## VICTORY-DEFEAT

COMES TO OTTERBEIN'S BASKETBALL TEAM.

Otterbein-Bliss Contest Gives Locals  
28-29 Supremacy—Lose at  
Delaware 46-26.

With only one point in the lead Otterbein last Wednesday evening defeated Bliss Business College of Columbus by a score of 28-29. The game was exceedingly rough, and was moved by considerable wrangling on the part of Bliss.

Although somewhat long and drawn out, due to un-called-for official disputes, the contest was exciting from start to finish, neither side being able to secure much of a lead. The work of Young for Otterbein and Cordillo for Bliss at shooting fouls was the feature of the game, Cordillo caging 8 out of 10 chances while Young made 13 out of 18 trials.

Both teams were weak on passing the ball and as a result quite a few chances were missed. The men were all closely guarded and it was only through very hard work that either side was enabled to score.

The line up:

Otterbein	Bliss
John	1 f Cordillo, Capt
Young, Capt	r f Alder
Crosby	c Saunders
Cook	1 g Taylor
Bailey, Fouts	r g Sheehan

Field goals—Young 4, John 3, Crosby, Alder 4, Cordillo, Saunders 4, Taylor. Foul goals—

Continued on page two.

## OTTERBEIN UNIVERSITY SCHOOL OF MUSIC

## GREATLY IN DEMAND

Is Ex-Governor Folk who Comes  
on Lecture Course Friday.

The lecture of Ex-Governor Folk who comes on the Citizen's Lecture Course next Friday is eagerly awaited by the students and citizens of Westerville. He will lecture on, "Soldiers of Peace," one of his most popular themes.

Possibly no man in the public eye has been more in demand than Gov. Folk, and no man harder to get. The Ex-Governor has been doing things—decisive things—in Missouri, and has called the attention of the entire world to his splendid career both in St. Louis and Jefferson City. Such a man is sure to have a message and the anxious public awaits him in every state.

Ex-Governor Folk is still carrying the banner for purity in politics. Freedom from office holding has given him more time to fight the good fight. Whereas, St. Louis was his battlefield, then Missouri, it is now a national issue and Folk of Missouri is spreading a new civic gospel, which reaches back to Calvary and the Golden Rule.

## TRACK MEET

Will Find Promising New Material at Ohio State Saturday.

The first track meet of the year will be held Saturday evening at 8 o'clock with Ohio State in the latter's gymnasium. Although there is no anticipation of a phenomenal success a respectable showing is expected with a week of good training.

(continued on page five.)

### VICTORY-DEFEAT

(continued from page one)

Young 13, Cordillo 8. Referee—Hamm. Time of halves 20 minutes.

#### Otterbein-Wesleyan.

The second game of the week was played Saturday afternoon, when the Otterbein basketballers after putting up a good article of ball were forced to suffer defeat, by the score of 46 to 26, by the fast Ohio Wesleyan aggregation at Delaware. Otterbein had a hard time getting started, but made things more than interesting for O. W. U., after the first few minutes of play.

Wesleyan started off in a walk-over scare and at the end of ten minutes play the score stood 21 to 2 in favor of Wesleyan, Young having thrown two fouls. Crosby then dropped in a field goal, and the team getting together, made a remarkable run, procuring thirteen points while O. W. U. made nine. The first half ended with the score 30 to 15 with Otterbein at the little end.

In the second half good steady ball was played at all stages, and the Otterbein five held their opponents in fine style, O. U. obtaining 11 points whereas Wesleyan only counted 16. Most of Otterbein's baskets were made on sensational shots, John pulling off a couple hair raisers, while Cook and Young each came in with one of the stellar sort.

Bailey being on the sick list, the right guard position was played by Fouts who showed up in good form. Lambert, String-

er and Hall were put in for the last of the last half and worked in good shape.

Wesleyan had a strong team, the guards being especially efficient procuring several baskets apiece. Palmer for Wesleyan did some fine goal shooting, caging 6 out of 8 attempts.

