Students To Enjoy a Rare Privilege of Hearing this Great Speaker In "Y" Campaign of Nov. 6, 7 and 8.

IS HUMAN DYNAMO

Deals With All Student Problems—Puts "Pep" Into His Meetings and Delivers the Goods Firsthand.

Who is "Dad" Elliott? This question interests Otterbein.

Mr. A. J. Elliott, commonly known as, "Dad" is recognized throughout the country as one of the greatest religious leaders in American college work. He is a farmer boy from Illinois, a graduate from Grand Prairie Seminary in 1897 and from the Northwestern College of Liberal Arts in 1902. As a college man "Dad" was "there". His athletic record was marvelous, including four years of Varsity football and track work. The dashes and broad jump were his specialties in the latter. In 1901 Elliott was named an All-Western end and captained the track team the following spring. He also ranked high

ALUMNAE HOLD SESSION

Philalethea Alumnae Occupy Chair Offices and Perform Other Duties—Social Time Follows Program.

Philaletheans, both ancient and modern, as one alumna phrased it, enjoyed a rare treat, in the alumnae session which was held in Philomathean Hall, Thursday evening, October twenty-third at seven o'clock. Mrs. Gertrude Slater Sanders '77 presided, while Mrs. Mary Hewitt Beal '06 occupied the secretary's chair and Miss Alma Guitner '97 fulfilled the duties of the critic's office. After adjournment, the alumnae, present day Philaletheans and visitors enjoyed a delightful luncheon of chicken salad, bread and butter sandwiches and coffee.

Otterbein Is Represented

At State Y. M. C. A. Conference

Wittenberg College, Springfield, Ohio, entertained the delegates to the State Student Convention held there October 25, 26 and 27. Otterbein had a representation of six men; Messrs. Harmon, Elliott, Jaynes, Johnson, Bay and Halderman. Association plans for the coming year were discussed and a state-wide program was adopted. Among the speakers were "Dad" Elliott, H. L. Elliott, Harry F. Ward of New York, Charles D. Hurrey and Dean Edward I. Bosworth of Oberlin College.

SENIORS HAVE PUSH

Class of '20, Holds Dinner Party at Worthington Hotel—Professor and Mrs. Weinland Are Guests.

Without question the swellest social event of the past week was the senior dinner party held at Worthington Hotel on Monday night, October 20. At six o'clock twenty-six sedate seniors with Professor and Mrs. Weinland as guests of honor started from the dormitory in Mr. Longhenry's truck. A sumptuous feast was waiting for them at the hotel with everything from soup to nuts. It was a delicious chicken dinner.

The evening was spent in games and stunts in the hotel parlors. Each person was ready with something original. There was music, recitation, jiggling, acting and other talent displayed. Professor and Mrs. Weinland showed how students act before and after marriage day and this brought forth peals of laughter.

Close to mid-night, although greatly against their wishes, the merry-makers returned to Westerville singing songs and yelling as they arrived. It was a delightful affair throughout and V. E. Cribbs as chairman of the social committee was given a vote of thanks for planning the occasion.

TIFFIN WARRIORS BEAT OTTERBEIN

Both Teams are Weakened by Absence of Star Players from Lineups—Peden is Out.

OTTERBEIN STARTS STRONG

Tide Changes and Long End Runs and Passes Score for Heidelberg—Final Score—19-0.

Otterbein's fourth football game ended in defeat last Saturday when the Tiffin aggregation succeeded in scoring three touchdowns and one goal while the Tan and Cardinal eleven scarcely threatened a score. Both teams were handicapped by the loss of star players. Jean of Heidelberg was off the team because of action by faculty and Shick due to a fractured collar bone. Peden and Hert were off the Otterbein lineup because of sprained ankles received in scrimmage about Wednesday and their absence weakened Otterbein perceptibly. Especially the ground gaining ability of Peden and his defensive work was missing and the big guard, Hert, was needed on the line.

In the first quarter neither team scored. Otterbein made several gains through the line and out-played the Tiffin warriors until they were forced to punt. During the last part of the first period the tide changed and Heidelberg made long end runs and forward passes which won the game for them. Otterbein was on the defensive most of the game.

Two touchdowns were scored in the second quarter, one on a long pass by Sayger to Lynn and the other a pass by Myers of Otterbein intercepted by Michaels of Heidelberg.

