Brown visited with friends in Westerville Sunday and Monday. He plans on entering Ohio State this year.

The young men who dine at Priest "Hall," Cook "Hall," Dunlap "Hall" and sundry other places were given an opportunity to take advantage of the offer of a life time during the past week. From reliable sources we learn that the "great majority" availed themselves of this splendid opportunity and as a result we shall expect to see some very remarkable photographs upon the campus in the near future.

#### THE FRESHMAN CODE

##### To Be Observed by All Freshman Men.

1. All men of the Freshman class shall wear freshman caps (green) when outside, except on Sunday or when out of town, until Easter vacation.
2. They shall keep to the walks while on the campus.
3. They shall learn the college songs and yells.
4. The Freshman representative of the Men's Senate shall organize his classmen for special work assigned to them by the Men's Senate, such as, taking care of the flag, preparing bonfires, moving bleachers, meeting teams, assisting with work on the athletic field when needed, etc.
5. At all athletic contests the Freshmen shall group themselves in a manner suitable to the cheer leader.

##### Enforcement of Code

Violations of the code are subject to the jurisdiction of the Men's Senate.

#### THE FRESHMAN CODE

##### To Be Observed by All Freshman Women.

1. All women of the Freshman class shall wear freshman ribbons (green) except on Sunday, when out of town, or to special college functions and literary society, until Easter vacation.
2. They shall keep to the walks while on the campus.
3. They shall learn the college songs and yells.
4. The Freshman representative to the Women's Senate shall organize her class mates for special work which may be assigned them by the Senate.
