COLLEGE IS AMERICA'S BEST FRIEND

Every American should give special thought to the college problem. Not because alumni of higher institutions can solve all of our country's difficulties but because they, by and large, produce most of America's leaders.

We need this well-trained leadership for ideas, for imagination, for clear vision, for creative solutions. This is what it will take to hold our place in science and development, business, jobs and living standards, in human progress and the paths of peace.

But higher education is facing a crisis—colleges

are in a squeeze. Some face shortages. The growing number of applicants is staggering. If we are serious about remaining ahead, we must be equally serious about seeing that our colleges have enough classrooms, lab facilities and competent teachers.

College is America's best friend—give to the college of your choice.

If you want to know what the college dilemma means to you, write for a free booklet to: HIGHER EDUCATION, Box 36, Times Square Station, New York 36, N. Y.

This year we observe the centennial anniversary of the founding of the Otterbein College Alumni Association. Organized in 1863, only six years after the first graduating class, the association has grown to the present 8,000 living members.

Purpose of the Alumni Association is threefold: to promote a spirit of good will and loyalty among its members; to participate actively in student recruitment; and to cooperate with the college in every way possible for its continuing progress. Let's make the first year of the second century a banner year in activity, participation, and support.

COMMENCEMENT, 1963

One hundred and eighty-five seniors were graduated from Otterbein College in commencement ceremonies, June 3. President Lynn W. Turner conferred the following degrees: Bachelor of Arts, one hundred and seven; Bachelor of Science, twenty-two; Bachelor of Science in Education, fifty-five; and Bachelor of Music Education, four. Three students earned two degrees.

Six students were graduated with honors: Ralph C. Ciampa, Beaverdale, Pennsylvania; Thomas C. Morrison, Columbus, Ohio; Jean Victor Poulard, Epernay, France; Carol Simmons Shackson, Akron, Ohio; Sharon L. Speelman, Dayton, Ohio, and Darlene M. Stoffer, Mansfield, Ohio. Graduation with honors means a cumulative grade point average of 3.7 or more.

Fifteen students who had a cumulative point average of 3.8 or more in their major fields graduated with departmental honors: Peter M. Allaman, Dayton, Ohio, Sociology; Richard T. Bennett, Columbus, Ohio, Education; Charlotte Ann Bly, Tiffin, Ohio, French; Ralph C. Ciampa, Beaverdale, Pennsylvania, Social Studies; Martin L. Franklin, Monroeville, Pennsylvania, Mathematics; Doris J. Gorsuch, Dayton, Ohio, Education; Ruth H. Hassell, Westerville, Ohio, French; Sharon Hept, Vandalia, Mathematics; Janet Lacey, Newark, Delaware, English; Susan Morain, Mt. Vernon, Ohio, Spanish; Thomas C. Morrison, Columbus, Ohio, Social Studies; David F. Moser, Royal Oak, Michigan, Business Administration, Economics; John C. Muster, Canton, Speech; Sharon Speelman, Dayton, Ohio, Mathematics, Education; and Darlene Stoffer, Mansfield, Ohio, Elementary Education.

Ralph Ciampa is the fourth son of Rev. and Mrs. Donald N. Ciampa, Beaverdale, Pennsylvania, to graduate from Otterbein. The other sons, all ordained ministers in the Western Pennsylvania Conference: Frank '59; Donald '55, and Paul, '53.

Honor students who graduated with a cumulative 3.7 average or above, along with the only graduate to graduate with distinction include: Ralph C. Ciampa, Jean Victor Poulard, Richard S. Berry, Thomas C. Morrison, Carol Simmons Shackson, and Darlene Stoffer.

The commencement speaker, Dr. Richard E. Kelfa-Caulker, is pictured with his daughter, Imodale, and Sylvester Broderick, son of Dr. Sylvester M. Broderick, '24, all from Sierra Leone, West Africa.

Rev. and Mrs. Donald N. Ciampa, with their fourth son to graduate from Otterbein during the past ten years, Ralph C. Ciampa. Ralph is representing Otterbein this summer in Conference camps and conventions.

Honorary Degree Recipients

Honorary Degree recipients at Commencement are shown with Dr. Lynn W. Turner, left to right: Emerson C. Shuck, '38; Elmer N. Funkhouser, Jr., '38; and Herman F. Lehman, '22.

Three honorary degrees were conferred during commencement ceremonies, June 3rd.

