(Tune, America)

Now let our hearts be raised
To sing a song of praise
To our brave squad.
For us they brave our foes,
For us they suffer woes,
Our enemies oppose,
Our Varsity.

For Wittenberg you fight.
Now fight with all your might;
Fight on, fight on.
Let not the foe o'er-come,
Let victory be won,
As we now cheer you on,
For Wittenberg.

(Tune, Down from Jungle-town)
Down from Otterbein
There came a team
That had some steam,
And they fought both good and hard,
But they lost it yard by yard.
Out from Wittenberg
There came a bunch
Of boys and girls,
Rooting, yelling, singing, shouting victory
For Wittenberg.

This Lamp Will Induce Any Merchant to Use Electric Light

No merchant can afford to use any other illuminant in his store since General Electric Tungsten Lamp has cut the cost of electric light in two. By reason of the metal filament in this lamp two and a half times as much light is generated as by the ordinary carbon incandescent.

We Have Large Tungstens

for use in large rooms or show windows and small tungstens for use in groups or singly in offices. There are many combinations of tungsten lamps with various lighting fixtures that show how to get the most light for the least money. We will be glad to give you particulars.
