# WHAT HAPPENS WHEN A NATION SPENDS MORE ON GAMBLING THAN IT SPENDS FOR HIGHER EDUCATION?

If you can find any Romans around, ask them. They lived pretty high on the hog in their day. That is, until some serious-minded neighbors from up North moved in. The rest is ancient history.

*You'd think their fate would have taught us a lesson.*

Yet today we Americans spend twenty billion dollars a year for legalized gambling, while we spend a niggardly four-and-a-half billion for higher education. Think of it! Over four times as much! We also spend six-and-a-half billion dollars a year for tobacco, nine billion dollars for alcoholic beverages, and billions more on other non-essentials.

*Can't we read the handwriting on the wall?*

Our very survival depends on the ability of our colleges and universities to continue to turn out thinking men and women. Yet today many of these fine institutions are hard put to make ends meet. Faculty salaries, generally, are so low that qualified teachers are leaving the campus in alarming numbers for better-paying jobs elsewhere.

In the face of this frightening trend, experts estimate that by 1970 college applications will have doubled.

If we are to keep our place among the leading nations of the world, we must do something about this grim situation before it is too late. The tuition usually paid by a college student covers less than half the actual cost of his education. The balance must somehow be made up by the institution. To meet this deficit even the most heavily endowed colleges and universities have to depend upon the generosity of alumni and public spirited citizens. In other words, they depend upon *you*.

For the sake of our country and our children, won't you do your part? Support the college of your choice *today*. Help it to prepare to meet the challenge of tomorrow. The rewards will be greater than you think.

---

It's important for you to know what the impending college crisis means to you. Write for a free booklet to HIGHER EDUCATION, Box 36, Times Square Station, New York 36, New York.

Jobey Store tells his bride of his meeting with the Devil in The Bishop's Company production of Benet's *THE DEVIL AND DANIEL WEBSTER*.

## Religious Drama

The Bishop's Company, a unique repertory company now in its tenth year of touring coast to coast, will present three plays as a part of the Festival of Arts program at Otterbein, April 19 and 20.

The Bishop's Company was formed in 1952 in Los Angeles by Phyllis Beardsley and committed to a fulltime ministry of drama in the church. Most of the actors left the security of jobs and established careers to pioneer in the movement. The first years were difficult, but with the help of men like Bishop Gerald H. Kennedy of the Methodist Church, for whom the company is named, the group met with increasing success everywhere.

An independent, inter-faith organization, the Company has toured over 600,000 miles playing in fifty states and Canada in many different denominations. Now in their eighth year, this is their first appearance on the Otterbein College campus. They will present three unusual productions. They include Stephen Vincent Benet's "The Devil and Daniel Webster"; Christopher Fry's searching and revealing drama, "A Sleep of Prisoners"; and Alan Paton's "Cry, the Beloved Country."

## MARION ANDERSON IN EASTER CONCERT

Miss Marion Anderson

Marion Anderson, one of America's great singers, who has become well-known to millions around the world, will present a special Easter Sunday evening concert at Otterbein, April 14, at 7:30 p.m. in Cowan Hall.

Winner of the \$10,000 Bok Award, the Spingorn Medal, twenty-four honorary doctorates of music, and countless other honors, Miss Anderson is represented in a mural in the Department of the Interior in Washington, commemorating her Easter Sunday concert in 1939 for 75,000 at the Lincoln Memorial. She has sung three times in the White House, the second time for the royal guests from England, King George and Queen Elizabeth. King Gustav Adolf conferred on her Sweden's "Litteris et Artibus" medal; from the Emperor of Japan, she received the Yukosho medal; Finland has given her its esteemed Order of the White Rose and the Marshall Mannerheim Medal, and other decorations have come from Haiti, Liberia, France and the Philippines, and scores of organizations, cities and states.

Marion Anderson was born and reared in Philadelphia's negro quarter. Her father sold ice and coal. When her father died, twelve-year old Marion began to sing professionally in church concerts.

She has sung before some seven million listeners in the United States. Her numerous concert and radio appearances and recordings have brought her artistry to additional millions, creating, in the words of one New York critic, "solace to the ear and to the spirit, too."

