YEAR TO CLOSE WITH BIG WEEK

Many Social Activities Fill Commencement Week Which Promises To Be Big Success.

EIGHTY-SEVEN TO GRADUATE

Dr. E. A. Jones Will Deliver Sixty-eighth Annual Commencement Address, June 11.

With all college work and examinations completed, the final week of the 1923-24 term will be a gala week of social functions for the graduating class, the returning alumni, and the students and friends of Otterbein. Large numbers of old grads and parents are expected, and elaborate preparations have been made to make their stay on the campus a pleasant one.

The social work begins Thursday evening, June 5, with open sessions of Philaethan and Cleiorheteian Literary Societies followed by open sessions of Philomathean and Philophronean Literary Societies on Friday evening. Excellent literary programs will be presented at each of the four sessions.

At eight o'clock Saturday evening, President and Mrs. Clippinger will be host and hostess at the annual reception to the Senior Class, held at Cochran Hall.

RECITAL WELL RECEIVED

Wray Richardson and Hazel Barngrover Give Joint Graduating Recital.

The joint graduating recital given by Wray Richardson and Hazel Barngrover in Lambert Hall Wednesday evening was a pronounced success.

Miss Richardson, mezzo-soprano, assisted by Josephine Cridland, violin and Thelma Bonnell at the piano, presented a pleasing program.

Miss Barngrover, violinist, was assisted by Mabel Dunn Hopkins, violin; Lulu May Baker, at the piano, and Helen Vance at the organ. Her program was varied and well given.

This is the second graduating recital of Miss Barngrover. The first one, given a short time ago, was a piano recital and proved equally successful.

Well merited approval of the achievement of both students was expressed by the appreciative audience and the evening's program was characteristic of the high type of work maintained by the music department.

Varsity and Alumni to Cross Bats Tuesday, June 10

The "has beens" of Otterbein's baseball team, or in other words Otterbein's alumni, will cross bats with the varsity Tuesday afternoon of Commencement week at 2:30. Otterbein has turned out some good ball players in her time who can give the varsity a good game. It ought to be amusing to see some of the "old timers" forget their "rheumatiz" and lumbago long enough to make it interesting for the varsity.

Hilda Gibson Heads Staff for Next Year's Handbook

Hilda Gibson will edit the Y. M. C. A.—Y. W. C. A. handbook which will be ready for distribution at the beginning of the 1924 fall term. Joy Dillinger is the assistant editor and Donald Clippinger is the business manager.

"The American Girl" was presented here several years ago and the success of that performance and the personnel of the present cast foretell an evening of delightful entertainment.

STAATS IS STAR

Varsity Pounds Way to an 8-2 Victory on Local Lot—Hancock Pitches Well.

Otterbein gave Hiram a thorough trouncing in baseball on Friday, May 22, on the home diamond by an 8 to 2 score. The erstwhile conquerors of Wesleyan were kept well in leash throughout the contest and at no time did they show serious signs of winning.

Throughout the contest Hancock continued his winning ways, keeping the enemy blows well scattered. In the second session he loosened up a bit and granted a run, as also in the ninth, but in general he was very frugal with his offerings. Not the least of his accomplishments was that he kept the generally hard-hitting Bates from even reaching first.

Capt. Staats was in his element, starring in every department of the game, and scoring three of his team's tallies. Seibert and Leffel also had a big day with the stick, scoring a brace of hits apiece.

McCullough, Hiram's catcher was the only one of their much touted outfit to show up to special advantage. This Otterbein win leaves several

1924 Catalogue Reveals Many Interesting Facts

In the Otterbein College Bu'le in for 1924-25 which was recently distributed many interesting facts were learned concerning Otterbein. The increase in attendance has exceeded all previous years and all departments of the college show a large increase in enrollment. The total college enrollment is 550 of which 455 make up the four regular classes and 11 are special students.

The Senior enrollment is 79; Junior, 85; Sophomore, 121; Freshman, 159; and Academy, 34. There are 140 enrolled in the School of Music and 39 in the School of Art. There are 17 states represented and Ohio sends 423; Pennsylvania, 48; and Indiana, 16.

Last year Pennsylvania sent 16 and this year just three times as many. There are 36 more women enrolled at Otterbein than men, there being 293 Women and 257 men in the college.

FRENCH PLAYS PRESENTED

All Plays Well Presented and Annual "Soiree Francais" Reflects Much Credit on Directors.

Every seat in the college chapel was filled Saturday evening, May 24, when the French Club and members of the third year French class presented the annual program of French plays.

Three dramatic offerings in French, "La Malade Imaginaire," "La Barbe Bleue," and "L'Initiation," were presented on the evening's program. The first play, "L'Initiation," a one act comedy, was played by members of the third year class. This play was the initiation of a member into a French club.