Elmer N. Funkhouser, Jr., '38, executive vice president, American Metal Climax, Inc. with offices in New York City, received the Doctor of Laws degree. Prior to assuming his present position, he was executive vice president of the Cryovac Division, W. R. Grace, and Company.

In 1941, Mr. Funkhouser received the Master of Business Administration degree from Harvard. He has served as a trustee of Otterbein, elected by the alumni, since 1956 and is presently a member of the Executive Committee, chairman of the Finance Committee and the Budget Control Committee of the Board. He is married to the former Gladys McFeeley, '38, and they have five children. The family home is at Concord, Massachusetts.

The Doctor of Literature degree was conferred upon Emerson C. Shuck, '38, who was also a roommate of Elmer N. Funkhouser, Jr. He received his master's degree from The Ohio State University in 1939 and the Doctor of Philosophy degree in English literature from the University of Wisconsin in 1943.

Dr. Shuck joined the faculty of Bowling Green State University in

1943 and became Dean of the College of Liberal Arts in 1950. Since July 1st, he has been vice president for academic affairs at Ohio Wesleyan University, Delaware, Ohio. His wife is the former Sarah Beidleman, '38, and they have four children.

Left to right: Murray D. Lincoln; Dr. Lynn W. Turner; Colonel William C. Lindley; and Rev. Stanley H. Forkner, '39.

On Founders' Day, April 26, Murray D. Lincoln, president and general manager of Nationwide Insurance Company, was guest speaker and two honorary degrees were conferred. The Rev. Stanley H. Forkner, '39, director of conference program and Christian Education for the Michigan Confer-

Herman F. Lehman, '22, vice president of General Motors and general manager, Frigidaire Division, Dayton, Ohio, received the honorary degree of Doctor of Laws.

Following graduation from Otterbein, Mr. Lehman served for three years as a science teacher and coach in the Logan, Ohio, high school. He joined General Motors in 1925 as an inspector with the Delco Light Company. He became service manager for Frigidaire in 1928 and has held the position of commercial sales manager, assistant general sales manager and general sales manager.

In 1959, he became chairman of Otterbein's Development Board and, in 1960, was elected by alumni to Otterbein's Board of Trustees. In 1958, he received the Distinguished Alumnus Award. The Lehman's have two sons, the youngest, Joe, a 1958 graduate of Otterbein. Mr. Lehman is an active leader in the civic and business life of Dayton and served as area director of Otterbein's "Focus on Achievement" campaign.

ence, Evangelical United Brethren Church, received the Doctor of Divinity degree. The honorary degree of Doctor of Laws was conferred upon Colonel William C. Lindley, commandant, United States Air Force Reserve Officers Training Corps.

Dr. Mills Retires

Dr. and Mrs. Gilbert E. Mills, '20

After forty-three years on the Otterbein College Faculty, Dr. Gilbert E. Mills, '20, retired, effective July 1st. He is married to the former Lillie M. Waters, who was a classmate in college, both graduating from Otterbein in 1920. They have one daughter, Elizabeth, who graduated from Otterbein in 1947 and is married to Joseph B. Coughlin, Jr., '49.

Dr. Mills began teaching at Otterbein following his graduation. After receiving his master's degree from Ohio State University, he studied a year in France at the University of Pointiers and the University of Paris. He received the Doctor of Philosophy degree at Ohio State University in 1955.

At the time of his retirement, Dr. Mills was chairman of the Division of Language and Literature; chairman of the Foreign Language Department; and Professor of Foreign Languages. From 1942-62, Dr. Mills served as secretary of the Otterbein College Faculty.

Many alumni will affectionately remember Dr. and Mrs. Mills when they served as head residents of King Hall from 1934-38 and again from 1945-48.

The Otterbein College Board of Trustees conferred on Dr. Mills the title of Professor Emeritus.

MRS. NELSON RETIRES

Mrs. Marguerite Nelson, associate professor of English and a member of the Otterbein College Faculty since 1947, retired at commencement time. She was also granted emeritus status by the Board of Trustees.

Mrs. Nelson was graduated from Hiram College in 1916 and received her master's degree at Indiana University in 1939. While her son, Robert, was a student at Otterbein (1946-1950), Mrs. Nelson began teaching in the English Department. She endeared herself to hundreds of students during the past sixteen years and the Alumni Association conferred on her the Honorary Alumnus Award this

year. Details of her life of service are found on the next page.

