CHURCH DEDICATED

Most Modern and Up-to-Date
U. B. Church Completed.

The new United Brethren church at Dayton, O., which has been under process of erection for the past year was dedicated yesterday. This beautiful edifice situated at the corner of Third and Euclid Avenues, will be known as the Euclid Avenue United Brethren church, and replaces the old Summit street structure. It has been constructed at a cost of \$73,000, and is by far the most handsome church building in the denomination.

Otterbein is peculiarly interested in this church, because it sustains such vital relations to our college and seminary. Plans were negotiated for this building while President Clippinger was a professor at Bonebrake Seminary, and during his superintendency of the Summit street Sunday school, and he took an active part in the movement for securing a modern church building. In addition to this association, President Clippinger is bound to the church by closer ties, as his brother, the Rev. A. R. Clippinger, is pastor of this congregation. Bishop W. M. Weekley, will preach the dedicatory sermon Sunday morning, and President Clippinger will deliver the evening address.

Commencement Dates.

President Clippinger delivered the commencement address last Thursday evening for the Sunbury High school. Sunday morning he will speak at West Middletown, O., in the interests of the college. During the coming week he will give commencement addresses for the Mt. Sterling and Centerville High schools.

Bale a Candidate.

Otterbein's debate coach, Fred G. Bale, is a candidate for the Democratic nomination for representative. At present, Mr. Bale is prosecutor of the juvenile court at Columbus.

Can They Do It?

PREPS HOLD "PUSH"

Rain Drives Academy Students
to Seek Shelter in a Barn.

Unmolested by the upper classmen and with the weather man as their only enemy, the "preps" held one of the most enjoyable pushes of the year last Tuesday afternoon and evening at the Lambert farm, a short distance south of town. About forty-eight members of this department were present. On account of the rain the plans were changed and the lunch was eaten in a newly built barn. According to reports, the lunch was something great, the chief delicacy of which was the ground-hog sandwiches. The class enjoyed also some real "home-made" cake served with boughten ice cream. After the feed the class went to the tall timber where the warmth of the bonfire as well as the warmth of class fellowship was experienced. The good time ended at 9:30.

PREACHES TO PRISONERS

O. U. Boys Hold Interesting
Meeting at Penitentiary.

A gospel team under the leadership of C. V. Roop journeyed to Columbus Sunday and had charge of the morning service at the Ohio State penitentiary, before an audience of nearly two thousand people.

The team was composed of Otterbein men who each had a part in the service. A quartet composed of D. A. Bandeen, L. E. Smith, C. M. Curts and W. E. Mallin rendered three special songs.

Messrs. O. W. Briner and F. E. Williams rendered a cornet duet. J. W. De Vaux presided at the piano.

Mr. Roop took for his theme, "Jesus Only."

A very impressive service followed, both for the auditors and for the team, as it was a new experience to all.

PITCH CAMP ON CREEK

Seniors will Tent Out in Woods
to Become Familiar With Wilds.

In order to properly assume their roles in the commencement play "Ingomar, the Barbarian," the members of the caste representing the warring barbarian tribe, will spend a couple of weeks previous to the presentation of the play in a camp along the banks of Alum creek, where they can "rough it" to their hearts' delight.

The town officials will dispatch a squad of special police to control the barbarians in their ravages and they will be led into town in chain gang style before each rehearsal. The tribe will be carefully guarded so that no property will be destroyed and the residents of this peaceful village will not be disturbed during their slumbering hours by the savage war whoops.

The members of the caste are working faithfully in their rehearsals, and hope to make the popular drama one to be long remembered by Otterbein people. The production is well adapted for out-of-door setting and the management is endeavoring to make it as characteristic of the Grecian type of life as possible. The selection of the leading parts has proved very satisfactory, and a definite selection of the caste will be published at an early date. Very comfortable seating accommodations are being planned which will eliminate the unpleasant features of most out-of-door plays. Every effort will be made to take the best care of the audience.

Richer Heads Sibyl Staff.

At the Sophomore class meeting today, H. E. Richer was elected editor-in-chief, and D. A. Bandeen, business manager for the 1913 Sibyl. These two officers together with F. E. Williams, Misses Brane and Karg compose the nominating committee, which will recommend the assistant editors.