The feature of the evening's program was the three act comedy "La Malade Imaginaire," by Moliere, which was presented by the French Club. In this play the leading parts were taken by Joe Mayne, Edna Yaus and Wray Richardson.

Following the production of the French Club, members of the third year class presented a one act play, "La Barbe Bleue."

The popularity of the French production was shown by the packed house, and Professors Rosselot and Mills with Mrs. Rosselot who directed the plays, are to be congratulated upon the increasing merit of these artistic productions.

Senior Farewell Meeting

Held Thursday at "Y"

For its last meeting of the year Y. M. C. A. gave a farewell to its Seniors last Thursday evening. As it had been advertised that "eats" would be served a good crowd came out. Speeches were made by two Seniors, Sylvester Broderick and Howard Menke and by Herbert Seaman, state secretary of the Y. M. C. A., who was on the campus all day Thursday to hold individual conferences with each member of the cabinet. After the refreshments were served, to complete the good fellowship of the evening the group assembled around the piano and sang several college and serenade songs.

Last Thursday evening a large crowd attended a much enjoyed musical program which was in charge of C. J. Broadhead. Several violin solos were played by Josephine Cridland,

accompanied by Mary Elizabeth Brewbaker, and a banjo-mandolin trio, accompanied by Mr. Broadhead. In place of the Sophomore carnival quartet, John Hudock and Carl Eschbach sang two duets. The Faculty Trio, Miss Cridland on the violin, Miss Vance, piano, and Professor Spessard, cello, closed the program with several numbers.

Stay for Commencement

Commencement week is fast approaching and the biggest and happiest week of the year will be with us again. That week is the gala time of the year. Work is over, cares are tossed to the winds and it is a week of happiness for the undergraduate. While it is a week of joy for the majority it is nevertheless a week of sadness for many. How strange it is that the same week can be one of happiness and sadness for the same group of students. However happy they may seem, sadness holds the Seniors as they leave behind their college years. One sees sadness manifest wherever friends and schoolmates are bidding each other goodbye.

Each undergraduate should plan to stay for this Commencement. Commencement is really a part of the school year and those who miss the festivities fall short of their opportunities. Many visitors and alumni are coming to visit the school and naturally to get a glimpse of the student body. If we are not here a poor impression of Otterbein is made, a misfortune that not one of us would wish.

What a fine thing it would be if all those who could, would remain for the memorable week, to the betterment of ourselves, the pleasure of the alumni and the advantage of Otterbein! Your attendance at this com-

mencement will silently show your interest in Otterbein.

O C CLUB TALK

A Girls' Glee Club.

Why should Otterbein not have a Girls' Glee Club? Every year that she has had one it has been a success. This season especially Girls' Glee Clubs have been a popular suc-

cess at other colleges.

What is the reason that Otterbein does not have this organization? It cannot be that we are devoid of talent. Is it that the girls are not interested? If the organization were made a real wide awake one girls would be interested. But there must be some manifest results of the work. No girl will spend a vast amount of time practicing to give only one con-

cert. If concerts were scheduled the girls would be inspired to do their best and the quality of the club would be one of which Otterbein could be proud.

We all realize that the musical director has as much as he can do with the directorship of the Men's Glee Club and the Church Choir besides his regular work. Since this

You will find these letters on many tools by which electricity works. They are on great generators used by electric light and power companies; and on lamps that light millions of homes.

They are on big motors that pull railway trains; and on tiny motors that make hard housework easy.

By such tools electricity dispels the dark and lifts heavy burdens from human shoulders. Hence the letters G-E are more than a trademark. They are an emblem of service—the initials of a friend.

CHANGES FOR SCRAP DAY

Important Changes in Event for Scrap Day Made by Student Council.

At a recent meeting of the Student Council the date for the annual Scrap Day was set for Saturday, September 20. The Council also adopted the resolution to adopt the "Sack Race" which will take the place of the "Tie-up." The rules governing the "Sack Race" are as follows:

The Sack Race shall be a contest in which twenty sacks shall be scattered along the fifty yard line of the football field. The freshmen and sophomores shall line up at opposite goal lines.

At the referee's signal the two sides shall come together with the object of removing as many sacks as possible to the goal from which the team came.

The struggle shall be over the sack and unnecessary personal contact shall be eliminated. Any contestant guilty of choking, strangling, or displaying other unsportsmanlike conduct shall be eliminated immediately.

Every sack carried to the goal line shall count as one point for that side. It shall be immediately returned to the fifty yard line by a referee. There shall always be twenty sacks in the struggle.