Masquerade Saturday Night.

All students are invited to a masquerade party to be held in the gym on Saturday night, Nov. 1, under the auspices of the Christian Association.

Quartet Gives Concert.

What is said to be the finest singing male quartet in America is scheduled for a concert here Friday evening, Oct. 31, in the college chapel. The Orpheus Four, as the quartet is called, is from Los Angeles and is the official quartet of the Orpheus Club of that city, the organization that won the International Grand Prize of \$3,000.00 for the best male chorus at the Panama-Pacific Exposition.

as a debater and orator during his college career. He was president of the Student Y. M. C. A. in both his Junior and Senior years. He was a member of the Delta Tau Delta fraternity and of Dero, an honorary fraternity for all-around college men.

After graduation Mr. Elliott became Religious Work Secretary of the Brooklyn (N. Y.) Y. M. C. A., where he developed a very large and effective religious work among men for several years. He taught classes in personal evangelism at the Ashville and L. Geneva Student Conferences, where he promoted personal work and evangelistic campaigns among the colleges.

"Dad" is the most popular Christian worker in the colleges of the west. His popularity is due to his straightforward message, his genuine earnestness, and his personal interest in student life. As a speaker to college men, Mr. Elliott stands out pre-eminent. His vigor of body and spirit penetrates the hearts and minds of college men in a most extraordinary manner. He is interested in the human race as a whole and in college students in particular. He has "a snap and dash and go" which stamps him as a man of purpose. Elliott never wastes a minute, covers more ground, interviews more men, makes more speeches, eats up more mileage books, writes more letters, and engineers more college undertakings than the most of us ordinary mortals can comprehend.

In short "Dad" possesses a bulldog tenacity which takes only "yes" for an answer and goes after his solutions of the students' moral and spiritual problems with same "kick" that characterized his gridiron sensations. It is indeed a rare good fortune to obtain a man of such caliber.

Following is the program of Mr. Elliott's addresses during the three-day campaign:

Thursday morning—Convocation of entire student body. "Social Forces in University Life that Must be Made Constructive"; evening, meeting for men and women. "Things that Undermine a Student's Efficiency."

Friday morning—Convocation of entire student body. "The Acid Test of Religion." Afternoon, meeting for women only. "The Woman's Problems from a Man's Point of View." Evening, meeting for men only. "The Student's Greatest Enemy and how to Overcome it."

Saturday morning—Convocation of entire student body. "Does Religion Make a Better Student?" Evening, meeting for men and women. "The Cost of Development or the Price of Success."

berg who ran 25 yards for a touch-down. Sayger kicked the second goal. The third quarter was scoreless. Sayger scored again in the last quarter on a run around left end and then kicked goal—Final score 19-0.

Without question Heidelberg was the weakest team Otterbein has played against so far this year and

the defeat was due to poor playing on the part of Otterbein. Coach Watts has been putting the team through stiff practice the last week with a good second team out each night for scrimmage. He has given them effective plays and formations. The old fighting spirit was lacking. Talk it up from now on till November. This was Heidelberg's fourth straight victory of the season.

Mrs. Cook's Sunday School Class Has Masquerade.

Grotesqueness and incongruity reigned Friday evening in the church parlors, when all sorts of masked beings appeared, having been summoned to the party for the girls of Mrs. Cook's Sunday school class. They ranged from timid little Red Riding Hoods to jolly Jack Tars—from stately ghosts to stout Aunt Jemimas down to a solitary representative of Racine tires.

After the fun of guessing who was who, and then finding out the truth by unmasking, everybody joined in a few hilarious games. The most absorbing one proved to be the Indoor Athletic Meet, in which marvelous skill was displayed by the fair contestants.

The fortune teller hidden away in a darksome bower, told unbelievably good fortunes to all those who wished to know the future.

After a short business session, including the election of officers, in which Bertha Hancock was chosen to succeed Marvel Sebert as President of the class, refreshments of an acceptable nature for a chilly October night, were served.

Support the Bond Issue.

The question of an issuance of bonds for \$40,000 for better water and fire protection will have to be settled on regular election day, November 4.

All students should be informed on this matter and vote intelligently. Tan and Cardinal supports this bond issue and favors this expenditure

EDITORIAL

"In life, as in a football game, the
principle to follow is, hit the line hard,
don't foul and don't shirk, but hit the
line hard."—Colonel Roosevelt.