The Varsity has played the hard part of the schedule and no more defeats are expected. Next Friday morning the team leaves for New Concord where they play Muskingum and the following day will play at Denison. The line up:

<b>Wesleyan</b>	<b>Otterbein</b>
Palmer	l f Young, Stringer
Littick, Haig r f	John
Patton	c Crosby, Lambert
Le Sourd, Thomssen l g	Cook
Severance r g	Fouts, Hall
Field Goals—Palmer 5, Littick 3, Patton 3, Le Sourd 4, Severance 4, Thomssen 1, John 4, Young 1, Crosby 1, Cook 1, Fouts 1. Foul Goals—Palmer 6 out of 8, Young 8 out of 18, John 2 out of 2. Referee—Hamm of Kenyon. Length of halves—20 minutes.	

#### Change in Time.

Owing to the fact that Prof. Heltman will be compelled to accompany the track team to Columbus Saturday evening the debate try-out which was scheduled at that time will take place Saturday morning beginning at 9:30.

Each contestant will be given four minutes for his constructive argument and two minutes for rebuttal. The judges will likely be selected from the members of the faculty.

## Y. M. C. A.

The Young Men's Christian Association was favored Thursday night by an address from one of Westerville's noted citizens, Dr. H. H. Russell. Dr. Russell's subject was, "The Coming Revival." The speaker first asked the question, where this revival was to take place. He noted five distinct places: in our own hearts; among our dearest and best friends; with class mates; wide spread through the entire nation; and in town of Westerville.

How ought we to prepare for a revival?

First, we should possess a full intelligence as to what a revival means. We must realize its necessity. Salvation is the paramount issue of life. We give a disproportionate attention to the things of the world, thus neglecting the saving of our fellow man. The Bible might properly be called, "Sin and its Cure." Its key word is salvation. One cannot hear the call of God, and thus cannot enter the life field which God intended for him until he accepts Him.

Another essential for a successful revival is consecration of heart and mind. There must be special soul searching and communion with God. Our own lives must first be cleaned up.

Then we must have faith that God will grant success and that He will answer prayer. We must believe that God wills the salvation of men and that He provides means in us to carry this salvation. We have a right to believe that results will come to pass. Mr. Russell stated that he was converted when a young lawyer through the all-night prayer of his wife. He then became a minister and through prayer reached his three brothers. In doing this he influenced for good a whole liquor soaked western town in which one of his brothers lived. His pastor's last letter to him concluded with this sentence, "The joy of leading a soul to Christ is indescribable."

## Y. W. C. A.

"Another year is another call from God" was the theme of the Y. W. C. A. meeting last Tuesday evening. The leader, Mary Brown, read the scripture lesson from Heb. 12: 1-6.

The association was favored with a vocal duet, "I'm Looking Beyond" by Edith Bennett and Katherine Seneff.

Some of the leaders remarks were: At the death of the old year and the beginning of a new year we have mingled feelings of regret and happiness. Lives are made sweeter by discord. We have two kinds of experiences; those we can't help, our heritage, for "to err is human" and those we can help, those things which we willingly do.

A New Year's resolution is a determination to live rightly during the coming year. A perfect soul is not aware of the evil and wrong in the world. Live rightly and happiness will follow. Just as we think of our neighbors and God, just so we will act towards them.

## CLARENCE METTERS

Addresses Press Club at Regular Meeting Last Tuesday.

The Otterbein Press Club was addressed Tuesday evening by Clarence M. Metters. Mr. Metters has had many years of experience along various lines of newspaper work, having until recently been editor of the Public Opinion and city editor of the Columbus Dispatch. At present he is on the advertising staff of the Dispatch. He spoke on the advertising phase of the newspaper and explained how the entire work is done according to a well organized system, each member of the advertising force having a definite assignment for which he is held responsible.

To be successful in securing advertising it is necessary that the agent believes in what he is offering his advertisers or he will solicit in a half-hearted way which never wins. This, like any other work requires persistent, energetic effort.

The address throughout was practical and interesting.

## Football Team Framed

A large 24in. x36in tablet picture of the 1910 football team with the coach and manager has been on exhibition the past week in the window of the Flickinger grocery and has attracted considerable attention. This picture is the work of the Orr-Keifer Studio Co. Our football heroes look good in a frame.

Entered as second-class matter October 18 1909, at the postoffice at Westerville, Ohio under the Act of March 3, 1879.

Busy week, this.