This contest shall last twenty minutes and the side having the largest number of points to their credit shall be declared the winner.

These sacks shall be heavy canvas grain sacks, filled with sand and sawdust to the weight of 100 pounds.

The freshmen shall be compelled to secure and stuff the sacks, though the price shall be divided equally between the two classes. The winners shall receive the sacks.

The freshmen shall put on some distinguishing mark.

Rubber shoes shall be worn by all contestants.

An equal number of men will enter the contest and this number shall be determined by the Physical Director and Coach.

A sufficient number of referees shall be appointed.

A sufficient number of judges shall be provided to supervise the contest and to handle the eliminated men.

The judges shall have power to eliminate any and all injured men, and also the over-exhausted. No substitutions shall be made.

A designated space will be wired or roped off for the contest and on one but contestants and officials will be allowed within that space.

Note—These contests shall be between Sophomores and Freshmen only.

Classes not furnishing the required number of men must enter the contest with that handicap.

MEMORIAL DAY OBSERVED

Boyd P. Doty Delivers Memorial Address—Wreathes Presented in Memory of Fallen Heroes.

Impressive ceremonies which were held last Friday morning in the chapel marked the observance of Memorial Day. As the opening number the entire audience joined in the singing of America. This was followed by a hymn by the choir which was composed of Professor Spessard, H. K. Darling, Wray Richardson, Lorraine Rhinehart, Miss Robinson, Ernestine Schmitt, John Hudock and Dean Upson. Professor G. G. Grabill at the organ and Henry Davidson, Charles Keller and Ralph Curk, cornetists, accompanied.

Boyd P. Doty, attorney for the Anti-Saloon League of America, delivered the memorial address in a soul-stirring style. He gave a short review of the six important wars in which America has been engaged since her birth. Mr. Doty made the startling statement that one out of every three Americans are either foreign-born or were born of foreign parents. He also said that we are a conglomeration of a multitude of races who have gathered together in one vast country the ideas of thousands of years.

Miss Jeanette Magill delivered Lincoln's Gettysburg Speech in a pleasing manner. Following Mr. Doty's speech C. M. Bowman, after a short address placed a wreath on the soldier's service flag.

After chapel adjournment ceremonies

conducted by Dr. E. A. Jones were held at the Soldiers' Monument on the campus. Dr. Jones placed a beautiful wreath on the monument.

As a conclusion to the services a new flag, purchased by a subscription among the students, was raised and then lowered to half mast in memory of those who are gone.

VARSITY SEASON TO CLOSE

Track Team to Meet Denison at Granville and Baseballers Journey to Delaware.

With the track meet with Denison and the baseball game with Wesleyan Saturday both varsity teams will bring the 1924 season to a close.

The meet with Denison is of interest and promises to be one of the best of the year. Neither team seems to have the edge on the other and the winner will not be determined until the last event is run.

The game with Wesleyan at Delaware Saturday will be a hot affair. Wesleyan's team got off to a poor start but with the experience of playing several games she now has a team of strength. Who will win will not be known until the last man is out in the ninth.

New Material For Next Year.

Word comes from McKeesport of a couple of new students for Otterbein. Harry Kalbaugh, left-handed pitcher, already ranks far above the average college pitcher and "Honus" Slavita is the classiest shortstop ever put out by the High School there. Both were members of Levi Howe's championship team this spring. There are a dozen other prospective students there, most of whom are football and baseball players. McKeesport promises to be developed into one of the most valuable of Otterbein's recruiting grounds.

teams in an anomalous position as to their ratings in view of week-end results. It's like this: Hiram has defeated Wesleyan, Wesleyan has won from Ohio University, Ohio has taken Otterbein's scalp, and Otterbein likewise Hiram's. Will somebody please step in and solve the riddle? It is to be regretted that rain prevented the playing of the Wesleyan game on Wednesday, in order that the matter might be settled once and for all.

PROFESSOR FRITZ TO LEAVE Has Accepted a Position in Iowa State College—Will Specialize In Dramatics.

Announcement has been made that Professor Charles C. Fritz has accepted a position in Iowa State College located at Ames, Iowa. Professor Fritz will become a member of the Public Speaking Department and will specialize in Dramatics.

On June 7, Professor Fritz will leave for Columbia, Missouri, where he has accepted an appointment for the summer term. He will give a course in Dramatics and Play Production at that university.

Otterbein will feel the loss of Professor Fritz very much. Much of the success of the class plays and college entertainments is due to him. The Cap and Dagger Club owes much of its success to the ever-helpful guidance of Professor Fritz. All Otterbein sincerely hopes that his career in the wild and wooly west will be prosperous and successful.

At the present date the successor to Professor Fritz has not been appointed.
