## CHAPEL IS FULL ON OPENING DAY

All Previous Records in Attendance  
Are Surpassed by Large Enrollment  
First Two Days.

### PRESIDENT GIVES WELCOME

E. L. Shuey, '77, and E. E. Burtner, '06  
Make Opening Addresses—  
Trustees Send Greeting.

On Wednesday, September 17, Otterbein entered upon the seventy-second year in its history when the chapel was crowded with students and when Mr. E. L. Shuey, '77, President Board of Trustees, and

Mr. Edwin L. Shuey, '77, A. M., L. L. D., was elected President of the Otterbein Board of Trustees at their annual meeting last June. Mr. Shuey spoke at the opening assembly of students on last Wednesday.

Rev. E. E. Burtner, '06, college pastor were the speakers for the occasion.

Dr. S. W. Keister, '77, led in prayer after appropriate remarks by President.

(Continued on page two.)

### Public Speaking Professor Is Urged to Hold Position.

Old students returning were surprised and gratified to see the face of Professor Fritz of the Public Speaking Department among the faculty. All faculty, students and alumni are glad to welcome him back to Otterbein to take up his former position.

### Chair of Mathematics is Filled by Prof. B. C. Glover.

Prof. Benjamin Curtis Glover, B. S., has been secured to fill the Dresbach Chair of Mathematics to succeed the late Dr. Frank W. Miller.

Professor Glover received his degree from Northwestern University in 1907 and later took post-graduate work at the University of Minnesota and Chicago University.

Since 1915 he has been Professor of Mathematics at Missouri Wesleyan and for four years, from 1916-19 was Dean of that institution.

Rev. Elmer E. Burtner, '06, A. M., B. D., College Pastor, was a speaker at the opening Wednesday.

### LADIES HAVE RECEPTION

Cochran Hall Is Scene of Delightful  
Occasion When Girls Get Acquainted and Enjoy Program.

More than one hundred girls assembled at the dormitory last Friday evening for the annual Cochran Hall reception given in honor of the new girls.

Miss Gladys Howard, social chairman of the Cochran Hall association was mistress of ceremonies; and much of the evening's success was due to her clever planning. Soon after their arrival, the guests were set to work at a contest which required the making and reciting of a short verse by each of the several groups into which the girls had been divided.

A short program was then given as follows:

Selection—"The Director's Choice"  
Mandolin and Guitar Club.  
"De Coppah Moon"

The Inverted Quartette.

Solo—"A Red, Red Rose"

Ethel Eubanks.

Pantomime—"The Coquette"  
Characters:

Bernice Heeter, the coquette.

Ruth Deem, the maid.

Suitors—Helen Keller, Lois Clark, Martha Skinner, Edith Bingham.  
"The Two Clocks"

The Reversed Quartette.

Selection—"The Princess Schottische"  
Mandolin and Guitar Club.

At the close of this program, old and new girls lined up separately for a grand march, in such a way that each old girl had a new one for her partner; and after the march, every girl took her original partner to the reception room, where refreshments of punch and wafers were served.

### ATHLETES IN EVIDENCE

Football Outlook Is Bright With  
Several Men of Former Years  
Back and Last Year's Men.

Otterbein is on the threshold of another successful football year. "Letter" men are in evidence.

This season, they will form a good nucleus. These are Smith, Meyers, Peden, Howe and Howard. Then too there are those from former years, who, though not "letter" men are on a par with the best of them. Among these are Hert, Elliot and Huber.

It is upon new recruits that the future of Otterbein's football rests, so they form a decidedly important factor. Among these are Franklin, Cutler, tde that Franklin, who was making good at center, suffered a broken collar bone in practice, but a month should see him fit again.

Ray E. Watts has been chosen for coach of all athletics for the year. "Scuffy" is well known to all. His football ability was shown in the fall of '13, when Otterbein had a strong team. Along with his ability as a player he has the ability to train new men and he has the "pep" too. There is every indication that athletics will boom this year.

### LET'S GET WESLEYAN

Otterbein's football team stacks up against its old time rival, Ohio Wesleyan, next Saturday, September 27.

"Down with Wesleyan" is a battle cry handed down with the traditions of the school, so the team defending the Tan and Cardinal is going into the Red and Black camp with the determination to hang to its belt the first scalp of the season.

The team is working hard under Coach Watts and Capt. Smith and they will fight to the last ditch, but rooters should be on hand as reinforcements at the critical moment.