Associate Registrar

Virgil L. Raver, '29, associate professor of education at Otterbein since 1958, became associate Registrar, effective July 1st. He will serve for one year with Dr. Floyd J. Vance, '16, Registrar, and become Registrar when Dr. Vance retires in 1964.

Prior to joining the Otterbein College Faculty, Mr. Raver was Superintendent of Schools in Ashland, Ohio. He received his Master's degree at Ohio State University.

European Tour

Dr. and Mrs. Paul Frank of the Otterbein College Faculty are leading a group of fifteen Otterbein students on a European tour to study art and musical centers. The group left New York City on June 17th and will return August 4th after visiting in France, Switzerland, Italy and Austria.

Criteria For Honorary Degrees

The Otterbein College Faculty approved the following statement of policy as the criteria to be used in selecting candidates for honorary degrees:

1. The candidate shall have achieved distinction in a field of honorable endeavor so that his name on the list of honorary alumni will reflect credit on Otterbein College.
2. The candidate, in character and conduct, shall have reflected the fundamental principles for which the college stands.
3. Consideration should be given primarily to alumni of Otterbein who have achieved eminence in scholarship, or rendered distinguished service in their business or profession as well as in behalf of the college, and to individuals who have rendered significant service to the Evangelical United Brethren Church.
4. In order to preserve the high value of honorary degrees, the principle of granting not more than four to six degrees each year, except upon extraordinary occasions, should be maintained.

The Honorary Degree Committee of the faculty set forth the following statement of steps to be followed by individuals who may wish to suggest possible candidates to the committee:

1. Submit a detailed letter indicating why the person is recommended.
2. Submit a brief biography and list of achievements.
3. Support it with names of individuals who would be able to furnish additional recommendations and information concerning the candidate and his works.

Alumni Awards For 1963

Mrs. Marguerite Nelson

Dr. Robert Price, chairman of the Otterbein College English Department and himself an honorary alumnus of Otterbein, presented Mrs. Marguerite Nelson for the Honorary Alumnus Award on Alumni Day, June 1st. Dr. Price said:

"One of the pleasantest duties I have ever been asked to perform is to present to you now a candidate for the Honorary Alumnus Award.

"During my second year of active service in the faculty of Otterbein College, in September, 1947, the English Department received into its ranks a new teacher who immediately proved herself a vital and a progressive addition to the college staff, one who ever since has continued to have a big and rich relationship with the student, with the faculty, with the classroom work and with the ideals of Otterbein College. This was Mrs. Marguerite E. Nelson who with the close of the current semester becomes Professor Emeritus.

"Mrs. Nelson was born in Elkhart, Indiana, but like so many far-seeing Hoosiers, she early found the happy trail that leads to Ohio. She received her Bachelor of Arts degree from Hiram College and then at various times continued her studies in the graduate schools of Stanford University, the University of Chicago and Indiana University, receiving her Master of Science degree from Indiana in 1939. She began her teaching career in the public schools of Jamestown, Indiana. Later she taught in the high schools of Windham and Andover, Ohio,

and Williams, California. For six years, she served as Assistant Principal and Dean of Girls in the Elkhart, Indiana, High school.

"Of Mrs. Nelson's distinguished teaching at Otterbein, I really do not need to speak, for so many of you here today can testify personally to it. During the past sixteen years, hundreds of Otterbein students have felt Mrs. Nelson's stimulating instruction in composition, in literature, in her methods courses for the teaching of English, and in her kindly and wise guidance as an adviser. And we, her faculty associates, can testify best of all to her loyal service, her constructive cooperation and her helpful companionship through all the varied experiences that make up the heavy rounds of college teaching.

"Many of you have read Chaucer's *Canterbury Tales* with Mrs. Nelson. I cannot think of any words in all literature that apply any better to her as a teacher than those wonderful ones that Chaucer gave to the Clerk of Oxenford, of whom he said: "Gladly would he learn and gladly teach." The accent, of course, is on the word *gladly*, for that one word makes all the difference between a *mere* teacher and a *great* one. That gladness in the world of learning and teaching, Mrs. Nelson has always seemed to have in abundance, it seems to me, and she has had the wonderful knack of passing it on to others."

