## Y. M. C. A. RECORD IS COMMENDABLE

Dr. Sanders Emphasizes Responsibility Resting on New Cabinet by Telling Interesting History.

## OTTERBEIN IS FOREMOST

Local Association Has Distinction of Being the First in Ohio and Building First Building.

Last Thursday night the Y. M. C. A. held their annual Installation Session. The members of the new cabinet were addressed and installed by Dr. Sanders.

Dr. Sanders recounted the growth of religious activity at Otterbein. In 1847 when Otterbein University was founded, there was no church. Four years later, however, in 1851, a church was organized with six members, who met for worship in the little white chapel that stood where the Association Building now stands.

Otterbein took another forward

### Otterbein Leads.

1. Otterbein had Foreign Missionary Society before United Brethren Church.
2. Otterbein had first college Y. M. C. A. in Ohio.
3. Otterbein had first college Y. W. C. A. in Ohio and third in United States.
4. Otterbein was scene of first Conference of College Y. M. C. A. presidents.
5. Otterbein had first college Y. M. C. A. Building in state and one of first few in United States.

### Freshmen to Issue Paper.

The Freshman English classes are undertaking a task this year that has not been attempted in Otterbein for several years. The Freshmen have divided themselves into groups and each group is to put out an issue of a Freshman paper. A group from Prof. Altman's classes will alternate with a group from Miss Guiltner's pupils.

The paper will contain stories, editorials or whatever each group may see fit to publish. The best material from these papers will be used in the "Quiz and Quill". Next week the first edition will appear. It is put out by a group from Prof. Altman's class under Harold Freeman.

Miss Helen Keller.

Since the beginning of this school year the Tan and Cardinal has been edited and managed most efficiently and satisfactorily by the young ladies of the college. Miss Helen Keller as Editor-in-Chief has proven her literary and executive ability to be of an exceptional high order. The fact that the girls have been successful in their administration may be credited in large measure to Miss Keller.

### Otterbein to Play Wesleyan Saturday.

Otterbein's baseball nine will play the first game of the season with Ohio Wesleyan at Delaware, April 12. Otterbein has an abundance of new material and is fast getting into shape. Fox and Dano are expected to twirl the ball. Martin is showing fine work at short stop, and Mingery is displaying excellent passing on second. Ohio Wesleyan has five old letter men back and has hopes for the conference championship. Thompson, a pitcher of some local fame, will toss the "pill" for Wesleyan. Every Otterbein student should go to Delaware and help the team get started upon a successful season. Game called at two-thirty.

## SENIOR SESSION PLEAS

Cleiorhetea Seniors Perform Creditably on Literary Program Before Large and Appreciative Audience.

One of the most successful open sessions of the year occurred Thursday night when Cleiorhetea held her Senior Open Session. The large attendance made it seem a truly "old-time" crowd. The literary productions had exceptional merit, and musical numbers were well-executed. The program was as follows:

Piano Duet—

"Hungarian Lustspiel Overture"

Keler Bela

Lorna Clow and Mary Siddall

Reading—"Lasca" . . . Anonymous  
Freda Frazier

Vocal Solo—"A Song of India"

(From the Legend Sadko)

### Memorial Service to Be Held.

On Sunday afternoon, April 18, at 2:45 o'clock in the United Brethren Church an appropriate memorial service will be held in honor of the life and death of Curtis K. Young. Students and Alumni to whom Curtis was so closely related will be represented as well as the Masonic Lodge and the Knights of Pythias. All townspeople, alumni and friends are invited to attend this service.

## PLANS ARE MADE FOR CEREMONIES

Ground for Science Building to be Broken by President Clippinger on Tuesday After Chapel.

### WORK TO BEGIN AT ONCE

Faculty and Students Will Assemble on Campus—All Will Join in Singing, "Otterbein Marching Song."

On Tuesday morning immediately after the regular chapel exercises, appropriate ceremonies will occur when President W. G. Clippinger will break ground for the new Science building. Others will participate in the program.

Faculty members of the Science Department with the two association presidents have arranged for the students to assemble on the campus and representatives to speak. Dr. E. A. Jones will offer prayer, Professor E. W. E. Schear will speak for the faculty and Miss Gladys Howard for the students. Otterbein Marching Song will be led by Professor Spessard and everyone may express in song their joy in seeing work actually begun. The contractors will begin construction at once after the service.

### Excitement at Chapel

The Seniors took the balcony, the Juniors took their accustomed places, the Sophomores became nervous and yelled for the Juniors, and the Freshmen jumped into the middle section, therefore the chapel service Friday morning was a success. The faculty pew alone remained undisturbed except that some of its occupants shed tears of joy at the sight of so much vivacity.