Let all that can, go to Delaware and ring out the battle cry "Down with Wesleyan."

## STUDENTS HAVE JOINT RECEPTION

Christian Associations Hold First  
Formal Occasion of Year In  
Association Parlors.

### FACULTY MEETS STUDENTS

More Than Three Hundred Assemble  
and Get Acquainted—Delightful  
Decorations and Refreshments.

One of the biggest events attending the opening of each school year at Otterbein is the reception for new students given under the joint auspices of the Y. M. C. A. and Y. W. C. A. On last Saturday night practically the entire student body and faculty gathered in the parlors of the Association Building for this affair.

The rooms were tastefully decorated in streamers of tan and cardinal and red shaded lights. Each student was tagged with his name, and a pleasant hour was spent in getting acquainted by means of a faculty receiving line and a student "get acquainted circle".

The second part of the evening's entertainment took place down stairs in the gymnasium, where informality was the rule. Short speeches of welcome were made by Edith Bingham, Y. W. C. A. president, Herbert Meyers, Y. M. C. A. president, and President Clippinger.

Delicious refreshments of Neapolitan ice cream and wafers were served and sweet strains of music from the orchestra added to the evening's pleasure.

Marvel Sebert and Gordon Howard, social chairmen of the Christian Associations planned the function, and are largely responsible for its success. The students disbanded, each feeling happier and better acquainted than before.

Since Saturday night's reception the new Cochran Hall girls are using those long interesting white strips of paper, filled with manly names, for prayer-lists.

### Football Schedule.

Sept 27—Ohio Wesleyan at Delaware.

Oct. 4—Antioch at Westerville.

Oct. 11—Denison at Granville.

Oct. 18—W. Va. Wesleyan at Buchannon.

Oct. 23—Heidelberg at Tiffin.

Nov. 1—Open.

Nov. 8—Wittenberg at Westerville.

Nov. 22—Marietta at Marietta.

Get Wesleyan.

R. F. Martin, '14, who was a member of the faculty, 1913-17 and coach in several sports has been secured to head the department of physical education. It would be impossible to get an abler gymnasium instructor than Mr. Martin and we welcome him back to his former place at Otterbein.

Professor Martin will assist student managers in booking games and will also help with the coaching.

#### Schear Elected Manager.

Manager elect of this year's football team, H. F. Moore, '21, is not in school this year. He is succeeded by R. W. Schear, '20. Mr. Schear is filling his place in a conscientious manner and will contribute much to the success of the team.

#### Doctor Jones Honored With Life Membership in Association

Doctor E. A. Jones was signally honored by being elected a life member of the Ohio State Teachers' Association at Cedar Point. By resolution this body authorized the executive committee to select three distinguished educators each year for this high honor. Each person elected to the high position must have rendered signal service to education. Dr. Jones, Miss Margaret Sutherland of Columbus and Prof. Bennett of Covington were the chosen ones.

#### Peden Elected President.

At a Varsity "O" Association meeting held Monday, the officers for the ensuing year were elected. R. F. Peden, President; J. R. Love, Vice President; J. G. Howard, Secretary and Treasurer.

The Varsity "O" is planning to boost the "Home Coming" to take place November 8.

#### Child Dies.

Friends will regret to hear that the child of Joseph M. Shumaker A. B., '16, and his wife (Ina Ethel Fulton, A. B., '15) was killed recently by a fall from a building in Philadelphia, Pa.

## WELCOME

The college bell is the most welcome sound in months. It is an inspiration to see so many faces full of aspiration and hope and daring. We bid you a most hearty welcome.

In our shop you will find the things cultivated tastes need. Vases, baskets, seals, ribbons in college colors, candies, all the accessories for spreads or formal banquet; art goods, greeting cards, candles, ferns, potted plants and cut flowers and a thousand and one things you will need in your daily college life.

"COME IN AND BROWSE AROUND."

## GLEN-LEE PLACE

OTTERBEIN'S GRAND STAND ON NEW ATHLETIC FIELD

This old grand stand has witnessed some thrilling victories in the past! This year we are all hoping that it will see quite a few more. In football the first chance will be on October 4 when the Tan and Cardinal will meet Antioch here. We want some good yelling to issue from this old landmark too.

the college.

