OTTERBEIN -- KENYON

PRESIDENT'S MESSAGE

It is pleasant again to entertain the team from Otterbein College on Benson Field. There has been a long series of football games between Kenyon and Otterbein, and we know from experience that a hard clean game will be played by both sides. If we are to be candid, we do not have altogether hospitable thoughts with respect to the minutes between the first kick-off and the final gun, but in every other respect we hope that the visitors from Otterbein, both the team itself and their supporters, will have a thoroughly enjoyable visit in Kenyon.

TEAM NOTES

With all the first game mistakes under their belt the Kenyon Lords take on the Otterbein Cards today. Today's game is the renewal of a long standing rivalry between the two schools. Today's game will be number four for Otterbein who lost their season opener to Wilmington College 7-0, then lost to a good Ohio Wesleyan team 20-0, then last week the Cards played favored Denison to a 20-20 tie.

This is game number two for the Lords who dropped their opener to Wooster last Saturday, 18-13. Kenyon made all the usual first game mistakes last week but they also played brilliantly in spots. One encouraging thing was the ability of Don Murphy, formerly a defensive star, to play the offensive halback position. Another encouraging aspect of last week's game was that freshmen Bob Nolan, Alan Kidd, Jack Harrison, Bud Boyd, Jim Wallace, Dick Evans and Don Moore broke into the line-up. Today's game should be a real thriller as both teams are out for initial victories.

A CHALLENGE

Our Uncle Sam's Sons and Daughters will meet another challenge in the year 1952 — at the Olympic Games at Helsinki, Finland.

The United States Olympic Association, aware of the great effort Russia and the other sixty-seven nations will make to wrest the Olympic laurels which we have defended so gallantly for many years, desires to send the champion athletes in our land to these Games.

It wishes to do so with funds contributed by the sports loving fans of the nation so that if Victory is won, it will be shared by all Americans. It doesn't want the United States Olympic team subsidized by the government.

The Committee is confident that our athletes will meet the Challenge. It is hopeful that Mr. and Mrs. American Fan will likewise meet the Challenge to their patriotism and give most generously to the United States Olympic Games Fund.

Make your check or money order to the United States Olympic Association and mail to
