OTTERBEIN COLLEGE

WESTERVILLE, OHIO

ANYONE FOR MARS?

Chances are there's more than one budding astronaut in this bright-eyed group. As in any other classroom in the land, there are probably several potential teachers, too . . . along with a sprinkling of doctors, scientists, linguists, engineers and poets.

Let's hope so.

Let's hope that all the bright-eyed youngsters in all the classrooms in this great country of ours will have every opportunity to make the most of their God-given talents. Let's hope they go to first-rate colleges and universities, where they will be trained to be useful and productive citizens. We're going to need them all in the critical years that lie ahead.

Yet what are their chances?

Today the college classroom, the place where future brainpower is generated, is being seriously weakened by two alarming trends: (1) Low faculty salaries are

driving great numbers of gifted teachers into other fields, and doing little to attract talented young people to the teaching profession. And (2) physical facilities, in some cases already inadequate, are not being expanded to take care of mushrooming enrollments. (College applications are expected to *double* within ten years!)

This is a serious situation, and we must do something about it *now*! Our future as a nation depends on it. Won't you help? Support the college of your choice. Help it to pay teachers decent salaries and the respect they so richly deserve. Help it to build the classrooms, laboratories and libraries that will be so desperately needed by 1970. The rewards will be greater than you think.

It's important for you to know what the college crisis means to you. Write for a free booklet to: **HIGHER EDUCATION, Box 36, Times Square Station, New York 36, New York.**

Dr. Robert Price, chairman of the English Department at Otterbein, has served as curator of the Otterbein Historical Room since it was established in the new library building in 1952.

After ten years of organizing the very valuable historical collection and completing the huge task of cataloguing and indexing the thousands of items on exhibit, Dr. Price is relinquishing his position this fall. Serving without compensation, his work has been a labor of love.

We salute Dr. Price and thank him profoundly for organizing the collection representative of the Otterbein tradition. He has rendered a very valuable service to the college.

Honorary Degree Recipients

Honorary Degree recipients are shown, left to right: Dr. Earl D. Ford, '22; Dr. Roger W. Jones; and Dr. George Biggs, '32.

Three honorary degrees were conferred during commencement ceremonies June 4th. Receiving the degree of Doctor of Divinity was The Reverend George Biggs, pastor of the Homestead Avenue Evangelical United Brethren Church in Johnstown, Pennsylvania. Reverend Biggs served churches in Middleburg, Altoona and McKeesport before assuming his present pastorate in 1950. He is a member of the Otterbein College Board of Trustees as a representative of the Western Pennsylvania Conference.

Dr. Harold L. Boda, assistant superintendent of schools in Dayton, Ohio, and new chairman of the Otterbein College board of trustees is pictured with president, Lynn W. Turner.

In Memoriam

During the past year, two outstanding members of the Otterbein Board of Trustees died. During the commencement weekend, tributes were paid to Dr. Francis M. Pottenger, Sr. '92, who died June 10, 1961 in Los Angeles, California and Dr. Vance E. Cribbs, '20, who died, April 12, 1962.

Dr. Cribbs was chairman of the Otterbein College Board of Trustees. The last issue of TOWERS gave details of his life.

Dr. Pottenger was known worldwide as an authority on tuberculosis. He established a sanitarium in the Los Angeles area and was active in research and medicine for over sixty years. Many honors and awards were bestowed upon Dr. Pottenger. A Rhodes scholar and former patient of Dr. Pottenger penned the following words in tribute to him:

The Mender of Broken Lives

(DR. F. M. POTTENGER)

Where sweeps a weary, westing sun to rest,
Along the foothill's peaceful azure slope,
Nestled like a wood-dove in her nest,
Framed in a garden, is the House of Hope.
Here Life and Death have waged their
age-old feud
And Pain has sometimes fashioned cruel
gyves,

KILGORE PROPERTIES GIVEN TO OTTERBEIN

Otterbein College received as a gift on Wednesday, May 9, the property of the former Kilgore Company in and near Westerville. Value was estimated at \$500,000. The gift was made by the Commercial Credit Corporation, Wilmington, Delaware, owner of Kilgore, through its board chairman, Edmund L. Grimes. Title was accepted by Dr. Lynn W. Turner, Otterbein president.

