He will give a short talk at the Friday night bonfire. Dr. Clippinger will also add a word of encouragement.

The Varsity "O" wishes to take this opportunity to thank Prof. R. F. Martin, head of the Otterbein physical education department, and Coach Ewing for their splendid efforts to make the group a live-wire club.

Are "things" going to continue to be different on this campus? What do you say? Let's keep up the college spirit!

ONWARD, OTTERBEIN!

We hope that you alumni and visitors will join with us in making this week-end the best that Otterbein has ever known. The plans have been carefully laid out by the Student Council and Mr. Ehrhart. All that is needed now to assure the success of the 1936 Fall Home-coming is your sincere cooperation. Drive outside cares from your minds, friends, and become a collegian again. Let's all back our team to the limit. Cheerleaders Bob Grise and Frank Jakes will be on hand to lead our cheering. Show your Otterbein spirit by giving the best of your vocal abilities.

* * *

A note of sadness has crept into the Otterbein football camp. The team's hard-working ball carrier, Bob Perry, senior from Akron, was a victim of streptococcic infection last Monday. At the last report his condition was steadily improving, but Bob will still have to watch the big game from the sidelines Saturday. As a reward for Perry's fine service as a varsity halfback throughout his college career, Coach Ewing has named him the honorary captain for the homecoming clash. Here's wishing you a speedy recovery, Bob! And here's hoping the team presents you with a victory Saturday afternoon.

For the benefit of you alumni who did not see the homecoming edition of the Tan and Cardinal, the queen is a Westerville co-ed, Doris Ann Brinkman, and her attendants are Grace Burdge, Canton; Thelma Grace Johnson,

HONORARY CAPTAIN

Bob Perry

Van Wert, and Josephine Moomaw, Sugar Creek. You will see them and their escorts some time during the day.

The Varsity "O" organization is trying to resume its former prominent position among the campus clubs. Won't you help the "O" men along by urging your friends to buy a copy of this program, too? Thank you!
