## Otterbein Is Muskie Foe In Opening Home Game

Tonight's game is the first at home this season and it also marks the first time since 1953 that the Muskies have come up to their third game without a victory.

Coach Bob Stokes promised some changes after last Saturday night's 7-0 defeat at the hands of Marietta and this week's practice has emphasized "fundamentals", he said, pointing to mistakes which accounted for the 13-13 tie in the opener at West Liberty and the loss at Marietta.

The Cardinals of Otterbein College are reported stronger than the team which bowed to the Muskies 53-7 last season. In this year's opening game, they lost by only one point, 27-26, to Susquehanna of Pennsylvania, and last week were defeated by Ashland, 42-14.

Although his name does not appear in the starting lineup, Eric Nuppola, a freshman from Toronto, Canada, is the Otterbein ball-carrier to watch, according to advance word from Westerville. He is expected to divide the tailbacking chores with Steve Deringer. Nuppola is the leading ground-gainer up to now, carrying 34 times for 114 yards.

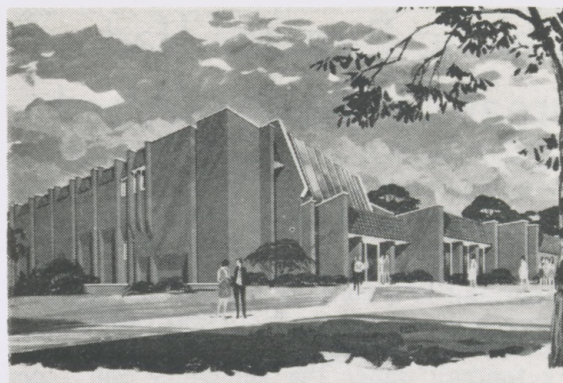

Muskingum's offensive star to date has been Dave Heimerl, a junior, who has accounted for 228 of the team's 252 rushing yards to date.

In a 35-game series dating back to 1905, Muskingum has won 21 games, Otterbein 12, and two have ended in ties. The Muskies have taken the last six.

### Six Muskie Captains

*Muskingum's football team has not one but six captains this fall. Kneeling, left to right, are Bruce Rannow, Athens; Vern Albery, Newark, and Joe Handrahan, Glenshaw, Pa. Standing: Hank Martensen, Columbus; Greg Freda, Braddock, Pa, and Pete Brookhart, Newark. All are seniors.*

*Architect's sketch of Science Center*

## Facts About Muskingum

Muskingum College is a coeducational liberal arts school, founded in 1837 by a group of far-sighted citizens of New Concord to supply an opportunity for higher education in a rapidly-developing area which was still a part of the American frontier. Since 1870, Muskingum has been associated with the United Presbyterian Church.

The enrollment last year was 1405, the students coming from 33 states and nine foreign countries.

President of the college is Dr. Harry S. Manley, who came to the campus three years ago from Monmouth College, Illinois, where he was academic dean. A graduate of Westminster College in Pennsylvania, he received the Doctor of Philosophy degree from Duke University.

Muskingum's campus is considered one of the most beautiful in the country, occupying 215 acres of rolling land overlooking the village of New Concord. There are 15 major buildings including three residence halls for men and three for women.

Soon to be built on the campus is a \$4 million Science Center which will make it possible to convert the present science building, Cambridge Hall, to other academic uses.

Among the best known of Muskingum's alumni are William Rainey Harper, now deceased, founder and first president of the University of Chicago; John Glenn, the first American astronaut to orbit the earth; Agnes Moorehead, the actress, and the Rev. Howell Forgy, World War II navy chaplain who originated the famous battle cry, "Praise the Lord and Pass the Ammunition."

### Cover Picture

"Four Big Muskies" is the title of this picture. Left to right are three Muskingum linemen: Eric Humston, defensive end, 200 pounds; Bruce Rannow, offensive end, 215 pounds, and Scott Graeler, offensive tackle, 225 pounds. The linebacker behind them is "Big Muskie," 27 million pounds. The name has been given by the Ohio Power Co. to the world's largest dragline, which is being assembled near Cumberland, 10 miles south of the Muskingum campus, for strip mining work in the company's coal fields.