The gift includes 26 acres and 31 buildings on both sides of Broadway Street in northeastern Westerville and the 110 acre Kilgore farm on Tussic Road, two miles northeast of Westerville. This is the largest single gift to Otterbein College since the college was founded in 1847.

Elmer N. Funkhouser, Jr., of Concord, Massachusetts, a member of the Otterbein College Board of Trustees, served as liaison between Otterbein and Commercial Credit in negotiations.

Explosives are buried on six acres of the farm. Most of them are reject flares made for the armed forces. Congressman Samuel L. Devine, Columbus, Ohio, was instrumental in making contacts with the United States Army to provide technical assistance in decontaminating the six acres of buried explosives.

nois, provided technical supervision in the decontamination this summer. Demolition teams probed the six acres and unearthed buried explosives and flares left when Kilgore abandoned its Westerville plants.

Kilgore vacated the properties in early 1961. The operation was moved to Bolivar, Tennessee, where it was merged with another firm to form the Harvell-Kilgore Company.

Dr. Turner, college president and Sanders A. Frye, Otterbein business manager, announced that contracts to sell three parcels of Kilgore property south of Broadway Street, have been signed with the Hance Manufacturing Company, Ridge Printing Company, and McGivern and Associates, makers of pre-cast products.

Proceeds from the sale of factory building and land as well as the farm, will be used for further expansions of new buildings on the Otterbein College campus and additions to the college endowment fund, Dr. Turner said.

Westerville City Manager, Thomas M. Bay, said it is hoped

that other businesses and small industrial firms will be interested in locating in Westerville on remaining property given to Otterbein. The land is zoned for industrial and business purposes.

Dr. Turner said, "We are indeed grateful to the Commercial Credit Corporation and Mr. Grimes, chairman of the Board, in giving this very valuable property to Otterbein College. Proceeds from the sale of the property will strengthen the assets of the college in providing quality higher education in the future."

Edmund L. Grimes chats with Thomas A. Bay, Westerville City Manager about the transfer of property.

BUSINESS AND FACTORY SITES AVAILABLE

Otterbein Alumni connected with business and industrial firms interested in expanding or relocating, can render a valuable service to their alma mater by informing company officials about the industrial land now owned by the college.

The land is zoned for industrial and business purposes. The property will be sold to produce revenue for the college.

Book Review

(Editor's Note: We are indebted to John Becker, Otterbein College Librarian for this review of Dr. Turner's newest book mentioned on page ten of this issue of TOWERS.)

Turner, Lynn W., *William Plumer of New Hampshire, 1759-1850*. Chapel Hill: University of North Carolina Press, 1962.

President Turner has written a discerning life of a New England politician during the nation's Federal Age. William Plumer was a New Hampshire representative or senator for ten terms, governor for four terms, and United States Senator from 1802-1807. Politics is the major topic, but religion is a factor in the life of Plumer. After an early conversion by Baptist evangelists, and even a short period of preaching, Plumer renounces formal religion to become a deist. Despite this retreat from the church, Plumer was always in the vanguard seeking religious freedom.

Scrupulous attention is given to Plumer's role in resisting French democratic thought during the seventeen nineties; the national crisis presented by the Louisiana Purchase (Plumer's notes on the secret sessions debating the form of government for the territory are the best available); his complicity in the New England Secession Plot of 1804; his initiation of the Dartmouth College Case; and his Yankee independence in the Presidential election of 1820. This last action is a sparkling and iconoclastic tale.

President Turner writes with grace and wit (this reader relishes the idea of a Turner biography of a John or John Quincy Adams), but he is not blinded by the one sidedness of his sources for he recognizes sharp business practices (p. 55) and petty political machinations (pp. 179-184). The result is a balanced examination of the politics of the period. One example of the Turner prose to delight the reader: "A year of Jeffersonian democracy had persuaded Plumer that, even if the heavens had not fallen on March 4, 1801, they were still supported only by the slender pillar of New England Federalism," (p. 83).

