FRESHIES CHAMPS

FIRST YEAR MEN EASILY PROVE SUPREMACY.

Four Inter-Class Games of Last Week Cause Revival of Class Spirit.

Seniors 49, Juniors 19.

The first inter-class game of the highly interesting series for Class championship occurred last Tuesday evening when the Seniors through means of some excellent pass work, and all around good team work, were easily able to tuck away the first contest by the score of 49 to 19. The Juniors, however put up a good scrap and were in the game from the start. Stringer for the Senior team played a great game, procuring 9 field goals and caging 5 out of 10 chances from the foul line. For the Juniors Rogers scored the most points, procuring 4 field goals, and dropping in 3 out of 6 chances from the foul line. The game was fast and well played. Both sides were weak on hitting the basket.

The line up:

Seniors.	Juniors
Locke, (capt) r f	D. John, Flora
Stringer l f	Moses, (capt)
Hogg, Wineland c	Rogers
Sanders r g	Metzger
Wineland, Mattis l g	Hartman

Field Goals. Locke 7, Stringer 9, Sanders 5, Hogg, Moses 3, Rogers 4, Metzger. Foul goals, Stringer 5 out of 10 chances, Rogers 3 out of 6. Officials—C. L. Bailey and A. D. Cook Time keeper C. Young. Time of halves 20 minutes.

Freshmen 37 Sophs 14.

The second game of the series was taken in grand style by the Freshmen, the first year men de-

feating their rival by the score of 37 to 14. The team work of the Sophs was extremely ragged and at no time did they look the least bit dangerous.

The Freshmen on the other hand had team work down to a frazzle, and had the Sophs constantly trying to break it up. Both teams however were a little off in hitting the basket.

No particular star was found in either team, but every player put up a good hard game, the Freshmen coming out victorious because of their more experienced men.

The game was very fast during the first half, but in the second frame, both teams slowed up considerable.

The line up:

Officials, Bailey and Cook.	
Time of halves 20 minutes.	

Seniors 40 Preps 13.

By taking the game with Martin Boehm Academy the fast senior team won its second contest of the series. The upper-classmen played in fine form and there was no doubt as to the result after the first five minutes of play.

During the first five minutes however the Preps made a fine showing, neither side being able to score. In the first of the second half also the Seniors were not able to get their machine into working order.

Stringer for the Seniors was playing in great form again, and his good work was responsible

ENJOYABLE EVENING

Lambert Hall Reception Is Big Success.

One of the most enjoyable receptions of the school year was given Saturday evening by the faculty of the music and art departments to the students of these departments and to the different athletic teams.

After an hour or so spent in becoming acquainted and having a general good time the guests filed into an adjoining room where refreshments were served. The center table was decorated with red carnations and the beauty effect was increased by red candles placed at each corner of the table. Ice cream, cake, cocoa, and coffee were served and upon leaving the room each person was presented with a neat little red and black bow.

After the lunch entertainment was furnished by members of the glee club who sang such stirring melodies as, "Way Down Yonder in the Corn field," and "Old Otterbein."

The music and art faculty is to be heartily congratulated for a most successful culmination of this the first reception in the beautiful Lambert hall.

President's Appointments.

President Clippinger left last Saturday for Canal Winchester on a business trip. The following Sunday he preached at the United Brethren church of that place at both morning and evening services.

Next Friday evening he will address a meeting at the 5th Avenue U. B. church of which Rev. Harris is pastor. This meeting is in the form of a reception given to the U. B. students of Ohio State University. The Otterbein Quartet will sing at this reception.

75 COURSES

TO BE OFFERED AT OTTERBEIN'S SUMMER SCHOOL

Normal Department Will Be Especially Strong—Miss Sutherland Principal.

With a more thorough and a larger number of courses Otterbein's summer school will open June 19 for a period of 6 weeks. The splendid attendance last year and the enthusiastic response given to the new courses prompts the university to still enlarge upon the past proficiency of the school. The departments of work covered will be College, Academy, Normal, Music and Art.

There will be twenty instructors and about seventy-five courses offered. The Normal department will be especially strong this year. Miss Margaret Sutherland, Principal of the Columbus Normal School will be the principal and have direct charge of all the work. The purpose of this department is to place particular emphasis upon the common branches, methods of teaching the same, and to make special preparation for examination by including in review the scope of work demanded on teachers' certificates.

The Board of Education of Westerville has again given the use of the splendid public school building with its conveniences and appliances for the Model School department.

The summer school of music will be in charge of the director of the Conservatory, Professor Grabill, assisted by Miss Grace Denton. Courses will be given as during the year in Piano, Counterpoint, Harmony, Voice (continued on page two)

and Public School Music.

Miss Daisy Clifton will have charge of the work in Art which includes pencil, charcoal, water color, china, oil, and wood carving. An effort will be made to adopt work to need of teachers.

New courses will be offered this year in Natural Science and Chemistry and will be given by the regular college instructors.