# Athletic Director Had Great Coaching Record

Athletic director at Muskingum College is Edgar A. Sherman, who retired from active football coaching at the end of the 1966 season following 22 years of unparalleled success at the Muskie gridiron helm.

Sherman is a Newark high school graduate, having been an All-Central Ohio League quarterback there. At Muskingum, he played varsity football under the legendary Bill Lange, who is remembered as one of the great coaches in Ohio Conference history. Graduating in 1936, Sherman began his coaching career that fall at Newark high school.

In 1943, he returned to Muskingum as swimming instructor for the war-time ASTP unit and to assist in football and basketball. The next year, he went to Miami University as football assistant to Sid Gillman. He came back to Muskingum once more in 1945, this time as head football coach and director of athletics.

Sherman's success has even eclipsed that of his coaching hero, Bill Lange. Only twice in his 22 years did the Muskies have a losing season. During that time, they won 141, lost 43 and tied 7. Six times, his teams have led the Ohio Conference and were unbeaten three times in regular-season play.

In 1955 and again, in 1965, Sherman was selected as the Ohio College Coach of the Year. Early last year, he received national recognition

*Edgar A. Sherman*

in the form of the Helms Award and the Sports Magazine Award, and was honored by Ohio State University with its "Winningest Coach" award.

# Muskingum's Football Coaching Staff

*George Klein, Jim Burson, Bob Stokes, Ron Fenik and Walt Nadzak.*

## **BOB STOKES, Head Coach**

Now in his second year at the Muskie coaching helm, Robert S. Stokes emerged from his initial season with a team that won eight of its nine games.

Stokes, native of Frazeytsburg, graduated in 1953 from Muskingum, where he was an outstanding football and basketball player; winning All-Conference honors in both sports and Little All America recognition as a football halfback.

After graduation, he was a member of the Muskie coaching staff for three years, then coached basketball at Ashland College for seven seasons before returning to his alma mater in 1965 as head basketball coach and assistant professor of physical education.

## **WALT NADZAK, Offensive Line Coach**

Walter Nadzak Jr., a former Denison University athlete, is serving his fourth year on the Muskie coaching staff. In addition to his football duties, he is also varsity baseball coach.

Nadzak is a graduate of Ambridge high school in Pennsylvania and graduated in 1957 from Denison, where he was an All-Ohio Conference lineman for three years. In his senior year, he was co-captain and most valuable player on the Denison team. For three years after graduation, he was a Marine officer and now holds the rank of captain in the Marine reserves. He received his master's degree from Xavier University.

## **JIM BURSON, Offensive Backfield**

Another former Muskie athlete, Jim Burson, returned to his alma mater three years ago as assistant basketball coach. He also coached the

varsity tennis team. With the appointment of Stokes as head football coach last year, Burson was named varsity basketball coach.

After graduation from Muskingum in 1963, Burson coached for a year at Worthington high school under Ralph Sabock, another former Muskingum athlete, before returning to his alma mater. In 1966, he received his master's degree from Ohio State University.

## **RON FENIK, Defensive Line**

A native of Lorain and a former All Mid-American Conference lineman at Ohio University, Ronald J. Fenik joined the Muskingum coaching staff last fall after receiving the master of education degree from Xavier University. He holds the rank of instructor in the department of physical education.

Fenik coached high school football at MacArthur and Bellefontaine before joining the staff at Xavier University in 1965. In his senior year at Ohio University, he was co-captain and most valuable player on the Bobcat football squad.

## **GEORGE KLEIN, Trainer**

George Klein, former Muskingum College basketball star, returns to his alma mater this fall as a physical education instructor, football trainer and assistant basketball coach.

Klein compiled an outstanding record during the past two years as head basketball coach at Worthington high school where his teams won 35 games while losing only six.

A native of Louisville, in Stark County, he graduated from Muskingum in 1962 and received his master's degree from Ohio State University in 1965.