— John Becker, '50

National Science Foundation Grant

Otterbein College received a \$4,000 grant from the National Science Foundation for the purpose of assisting in the purchase of equipment under the Foundation's "Undergraduate Instructional Scientific Equipment Program." Otterbein will match the grant with \$4,000 from the college's budget. The money will be used to provide equipment for the Physics Department of the college.

Atlantic Writing Award

Miss Janet Lacey, sophomore student at Otterbein, was awarded second place in the poetry division of the *Atlantic Monthly's* "41st Annual Creative Writing Contest" for college students. Announcement of her award appeared in the June issue of the *Atlantic* magazine. Miss Lacey's home is in Newark, Delaware. She is the editor of the student newspaper, *Tan and Cardinal*, for the coming year and a member of Quiz and Quill literary society.

Speech Awards

Mr. Richard Davis of Westerville, Ohio, received one of the two top Otterbein College theater awards when he was presented with the Gressman-Schultz Drama Award, given yearly to the outstanding senior theater student. Mr. Richard Berry of New Cumberland, Pennsylvania, received the George Bechtold Memorial Drama Award which is given annually to the outstanding junior male student by the Detroit Alumni Club. The Carl C. Byers Public Speaking Award, made annually to a senior for public service speaking, was won this year by Vernon Lee Phillips of Fall River, Massachusetts.

World University Service Award

Otterbein College was selected by the World University Service as one of fifteen campuses to re-

ceive WUS certificates for outstanding service in 1961-1962. The certificate was awarded following the annual Student Sharing Week campaign on campus during which Otterbein contributed approximately five hundred dollars to the World University Service.

European Study Tour

Plans are underway for an Otterbein study tour to Europe during the summer of 1963. It will be open to students and post graduates in connection with a course in the Humanities and academic credit will be optional.

The course, offered during the second semester of 1962-1963 and taught by Dr. and Mrs. Paul Frank, will introduce the students to achievements in art, music, and ideas which have become the most important parts of our Western cultural heritage. Led by the same two instructors, the students will then see the places and monuments which they had previously studied. The countries visited will be Italy, Austria, Switzerland, and France. The trip is planned for seven weeks during which two will be "free" weeks. For these two weeks, the participants will be able to take side trips to other countries or places on their own in consultation with the instructors.

Because travel arrangements will be made on a group basis, costs will be moderate. Exact amounts will be announced in the fall of 1962. Additional information is available from Dr. David A. Waas, Dean of the College.

Theater Report

Professor Charles Dodrill, Director of Theater, reports that total attendance at events presented by the Otterbein College Theater during the 1961-1962 school year was 9,413—an increase of approximately four thousand over the previous year.

Attendance at the four major theater productions increased from 4,732 to 7,089. The Children's Theater productions drew 711 and the newly created Foreign Film Series, featuring five excellent foreign films drew 1,113. The staging of student John Soliday's original one-act play accounts for the remaining attendance of approximately 500.

Highlights of the year included the tentative acceptance of the Otterbein College Theater production of "The Boy Friend" for an overseas tour to entertain American soldiers in the summer of 1963 and the appearance of Hans Conried in the production of "John Brown's Body" as the highlight of the Festival of Arts.

Kingsley A. Taft, Judge of the Ohio Supreme Court, addressed the Otterbein College student body during a morning convocation on May 14. His subject was "The Selection and Tenure of Supreme Court Judges." Mr. Taft is shown above with Dr. Lynn W. Turner, president of Otterbein, and Mr. William Nowland, president of the Young Republicans group which sponsored the Judge's appearance on campus.

President Writes Biography

Dr. Lynn W. Turner, president of Otterbein College, has recently published a new book for the Institute of Early American History and Culture. The work is a biography of William Plumer and is entitled, *William Plumer of New Hampshire*. Release date was May 1962.

The story is the life of William Plumer—New Hampshire lawyer, politician, senator, and governor who made an important contribution to American history during a time of shifting political principles. The man's career is an interesting study of the undercurrents during the Federal and Jeffersonian periods of our country. Plumer entered upon his term in the United States Senate as a member of the Federalist party but was converted to Jeffersonian Republicanism during his stay there.