The cartoon which appears in this week's issue portrays a vital truth. Think about it—but don't let it worry you.

One of the great advantages that we enjoy at Otterbein is the privilege of listening to the excellent musical programs as prepared each month by the music department. These renditions are the products of long and careful practice of the best music under the best instructors. Thus, we are enabled to gain a keener appreciation of good music, an appreciation which every college student should strive to cultivate.

During the past two years the practice of excusing members of the various athletic teams from literary society has become almost a recognized precedent. The last week or two however, finds a justifiable opposition on the part of a large number of students for the elimination of this practice. If we are correctly informed, the evening of each Friday during the college year since the founding of Otterbein University has been given over to the two literary societies, Philophronea and Philomatheia. Thus, no interference of these student gatherings has been and in all probability never will be permitted.

Nor should they be interrupted in part by the absence of five or six members. Athletics are important and indispensable but at college they should yield without question to the literary work, which is the first essential requisite of a college education. Must men who participate in all athletics be deprived of this training? It is granted that basketball men should have their regular practice on Friday, but the day is certainly long enough to place this practice at some other period. Surely it is possible to rectify this matter by a change in the gymnasium schedule and if so the parties in charge are seriously at fault and should give this matter their foremost attention.

### EXCHANGE NOTES

A massive silver gray tower, 150 feet high and forty feet square, costing \$100,000 dollars is to be erected at Princeton as a memorial to former President Cleveland. Oberlin Review.

Dr. Thompson of O. S. U. severely criticizes the waste of time in reading daily newspapers. He thinks 10 minutes sufficient to spend on the news sheet since each individual should sift out that news which is of vital interest to him.

The idea, that the only cure for trouble is a grin, brought out in the poem entitled, "Live it Down," of the Dec. number of the Black & Magenta would be a good daily motto for the average college student.

In speaking of football fatalities for the past year the "University Missourian" says, "Take a broad view of the matter and consider football as a recreation of the human race along with others that take an accidental death toll. In all walks of life death will be. In proportion to the good received from recreation of mind and body the fatalities are no greater than the average from other causes.

### Sando at Chicken Exhibit.

R. W. Sando, the poultry king, will spend the greater part of the week at the poultry show in Columbus. "Sandy" will have the best of his barnyard fowls on exhibition and will undoubtedly capture some of the coveted prize offers.

### SUPPORT SIBYL

Seniors Must Wake up Say  
 Class Editors.

The Junior class will soon give a play which promises to be very entertaining. Under the direction of Prof. Heltman there have been several rehearsals. This play demands the interest of all, primarily because the proceeds will be used toward publishing the Sibyl. The Junior class is putting much time and hard work into this publication and they need the support of every student. It is being published for the enjoyment of all. Support the Sibyl as you do athletics, or if you do not support athletics, do something for the Sibyl anyhow.

At the present time the Seniors could help the class editors, in fact make them happy, by handing to them the reports asked for. Don't procrastinate. Please bear this in mind, Seniors.

Com.

**Prof. Durrant Honored.**  
 Prof. Edwin P. Durrant, '04, professor of Biology at Otterbein and assistant professor of anatomy and physiology in Ohio State University, has recently been elected to membership in the American Association for Advancement of Science and the Columbus Academy of Medicine. The former is the foremost body of scientists in the United States.

## TRACK MEET

(continued from page one)

Prof. Heltman now coaching the team finds valuable material in some of the new recruits who are making a good showing. Few experienced men are in line for any of these events this year. The coach expects to put out a strong team for the spring meets.

In all probability some day during the present week the members of the team will go to Columbus and try the track at the Ohio State gymnasium.

The following events will be pulled off: 40 yard dash, 40 yard hurdle, 220 yard dash,  $\frac{1}{4}$  mile,  $\frac{1}{2}$  mile, 1 and 2 mile, shot put, pole vault and high jump. Two men will enter each event.

## CHORAL SOCIETY

Gives First Concert Feb. 1—  
Splendid Music Talent to Assist.

Otterbein's Choral society which has been rehearsing Hiawatha's "Death of Minnehaha" since last September will give its first concert of the year, Wednesday, Feb. 1.