### Y. M. C. A. Conference Coming.

Student organizations of the state, with a minimum delegation of three, will be represented in the Spring Training Conference of the Student's Young Men's Christian Association's of Ohio to be held here from 7 p. m. Friday, April 11, to Sunday afternoon April 13. In the past six years the Otterbein Association has been favored twice with this conference. The purpose of the conference is to give every delegate present a clear understanding of the work and obligations of the Student Associations; to give him very practical training in

## LATEST SCANDAL DISCOVERED— PARTIES NAMES TO BE WITHHELD

The most brilliant scandal of the season has just been released by Mother Gossip. It is her deepest secret, she says, so please do not let the following facts become known; four Otterbein fellows proposed to the same girl, also here in Otterbein, and three of them were already engaged to other Otterbein girls! Two of the men got mixed up in a bloody fight, one cracked some Irish jokes, and the other had some girls' photo-

graph in his hand when the Otterbein girl, to whom he had proposed entered the room! Mother Gossip beseeches the public not to let it get out how one of the Otterbein professors refused to leave when he saw the boys getting ready to propose. The college authorities have agreed to withhold the names of those involved in the scandal until Tuesday evening, April 15 at 8 p. m. in the chapel.

## HONORARY MEMBER VISITS

**Philomatheans and Friends Were Honored by Remarks by Hon. W. J. Bryan in Inaugural Session.**

Philomatheas was highly honored by the visit of William Jennings Bryan, one of her most noted honorary members, to her Installation Session Friday evening. Mr. Bryan's remarks were appreciated by all, the only regret being his hasty departure.

The literary and musical members were well chosen and well rendered. The many friends present expressed their appreciation of the program. The following numbers were included:

Chaplain's Address—

"We Live But Once"

Vance, W. H.

President's Valedictory—

"Cities of Life"

Michael, L. J.

Vocal Solo—"Invectus" Bruno Huhn

Hollinger, R. K.

President's Inaugural—"Imagination"

Siddall, J. C.

Music—Philomatheas

In the extemporaneous speaking, Dr. Snively favored society by some timely remarks. Miss Cathryn Warner was called to represent Philomatheas and Miss Gladys Lake was asked to speak for Cleiorhetea. Philomatheans appreciated their expressive words.

## PROGRAM ENJOYED BY MANY

**Unique and Varied Productions Delighted Members and Friends of Philophroneas Last Friday Night.**

Philophroneas had an excellent open session last Friday night. Each number on the program was well rendered and greatly enjoyed by members of the society and friends.

The program was opened with a reading by Mr. Bert Jaynes, entitled "An Old Fashioned Debate." Mr. Jaynes held the audience by his clever impersonations of the various participants in an old time, country debating society.

The president's valedictory, "A Greater Commonwealth" was well delivered by the retiring president Mr. W. R. Evans.

Messrs. Cornet and Askew then favored the society with a violin duet.

The incoming president, Mr. G. L. Glauner, then gave his inaugural address "Theodore Roosevelt."

Extemporaneous speaking concluded the program.

Dr. Sanders and Prof. Schear represented the alumni. Miss Freda Frazier spoke for Cleiorhetea and Miss Vida Wilhelm for Philomatheas.

During the course of the program Philophroneas was honored by a visit from Hon. W. J. Bryan, who favored society with a brief address.

## What Happened to the Sophomores

Are the Sophomores afflicted with chronic inertia or just plain scared? This is what the Freshmen are unable to discover.

Which ever it is the fact remains

that the Sophomores have refused to debate, in spite of the fact that the second year men extended the challenge to the yearlings. The Freshmen were working hard and just getting things into smooth running order, when suddenly comes the plaintive cry "Kamerad! Kamerad!"

It is to be feared that the question of Government Ownership of the Railroads must forever go undecided and that the Freshmen must seek new worlds to conquer.

## Literary Paper to be Published.

Otterbein is to have a new publication. Each year, beginning this Spring the "Quiz and Quill Club" will put out a production which is to be purely literary in nature. This paper will contain approximately forty-three pages, there will be no advertisements and it will be neatly and attractively bound.

Each literary society will be allowed to submit three articles to the "Quiz and Quill Club" from which the staff will select and publish the one they consider the best from each society.

The winning story in the Barnes Short Story Contest and the winning oration of the Oratorical Contest will be published.

An article by some member of the Science Club and the best production in Freshman English and the English Literature will also find a place.

To finance the edition the college will give \$10.00, the English Department \$10.00, the Barnes Short Story Fund \$5.00, the Publication Board \$5.00 and the "Quiz and Quill Club" \$10.00.

The total cost, however, of the publication will be \$90.00 for the one issue, so unless the students give their hearty support it will be a financial failure. Each copy will cost the nominal sum of twenty-five cents so it is hoped that every student in college will see fit to sign up for at least one.

## Y. M. C. A. Conference Coming.

(Continued from page one.)