A feature which was attractive and beneficial in last year's school was the free public lectures and entertainments offered on various occasions. The number and variety of these will be still greater than last year.

The usual work in the Academy and College departments will be given whenever the demand justifies, and due credit will be given for all work done to the satisfaction of the teacher in charge. The courses have been arranged to meet the needs of the following classes of students: Those who wish to shorten the time of their college course; those who desire to become regular in college work; those who wish to remove conditions; those who are preparing for admission to college teachers; who wish to broaden their fields of work and to study different methods of instruction; superintendents, teachers, and prospective teachers who are seeking preparation for county and state examinations.

Rooms for ladies in the college dormitory may be procured for prices ranging from 75 cents to \$1.75 per week. Board may be had in clubs at \$2.50 per week.

General tuition for literary work is \$8.00 and the matriculation fee 50 cents.

Among the new instructors are A. S. Keister, A. M., Economics and Sociology; Miss Kate Simmons, Teacher in Model School; Miss Grace E. Denton, Public School Music and Voice; Wm. Tecumseh Trump, Ph. B., School Methods and Management, and History; Miss Bessie May Fouts, Manual Arts and Teacher in Model School.

BEAUTIFULLY RENDERED

Choral Concert of Last Week Exceeds All Expectations.

One of the most pleasing and artistic musicals that the citizens of Westerville and students have been privileged to hear for some time was the event of the Choral concert given last Wednesday evening in the College Chapel.

The audience anticipated a treat but realized something beyond their expectations. A perfect symmetry and blending of parts with a harmony broken at no time by a single discord characterized the rendition of the music to this beautiful Longfellow poem.

The poem which is entitled, "The Death of Minnehaha," is a picture of Indian life at a time of famine and sickness. These ghastly visitors entered a home and took away Minnehaha the wife of Hiawatha. So beautifully set is the music to these words that one upon hearing it is caused to picture these scenes as they really happened. With a familiarity and appreciation of the sentiment of this poem suggesting long and diligent preparation with able direction on the part of the instructor did the chorus vividly portray these Indian pictures. The whispers at the death bed followed by the loud cries of anguish by Hiawatha as

A good attendance was present at the Young Men's Christian Association Thursday night to hear James Cox speak on the subject, "As a Man Thinketh." Mr. Cox emphasized many valu-

able thoughts among which were the following: We should examine ourselves, and think over our deeds, because often times we do not know ourselves. Thought, however, without purpose is vain. Many men wander their way through life thinking enough but doing nothing. One must stop and think before he acts. Conceive purpose and then set out to its accomplishment. The will to do springs from the thought that we can do. Accomplishment of the past and present inspire for the future. Great men linked thought and purpose together. It is wise to conceive of purpose of properly governing thoughts. We may often read in a man's face what his character is.

BEAUTIFULLY RENDERED

enacted in music by the chorus and assistance could not but thrill every auditor in the house.

A conspicuous feature in the concert was the beautiful piano accompaniment written to the music of the choral number. Mrs. Resler the accompanist who can make a piano "talk" gave excellent support on this instrument eliciting many favorable comments.

Another pleasing feature was the able assistance of the string quartet. The four artists who constituted the quartet drew from the wood and strings music of a quality to please the keenest critic of music. The quartet in addition to their choral support played two selections in the first part of the program.

Too much cannot be said of the soloist Mrs. MacDonald whose voice has both volume and quality and who sings with a peculiar ease and grace. She has a pleasing and winsome manner and captures her audience the first moment of her appearance on the program.

Of Prof. F. J. Resler, the director, praise cannot be too profuse. He sang the tenor solos in the Choral number as only a trained vocalist could sing them. As on previous occasions, Professor Resler demonstrated his mastery in Choral leadership by an exercise of complete control over this large organization, never failing to elicit prompt response from each part.

Entered as second-class matter October 18 1908, at the postoffice at Westerville, Ohio under the Act of March 3, 1879.

One of the little courtesies in connection with the literary societies at Otterbein is that of the members extending friends invitations to attend the open sessions of their various societies. Although such an invitation is not necessary to make a visitor welcome it is a mutual courtesy which we all naturally expect. However we were reminded a few days ago of the conspicuous absence of this custom during the present year as compared with that of former years. The greater number of us must plead guilty, not of wilful neglect but of simple thoughtlessness. It is not always wise to abide by an established and antiquated custom but clinging to acts of courtesy will never interfere with the progressiveness of any institution.

In view of the fact that there are and have been numerous events scheduled on the college bulletin one cannot criticize the tendency on the part of a few students to absent themselves from some of these lectures and musicals. But if there must be an elimination it is only natural to think that a student above any one else would prefer to exclude those things which are least beneficial and instructive. But such is not always in evidence. At that concert last Wednesday evening the chapel should have been crowded

to the doors, and should have been filled with students. There was nothing light or frivolous in one number given but on the other hand the music was of the highest class, the visiting talent the best available, and the concert all through of an instructive and educational tone. And yet the audience was only average in size and made up to a great extent of Westerville citizens. Not too many citizens of course but decidedly too few students. Strange isn't it?