Dr. Turner taught history at Indiana University before coming to Otterbein and is also the past editor of "The Historian" a quarterly magazine published by Phi Alpha Theta, national history honorary fraternity.

Bamforth Returns to Faculty

Dr. Frederick R. Bamforth who served in the Otterbein College Department of Mathematics from 1950 to 1958 will be returning to the College in September after a four-year absence as professor and chairman of the Mathematics Department. During his absence from the Otterbein faculty, Dr. Bamforth has been with the graduate mathematics division at Texas Christian University.

Mr. Bamforth received both his Bachelor of Arts degree, in 1921, and his Master of Arts degree, in 1922, from Queen's University. His Ph.D. degree was conferred in 1927 from the University of Chicago.

Craig Gifford is New Director

Craig Gifford, co-publisher of the *Franklin Chronicle* and the *Germantown Press*, has accepted the newly-created post of Director of College Information at Otterbein. He will be in complete charge of publicity and publications for the college effective August 1st.

A native of Westerville, Gifford was graduated from Westerville High School in 1951 and from Otterbein College in 1957. He served a total of ten years on the staff of the *Westerville Public Opinion*, including three years as editor. He was also a reporter for one year with Scripps-Howard in Columbus and served two years in the Army during the Korean War.

Gifford bought the *Franklin Chronicle* in November 1959, and the *Germantown Press* in August 1960. He will continue to hold interest in both papers.

He is a member of the Columbus chapter of Sigma Delta Chi, professional journalism fraternity, the First E.U.B. Church of Westerville, and was a charter member of the Westerville Rotary Club. He was selected as Westerville's "Young Man of the Year" in 1957.

While a student at Otterbein he was a member of Kings fraternity, Quiz and Quill literary society, debate team, and served as business manager of both the student newspaper, *Tan and Cardinal*, and the yearbook, the *Sibyl*.

Receives Doctorate

Professor Bert T. Glaze, chairman of the Department of Economics and Business Administration at Otterbein, received the Doctor of Philosophy degree at Ohio State University on June 8th. He has been a member of the Otterbein Faculty since 1958.

New Religion Professor

The Reverend William O. Amy, minister of the St. Timothy Evangelical United Brethren Church of Kitchener, Ontario, will be assuming the position of instructor in the Otterbein College Department of Religion and Philosophy effective September 1st. He is replacing Dr. Phillip O. Deever who has accepted a teaching position with the Evangelical Theological Seminary in Naperville, Illinois.

Born in Kitchener in 1930, Reverend Amy was active in Student Movement work during his high school and college years. He was graduated from the University of Western Ontario in 1951 with a Bachelor of Arts degree and from the Evangelical Theological Seminary in Naperville, 1954, with a Bachelor of Divinity degree. In 1955 Amy received his Master of Sacred Theology degree from Biblical Seminary and at present is completing requirements for the Doctor of Theology degree at Emmanuel College, University of Toronto.

An ordained minister, Mr. Amy will be assuming his first college teaching position when he arrives at Otterbein. He has previously served as a student assistant for both the Zion E.U.B. Church in Kitchener and the Central E.U.B. Church in South Bend, Indiana. He spent one year as pastor of two rural churches in the Indiana Northern Conference before returning to the Canadian Conference in 1955.

Reverend Amy will be teaching courses in Greek and religion at Otterbein College.

MAY DAY - 1962

May Day in an International Setting

Miss Marilyn Bamberger, 1962 May Day Queen, holds the traditional bouquet of red roses following her coronation.

The theme for the 1962 May Day festivities at Otterbein College was "May Day Around The World." During the morning's program, held in the Westerville City Park Bandshell, the May Queen and her court were entertained in an "international" setting by members of the brass choir, the modern dance club, Quiz and Quill, a Scottish bagpipe solo, and the traditional May Pole Dance performed by the women of the freshman class.

Crowned Queen of the May by retiring royalty, Miss Sue Milam of Nitro, West Virginia, was Miss Marilyn Bamberger, a junior from Canton, Ohio. A physical education major, Miss Bamberger is active in the A Cappella Choir, the Y.W.C.A., the Women's Athletic Association, and the Young Democrats. She serves as a member of the student council and as a cheerleader, and is affiliated with Sigma Alpha Tau sorority.