Doctor Burtner spoke next and had for his subject the "Importance of the Freshman." He claimed that freshmen are of more importance than the older and wiser professors here. His address was full of witticisms but withal had a serious side. He emphasized the importance of learning to think and of mastering the various subjects studied. Doctor Burtner also mentioned the several probable motives that brought the freshman here and urged the importance of a worthy purpose in pursuing work now that they are here.

Mr. E. L. Shuey was introduced

next and drew some comparisons between the opening of school in his time and the present opening. Numbers were smaller and courses were of a different sort. He called attention to many advantages of the present time which were lacking then.

Mr. Shuey recalled a statement made by Doctor Garst many years ago which he said applied to the students of today as well as to the young people of that day. "Young people, you who are coming here today for the first time, are passing from a state of an unquestioning trust to a time when you shall have

intelligent confidence." Mr. Shuey stated that college is a time of doubt and investigation. If this period is passed safely the future will turn out all right and the individual student will have stronger convictions than ever before for having thought things through for herself or for himself.

Mr. Shuey represented the Trustees in a word of greeting and expressed the hope of the Board that the ensuing year shall be marked by the development of real manhood and womanhood able to meet and successfully solve the problems that come with such force in these times.

### EDITORIAL

"Know, not for knowing's sake,  
But to become a star to men forever;  
Know for the gain it gets, the praise  
it brings,  
The wonder it inspires, the love it  
breeds." —Browning.

### Greetings.

The Tan and Cardinal wishes to  
extend a hearty greeting to all new  
and old students. We wish for all  
a pleasant and profitable year. We  
hope sincerely that all Otterbein  
folks will be regular recipients of  
this paper. It is your paper and we  
will be pleased to have your criti-  
cisms and suggestions. We invite  
you to count yourself one of us and  
solicit your co-operation in promot-  
ing Otterbein activities.

### What We Are.

The Tan and Cardinal is the week-  
ly college paper at Otterbein. The  
regular issues consist of six pages of  
live, up-to-date college news and are  
published each Monday during the  
college year. We give recognition  
to every college department and all  
college activities. We want this  
paper to be your paper, representa-  
tive of the ideals of Otterbein and  
the voice of the student body. If  
you are to know of Otterbein, its  
present and future, you should read  
it and support it. All Otterbein  
students, faculty, alumni and friends  
should be regular subscribers. When  
you receive a letter containing a sub-  
scription blank or when you are so-  
lolicited in person fill in the blank  
promptly and in this way help the  
Circulation Manager and secure this  
publication for the entire school year.

### Why Are You Here?

Why did we come to college?  
Some students are here because their  
friends came, or just because it is the  
thing to do. Some think it will help  
them make a living. Some are looking  
for information, others for discipline,  
others for culture. Some are deter-  
mined to prepare themselves in the  
best way for the largest social ser-  
vice. Certainly each individual stu-  
dent has been motivated by some  
worth-while purpose.

It is sometimes said that the new  
students in a short time forget their  
first purposes and become indifferent  
with regard to study, regular hours,  
economy, church attendance and  
many other important affairs of col-  
lege life. Some are led to either  
modify or definitely change all their  
future plans. Of course these per-  
sons may come back to their former  
ambitions but often it is not the case.  
We want to urge every new student  
to be true to their own good judg-  
ment and to the persons who have  
influenced them to seek courses in  
higher education. Choose congenial  
friends among the students and  
counsel with members of the faculty  
from time to time. Enter into all  
the student activities with enthu-  
siasm and push. It is in doing  
things that one makes the most  
rapid development and Otterbein  
offers abundant opportunity for all to  
have a part.

### Increase In Attendance.

Universities and colleges are for-  
mally opening their fall terms now  
and all with an enrollment that  
promises to eclipse any previous  
year. In fact many of the institu-  
tions are taxed to capacity. Otter-  
bein will undoubtedly have an in-  
crease of no less than ten percent  
over the best of any former year  
under normal conditions. There are  
several reasons for this increase in  
interest in education. The war em-  
phasized the importance of education;  
parents as well as young folks have  
been prosperous and are planning  
now to put their money to this wor-  
thy purpose; soldiers have returned  
and are re-entering their colleges.  
This increase in attendance is very  
significant and is indicative of better  
times ahead.

### Who Can Tell?

History was begun in Westerville  
last Wednesday. Maybe out of the  
many Freshman who crowded the  
old halls some are destined for the  
world's most coveted honors. Per-  
haps a president of the United States  
entered Otterbein for the first time  
Wednesday. Maybe a future mis-  
tress of the White House is making  
her first bid for collegiate education.  
Who knows what futures are wrap-  
ped up in these verdant young lives?  
At any rate they are a fine looking  
bunch and we shall expect big things  
from them.