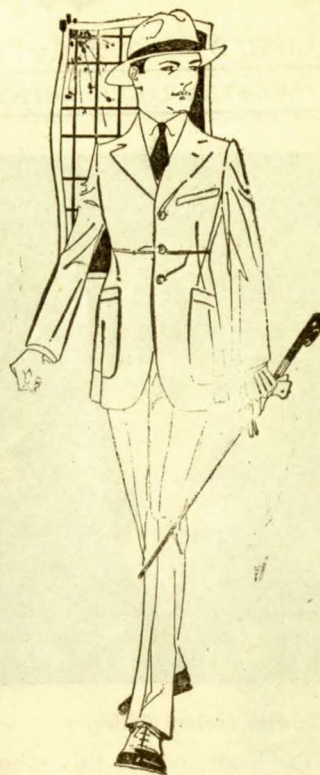

all of the various activities conducted, and as a result of the very practical program outlined, help each Association outline for its own use a definite program of work for the balance of this year and for the coming year.

An excellent program has been arranged. Some of the speakers will be Captain J. H. McKendrick of Winnipeg; Mr. K. A. Kenedy, Student Secretary for the International Committee of the Y. M. C. A.; and A. H. Lichty, State Secretary of the Ohio Y. M. C. A.'s and General Secretary of the War Work Council for the Central Military Department.

A registration fee of one dollar will cover the expense of speakers and the cost of the banquet of Saturday evening.

Otterbein students welcome the representatives of other colleges and hope their visit will be both pleasant and profitable.

counselor, a cheerful companion, an  
effectual comforter.—Isaac Barrow.

#### Aid in Choice of Profession.

Almost beyond a doubt the most  
serious problem that confronts a col-  
lege graduate today is the choice of a  
life work. With the view of helping  
Otterbein students to make a wise  
choice a number of prominent gradu-  
ates, who have been successful in their  
professions, have agreed to cooperate  
with the Tan and Cardinal in furnish-  
ing a series of articles. These arti-  
cles will present possibilities and op-  
portunities for success in various  
vocations which are especially attrac-  
tive to college graduates.

At this time of year, not only sen-  
iors, but all students are especially in-  
terested in deciding as to their occu-  
pations after graduation. For in  
choosing work for the summer, the  
student quite often can obtain some-  
thing which will give him practical  
experience for his life work, provided  
he has decided what that life work is  
to be.

It has been said that Otterbein stu-  
dents have little opportunity to be-  
come acquainted with the various  
professions. If this has been true in  
the past, it cannot be this year, for

the alumni who are to speak through  
these columns represent varied pro-  
fessions, such as Journalism, Busi-  
ness Chemistry and Science, Teach-  
ing, Law, the Ministry, Medicine,  
Missions, Public Utilities and Y. M.  
C. A. Work. Each writer is an ex-  
pert in his line and highly capable  
of discussing the subject.

This series will continue until  
commencement. Each week one of  
the articles will appear written by  
alumni who, although extremely busy,  
find time to cooperate with plans  
promoted in the interests of their  
Alma Mater. Whether students have  
or have not decided what they are  
best fitted for, they are bound to gain  
a vast amount of knowledge.

#### Go to Delaware April 12.

Ohio Wesleyan is one of Otter-  
bein's hottest rivals. In every line  
of athletics the Tan and Cardinal  
representatives try their best to down  
them. The old "grads" are always  
anxious to hear the final score and  
are thrilled with pride when Otter-  
bein comes out in the lead. When  
the score goes the other way they  
are greatly disappointed but begin to  
look forward to the next year.  
There is always the hope of winning  
from Wesleyan. In fact a victory  
over the Methodists is worth three  
over any other college, in the eyes  
of Otterbein.

On Saturday, April 12, the Otter-  
bein nine will play at Delaware. This  
is the first baseball game of the  
season and it should be a victory,  
not only to give the season a good  
start but to have the satisfaction of  
putting it over on Wesleyan again.  
Students must back the team to the  
limit. A special car can be char-  
tered to take a crowd of enthusiastic  
rooters over. In order to win the  
old Otterbein spirit needs to be re-  
vived. Talk it up! Make it your  
slogan to "Beat Wesleyan" and go  
to Delaware April 12 to help the  
team put it across.

#### Who Took the Baseball Suits?

Every time a new season is begun  
in any sport requiring uniforms it  
occurs that the newly elected mana-  
ger finds a depleted stock of equip-

ment at his disposal. Invariably a  
complete new outfit has to be bought  
which is in fact a needless expendi-  
ture of money. The blame may be  
placed upon the retiring manager be-  
cause they do not keep tab on goods  
loaned and then at the end of the  
season they have no check on the  
material and cannot demand the full  
amount. The call to bring in all the  
college equipment goes out but evi-  
dently the players want souvenirs for  
they seldom turn their clothes in.  
This has gone on long enough. It  
may be that the Varsity men have to  
some degree earned their uniforms  
but for the best interests of Otter-  
bein athletics it would be far better  
to turn them in.