The court included Miss Carol Simmons, Tau Epsilon Mu sorority, Akron, maid of honor; Miss Mary Lou Keinath, Epsilon Kappa Tau sorority, Mansfield, first attendant; and Miss Caroline Kaderly, Theta Nu sorority, Galloway, second attendant. Susan Chase and Michael Neilson were the flower girl and crown bearer.

The day's activities included home sports events with Akron University, alumni gatherings, and the May Day production of "Death of a Salesman" by the Otterbein College Theater.

Directing the May Day events were Miss Cede Blum, general chairman, and Miss Barbara Acton, program chairman.

May Day has been observed at Otterbein since 1926 when Marian Dew Humphreys, x'29, was the first queen. Traditionally, the May Day Queen has been selected from the Junior Class. In 1963, May Day is scheduled for Saturday, May 11.

May Day royalty, left to right, includes Miss Caroline Kaderly, second attendant; Miss Sue Milam, retiring queen; Miss Marilyn Bamberger, the queen; Miss Carol Simmons, maid of honor; and Miss Mary Lou Keinath, first attendant.

PROPHECIES ARE BEING FULFILLED

THE PREDICTIONS

Four years ago Otterbein inaugurated a new president—Lynn W. Turner. In his first message to alumni through the Development Program, the new prexy had this to say:

"The friends of Otterbein can, if they wish, make her the best college in Ohio within the next ten years. To do this, we must expand our physical plant to accommodate 1,200 students in classrooms, laboratories, dormitories and recreational facilities. We must double our faculty salaries We must keep abreast of the latest developments in teaching methods while holding fast to the eternal verities. We must toughen the moral fiber of the college community and deepen its spiritual strength."

Two years later a ten-year program of advance was adopted by the Board of Trustees. The concluding statement setting forth the objectives of the program was this:

"We may not be the most outstanding, the richest, or the best known small liberal arts, coeducational college in America by 1970, but none will give its students a better education than Otterbein."

THE FULFILLMENT

In the four years since Dr. Turner's inauguration, the enrollment in the four college classes has increased from 792 to 1,045 with approximately 1,100 to be enrolled this fall. Thus, we are already near the 1,200 he predicted for 1968.

Since his statement in 1958 the college has provided new dormitories for 320 men and 132 women. Plans for another women's dormitory are practically complete and work should be started this summer. Within another year or two a new science building and an addition to the library should become a reality. A good start has been made on the goal to double salaries during this decade. Curriculum revision is receiving intensive study by the dean and the curriculum committee. Every effort is being put forth to strengthen the faculty when replacements or additions are required.

Yes, Otterbein is on the march! Her greatest period of usefulness is in the future. Let every alumnus, every churchman, every friend of Christian higher education join in helping to make her great!

YOU HELPED

President Turner said: "The friends of Otterbein can IF THEY WISH make her the best college . . ."

Each year since he made that statement an increasing number of alumni have manifested their desire in a tangible way to help make Otterbein a great college. Here are the results:

A PROGRESS REPORT

The calendar year 1962 is well over half gone. In the remaining months we must more than double the amount received to date if we are to exceed last year's total of \$112,292.79 given by alumni. We have every reason to believe we will exceed that amount. The report for the first six months of 1962 follows:

<i>Source of Gifts</i>	<i>Number of Gifts</i>	<i>Amount Given</i>
Alumni	2,031	\$ 54,411.56
Non-Alumni	63	2,437.50
Parents	3	625.00

Foundations	4	44,360.35
Estates	3	2,623.67
Annuity	1	940.00
Church Conferences	5	5,522.10

Total from all sources to July 1, 1962 \$116,645.19
(Total from all sources in 1961 \$281,642.62)

CONTRIBUTIONS (IN THOUSANDS OF DOLLARS)

FIRMS CONTRIBUTING (IN HUNDREDS)

MORE GIFTS NEEDED AS ENROLLMENTS INCREASE

Honor Roll firms contributing through Ohio Foundation help to prepare young people now enrolled from every Ohio county (upper figure) for leadership in all communities (lower figure is number of alumni from OFIC colleges now residing in county). As they thus help to improve education for future staff members, patrons, and community leaders, these firms also save on business taxes by encouraging maximum enrollments at colleges where students pay most of own expenses. Contributors listed here last year gave \$1,083,015—about half the minimum need in corporate aid to keep 32 colleges strong for growing enrollment without tax aid for operating funds. Many more gifts are needed—increases from present donors, new from many others—to preserve free enterprise in colleges as businessmen want it in their own endeavors.