Alumni and other friends of the college are invited to reserve tickets at \$2.00 each through the Alumni Office.

"The United States Air Force in appreciation to Otterbein College, Kenyon College, Ohio Wesleyan University and Denison University for rendering meritorious service to the United States Air Force from 1952 to 1962. Recognizing that the small male enrollment at each institution would make individual Air Force Reserve Officers' Training Corps units uneconomical, these institutions sought and achieved the establishment of a single representation program located at Ohio Wesleyan University. The wholehearted cooperation and support of these institutions have contributed immeasurably to the professional development of future Air Force officers. The distinctive contributions of these outstanding educational institutions have earned for them the sincere appreciation of the United States Air Force."

By a 310-94 vote, the quadrennial session approved the drafting of a plan calling for consolidation of the 800,000 members of the denomination with the 10 million-member Methodist Church.

# ONE MILLION DOLLARS in 1963

The fund appeal for Otterbein College in 1963 is one million dollars in cash and three-year pledges. As TOWERS goes to press, the Development Office reports that already 742 pledges totaling \$393,697 have been received. This includes the very generous gift made by Mrs. Vida Clements, '01, in the amount of \$150,000.

During the year every alumnus will be given an opportunity to share in this great challenge to

build a stronger and better Otterbein. This money will provide—

- 1—A New Life Science Building .....\$600,000
- 2—An Enlarged Library ..... 250,000
- 3—Endowment for Scholarships ..... 150,000

These are the most urgent needs at Otterbein and every alumnus will want to give generously that these objectives may be realized.

## ONE ALUMNI APPEAL

ONE APPEAL—During 1963 all gifts to Otterbein, unless otherwise designated, will apply on the capital fund objective known as the Focus on Achievement Program. There will be no alumni fund appeal this year. For the past fourteen years, alumni have been asked to give to the alumni fund (Development Fund) and they have responded generously. But, every seven or eight years alumni are asked to give in larger amounts that new buildings and endowment may be made possible. This is that year. (The last capital fund drive was in 1955.)

Let us repeat—THERE WILL BE NO OTHER APPEAL IN 1963. So, give generously—not until it hurts, but until it feels good. Since this is a three-

year campaign, it is hoped that alumni will pledge more than three times what they have been giving annually or Otterbein cannot possibly reach its objective of \$1,000,000.

Stocks, bonds or property will be accepted and it may prove advantageous tax-wise to give this type of gift.

Centurion Club members will retain their membership if the gift is \$100 or more per year.

Special personal solicitation campaigns are being organized in 30 centers. All other alumni will be contacted by mail during the year. Begin now to set aside a definite amount per month for Otterbein and be ready to respond when the appeal is made.

### *Campaigns In Progress*

Otterbein's "Focus on Achievement" program has been successfully launched and is now making rapid progress toward the million-dollar goal.

Drives were conducted in Westerville, Columbus, Cincinnati, Hamilton and Middletown, Ohio, during November and December. Campaigns now in progress are:

- Dayton, Ohio—Herman F. Lehman, '22,  
Area Chairman  
Greenville, Ohio—John E. McRoberts, '53,  
Area Chairman  
Lima, Ohio—Emerson Seitz, '30, Area Chairman  
Newark, Ohio—Rex C. Smith, '40, Area Chairman

### *Generous Support*

The Westerville Otterbein Women's Club, under the presidency of Mrs. Ralph Smith (Helen Ensor, '18), continues to give generous support to many phases of the college program.

During the past year the club made gifts as follows:

- For the "Focus on Achievement" Program . \$2,000  
For risers for the vocal clubs ..... 445  
For 4 scholarships (\$100 each) ..... 400

Each year the club adds to its endowed scholarship fund which during this year will reach \$5,000.

### *FUTURE CAMPAIGNS*

The months of February and March will see the number of area campaigns stepped up. Under the leadership of Mr. Frank J. Coleman, campaign director, with the help of Dr. Wade S. Miller and Arthur L. Schultz, campaigns will take place in other areas of Ohio.

Area chairmen and the tentative dates for the kick-off dinner in these areas are as follows:
