## METHODISTS WIN BY SCORE 26 TO 6

First Game of Season Ends In Defeat  
for Otterbein—Game Is Not  
Spectacular.

### PEDEN MAKES LONG RUN

Wesleyan Takes the Lead In First  
Quarter with Two Touchdowns—  
Otterbein Scores in Third.

Otterbein succeeded in scoring on her old rival Wesleyan in the first game of the football schedule but lost to the score of 26 to 6. The Methodists got a big lead in the first quarter when Edler and Tone tore through Otterbein's line for big gains and scored two touchdowns. In the remaining three quarters the playing of both teams was on a par. However, due to the lack of open work and the sultriness of the day the game was a dull one.

### Peden Makes Gain.

By far the best man for Otterbein was Roy Peden. His line playing was thrilling. He made one run of 20 yards which was the most spectacular of the entire game. It was in the third quarter that Roy caught the only forward pass Otterbein attempted and crossed the goal for 6 points. Peden's tackling was also sensational.

### Harris Plays First Game.

Harris, at full back, played his first game of football Saturday. He never played the gridiron game while in high school here. He weighs 190 pounds and is "hard as nails." With experience and coaching he should develop into a powerful man for the Tan and Cardinal.

### Lack Driving Ability.

Otterbein showed the lack of plunging, hard and sure tackling and the driving power at the first of the game, but in the second half played much harder while Wesleyan unquestionably weakened. Otterbein had the ball in her territory a great deal of the last quarter.

The game was characterized by  
(Continued on page two.)

### Next Saturday's Game With Antioch Has Been Cancelled.

A telegram received on last Saturday from Antioch College cancelled the game which was scheduled for next Saturday. Efforts have been made to get Hiram and other teams but all to no avail. It appears now that there will be no game.

There is this good side to it that an open date will give the team and others also a chance to see Ohio Wesleyan get beaten by Ohio State.

## MEN ARE INJURED

Peden, Howard and Elliott Receive  
Hard Knocks in Game With  
Wesleyan.

Roy Peden and Gordon Howard right half and center for Otterbein, were both given severe knocks on the head in the game last Saturday. Howard was taken out the third quarter after he showed that he was dazed so badly that he could not get the signals. It took half an hour or more for him to recover his memory but only a scratch was found on his head so it was nothing critical.

Peden was also struck on the head in the third quarter and like Howard became dazed. He managed to play for quite a while however, and made the only touchdown for Otterbein while in this condition. When he was jerked by Coach Watts he did not know that a game was going on. Gradually he got "wise" but could not remember what had happened. He stayed at the Delaware Hospital over Saturday night and on Sunday Manager Schear brought him to Westerville. Even now he does not remember of making the touchdown but those who witnessed the game can in time convince him.

### Dr. Cornell Is Honored at Annual Masonic Assembly.

Dr. Otto B. Cornell, of the class of '92, was elected grand master of the Ohio grand council of Royal and Select Masters, a Masonic organization of the York Rite, at the annual grand assembly at Toledo Tuesday September 23. After a service covering several years in the grand council, the honor comes to Doctor Cornell as a merited reward for faithful service for masonry in Westerville and in the state. The term is for one year.

## ALL STUDENTS SUBSCRIBE

Enthusiastic Assembly of Students  
Results in Unanimous Subscription  
to "Tan and Cardinal."

"Every student and faculty member a subscriber to the Tan and Cardinal!" These were the slogans on Tuesday morning in chapel when an enthusiastic campaign was carried on in the interests of the college paper.

After a peppy speech by Ramey Huber, editor of the paper, subscription blanks were passed out. The school stood by the proposition practically in a body, almost every student subscribing. The Seniors led out in the subscription, after which the other classes followed immediately. With this fine start, it looks like a big year for the college paper. Every student and faculty member a subscriber to the "Tan and Cardinal!"

### Joint Committee Appointed to Arrange "Scrap Day" Wednesday.

With "Scrap Day" not far distant a joint Fresh-Soph committee is busy working out the details.

The three events to be participated in are a tie-up, a relay race and a tug-of-war.

The three men representing the Freshmen are A. W. Elliott, Joe Ranck, and Wilbur Coon.

A committee under D. W. Bartelbaugh represents the Sophomores.

The day set for "Scrap Day" is next Wednesday. There will be no classes after chapel and the remainder of the day will be given over to the events as scheduled.

### Miss Brown Called Away.

Miss Jessie May Brown, Art instructor did not meet her classes on Monday because of the death of her grandmother.

## LYCEUM COURSE IS HIGH GRADE

Varied Numbers Have Been Selected  
—Seat Sale Will Be Announced  
Later By Professor Cornetet.

### ORPHEUS QUARTET COMING

Doctor Conwell Will Deliver Famous  
Lecture "Acres of Diamonds",  
Other Numbers Chosen.

Five of the six numbers of the Citizen's Lyceum Course for 1919-20 have been selected and are presented below. Every year the numbers on the Lyceum Course are looked forward to with great interest and this season will be no exception. The date for sale of seats will be announced later by Prof. N. E. Cornetet.

Dr. Russell H. Conwell has been secured, who in this last year of his long Lyceum career will give his celebrated lecture, "Acres of Diamonds" which he has delivered over seven thousand times.

The Orpheus Quartet is also coming. This organization hales from Los Angeles and is the best quartet on the Pacific coast. At the Panama-Pacific Exposition it won the International Grand Prize of \$3,000 for the best male chorus.

The Montaville Flowers, who a few years ago gave "Christmas Carol" on the local course, will appear for another splendid performance.

Edwin Whitney, the popular reader of the Whitney Brothers Company will come for an evening of readings.

The Sam Lewis Company will give an entertainment of a musical nature. A tenor soloist known as the "John McCormack of the Lyceum" appears with this company.

### R. K. Powell Suffers Fractured Leg in Wesleyan Game.

In the second quarter of the game against Wesleyan Saturday, Roger K. Powell, son of Judge L. K. Powell, '75, of Mt. Gilead, broke his leg just above the ankle. Powell was playing at left guard and was stopping everything that came his way. Consequently, Wesleyan men went after him and the pile-up resulted in injury to Powell. He was taken to the hospital and on Sunday was resting easy. His parents will take him to his home as soon as he can be comfortably moved. All students and friends earnestly sympathize with "Fat" and hope for his quick return to Otterbein. It is hardly possible that he will get back in the game this season.

## SNAKE DANCERS BLOCK TRAFFIC— FRESHIES CAUSE CONFLAGRATION

Tramp! Tramp! Tramp! The ruffle of drums and blare of band instruments spurred on the merry crowd of snake dancers as they twisted and turned on their crooked way down College avenue. Yells, cheers, songs and shrieks startled the placid town people as the hilarious ones blazed their way through "Willy's" and stopped the traffic at the Spring and High of Westerville for a few moments.

The old chapel experienced the most enthusiastic rally in years. The roof was almost swirled away into space by the hullabaloo that was

created by the present day foot-ball enthusiasts.

A few men who played on that famous 1916 team were back to say that we got Wesleyan before and we are bound to get Wesleyan again.

After some broad hints, the "Energetic" Freshmen had collected enough debris for a huge bon-fire, which lighted up the clear, starry sky for squares around. The youngsters joined hands and capered around the bonfire which procedure must have struck joy to the hearts of the on-lookers for Otterbein is running sky-high with pep and enthusiasm.

**SOCIETIES HAVE PUSH****Cleiorhetean and Philophronean Literary Societies Entertain New Students at Devil's Half Acre.**

A date for everybody! Sweaters! Bonfires! Fun! Good eats! That's what one thinks of whenever the Cleio-phronean push is mentioned.

Last Wednesday evening a crowd of about two hundred students gathered at Philophronean Hall and from there, wended their way out to Devil's Half Acre for the annual push given by Philophronea and Cleiorhetea. Here bonfires and everything was in readiness for a good time. The merry crowd, delightfully chaperoned by Professor and Mrs. McCloy and Professor and Mrs. West spent a gay half hour in playing time honored ring games around the fires. Songs and college yells were then in order with music furnished on a number of "ukes," mandolins and guitars.

Short speeches were made by Professor West, Edith Bingham, Kenneth Scott, Dennis Brane and Professor McCloy.

The committee in charge then made themselves useful by passing around the "eats" which consisted of buns, weiners, lemonade and marshmallows. Much culinary skill was exhibited by cooks of both sexes in roasting the weiners and marshmallows.

A leisurely stroll home added just the right climax to the evening's fun, and at a late hour the last stragglers finally reached the Dorm, all voting that they had a great time.

**WEINLAND IS TOASTMASTER****Philomatheans Entertain New Men—Speeches and Social Time Follow Regular Literary Exercises.**

Philomatheas, before many guests, celebrated its Annual Stag Session last Friday with a splendid social evening and an abundant feed. An interesting program was rendered, delighting the evenings visitors.

R. U. Martin, delivered current news to the society in a commendable manner. An address "The Modern Automobile" was given by G. E. Mills, in which Mr. Mills very successfully likened man and his motive forces to the motor of an automobile and its powers. A. S. Nichols, followed with a very interesting autobiography.

In the extemporaneous speaking society enjoyed remarks by L. J. Michael and J. C. Siddall, both of the class of '19.

After the literary exercises, Professor Weinland, class of '05, acted as chairman of affairs. V. E. Cribbs, gave the welcome speech. Mr. Cribb's humor added much interest to the occasion. Doctor Jones was at his best in a talk, rich with advice and delivered as only Doctor Jones can. The professor related some of his experiences incident to his coming to Otterbein.

R. K. Hollinger favored society

with a vocal solo rendition of Kipling's "On the Road to Mandalay." Mr. Hollinger's voice was never better, the audience recalling him for another selection, "That Dear Old Pal O'Mine."

Professor Fritz created great fun by a humorous reading. He was recalled, giving another sketch which surpassed the first selection.

The remainder of the evening was spent in disposing of a luscious lap lunch and a get acquainted meeting. A. W. Elliot, was chairman of the kitchen police and certainly succeeded in "filling up" those present. "Eats" consisted of ham and peanut butter sandwiches, salad, baked beans, pickles, hot chocolate, pineapple sherbet and cakes.

**STUDENTS HAVE "PEP" RALLY****Old Time "Pep" is in Vogue—Chapel is Filled With Students—Freshmen Make Bonfire.**

Perpetual grouches and professional knockers who have been trying to tell us that Otterbein spirit is a thing of the past received a knock-out blow last Thursday night at the first Football Rally of the season. Considered from every angle the rally was a huge success.

At eight o'clock, lining up behind the band, a large representation of the student body paraded up town and then returned to the chapel via the "dorm." In the chapel the real ceremonies began led by "Cherry" Schear, football manager, and C. L. Fox, cheer leader "protem." The team, seated on the platform received cheers individually and collectively. Miss Josephine Foor, President of the Cochran Hall Association, representing the girls, made a few remarks.

Then pep talks, yells and music followed promiscuously.

Coaches Watts and Martin each addressed the student body and four alumni Varsity "O" men spoke briefly. These men were "Chuck" Campbell, "Lardy" Walters, Glenn Ream and Judd Siddall. The meeting in the chapel closed with the Otterbein Marching Song.

The chapel rally then gave way to another session around a mammoth bonfire in the old athletic field. Due to the efforts of the Freshman fellows the bonfire was a large one. Here more songs and yells and a snake dance filled the program. As the fire died down the crowd disbanded. This first rally was a rousing good one. Now let us keep up the good spirit throughout the year.

roughness, both sides receiving frequent penalties. Little open order work was tried and as a result the game was not spectacular.

About one hundred students, faculty and townspeople journeyed to Delaware to see the game. Cheering

# Things You Want

Do you ever tear your note books, music, or texts? Use transparent mending tissue. A spool costs but ten cents.

Do you need to fasten papers together? Use paper fasteners or clips. Would you strengthen the hold on any papers or books? Use gummed re-inforcements. Do you wish to index your books, or any papers? Use gummed index tabs. Do you send parcels home? Use gummed parcel post labels which conform to law and are artistically printed in sepia colors? These are only a few of the many things that Dennison makes for office and student use. We have them in stock.

New greeting cards both serious and humorous. New goods are coming in daily.

All sorts of things for picnics and spreads.

**Gospel Team Has Meeting.**

Last Monday evening under the leadership of L. B. Harmon, thirty-three young men of Otterbein met in an hour of devotion that brought a touch of real old-time religion to the heart of every man there. It was a meeting to put wind in one's sails and to shake off the spiritual lethargy that we are all too prone to acquire amongst the many attractions and activities of our college life. Were you there? There's a chair for you.

### EDITORIAL

He that loveth a good book will  
never want a faithful friend, a whole-  
some counselor, a cheerful compan-  
ion, an effectual comforter.

—Isaac Barrow.

### Choose Your Friends.

The above quotation denotes the  
importance of choosing good books.  
"A good book is the best of friends,  
the same today and forever" (Tupper).  
Yet it is just as important if not more  
so that one's friends are of the right  
character. An old adage is that, "Evil  
companions corrupt good manners".  
This is certainly very true. We un-  
consciously become like those with  
whom we associate. Therefore the  
best of friends available is none too  
good. In order to live up to the best  
that we know and in order to become  
the men and women of character that  
those interested in us expect us to  
become it is absolutely imperative  
that we choose our books and friends  
wisely.

It is also very true that the num-  
ber of friends one may happen to  
boast of is not conclusive evidence  
that they are all of the right sort.  
There are usually a few friends with  
whom we are more intimate, and who  
have greater influence over our lives  
than all the rest combined. These  
few should be of a high order. Their  
caliber can be tested in times of crisis  
and discouragement.

"Good books, like good friends, are  
few and chosen, the more select the  
more enjoyable."—Alcott.

### Have You a Criticism?

The business of any college news-  
paper, such as the Tan and Cardinal,  
is not only to present to the members  
of the student body and other sub-

scribers the news items and other  
articles of interest, but also to serve  
as a medium through which both stu-  
dents and faculty may present their  
views and opinions on topics which  
touch college life. To do this the  
editorial and news columns are not  
sufficient. No matter how represen-  
tative the editors may be it is impos-  
sible for them to present accurately all  
phases of student life. In order to do  
this properly a column known as  
"Club Talk" has been instituted.

This has been used extensively in  
past years and has been the means of  
stirring up sentiment on specific mat-  
ters which has resulted in reform and  
progress. "Club Talk" column is open  
to all students, alumni and faculty.  
Any article touching on some ques-  
tion pertinent to the college will be  
accepted, but do not make it too long.  
Two hundred words is the maximum  
which we can publish in this depart-  
ment. Write a concise and direct  
article and either deliver in person or  
mail to Tan and Cardinal office, West  
Main Street, or hand it to a member  
of the editorial staff. Names of those  
submitting articles need not be pub-  
lished but must be known to the edi-  
tor-in-chief.

We solicit you to write Club Talks.  
There is room for improvement in  
many activities at Otterbein although  
we believe we have an unusually de-  
lightful college life.

Club Talks should put an end to the  
criticisms which one occasionally  
hears about the campus. If any one  
has a complaint or criticism to de-  
liver he should in all fairness be will-  
ing to voice his complaint. If a per-  
son disapproves of a certain rule, the  
thing for him to do is to present it  
where the rest may consider it. If a  
professor does not like some student  
custom or habit, let him take the only  
effective way of stopping it—a Tan  
and Cardinal Club Talk. This paper  
is your official mouthpiece.

### Decide for Yourself.

Choosing a literary society at Ot-  
terbein is one of the biggest decisions  
a student has to make in his or her  
entire four years of college life here.  
Some folks may say that it makes  
little difference which of the two one  
joins but this is a false contention.  
Any member who is loyal and attach-  
ed to either of these societies certain-  
ly believes that their's is the best.  
Yet, there are possibly some who  
look with envy upon members of the  
brother or sister organization. These  
persons were influenced to join  
against their own personal convictions  
and such procedure should be tabooed.

Undoubtedly a new student is  
drawn to one or the other of these  
societies and pressure on the part of  
members of the opposite society is  
not for the best interests of either  
the new student or the societies con-  
cerned. Our admonition to all new  
students is, do not join in the first  
few weeks but wait until you have  
had an opportunity to attend each  
several times. Then make your own  
decision based upon the merits of  
both and do not allow members to  
prejudice you one way or the other.

### An Opportunity to Help.

We regret exceedingly that several  
Tan and Cardinal staff members did  
not return this fall. They were valu-  
able members of the staff and their  
faithful services will be missed. How-  
ever, the work must go on and with  
the large number of new students  
there should be little difficulty in secur-  
ing worthy successors to the absent  
department heads and assistants.

It is the editor's prerogative to sug-  
gest persons for vacant places on the  
staff to the Publication Board for rati-  
fication. Due to the fact that so few  
of the new students are known to us  
we think it wise to postpone for sever-  
al weeks the choice of these staff  
members. We are asking for you to  
try out for these places if you have  
sufficient interest and loyalty to this  
college paper.

Of course it means work but the ex-  
perience is worth something and you  
will enjoy having a share in this pub-  
lication. The following positions are  
to be filled within the next month at  
least: athletic editor, assistant busi-  
ness manager, two assistant circula-  
tion managers and Cochran Hall edi-  
tor. If you are interested and have a  
desire to help, see the editors and get  
busy at once.

### A Reminder.

During the summer the halls and  
recitation rooms, chairs and other  
furniture were refinished so at the be-  
ginning of this year everything has a  
clean and fresh appearance. What a  
blessing it would be if smoke and  
dust would leave their marks else-  
where in the days to come but this is  
out of reason. However, it is not un-  
reasonable to ask students to keep  
their pencils and knives in their pock-  
ets. Arms of chairs are not memoral  
tablets for Otterbein folks to in-  
scribe their initials on. If you wish  
to leave a name for yourself here do  
it through commendable service to  
others, in scholarship or in active  
interest and hard work in the various  
associations and in athletics. It is  
a sign of weakness somewhere to  
mark and cut chairs, walls, etc. You  
know the old adage about "fools".

Also, new students and old as well,  
take note that it is an Otterbein ideal  
to keep the campus free from waste  
paper and other unsightly things. It  
is just carelessness and thoughtless-  
ness that permits such violations as  
these suggested above.

"What's in a name?" says Shake-

it incorrectly and use wrong initials.  
We found this out after last week's

were not correctly given. We hope  
to do better next time so kindly be

## GIRLS HAVE UNIQUE PARTY

Ladies of Cochran Hall Attire in Children's Costumes and Enjoy Juvenile Games.

We knew the Freshman girls were young, but we didn't realize that they were a bunch of mere children until last Friday night; when Edythe Eby, Marvel Sebert and Lillie Waters entertained, for Cleiorhetea, all new girls living at Cochran Hall.

At eight o'clock, the parlor was filled with a throng of happy little boys and girls in party array. Juvenile games so dear to childish hearts were played enthusiastically by all for a time, after which dainty little booklets were distributed, and subjects assigned for a drawing contest. Some very amusing results were achieved.

Miss Annette Brane then delighted her little hearers with an appropriate reading, and some of the guests who are especially gifted to be so young, entertained the party with mandolin and guitar playing.

Following Dean McFadden's lead, the children then went on a journey down stairs through the dining room, where dainty sandwiches, brick ice cream and animal cookies were served.

A fitting culmination to the party was achieved when the photographer arrived to take the children's pictures; and after another half hour or so of merriment, the little guests departed, each childish heart made glad with a stick of candy to take home.

Kindly old lady—"And how is your grandfather standing the heat these August days?"

Little boy—"Don't know, mum. He died last Friday."

## GIRLS HOLD FIRST MEETING

Young Women's Christian Association Begins Year With Interest—Eaglesmere Next Week.

With more than usual pep and enthusiasm, Y. W. C. A. held its first meeting of the year on Tuesday night. A great many girls were present and discovered that Y. W. C. A. is a very worth-while organization.

Edith Bingham, the president, heartily welcomed the new girls and explained just why every one should make Y. W. C. A. a regular habit. She then called upon the different members of her cabinet, each of whom explained in a few short sentences the importance of her particular work.

After this enthusiastic start, every girl will want to come to the Eaglesmere meeting next week.

## Circulation Department Booms.

A certain newspaper man says, "Circulation is not everything. It's only about ninety-nine percent." Acting on this principle, this year a new precedent is being set by the circulation manager of the Tan and Cardinal, Miss Mary Tinstman. At a chapel period on last Tuesday every student and faculty member subscribed. The senior class started with one hundred percent of its members signing up. Then the juniors followed and in quick succession the sophomores, freshmen, preparatory and music and art students. It was a wonderful occasion. This year the local circulation will be larger than ever before and now it is up to the alumni. Letters have been sent to approximately half of the alumni with a

subscription blank and an addressed envelope. Subscriptions are already coming in fast, so we feel encouraged that those of former years want this paper. Alumni, if you did not receive one of these letters with a blank, just send your name and address accompanied by one dollar and a half to Miss Mary Tinstman, Cir. Mgr., and she will see that your subscription does not expire.

## CLUB TALK

Otterbein's colors are tan and cardinal and we should be proud of them. The only letter that should be seen around here is the regulation "O" earned by faithful work on an athletic team and granted by action of the Athletic Board. Last year there was some trouble concerning the wearing of high school letters but this year the Freshmen are to be commended for their adherence to the traditions of Otterbein and keeping all high school letters out of sight.

But there is another mistake that should be corrected, and that mistake is being made by some who should know better. What we refer to is the wearing of an "O" on sweaters, not the regulation cardinal sweaters, but sweaters of colors in no way connected with Otterbein. This error should be corrected at once as a stranger might think we didn't know better and furthermore it shows absolute disrespect of college regulations for an "O" to be seen together with anything but tan and cardinal.

**MOVEMENT IS LAUNCHED**

**United Enlistment Movement Will Hold Its First Meetings Next Tuesday—Speakers Announced.**

On Tuesday September 30, at the Fifth Avenue United Brethren church, Columbus, the United Enlistment Movement holds the first of a series of meetings to be held throughout the Southeast Ohio Conference. This meeting which will have several sessions during the day marks the beginning of a campaign designed to revive interest in church life in general.

Six group meetings will be held during the week including Columbus, Circleville, Bremen, Logan, Jackson and Hillsboro. Among the speakers are Dr. E. E. Burtner, Rev. E. M. Hursh and Dr. W. G. Clippinger who will be aided by the local pastors in each of the six churches.

Sometime in November the Movement expects to launch a campaign for funds. The goal has been set at about one hundred and forty thousand dollars as a first effort. Future drives are anticipated for much larger sums with which to carry on the work. The United Enlistment Movement represents a work of large proportions and one which will mean much to the church. The introduction of this movement into the Southeast Ohio Conference should arouse vital interest in the doings of our church. Much money will be needed to further the movement. The fund campaign of the near future will accept pledges covering five years payable in yearly installments. Otterbein will be well represented in the present series of meetings.

**RETURNED SOLDIER SPEAKS**

**L. A. Hert Gives His Opinions of the Effects of Christianity Upon Soldiers.**

Sunday evening services at the United Brethren Church were in charge of Lyman A. Hert. The theme of Mr. Hert's address was "Christ and the Soldier Boy". Mr. Hert said that taking the army as an organization there was no place for Christ but taking the soldiers individually there were many instances of the power of Christ.

Mr. Hert spoke especially of two Otterbein men with whom he was in personal contact, Vance Cribbs and Norris Grabill and told of the straight forward, Christian lives which they lived in the face of every temptation.

**Liberal Country.**

"This is a foine country, Bridget!" exclaimed Norah, who had but recently arrived in the United States. "Sure, it's generous everybody is. I asked at the postoffice about sindin' money to me mither, and the young man tells me I kin get a \$10 money order for tin cints. Think of that, now!"

A stranger upon the campus lately walked up to "Dave" Bartlebaugh and asked "How long have you been in this country?"

OTTERBEIN Y. M. C. A. FIRST COLLEGE ASSOCIATION BUILDING IN OHIO.

**Y. M. C. A. RECORD IS PRAISED**

Doctor Sanders Relates History of Local Association—Otterbein Had First Building.

In 1877 Otterbein founded a student Y. M. C. A., the first one in the state. The women followed in 1882 by establishing a Y. M. C. A., which had the honor of being the first of its kind in Ohio and the third in United States.

April of 1892, the first Conference of student Y. M. C. A. presidents was held at Otterbein. Many men were then present who have since become widely known in Y. M. C. A. work; John R. Mott, E. L. Shuey, S. D. Gordon and others. At this Conference local students were so inspired that they decided to build a building of their own. So in spite of the crushing debt under which the institution was working, a campaign for funds was inaugurated immediately. In chapel one morning \$4,000 was pledged and from other sources sufficient funds were gathered so that construction began and in 1893 the building was dedicated. This building was distinguished in being the first college Association Building in Ohio and one of the first few in the country.

The Association Building at Otterbein cares for the Physical, Social and Spiritual needs of every college man and should dominate all college activities.

Student (proud of his Latin)—"Pop, what is the word for people in Latin?"

Father—"I don't know."

Son—"Populi."

Father—"What! you young scoundrel, I lie, do I?"

**COCHRAN HALL**

Thirty Cochran Hall girls attended the Wesleyan game Saturday, and hikes and pushes have taken precedence over study in the past few days, but who could be studious right after summer vacation? A breakfast push was given Saturday morning in honor of Betty Ellmon, Cleo Coppock, Mary Siddall and Nettie Lee Roth to remind them of school days. The same morning took Mary and Martha Stofer, Gladys Howard, Benny Heeter and Mary Myers to Alum Creek for breakfast. Another jolly party of seven couples found their way to the tile mill Saturday night where they experienced a jolly good time.

The first fourth floor "get-together" occurred last Tuesday evening, when Edith Cave and Jessie Wilson entertained the new girls; and Thursday night Mildred Dietsch and Esther Harley gave a "toast-jelly" push. Eight of the Hall girls enjoyed Friday evening with Eleanor Whitney.

Several alumni sought out old Cochran Hall last week, including Nettie Lee Roth, Cleo Coppock, Mary Siddall, Annette Brane, Helen Sanders, Betty Ellman, Gladys Lake, Miriam George, Edith Hahn and Marie Billman-Huff.

Gladys Van Gundy, Alice Hunter and Mildred Pickering spent the week-end in Lancaster, and Mildred Shull visited with Helen Campbell at her home in Galena Sunday. Vivian Patterson and Aline Mayne moved to the Hall last week.

Yes, every girl this year is of the lively sort, and there is sure to be something doing all the time.

**LOCALS**

A. C. Siddall of Dayton, O., spent Wednesday and Thursday of last week with Otterbein friends. "Sid" is attending Western Reserve this year.

E. Hahne—"Oh fish egg! I'm outa' luck."

A. Elliott—"What's the matter?"

E. H.—"Thunder! I got a check from home instead of a letter from my girl."

A. E.—"Do you have a girl?"

E. H.—"Why sure."

A. E.—"Gee! She must be blind."

Mr. and Mrs. J. C. Siddall of Mt. Gilead visited in Westerville for several days the past week.

"Al" Elliott spent the week-end at his home in Galloway.

If switches were all electrical, think how magnetic some women would be.

Elliott—"The night breeze is chilling to the bone."

Cribbs—"Why don't you wear a warmer hat?"

Among the interested spectators at the Wesleyan-Otterbein game were: Harold Gieger, C. D. LaRue, John H. Francis and Luther K. Funkhouser.

Professor Altman—"Who is your favorite author?"

Dennis Brane—"My father."

Professor Altman—"Why, what did he write?"

D. Brane—"Checks."

She—"Yes, I will be yours on one condition."

He—"That's all right, I entered school with six."—Yale Record.

**HERT RELATES TRADITIONS**

Large Assembly of Men Hear Lyman Hert on "Otterbein Traditions"—Professor Glover Speaks.

On Thursday night the Young Men's Christian Association meeting was addressed by Lyman Hert. His subject was "Otterbein Traditions" and the glory of the history and the pride that is justly fostered because of worthy traditions was highly praised. Clean speech, pure living, manliness, industry, high ideals, christian characteristics and other commendable attributes applicable to Otterbein students of the past and present were taken up and discussed by Mr. Hert.

A general discussion followed when K. J. Scott called upon Prof. B. C. Glover newly elected professor of mathematics. Professor Glover voiced his approval of the splendid spirit shown by individuals and organizations of Otterbein as he has interpreted conditions so far. There were one hundred men present.

**Band to be Organized.**

Professor A. R. Spessard is organizing an orchestra. All musicians are requested to meet at the Conservatory at 6 o'clock Monday Sept. 29.

A band will be formed this year in conjunction with the town band. It is thought that there is not enough band talent to supply a Westerville town band and a college organization at the same time so the two will consolidate. A better band should be the result.