### Boost For a Glee Club.

Otterbein must have a glee club this  
year. There is no dearth of material  
and with faithful practice an organ-  
ization of the first rank should be  
whipped into shape.

A glee club is a source of benefit  
and enjoyment to its members and  
would be justified from only that view  
point. But it is more. It is an excel-  
lent advertisement for the college. By  
a single performance in a city or town  
it can do more good than a thousand  
dollars of advertising or great efforts  
on the part of college agents.

Let's all boost the glee club!

Subscribe for Tan and Cardinal Now.

Y. M. C. A. attendance was un-  
usually large last Thursday night  
when one hundred and twenty men  
were present. It was like old times  
to see the room crowded. Next  
week Lyman Hert will lead in a dis-  
cussion of the history and traditions  
of Otterbein and every man in school  
should be present.

It looks like old times to see Pro-  
fessor Royal F. Martin helping  
Coach Watts with the second team  
again this year. He has the "old-  
time pep." A good first team de-  
pends on the second string men and  
we want to see every man stick with  
football till the last of the season.

The bulletin board has a statement  
of the Doctor Keister Greek Prizes  
which are awarded annually. These  
prizes are the most generous Otter-  
bein has to offer. We shall watch  
with interest to see who the best  
Greek students are this year.

The editor is gratified at the begin-  
ning of the year with the manner in  
which the staff members are co-oper-  
ating. A good paper is possible only  
when those responsible for the vari-  
ous departments get their material in  
shape and in our hands on time.  
Prospects are favorable at the present  
time.

Freshman and Sophomores Will  
Scrap for Class Honors

Following a precedent set several  
years ago, Otterbein is to have a  
"Scrap Day" this year.

Within the next two weeks a day  
will be set aside for this event. The  
participants will be the Sophs and  
the Freshies and judging by the  
abundance of husky Freshmen the  
Sophs will have their hands full. The  
upper classmen are anticipating a  
hilarious time watching the lower  
classmen fight it out and they will  
not be disappointed. This is an ex-  
cellent way in which to settle the  
time honored grudge between the  
two lower classes and a thrilling  
time is assured.

#### NEW BUILDING PROGRESSES

Science Building to be Ready for Occupation by January First—  
Saum Hall to be Beautified.

Every student, faculty member and alumnus of Otterbein is vitally concerned in the progress of the Science Building. In the early part of the summer the work was rapid, but now, because of labor conditions the brick work is not progressing so rapidly.

The installation of furniture for the different departments will occur the latter part of October. This together with equipment and apparatus will amount to \$24,000. None of the old furniture except chairs will be used in this new building. Especially has the Physics Department been enlarged and improved. The desks, tables and sinks which are of the best, have been procured from the Leonard Peters and Company.

Every modern convenience will be found in this up-to-date building, including hot and cold rooms for the Biology Department, offices and private laboratories for the professors. All the space on the three stories has been assigned. The basement will be used for the overflow of the departments. A part of it may be used to accommodate a new agricultural department.

It is hoped that it will be ready for occupation by the first of January.

As for Saum Hall, that old and reliable structure, it will be stuccoed and beautified on the outside, and every modern convenience will be installed, in order to make a comfortable home-like dormitory to be used for girls who cannot be accommodated in Cochran Hall.

## PROFESSOR WEST SPEAKS

Allegheny Conference Hears Address  
By Prof. J. P. West on Otterbein  
—Alumnae Are Represented.

Prof. J. P. West returned Friday from Tyronne, Pennsylvania, where the Allegheny Annual Conference was in session. Professor West delivered an address Saturday evening in the interest of Otterbein. He reports unusual enthusiasm on the part of the

Conference delegates. Doctor Fulton, who was re-elected Conference Superintendent, showed characteristic interest by saying that he expected to visit Otterbein in October and wished especially to meet the Pennsylvania students enrolled here.

It is interesting to know that quite a number of Otterbein Alumni and ex-students received appointments at this session of Allegheny Conference. They are as follows:

## Alumni.

Altoona, First—R. E. Penick.  
Altoona, Second—E. B. Learish.  
Holsopple—J. D. Good.  
Johnstown, First—E. C. Weaver.  
Johnstown, Barron Ave.—C. W. Hendrick.

Johnstown, Southmont—J. I. L. Ressler.