Sincerity.

Sincerity is a virtue for which the
people of this world seem to care little
for. What a different world this
would be if everyone would be sin-
cere! Not only sincere to a certain
extent, but sincere in everything so
that we could say, "That man is sin-
cere in everything he does". But sad
as it may be, even in our so-called
"Age of Progress and Civilization,"
where do we find the man who is
really sincere in everything he does?
Instead we find that this world is full
of hypocrites. A person may seem
to be sincere in his work, he may ac-
complish something, he may act
friendly, but still at the same time he
may not really be sincere. His ac-
tions are covered with a robe of
hypocrisy. Back of his friendly
looks and face, there is a feeling of
envy and jealousy.

People do not trust each other.
They are not sincere in what they
do. They are always trying to get
the better of each other. You can
never trust another person until you
are thoroughly acquainted with him.
He may seem to be good, kind and
gentle but yet not sincere. Why all
this unrest and discontent among peo-
ple today? They lack sincerity. We
as individuals forget that we are re-
sponsible for making this world what
it is. To be sincere we must start
with ourselves. Know yourself, for
by knowing yourself you will know
others. A heart that is sincere with
itself is a heart that is ready to be
sincere to others. One which lacks
sincerity proves to us that there is

something missing in that life, name-
ly; the love of Him in whom there is
no guide.

POLITICAL COMMENT

The Labor question will not be
settled until two things happen: Until
the labor leaders learn that they can't
run this country forever, and until
labor itself learns that happiness and
the dollar mark are not synonymous.

Treaty Reservations.

It is obvious that we have approach-
ed the show-down in the treaty fight.
The fact that the Foreign Relations
Committee, by vote of 11 to 6, adopt-
ed a reservation platform, is sufficient
proof that the Administration forces
are waning in strength. The vote of
the committee Senators is worthy of
our scrutiny. In the case of nearly
all the amendments which had been
proposed by the committee, they were
adopted by a vote of 9 to 8; the
Democrats voted against the amend-
ments solidly, and Senator McCum-
ber, Republican, voted with them. But
now the tables are turned. This time
Mr. McCumber joins with his col-
leagues, and since he is the leader of
the most conservative Republican
group, we can now look for a solid
Republican vote on the reservations
when they come to the Senate floor
for approval. More than this, Sen-
ator Shields, Democrat, voted with
the majority in the committee. He
says he will not vote for the treaty
unless the reservations are adopted.
Other Democratic radicals such as
Senators Gore and Reed, will likely
vote the same way.

All of this proves that there is more
than a majority in favor of the reser-
vations. Administration leaders in-
tend to fight any modifications, but
they can hardly hope to win.

CLUB TALK

Why not spend an hour each after-
noon on the football field from 4 to 5
o'clock? What d'ye say? It will be
good for you and the boys will appre-
ciate it. Remember they spend from
two to three hours out there every
day, they aren't heroes, just regular
fellows. You might say it is for per-
sonal glory—but oh my! it comes
light at times. Proffers not excused.
Five cuts you loose all your credit
in 100% Otterbeinism or Otterbein-
ities.

The word "Pep" cannot be found
in the dictionary, Dr. Jones says so,
but it is as essential for a winning
team as iodine is in the army. If you
don't get the significance ask some
ex-soldier or marine.

West Virginia Wesleyan defeated
Lebanon Valley Saturday at the lat-
ter's gridiron with the same score Ot-
terbein lost to them last week; 68-0.
The Methodists will begin to think
that the United Brethren are poor
football players.

You ought to know that Professors
Schear, West, Rosselot and President
Clippinger are running a regular taxi

service in carrying the football team
to nearby railroad stations. This is
the old "pep".

Sideline Slants—By "Slim".

If you don't think "Perk" Collier has some Varsity stuff in him—Well you haven't been watching him that's all.

"Kid" Cutler can plow that line about as hard as any one out there. We're for you "hard boy" even though you did pass the ball to "Scuffy" because he yelled at you when you were going through. Lots of fellows would have "bust out cryin'."

If a rest will do 'em all as much good as it did Myers, we say let 'em all rest for a week. When Herb hits that line now there is a swish like a D. I. Can coming through the air but we guess it is just the wind going through Myers' whiskers.