Summary—Two base hits—Bale, R. Calihan, Fritz, Bliss, Jones, Hogshead. Three base hits—Campbell. Sacrifice hits—Campbell, Garver, Smythe. Stolen base, State 3; O. U. 1. Base on balls, off R. Calihan, 3; off Snaveley 2. Hits off Calihan, 9; off Snaveley 1; off Richmond 9. Umpire, Bailey. Time 2 hours. Attendance, 300.

The O. U. ball team was defeated by O. S. U. on the home grounds by a score of 9-5 Saturday. Both teams played loose ball and each had a bad inning necessitating the use of two pitchers. Each team scored in the first. In the second, after two had been retired, McFarland lifted his foot off first on a neat assist from L. Calihan. Three two-base hits followed, scoring four runs. Garver took Bevis' place at catcher and errored, costing the locals one run. State was held tightly till the sixth, when a base on balls and a hit gave them another run. After the visitors hit one in the eighth R. Calihan was hoisted and Snaveley was sent to the mound. One score resulted on Garver's error. Two men breezed and the other popped a high one ending the inning. O. U.'s feast came in the latter part of the eighth when our boys scored four on as many hits. The enthusiasm that had died long before was aroused and Richmond was derricked and Snyder inserted. His work was effective and ended O. U.'s scoring. State traveled across the plate for the last time in the ninth when Jones scored on a long fly.

The batting and fielding of Bale drew much applause from

the crowd and also on Daub's neat steal of second. The visitors pilfered eight bases which proved to be costly. Garver's throws were true, but the ball could not be held. Snaveley was given his first chance since the Denison game and showed exceedingly well for lack of practice and it is hoped that his arm will hold out for the games following. Res has been over-worked and Snaveley proved a good substitute. Res, however, was still held in the game playing snappy at first. Snyder pitched tight ball when sent in for Richmond, allowing no hits or runs.

First Inning.

State—Fritz was hit by pitched ball but was caught on an attempt to steal by Len Calihan. Bliss hit for three bases on Gammill's and Len Calihan's bad throws and scored on passed ball. Jones fanned. Mechling safe on Campbell's error. Smythe hit to L. Calihan forcing Mechling. 1 hit, 1 run.

O. U.—Bale started with a two-base hit. Daub safe on fielder's choice, Bale being caught at third, Daub stole second by a neat slide. L. Calihan popped to center. R. Calihan hit to right for two bases, scoring Daub. Gammill flied out to Smythe. 2 hits, 1 run.

Second Inning.

State—Reilly walked and stole second. Hogshead struck out. Grant popped to L. Calihan. Richmond safe on McFarland's error which gave State four runs on three hits. Richmond stole second. Fritz hit to right for two bases scoring Reilly and Richmond. Bliss hit to left for two bases, scoring Fritz. Jones went for two bases but was caught between second and third by R. Calihan. 3 hits, 4 runs.

O. U.—Campbell was hit by pitcher and took second on error by Hogshead. Bevis sacrificed. Campbell to third. McFarland was safe on fielder's choice. Campbell put out at plate. Snaveley popped to Grant. No hits, no runs.

Third Inning.

Garver took Bevis' place.

State—Mechling on Garver's strike out error and scored. Smythe and Reilly flied to Bale who accepted both chances in neat style. Hogshead walked.

Otterbein vs. Michigan.

The Michigan tennis team won 3-0 from Otterbein, Friday afternoon. The boys from Ann Arbor were a big attraction for Otterbein, and O. U. was simply outclassed and were handed just such a defeat as was given to Oberlin on Thursday. Although the heavy rains kept the courts in a muddy condition for the past week, the strong cold wind dried the courts so that the teams played fast games. The singles were played first by Sando and Nelson for O. U. and Holmboe and Thorward for Michigan. Barkemeyer and John played in the doubles against Holmboe and Thorward.

Professors Grabill and Resler lost in a practice meet with the Michigan boys, 6-3 and 7-5.

Otterbein vs. Denison.

Another defeat to the tennis team was scored Saturday morn-

ing when Denison won from Otterbein 3-0. The courts were fast and some good playing was exhibited. Bill of Denison, was the wonder but had difficulty in winning from Sando. Nelson lost to Scott, but did not show up as well as he did against Michigan. The doubles were fast and interesting, O. U. scoring against Denison in one set.

NEW RECORD MADE

Arthur Lambert Breaks Record of R. L. Kunkle in Shot Put.