When baseball started a week or  
so ago only a few suits could be  
found and they were not of one kind.  
Be a good sport and hand back your  
athletic equipment. Even though it  
cannot be used for the Varsity the  
next year it will do for the second  
team and everyone wants to see a  
good looking lot of scrubs against  
the Varsity in practice.

### Y. W. C. A.

"The Country Girl" was the sub-  
ject of a very interesting discussion  
Tuesday evening with Edna Dellinger  
as leader. The leader dealt with the  
subject in an unusual way pointing  
out the needs of the country girl.

In order to understand the country  
girl and her needs we must first know  
something of her background. In the  
time of our pioneer fathers there was  
the family group—complete in itself  
as in "Snow-Bound". As civilization  
advanced there was a transition to  
the community group; and there the  
most of our attention was given to the  
cities and towns. Right there is  
where the Country Girl began to be  
neglected. After about eight years  
in country school the Country Girl  
has formed her own ideas of life and  
the tendency is for her to be drawn  
to the city.

Helen Keller will be the leader of  
next week's meeting, the subject be-  
ing "The Popular Girl".

Y. M. C. A.'s RECORD IS COMMENDABLE

(Continued from page one.)  
step in 1852 when, one year previous to the founding of the Denominational department of Missions, the students of this college organized a local missionary society which had much influence in starting the denominational society a year later.

The next religious organization started, was the young men's prayer meeting which was closely followed by a young women's prayer meeting. These two organizations were the forerunners of the present Y. M. C. A. and Y. W. C. A.

In 1877 at Covington, Ky. there was held a convention with view to establishing college Associations throughout America. The only student to attend from Ohio was a man from Otterbein. He returned from the convention so filled with enthusiasm that his ardor spread among his fellow students so in the same year Otterbein founded a student Y. M. C. A., the first one in the state. The women followed in 1882 by establishing a Y. W. C. A., which had the honor of being the first of its kind in

Ohio and the third in the United States. Mrs. Prof. F. E. Miller, for two years, was the first state Y. W. C. A. Student Secretary.

April of 1892, the first Conference of student Y. M. C. A. presidents was held at Otterbein. Many men were then present who have since become widely known in Y. M. C. A. work; John R. Mott, E. L. Shuey, S. D. Gordon and others. At this Conference local students were so inspired that they decided to build a building of their own. So in spite of the crushing debt under which the institution was working, a campaign for funds was inaugurated immediately. In chapel one morning \$4,000 was pledged and from other sources sufficient funds were gathered so that construction began and in 1893 the building was dedicated. This building was distinguished in being the first college Association Building in Ohio and one of the first few in the country.

The Association Building at Otterbein cares for the Physical, Social and Spiritual needs of every college man. However, it should be the spiritual influence more than any other that permeates the college activities. The Y. M. C. A. meeting is the "spiritual thermometer" of this college for by the Y. M. C. A. meeting one can determine the strength of religious spirit that prevails here.

Finally we must not allow Otterbein to become lax in religious fervor but must strive to keep her in the foreground as she has always been in the past.

**Professor of Science Speaks.**

"Chemistry in War" was the subject of an interesting talk given by Professor Weinland before the Science Club Monday evening, March thirty-first. The speaker included in his brief history of the practice of chemical warfare, its introduction by the Germans in the recent war. He then named and explained the kinds of gas shells used against the British and French, giving finally a review of the British efforts to combat the deadly weapon of their enemies.

**LOCALS**

We are unable to see where George Glauner spends his week-ends but we will give him the benefit of the doubt and say he goes home.

Mrs. I. N. Smith very pleasantly entertained a number of guests at her home on West College avenue Saturday evening. Those present were Helen Ensor, Leora Gouchenour, Marie Wagoner, Genevieve Mullin, Hazle Payne, "Rats" Moore, Bill Vance, Herbert Meyers, Ray Gifford, and Ralph Smith.

Track Suits are ready. Also white duck pants for tennis. E. J. Norris.—Adv.

A. B. (Prep) Castle of Dayton visited Otterbein friends Saturday.

"Quiz and Quill" Club met at Miss Keller's home on Friday evening. Two new members were received into membership: Miss Josephine Foor and Miss Edith Bingham. The discussion was an interesting topic and the social time was enjoyed by all present.

**Hon. W. J. Bryan Given Reception.**

Mr. and Mrs. Ernest Cherrington's hospitality threw open their home on South Grove street Friday afternoon for an informal reception given in honor of William Jennings Bryan. The citizens of Westerville and the students of the college were glad for the opportunity of meeting a man of such world-wide fame. Mr. Bryan was in Westerville in the interests of the Anti-Saloon League of America.