Miss Lulu Bookwalter, '98, is spending two months in study at Dr. W. W. White's Bible School in New York City.

In a very unique announcement party the engagement of Miss Mary Lou Sheets of 226 Macly street, Harrisburg, Pennsylvania, and Prof. Bertram W. Saul, '09, was made known.

In the center of the luncheon table, on a mound of laurel, was a large box with narrow ribbons of red running in every direction. When the guest pulled these ribbons the box opened displaying the announcement of the engagement of the hostess and Mr. Saul both of whom are members of the faculty of the Harrisburg High School. Miss Sheets was presented with a bouquet of bride's roses in the center of which was one red rose. In the heart of the red rose was buried the engagement ring.

About forty guests were present.

Thos. H. Bradrick, '94, of Steubenville was a caller in Westerville Tuesday. He came to Columbus to attend the convention.

Mrs. Wm. Clark, '07, entertained last week in honor of her sister Mrs. Ida Jackson, of Delaware.

YE PESSIMIST

Change Your Disposition by Seeing "College Chums" Tuesday Night.

If you fail to see the "College Chums" Tuesday night, you will miss the funniest college event of the year. The Junior play promises to be a huge success. It is alone worth the price of admission to see His Excellency, Professor Friederick von Weber propose to Toby Sprague, the saucy little daughter of the dorm watchman. And the thrilling robbery of the Football Manager's room will be as exciting as

the most sensational melodrama. The play is a comedy in three acts and the cast consists of twelve characters. The college orchestra will furnish music.

Synopsis of Incidents

Act I.—Arrival of college students and Toby's welcome. Trouble between two opposing veterans of the Civil war. The hazing of Wallace, the Freshman The Bully's crushing defeat.

Act II.—A year later. Paul Dinsmore in trouble, and unexpected arrival of his mother and Grace his sister. Wallace and his father, "Dad, I'm in love." The veterans as rivals in matrimonial schemes. Their war reminiscences, and renewal of their old quarrel. The German Professor's courting. Paul's terrible dilemma and temptation. His robbery of the college team's funds, under Thorne's compulsion. Wallace accused of the crime.

Act III.—The next afternoon. Preparations for the football game. Wallace, the star, disbarred. Paul's refusal to divide the stolen money with Thorne. The German Professor's discomfiture. Paul's confession. Wallace fully exonerated. Expulsion of Thorne from college. Grace and Wallace. "Three cheers for Wally Findlay, our next year's captain."

FRESHIES CHAMPS

(continued from page two)

Freshmen 35 Seniors 20

The decisive battle of the class series was pulled off Saturday afternoon, the Freshmen winning by the score of 35 to 20. The game was hard fought and well played except for a little roughness on the part of both teams.

The First year men jumped into the lead from the start, when by some clever pass work the ball was shot to Capt Lash who, was waiting under the basket, for the first two points.

This fine start seemed to spur them on, and the first half ended 22 to 11 in favor of the scarlet and gray.

In the second half the Seniors secured nine more points bringing their final up to 20 points, eight of these being made on fouls. The freshies, moreover secured six more field goals in the last half of the game, and added another foul, making their final count up to 35.

Bandeem and Sechrist put up a fine guarding game, the Senior forwards only securing three baskets between them. Lash and Dempsey, although not procuring many baskets were there on team work, and were the cause for quite a few of the freshmen goals.

The line up:

Locke	r f	Dempsey
Stringer	l f	Lash
Hogg	c	Hollanshead
Sanders, Mattis	r g	D. Bandeem
Wineland	l g	Sechrist

Fieldgoals—Locke 2, Stringer Hogg, Wineland, Mattis, Dempsey 2, Hollanshead, Bandeem 4, Sechrist. Foul goals—Stringer, 8 out of 17 chances. Lash 5 out of 9. Time of halves 20 minutes.

Young Men and Women

Every day without a Bliss Business Education is so much of a loss to you. It's the education you will soon demand. You may get other education and do WELL, but you can get a Bliss Business Education and do BETTER. When, in less than six months, we can qualify a young man under twenty, and earning no salary, to fill a \$75.00 per month position; a girl of nineteen, with us but eight months, now drawing \$1200.00 per year; a school teacher, who took the combined course, for a secretaryship now paying him \$5200.00 a year, don't you think it is time that you were letting us fit you for a good position—ALL BLISS GRADUATES ARE HOLDING GOOD POSITIONS.

We will teach you to overcome your inferiors, rise above your equals, and compete with your superiors. We will make you ten times more valuable to yourself and assist you to a position that will pay you 50, 100, 200 and perhaps even 300 per cent more than you can earn now.

Places obtained for students to earn board while in attendance; railroad fare to the city allowed; and to the first representative of any town a discount of five per cent deducted from regular rates.

New classes formed each Monday. Write for the "Seal of Fortune." You will marvel at the records of success our students are making, and will be better able to judge what we can do for you. Address Dept. C.