The O. U. track team journeyed to Ohio University Saturday and were defeated by a score of 81-36. Otterbein, however made a good showing, but through hard luck lost two events by disqualification. Captain Rogers took the low hurdles and the pole vault, but through disqualification lost the high hurdles. Bierly won two firsts and Van Saun and Lambert each took one first, Van Saun and Plott taking seconds.

Record Broken.

Arthur Lambert broke the record for shot put by two feet, establishing a new record of 37 ft. 7 inch, which is expected to stand for a long time. Art deserves much credit, as he has

thrown the weight but about six times this year and this was the first meet in which he has ever participated. It is thought that he will be able to break his own record before the year is closed. Bierly came with one inch of tying the record for high jump, clearing the bar at 5 ft. 5 inches.

Events.

Running high jump—Bierly 1st, Ohio 2nd. Height, 5 ft. 5 in. Shot put—Lambert, 1st, Ohio 2nd. Distance, 37 ft. 7 in.

Pole Vault—Rogers, 1st, Ohio 2nd. Height 9 ft.

Is This Fun?

The following editorial, which appeared in one of our morning papers recently, deserves space in a college paper. Because of its truth and timeliness, we publish it verbatim:

"At Marietta College nineteen students invaded the chapel at night, tied a cow and a calf to the altar, soaked the floor with beer and left the beer kegs and signs galore scattered about the chapel. The faculty promptly suspended those students, which was the right thing to do. It is now up to the trustees to order an expulsion.

"This act shows a perfect indifference to sacred things and a disregard of law, two of the most prominent traits of a bad citizenship. An educational institution cannot excuse such conduct and maintain its self-respect. Such work cannot be excused on the ground of frivolity or freakishness. The fault goes deeper than that—it is a blow at the character of the institution. There are freaks that can be passed by with an admonition, but this is not one of them. A respect for sacred associations attests a nobility of character, which is the first thing an educational association should insist upon."—Ohio State Journal.

Fraternity at O. U.

Otterbein has been invited to become a member of the Tau Kappa Alpha debating fraternity.

This fraternity, although a secret organization, is honorary, not social in character. Schools showing excellent ability in the art of debate can gain admittance to this fraternity, and only upon invitation. Otterbein was tendered the invitation by the Miami university, the parent chapter of the state. What objection, if any, could there be to becoming a chapter in such an association?

Pleasure vs. Education.

President Thompson, according to the Ohio State Lantern, recently gave as his opinion that, "colleges are rapidly being turned into social clearing houses and becoming organized institutions for the prevention of learning."

As yet, we cannot say that Otterbein is such an institution, but judging from the items appearing in the Review, and from daily conversation of the students, she is approaching that state described by the president of Ohio's largest university.

College officials should take a firm grasp upon the helm that guides the institution and stay the tide which will surely spell decay for Otterbein if allowed to go on unchecked. More solid stuff! Less entertainment!

We were always of the opinion that the girls were too lady-like to interrupt the men's literary sessions.

A May Fete.

During the past few weeks the dance and theatre has been offered as means of meeting Otterbein's social deficiencies. The student body is divided as to the propriety of such attractions. Would not an annual May festival such as is held at the state university, meet with the approval of students as well as faculty? Students of all minds and tastes, could relish this clean and wholesome pleasure, and it would meet the institution's need of more social functions.

There is a small matter which some of the subscribers have seemingly forgotten. To us it is necessary in our business. We are modest and do not wish to speak of it.—Ex.

HUMAN WRECKAGE

Mr. Owen Says That Social Wrongs are the Root of Social Problems.

The speaker at the meeting of the Young Men's Christian Association began his address by making the comparison between the city's dump and some of the penal institutions, where a certain amount of human wreckage is placed. The experiences are distressing, often brutal in character, which many in our cities are called upon to witness because of being poor. On the west side of Columbus is the city's dumping grounds where all refuse and debris is placed. On the opposite side is the county morgue, where the unknown and friendless dead are deposited until transferred to the potter's field or given to some hospital to be cut up in the name of science. At the other end of the city are the prison buildings, in which are deposited the city's human debris and wreckage, composed of thieves, vagrants, neglectors of families, etc.