### VARSITY BEATS SECONDS

#### Coach Watts Is Well Pleased With First Practice Game of Season.

On last Saturday there was a scrimmage game between the first and second teams and it was an exhibition of real football. Of course the first team won but they had to fight for every inch they made. They were held for downs three times in fifteen minutes. This shows that there is some good material on the seconds. Now let us hope they stay out and give the regulars some good scrimmage from time to time. This practice game proved that all the men out are badly in need of endurance and this will come as a result of constant training and careful diet. Also it must be remembered that Saturday was a mighty hot day. Each day this coming week we may expect to see an improvement and next week Otterbein will beat Wesleyan.

#### Doctor Snavelly Offers Course.

Among other interesting improvements and additions in the courses of study at Otterbein, is the Business Course of which Doctor Snavelly has charge. This will be a general study of the different forms of business organization, business administration and the methods of opening up new markets. There has always been a need for such a course, which promises now to be interesting and profitable.

### Miss Brown Returns.

Miss Jessie May Brown, A. B., Director of the Art Department has returned after a leave of absence.

### LOCALS

On Thursday night, September 12, Dr. E. A. Jones gave a patriotic address at the Columbus barracks.

Tom Brown of the class of 1918 spent several days with Westerville friends at the opening of school. Tom has spent the larger part of the summer with Fred and Grove Gray at their home in Montpelier, Idaho.

"Duke" Halderman at Club—"I am taking public speaking and singing lessons."

Dennis Brane—"Then let us hope that will 'lesson' your singing."

On Sunday the 31st of August, Doctor Jones preached the annual sermon at the Burgess Ave. United Brethren Church where the Reverend Mr. White is the pastor.

Beatrice Fisher of Rittman, O., was the guest of Helen Keller last week. "Bee" will attend Dana's Musical Institute at Warren, O. this year.

Kenneth Arnold, a former member of the class of 1920, spent the week-end in Westerville. Mr. Arnold goes to Carnegie Tech to take further work in engineering.

We have already noticed a few casualties among the football men.

Franklin, center, is out with a broken collar bone. Powell and Shreck are out on account of sprained ankles.

Dorothy Straw and Arry Curry of Eaton, O. were the week-end guest of Adria Mayhugh. Miss Straw, a former Cochran Hall girl is attending O. S. U. this fall.

Forest Jacobs of Findlay, O. was in Westerville for a few hours Friday evening. "Jake" is a former Otterbein student.

Lyle Michael, class of '19, spent the week-end with Otterbein friends. "Mike" is taking post-graduate work at O. S. U.

Warren Moore of Canal Winchester took Thursday afternoon from his work at O. S. U. to look over Otterbein.

### Cochran Hall.

Bump! Bang! There goes the trunks upstairs, and here comes that jolly, noisy bunch of girls again.

There are so many that some of the rooms are stretching to accommodate three, and new dressers and beds and chairs are finding their way to the Dorm every day. Some of us had to sleep on comforts until new mattresses should arrive, and the other night two girls even shared the same pillow! You should see us in the dining room! We squeeze in twelve at a table, and keep the cooks busy finding enough for us to eat. Dean McFadden is the busiest of all, trying

ing to keep apace with her increased family.

We represent more states than some folks could count, and predict many animated arguments in the next few months. Such a rush as we have for the sewing room! Why? Oh, we're making dainty curtains and filmy drapes. Wouldn't you like to see us touching up pennants and hanging pictures, and—well, just arranging the prettiest rooms you ever saw? Are we busy? Well I should say! And the happiest girls in the world!

"Dry statistics", did you say? Not the Cochran Hall kind. Of the 94 girls registered 41 are old and 52 new; there are 12 Seniors, 24 Juniors, 11 Sophomores, 35 Freshmen, the rest in other departments or not sure of their standing. We represent eight states—68 from Ohio, nine from West Virginia, seven from Pennsylvania, six from Indiana, one each from Michigan, Florida, Virginia and Wisconsin. And names! "Mary" heads the list with seven; then comes four each of Edith, Gladys, Helen and Lois; there are three each of Marjorie, Ruth, Alice, Evelyn and Mildred; two of Edna, Martha, Virginia, Margaret, Ethel, Lillian, May, Josephine, Esther and Velma. This leaves 36 names without duplicates.

It was jolly to get together Sunday night for lunch in our rooms. Prospects indicate as much Sunday evening cocoa and fun as ever.