The Chorus will be assisted by Neddermeyer's String Quartet of Columbus which appeared last commencement week on the Choral's program and by soloists, Miss Edith Sage McDonald who is recognized as the foremost lady vocalist in the state and Mr. Frank J. Resler, the director of the chorus. Mrs. Frank J. Resler will accompany on piano.

This concert promises to be one of the best musical events of the year. The chorus of seventy-five voices rendering one of the most beautiful choral numbers written, directed by Otterbein's efficient vocal instructor and assisted by the best music talent in the state is evidence in itself of a rare treat to music lovers of Otterbein.

Mrs. S. Chapman died at her home on West Main street Sunday morning at one o'clock. The funeral will occur at the house Tuesday at 1:30 p. m., conducted by Rev. S. F. Daugherty and Dr. T. J. Sanders.

Bierly—A straight line is the shortest away around it.

## OTTERBEIN QUARTET

Will Give Concert March 22 for Benefit of Athletic Field.

The enthusiasm which is prompting students and friends to contribute so largely to the new Athletic field has caught the Otterbein Quartet. This leading musical organization of the University will give a concert in the college chapel, March 22, the proceeds to be used exclusively for the development of this new field.

In addition to the vocal renditions there will be instrumental music, readings etc. This is a commendable benefaction on the part of the quartet and it is hoped that other offers of a similar character may follow.

This will be the first appearance of the quartet before the student body and there is naturally considerable interest manifested for the coming event.

## Life-Size Portrait.

Cochran Hall is the recipient of a life-size portrait of Mrs. Sara B. Cochran, of Dawson, Pa., who makes this gift to the institution.

This highly prized picture which is neatly framed is hung in the Cochran Hall parlor. Mrs. Cochran is Otterbein's leading benefactress and a friend who has endeared herself to students and friends of the university.

## Examination Week.

Four days Thursday, Friday, Monday and Tuesday, beginning next week will be given to examinations, with the exception of a part of Thursday which is the time set apart for the "Day of Prayer." It has been customary heretofore to observe this day with special service in the chapel and by the elimination of all class room work. The confiction however of this day with the examination week will in part interfere with this custom. However a portion of the day will be given to some form of service in the chapel. This matter will be adjusted at the regular faculty meeting this evening.

The additional day for examination has been added in order that there be no crowding in the examination schedule.

The Otterbein Quartet furnished music at the funeral of Mrs. Jackson Harover at Center Village, last Sunday.

#### LIBRARY CONTRIBUTOR

Dr. Chapman of California, Former College Pastor, Given Reception.

Those who are familiar with the history of Otterbein University will be interested to read of a recent reception which was given to Dr. and Mrs. Ervin S. Chapman of Los Angeles, California on the occasion of their golden wedding anniversary. Over a thousand guests representing various professions and callings were present. In addition to the personal expressions of good will more than two hundred messages of congratulations were received by mail and wire. In addition to other presents a golden shower of eight hundred dollars was presented the happy couple. This money will be applied to the cost of placing in the hands of each pastor in the state a copy of his recent book "Particeps Criminis." Dr. Chapman has sent two copies of these works to the college library in addition to many other works which he has contributed.

This recent work is of a very

unique and interesting character and is a valuable addition to the library.

Dr. Chapman several years ago gave special lectures here for the benefit of the Lincoln Biographical department of the library. In each instance the doctor doubled the receipts of the lecture. He has contributed to this Biographical department of the library 12 volumes of "Nicolay and Hay's Life of Lincoln" and a series of Lincoln's speeches.

Dr. Chapman was the college pastor here during the seventies and while serving in this capacity won for himself a host of friends. He is the present editor of the "Search Light," the publication of the Anti-Saloon league of Southern California.

Gives Full Particulars in Connection with Alumni—Other Historical Items.

The Quinquennial Register of Alumni, a bulletin issued by the University is now completed and may be purchased for 25 cents from the committee of which Professor Guitner is chairman.

The register contains a brief biography of each graduate, the name of whom appears both in the respective years of graduation and in their alphabetical order.

The bulletin also contains the names of the officers of the Alumni Association of 1910-1911; a message by President Clinger; 1910 Calendar; the names of the trustees from the founding of the institution, with the field secretaries, treasurers, stewards, janitors; a list of the presidents; former and present members of the faculty with other items of interest in connection with the history of the University.

Saturday, Jan. 21.

Track Meet, Otterbein vs. Ohio State at Columbus.  
Otterbein vs. Denison at Granville.  
9:30 a. m., Debate Try-out.

## ELECTRIC CURRENT

Extensively Utilized by Dr. Custer in Practice of Dentistry.

In the January number of the "The Dental Brief" is a very interesting article by Dr. L. E. Custer, '84, of Dayton, O. "Electricity in Dental Practice," gives a brief history of the uses of electric current in the dentist's office. He says in conclusion, "On summing up you will be surprised to find that I have shown twenty-four different uses for the electric current in dental practice at the present time, and it stands to the great honor and credit of the American dentist that with the single exception of the X-ray all are American inventions. And I may say in conclusion that the future progress of dentistry will be largely based upon the unfoldings of electricity, which have today only begun."

In the same issue is a biography of Doctor Custer under the title of "A Little Journey to the Home of a Great Dentist." With it are many photographs of the doctor's home and office.

**COCHRAN HALL ITEMS.**

Mary Clymer spent Sunday with Florence Shride at her home in Groveport.

Velva Burns is now rooming at Cochran Hall.

Nellie Wert left last week for her home in West Lafayette. She will not be in school the next semester.

Louella Smith, '10, was a visitor at the Hall last week.

Hazel Codner was at her home in Canal Winchester over the Sabbath.

Miss Lucy Huntwork, Basil, O., spent Sunday with her sister, Marie.

Prof. and Mrs. E. A. Jones were Miss Zeller's guests at dinner Sunday.

Mary Shiffler spent Sunday at her home in Gahanna.

Margaret Gaver visited her brother in Columbus from Friday until Monday.

Esta Moser returned on Wednesday from Van Wert where she was attending the funeral of her aunt.

The rainy weather did not prevent a number of the girls from having their pictures taken on Friday and Saturday.

Helen Moses and Miss Moore were guests at Cochran Hall Sunday.

**OTTERBEINESQUES.**

Otterbeinesques

Hogg—(In society)—"I object to this roasting."

Harry Richer—"Much roasting is necessary. It's an old Hogg."

Dr. Sherrick—"What emotion did the poem awaken within you?"

Miss Bauman—"It made me ache."

Bell—"Will you pass the gravy, please?"

Kohr—"What do you think this is? A soup house?"

"Pat"—You look sleepy, Kohr?"

Kohr—"What do you think this is? A soup house?"

Query: Was Parish's overcoat made for two?

"Doughnuts at Day's Bakery."

Coburn—"You're a musician, tell me why pianos are the best musical instruments?"

Foltz—"I don't know."

Coburn—"Because they are upright, grand and square."

"Pancandies at Day's Bakery."

**LOCALS.**

O. W. Marsh was called to Pittsburg Wednesday on account of the death of his grandmother.

H. C. Metzger and M. A. Muskopf were in Columbus Saturday.

**NEW STREET CARS**

Are Actually to Supplant Present Ones.

Students who are in the habit of frequenting Columbus by means of the "excellent" street car service will be delighted to learn of three new cars which will be put in service in the course of a month—or two.

The initiation of one of these cars took place last week when it appeared in Westerville drawing the multitudes far and wide. It bore unmistakable signs of having just come from the shops. Why the company should go to this extravagance is beyond the solution of philosophers, scientists, historians et cetra for no one will question the fact that the present cars are simply grand with their excellent ventilation, heating apparatus and general comfort. Nothing so delights a student when looking for recreation in the form of a joy ride than to board one of these present beautiful cars and sail for Columbus. Really it is exhilarating, so intense in fact that one is led to forget everything else but his then present condition—and the company.

Now as to the new cars. They are somewhat larger than the old ones and will seat sixty persons. The vestibules are twice the size of the former and are fitted with a small seat. (There is no reason assigned for this seat.) The cars are sixty horse power, nearly twice the old, and are the passenger coach type.

Welcome to our city, ye realization of a century dream!

S. E. Kennedy has sold his interest in the Flickinger and Kennedy grocery. Mr. Kennedy is again foreman of the Buckeye Printing Company plant.