Lym Hert says: "Football is all right for boys but after a fellow plays five or six years it gets just a bit monotonous."

If we don't get Wittenberg it won't be my fault! Who said that? Everybody yooooooooo!

Budget for Year is Raised at Y. W. C. A. Meeting Tuesday.

"Our Budget" was the subject under discussion in Y. W. C. A. Tuesday night. Gladys Howard, chairman of the finance committee presented the budget for the year and the plan of systematic giving. When the pledge cards were passed out, there was a good response.

After the short meeting upstairs the girls all went down to the "gym" for "The Frolic". Nice juicy apples were passed out and games were enjoyed.

Ehrhart Leads "Y" on Subject, "The Morning Watch"

"The Morning Watch" was the subject of the leader, Mr. Ehrhart, at Y. M. C. A. Thursday night.

Mr. Ehrhart brought out these thoughts:

safety, it will soon become a burden to us. Secret prayer proves whether we delight in fellowship with Christ or not. Unless we beware, the Word that is meant to direct us to God may intervene and keep us from him. It

Otterbein Joins the Ohio Inter-collegiate Oratorical Association.

We are truly becoming a "jiner!" This time it is the Ohio Inter-collegiate Oratorical Association which Otterbein "jines." This association consists of Hiram, Muskingum, Wooster, Ohio University, Baldwin-Wallace, and Heidelberg. Its object is to develop oratorical talent by holding annual contests in oratory and by engaging in contests with like associations of other states. In the annual contests each collegiate association shall be represented by the successful contestant at its regular annual contest, provided he be an undergraduate student in a college of the state association at the time of the state contest. The contest this year will be held at Hiram College, Friday Feb., 13th. To get ready for this it will be necessary to have a local contest during the second week in December. For this local contest Dr. Russell, offers prizes of \$5.00, \$10.00 and \$15.00 which have here-to-fore been given in prohibition contests. Now the orations can be on any subject. Juniors and seniors under 27 years of age are eligible. The winner from the local contest will be sent to the Intercollegiate contest at Hiram. It is time to begin now for any one wishing to enter the contest.

"Y" TO HAVE OCCUPANT**Committee Is Investigating Proposition of Having Student Secretary Stationed in "Y" Building.**

Plans are under way at the present time to secure a student secretary or rather a house man for the Young Men's Christian Association who will live in the two small rooms upstairs and who will have charge of the literature, music, stationery and also see that the building is kept open till late in the evening. Under the present condition of affairs the janitors lock the Association Building at six o'clock unless there is a meeting scheduled for the evening, in which case it is locked immediately following dismissal. If a student is quartered in the building better use may be made of the Association equipment and a distinct need in student life may be met.

A committee composed of Messrs. Phillipi, Fox and Wells is working in conjunction with the college office on this proposition and will put the plan into effect as soon as possible.

Freshman Take Hayride.

It's Wednesday evening! All aboard! Giddap!

With a whoop and a shout the Freshmen were off. Down the quiet streets of Westerville rumbled the four well-filled hay wagons. School yells and popular songs, accompanied by ukeles and mandolins, gave evidence of the fine class spirit.

South on State street and across Alum Creek Bridge went the procession; then on further about three miles to the Huddleson Farm. Here the girls and fellows climbed down from their lofty seats and proceeded to enjoy the games of the evening. After "Skip to the Loom," "My Darling" and "Mill Race" had been played for some time the refreshments were served. Big luscious doughnuts, home made pumpkin pie, juicy apples, and cold spicy cider served to "freshen" up the Freshman. Around a big roaring fire marshmallows were toasted.

A nice long hay ride after the Push gave a pleasant finish to the memorable affair.

PEDEN MAKES ATHLETIC RECORD IN ARMY SERVICE

Otterbein is always glad of distinction its students attain either in school or out, and we have no right to be prouder of anyone than Roy Peden, Otterbein's star half-back and pole vaulter.

When playing for the Tan and Cardinal he received universal recognition from prominent newspapers and his experience in the army was no exception. He was chosen as right half-back on the first El Paso District Army team and was lauded time and again by newspapers for his brilliant work. Then in his other specialty, pole vaulting, he also gained signal honors. In the A. E. F. Track and Field meet, Peden took third place and in the Inter-Allied Meet at Paris he attained fourth. Otterbein is proud to have been so well represented.