The city allows eleven cents per day for the maintenance of the prisoners, and they are then turned over to private corporations to be exploited for gain. The contractor pays the city thirty cents per day for their labor and then does with the prisoners as he pleases. The city that allows this is more guilty of crime than the prisoner behind the bars. But this is called BUSINESS. Emerson says, "The ways of business have become barbarous to the point of theft." Mr. Owen said, "To many, the prisoners in a penal institution represent so many individuals, but to me they represent a system of a deep-rooted, aggravated, social condition which it behooves society to diagnose carefully and treat scientifically, or it will be overcome by the burden of providing for them." There are many charitable and philanthropic organizations serving as auxiliaries to state institutions in caring for the city's unfortunates, but all these are not taking care of the situation. They merely postpone the day of judgment which a just God will certainly demand. A well known humanitarian says, "At the root of every social problem there is a social wrong." If

we would be successful in casting off any evil, we must consider the fundamental principles which are responsible for this evil.

Miss Ethel Garn, the leader of Tuesday evening, had a very interesting meeting. She read for the Scripture lesson, Ruth 1: 44-49 and Psalm 84: 8-12.

Many very interesting thoughts were drawn from this verse. Life is composed of choices. Each day some choice must be made. When a wrong choice is made it can never be un-made and a good opportunity may have been lost.

The great choice in life is the selecting of the path of Christian duty. No sinful pleasures can be included in this.

Concert Appreciated.

The concert given by the Faculty Quartet, Wednesday night, was of the most pleasing order. The more popular, yet worthy numbers gained continual encore. The real musical make-up of the audience was evidenced by their appreciation. Otterbein should be proud of such conservatory talent.

Mr. Grabill's own composition, "Indian Summer," with another of his own creation, "A Cradle Song," for an encore, are worthy of special note.

Orators Chosen.

The seniors and juniors were equally divided in the number of entries for the Russell prize contest last Wednesday afternoon, six students entering from each class. The preliminaries were held separately, three being chosen from each division. R. L. Harkins, Miss Ila Bale and Kiyoshi Yabe were retained for the seniors, and C. R. Layton, T. H. Nelson, and J. D. Good for the juniors. The final contest will occur May 29.

COCHRAN HALL ITEMS.

The Cochran Hall Association met Friday evening and elected the executive board for the next school year. The members of the new board will be as follows: Esta Moser, president; Wilda Dick, vice president; Grace Brane, secretary; Lucy Huntwork, treasurer. The Misses Bertha Richards, Bonita Jamison, Ruth Ingle, Lydia Garver, Ethel Oles, Martha Cassler, and Grace Straw, were elected as class representatives. Professor Guitner is faculty adviser. A very pleasant evening was spent. Mrs. Carey, Miss Guitner, Ethel Gilbert, and Esta Moser gave speeches, and Ruth Ingle gave a piano solo. Light refreshments concluded the events of this meeting.

Tables were changed Wednesday night. The "Soph" girls met once more, however. They came down in style too, with their evening gowns, fanciest hats and long gloves, fans and plumes. They had three courses at that table, spaghetti, prunes, and ice-cream. After supper they made a

few calls and dispersed with a "1914" cheer.

The fourth floor youngsters must stop fussing and stacking rooms. No, we were not going any farther than the postoffice Wednesday evening.

Ruth Weimer's "big" night comes on Saturday night now. It is about as long as it is wide too.

Miss Troxell is the guest of Nettie Lee Roth.

Misses Lohr and Cisson are two new students who have taken rooms at the hall.

OTTERBEINESQUES.

G. Hartman. (in society)—"Then to make sure that the king of Denmark had died they took him to the hospital."

Miss Guitner—In proposing, what would you say?" Mr. Arnold?"

Jack—"I wouldn't say."
"Bridie" is sure that he will like to study medicine, but he says that he just can't think of "dunning" the patients. (Don't worry about that, "Bridie," it is not difficult to settle with the heirs.

Miss Eckert (giving oration as the bell begins to ring)—"I believe the hour has come."

Senior girl to little Sophie—"Do you think I'll ever amount to anything?"

Dr. Jones to Jimmy—"And how is Mrs. Cox?"

Elliott (meeting Miss Cook on her return from Athens)—"Congratulations, Mildred."

Mildred—"I'm tired of hearing that, Howard." [Ask Jack Snavely to suggest something more pleasing, Elliott.]

Andrews is Candidate.

L. E. Andrews, an attorney, a graduate and former teacher of O. S. U., is a candidate on the republican ticket for representative. He was reared on a farm in Fairfield county, and served the people of Columbus three terms as Justice of the Peace.

He invites a careful examination of his record as an official and citizen.