Student totals for 32 colleges; alumni totals for 31 colleges.

The preceding eight pages insert carries a complete list of 1961-62 donors to the Ohio Foundation of Independent Colleges. Otterbein received \$33,560.35 out of total of \$1,083,015.26. This was the eleventh year for the OFIC fund-raising program among corporations and business concerns in Ohio.

Elmo Lingrel Honored As He Retires

OLD HUDDLE—Elmo Lingrel, '17, center, huddles with teammates from 1916 Otterbein College football squad before testimonial dinner, May 10 at Middletown, Ohio. Left to right: Tom Brown of Burgettstown, Pennsylvania, Charles Campbell of Mount Vernon, Ohio, Lingrel, Bill Evans of Pittsburgh, Pennsylvania, and Ray Peden of Lewisburg, Ohio.

Elmo Lingrel, '17, retires this month after forty-five years as a coach, teacher and athletic director. The past thirty-nine years he served as a coach and athletic director at Middletown High School, Middletown, Ohio.

A testimonial dinner was held in his honor on May 10 with 435 in attendance. He was presented with an engraved wrist watch and his wife, the former Mary Alta Nelson, '17, with an engraved gold bracelet. A huge oil painting portrait of Lingrel was also unveiled and presented to Middletown High School.

Lingrel has compiled a fabulous sports career spanning fifty years.

While at Otterbein he won eleven varsity letters, graduated with a degree in physical education and launched himself on a coaching career that started at Sandusky, Ohio in 1917.

He handled all sports for one year at Sandusky before serving in the infantry during World War I in France. In 1919, he wound up in Walla Walla, Washington and in two years lost only two football games — one each season — and went undefeated to one basketball championship.

Following two years at Dayton Stivers he went to Middletown in 1923, first as coach of all sports, then as a football coach and the last 17 years as athletic director.

In 22 years of coaching Middletown football, his teams went undefeated four times, and several times lost only once. In all, his grid squads won 140 games and lost only 32. Nineteen of the games ended in ties.

During his regime he has been instrumental in the construction of a 9,500 seat stadium, and a 3,600 seat gymnasium. He introduced night-time football in 1934.

(Continued from page 5 col. 3)

And here presides with faith and skill
endued,

The Grand Old Man, The Mender of
Broken Lives.

They come to him from earth's remotest
lands,

In hope and fear, and trembling with
suspense;

And like a master workman, soon his
hands

Have probed and proved the damning
evidence.

And like a master workman, old in skill,
He chooses fitting tools to shape his ends;

And as he deftly works, each petty ill
Is cut away,—the broken vessel mends.

His tools are wit and cheer and jovial
zest,

He wields them as the patient's needs
demand;

And when he's through, you know this is
the best

Of all good worlds cast from the Maker's
hand.

Days fling their little measured store of
hours

Into Time's great chartless, unsailed sea.

And like a withered old man, shorn of
powers,

Time grovels low before Eternity.

Or so it seems! But all those weary days

The Master Mender's allies are at work.

Faith, Courage, Patience—these in subtle
ways

Take up the war where unknown perils
lurk.

And so for many, dawns the glory day

When faith and skillful care have made
them whole;

And those exalted moments humbly pay
Their tribute to the Master Mender's
role.

So hail! Old man, Koch's peer, peer of
them all,

Hail Great Physician! let this meed of
praise

Be yours from those who know you best,
who call

You Friend, who owe you tithes on all
their days.

Death know you only as his stubborn foe,

And Life with you his cunning plot
connives;

We who have reasons of our own to know,
We hail you now as: The Mender of
Broken Lives.