Dr. Richard E. Kelfa-Caulker, '35, first Otterbein College graduate to become an ambassador to the United States, received the Distinguished Alumnus Award at the Alumni Day Luncheon, Saturday, June 1. He was presented by Dr. Floyd J. Vance, '16, long-time friend and college administrator when Dr. Caulker was a student at Otterbein.

Mrs. Esther Jacobs and Miss Alice Rheinheimer

Receiving the Honorary Alumnus Award also were Miss Alice M. Rheinheimer, director of food services at Otterbein since 1951 and her associate, Mrs. Esther Jacobs, assistant director of food services since 1952. They were presented at the Alumni Day Lunch-

con by Elmer N. Funkhouser, Jr., '38, representing the Otterbein College Board of Trustees.

Miss Rheinheimer is a native of Pennsylvania, attended Kellogg College, Battle Creek, Michigan, and later received a Bachelor of

While her husband, James W. Moore, was enrolled at the new Methodist Theological School in Ohio near Delaware, Mrs. June Daniels Moore completed her college education at Otterbein. It

was a happy occasion on May 27 when he received the Bachelor of Divinity degree in the first graduating class of the Methodist Theological School and a week later his wife received a Bachelor of Arts degree from Otterbein.

The Moores were married during the summer of 1959. He was a senior pre-ministerial student at Lambuth College, Jackson, Tennessee, and June spent the year as a freshman and made the honor roll both semesters. When her husband graduated from Lambuth in 1960 and enrolled in the Seminary, Mrs. Moore transferred to Otterbein and three years later graduated.

Late in June, Mr. Moore was ordained by the Memphis Conference of the Methodist Church in Memphis, Tennessee and assigned to a full-time pastorate. During the past three years he has served as Pastor of the Methodist Church, Lithopolis, Ohio.

After four years of dormitory life the Moores will move into their first home.

"Man's Quest For Integrity"

Excerpts from Commencement address delivered at Otterbein College

Monday, June 3, 1963

BY DR. RICHARD E. KELFA-CAULKER

Mr. Ralph McGill of the Washington Evening Star for Saturday, April 6, made the following observation:

"There are some 250 million persons in Africa. In a very real sense, they are companions in poverty of possessions, techniques, opportunities, jobs and education, with the dark-skinned peoples in Asia and Latin America. They share such unpleasant facts of life as high percentages of infant and maternal mortality, widespread illiteracy, enormous problems of public health, and economic and political decisions, which are awesome and complex in size and variety. Their very lacks have given these peoples a sometimes almost irrational defensiveness and a racial pride that is the more intense for the same reasons."

It is not easy for the deprived, or without, peoples of the world to accept their low-stage economic beginnings while watching the already prosperous nations advance at a pace more rapid than before.

World Problems

It is necessary to comprehend that about three-fourths of the world's population is primarily concerned with the bearing of their ever-present burden of unrelieved need. It is also important to understand that most of these three-fourths of the world's people are distinguished by color and that they see that they have been cast in a role of history and development that has denied them a share of what one-fourth enjoys.

It is inevitable that the people of such countries should feel bitter about their centuries of colonialism and the earlier history of enslavement. This is precisely why there is suspicion and, in some areas, hostility. It is this state of mind that causes many to look at the Russians and to believe their propaganda that what Moscow has

Dr. Richard E. Kelfa-Caulker, '35

achieved in 40 years, can be repeated elsewhere.

This country has sent teachers and missionaries to Africa for generations and yet has learned little about the results of their work. You have accepted the image of wild animals, big game hunters, and tribesmen with spears, and learned very little about the great migration and the several truly impressive cultures that developed before the influences of the slave trade corrupted and destroyed them.

One may be annoyed and angry with this problem. One may treat it with prejudice or with apathy as being too large to do anything about. But finally, of course, it must be dealt with.

Sierra Leone, West Africa

Sierra Leone, the country which I have the honour to represent here in America, is a part of this picture. This little country in West Africa has, over the past 100 years, shared in an experiment with the Evangelical United Brethren Church; it was an experiment in education, in the practice of medicine and in the art of Christian living. Otterbein College can just-

ly be proud in that the plans for the experiment were first laid here on these grounds.

In 1855, the first volunteers came to the west coast of Africa. From these early beginnings, through periods of discouragement, of suffering and death, the experiment was kept alive. It was an experiment in faith, in the belief that relations between peoples of different races could find common ground in the Christian Gospel; and that, through the media of Christian education, of medical services, and of deliberate practice in Christian living, that a generation would arise which would compare favourable with other peoples, no matter what their race.

Answer To Problems

It is to be hoped that the day will come when humanity comes to the answer that would free us all from fear, from ignorance, from hunger, from hatred and from poverty. This is the search in which we in Africa are now engaged. First, to break the false relationship that has held us down through the Colonial period of our existence to the sphere where we can plan the task of developing our countries to meet the basic needs of our people. We come to you for help, for education and for advice, especially in those areas where you have been able to master those needs. But there are other areas in which all of us are equally engaged in this search. Some of us consider that the spiritual realm will be the area of the ultimate answer. When that time comes, it will not be that the answer has come from Africa or from Europe or Asia or America or to any one individual. It will be the result of the sum total of human endeavor which has never been satisfied with the status quo but which has continued to search for integrity and has never given up.

(Continued on page 13)

Focus on Achievement Goal over Three-fourths

The three-fourths mark has been passed in the Otterbein "Focus on Achievement" Program and the campaign is now in the home-stretch.

Every effort will be made in the remaining six months of 1963 to have the entire million-dollar goal over-subscribed. This will not be easy for the majority of the area campaigns have been completed.

Personal solicitation campaigns have been conducted in thirty-two centers where the largest concentrations of alumni may be found (the exception is southern California).

FALL CAMPAIGNS

Soon after Labor Day, personal solicitation campaigns are scheduled for Youngstown, Warren, Sandusky, and Defiance-Bryan, Ohio; Chicago, Illinois; Erie, Pa.; Buffalo, New York; Los Angeles and San Francisco, California. Alumni in these areas should take note of the drives to be conducted and should be prepared to make their three-year pledges. The services of many alumni will be required to promote such campaigns and it is hoped that all who are asked to

help will respond affirmatively.

NO OTHER APPEALS IN 1963

In areas where campaigns have been conducted, there are many alumni who did not make three-year pledges and who did not make a cash contribution. They may be waiting for the regular annual appeal. To all such persons it should be said that there will be no other appeal this year. Any person who was missed in the solicitation or who did not make a gift or sign a pledge, is invited to send his gift to the Development Office and his gift will be counted on the "Focus on Achievement" goal.

PARENTS SOLICITATION

One of the objectives of the campaign is \$150,000 for endowment for scholarships. Most parents realize that Otterbein's scholarship funds are very inadequate. Many deserving students have been denied scholarships because funds are not available.

Realizing the urgent need for scholarships, and wanting to have a part in the million dollar campaign, the Parents Committee is undertaking to raise \$50,000, or a third of the endowment goal for

scholarships. Personal letters from the chairman of the committee, Mr. H. J. Ackerman, were sent early in May to all non-alumni parents of students now in Otterbein and to non-alumni parents of recent graduates.

Many parents had already contributed prior to the sending of the mail appeal. As of June first, non-alumni parents had contributed \$38,341 with the hope that the goal would be over-subscribed.

CHURCH SUPPORT

No organized effort has been made to solicit all members of the churches in the Otterbein area. No church was asked to accept a goal or quota.

Knowing that many members of the Church who are not alumni would like to have a part in the efforts to strengthen their college, an opportunity was given to a limited number of Otterbein friends to make their contributions. This was a very low pressure effort and the results have been most gratifying. The total contributed by non-alumni members of the Evangelical United Brethren Church up to June first, was \$70,598. These are the members of the Church who care enough about the future of Christian Higher Education to give a tangible expression of their concern.

CORPORATIONS-FOUNDATIONS

Corporation executives, when asked to give to a college, frequently want to know how well its alumni support their alma mater. With this in mind, Otterbein's campaign was planned so that alumni would be solicited ahead of corporate and foundation appeals.

Now that the alumni phase is well along, efforts are now being directed to secure corporation and foundation support. Early successes have been recorded; however, this does not mean that we can let up in our efforts to secure additional alumni gifts. Our percentage of alumni support is still dangerously low to attract outside help. We

BEQUESTS HARRY A. WEST

Otterbein College has many friends, some of whom it does not even know. On March 28, 1961, one such friend, Harry A. West, of Hillsboro, Ohio, died and when his will was probated it was found that he had remembered Otterbein to the extent of \$500. His was a very moderate estate, yet he felt it worth while to see that what he had accumulated would be distributed according to his wishes.

No one currently on campus knew Mr. West nor how he came to know Otterbein. Other than a few individuals whom he remembered, the only organizations benefiting from his will were the colored Methodist Church of Bainbridge, Ohio, Otterbein College, and the Back to the Bible Broadcast Society of Lincoln, Nebraska, the residuary legatee.

Otterbein is grateful for all her friends, known and unknown.

LEONIE SCOTT

Annie Leonie Loretta Scott, '92, daughter of the late Dr. George Scott, professor of Latin Language and literature from 1887-1931, and president of Otterbein from 1901-04, provided in her will that 10 per cent of her estate should go to Otterbein College. She also remembered the First Evangelical United Brethren Church with the same amount. Her estate is in the process of being settled at the present time.

MRS. HEZEKIAH PYLE

Mrs. Hezekiah Pyle (Nellie Adams, x'93), wife of the late Hezekiah Pyle, '04, a Methodist minister, died on July 20, 1962. Otterbein College was dear to their hearts and the bulk of their estate is to come to their alma mater. The estate is now being settled with Otterbein as the residuary legatee.

Building Construction Progress

Excellent weather this summer has helped the contractor make steady progress in the construction of a new Campus Center Building and a Women's Dormitory.

The Campus Center Building, a three-story structure costing \$1,050,000, must be custom built and is thus a little behind schedule in comparison with the more conventional Women's Dormitory building.

When completed, the Campus Center Building will contain the college dining facilities and kitchens; lounges, snack-bar and bookstore; and student recreational facilities.

The Women's Dormitory, costing \$565,000, will house one hundred and forty-four co-eds on four floors. Tentative completion date is set for January 1, 1964.

This picture taken on June 20th, shows the progress to date on the million-dollar Campus Center Building being erected at the end of Grove Street. All of the foundation walls have been constructed and the first floor is being laid.

Chillicothe, Ohio

If you have an amateur radio station, you are invited to send your name, address and call letters to the Alumni Office, Otterbein College, Westerville, Ohio.

Workmen are proceeding on the third floor of the four-story Women's Dormitory being erected at the corner of Home and Grove Streets. Pictured is the north-east wing of the dormitory. Largest section of the dormitory extends from the south-end toward the west.

National Winner

First award winner at the National Science Fair-International held at Albuquerque, New Mexico, May 6-11, was Charles P. DeNeef of Circleville High School, Circleville, Ohio. He was winner of the Otterbein College Central Ohio Regional Science Fair last March and was accompanied to the Na-

tional Fair by Dr. Lyle J. Michael, local director of the Science Fair.

Celebrate Fortieth

Arcadia Sorority alumnae will celebrate the 40th anniversary of the sorority's founding on Saturday, October 26. A dinner meeting will be held at 5:00 p.m. in the Worthington Inn, Worthington, Ohio.

HONOR ROLL

of Ohio's corporate good citizens

Proving by deed their devotion to the American way, the firms listed on these pages have placed their names on the Honor Rolls of 33 Ohio colleges not supported by taxes. By this one decision and one check, each contributes without favoritism to the improvement of educational opportunities for Ohio youth. The colleges commend these forward-looking, public-spirited firms to 200,000 alumni receiving this 1962-3 Honor Roll of Ohio's Corporate Good Citizens.

TWELFTH YEAR ENDING MAY 31, 1963 . . . TOTAL \$1,120,000

It is not by chance that the 1453 firms listed here include the most respected in many kinds of commerce and industry. They are guided by executives who do those things needed for good business tomorrow as well as today. In the 12 years of OFIC the number of such enterprises contributing through the Foundation has increased from 86 to 1453, the annual total of their gifts from \$190,865 to \$1,120,000. . . . But both numbers and amounts must increase still more rapidly, if 33 colleges are to serve adequately, without tax obligation, the ever-greater numbers of students coming to them.

Science degree from Ohio State University. She worked in food establishments in Madison, Wisconsin; Toledo, Ohio; and Toronto, Canada, before becoming a supervisor at Mills Restaurants in Columbus, Ohio.

It was from the latter position that Sanders Frye, Otterbein Business Manager, brought her to Otterbein twelve years ago. Miss Rheinheimer has served effectively and efficiently in providing outstanding food service at Otterbein. She was honored for her faithful service to Otterbein and hundreds of students through the years, as well as thousands of alumni and visitors to the campus.

Mrs. Esther Jacobs, a native of Dayton, Ohio, is a graduate of Miami University, Oxford, Ohio. She has been successful as a school-teacher, Girl Scout Leader, housewife, Food Administrator and the friend of many Otterbein students during the past eleven years. As a hostess in the Otterbein College dining room, she has won many friends for Otterbein.

For her contribution to the general welfare of Otterbein and unselfish service in the food services department at Otterbein, Mrs. Jacobs received the Honorary Alumnus Award.

We are all coming together gradually to an acceptance and appreciation of common decencies. Your people go to Africa and are as much at home as you are in America, because we are there. We enjoy the same social events, the same food, we feel comfortable in our homes wherever they are located.

If only we can free ourselves and shake off those last hindrances, the weights, prejudices and stumbling blocks that hold us back and prevent us from exercising and expressing ourselves in the Freedom of Spirit and of Love: The Freedom of God. It may be that together we shall discover our integrity.

Otterbein Alumni Deans at Ohio State

Ohio State University Medical School, Dental School and College of Veterinary Medicine School, presently have top-level leadership from three distinguished Otterbein College alumni. This unique contribution of a church-related, liberal arts college to a state university is quite unusual and likely not duplicated in any other university staffs.

Dr. James H. Williams, '44

Dr. James Hutchison Williams, '44, is assistant dean, College of Medicine, The Ohio State University, and associate professor, Department of Obstetrics and Gynecology. Since 1960, he has also been associate director and co-ordinator, Institute for Research in Perinatal Morbidity and Mortality at Ohio State.

He is attending obstetrician and gynecologist at University Hospital, Columbus, Ohio, and a member of the staff of Mount Caramel and Saint Ann's Hospital in Columbus. He is a member of the courtesy staff of two other Columbus hospitals — Riverside and Grant and consulting obstetrician and gynecologist, Veterans Administration Center, Dayton, Ohio.

Dr. Williams received his M.D. degree at Ohio State University in 1946 and the Master of Medical Science degree in 1952. He joined the faculty of the Medical School in 1951. He is Diplomate of the American Board of Obstetrics and Gynecology since 1955, as well as a Fellow, American College of Surgeons and Fellow, American College of Obstetricians and Gynecologists. He served two years as a Captain in the United States Army and is married to the former Helen Knight, '43, presently secretary of the Otterbein College Alumni Association.

Dr. John R. Wilson, '38

Dr. John R. Wilson, '38, is associate dean, College of Dentistry, The Ohio State University, and professor and chairman, Department of Periodontology. He joined

Three Deans at Ohio State University, left to right: Dr. James H. Williams, '44, assistant Dean, College of Medicine; Dr. John R. Wilson, '38, associate Dean, College of Dentistry; and Dr. Clarence R. Cole, x'41, assistant Dean, College of Veterinary Medicine.

ed the Dental School faculty in 1946 and was appointed associate dean in 1958.

Following graduation from Otterbein, Dr. Wilson was a coach and teacher at Centerville, Ohio, High School before enrolling at Ohio State in 1940. He received the Doctor of Dental Surgery degree cum laude in 1943 and then served in the United States Army Dental Corps from 1943-46.

He is a Fellow, American College of Dentists and a member of the American Academy of Periodontology, American Society of Periodontics and American Dental Association. A specialist in Periodontics, Dr. Wilson is listed in Who's Who in Dentistry, Who's Who in America and is Editor, Ohio Dental Journal. He is married to the former Berenice Molesworth, '39, and they have two children.

Dr. Clarence R. Cole, x'41

Dr. Clarence R. Cole, x'41, is assistant dean, College of Veterinary

Medicine School, The Ohio State University, and professor and chairman, Department of Veterinary Pathology. He also serves as professor of Comparative Pathology in the Department of Pathology, College of Medicine at Ohio State.

After two years of pre-medical studies at Otterbein, Dr. Cole enrolled in the College of Veterinary Medicine at Ohio State University and received the Doctor of Veterinary Medicine degree in 1943, the Master of Science in Animal Pathology degree in 1944, and the Doctor of Philosophy degree in Comparative Pathology in 1947. Since 1943, he has been a member of The Ohio State University Faculty. He is also Research Project Supervisor in the Ohio State University Research Foundation; Vice President of the Council on Research; and a professor in the Graduate School at Ohio State University.
