## Facts From Trustee Reports

President J. Gordon Howard, '22

At noon on Saturday, June 9, the Board of Trustees concluded a two-day session under the able leadership of Chairman Vance E. Cribbs. Reports were heard from all administrative officers of the college, and the five Trustee committees laid down policies to guide the operation of the college in 1951-52.

Registrar F. J. Vance reported 784 students in the four college classes with a total enrollment of 839, representing 511 men and 328 women. There were 132 veterans enrolled, a drop from the high point of 425 in 1948.

Treasurer George Hogue reported a current operating deficit for the first time since the war, and predicted a deficit next year. A larger enrollment will go far toward balancing the books. He reported endowment of \$1,300,000, and buildings and grounds valued at \$1,786,000.

Dr. Wade S. Miller, Director of Public Relations and Development Fund, reported \$17,469 raised by alumni during five months in 1951, an average gift of \$17.74.

Several conferences in the Otterbein College territory responded to a special appeal to reduce the deficit. Miami Conference sent a gift of over \$5,200; East Ohio contributed \$1,000; and Allegheny and Sandusky Conferences contributed lesser sums.

Mrs. Mary W. Crumrine, Librarian, reported 1258 new books received, making a total of 38,923 volumes in the library. Periodicals received are 224. Total circulation for the year was 26,815 books.

Mrs. Mildred N. Crane, College Nurse, reported 4624 dispensary calls at the Health Center, with 140 patients spending 326 hospital days in the Center.

Vice President Martin, also Dean of Men, reported some confusion among men students at the

beginning of the year due to the revival of Selective Service; but by giving regular information to men students concerning their military status, there was much less uncertainty as the year progressed. The Student Council operated effectively, and both the Interfraternity (men) and Panhellenic (women) Councils revised their constitutions with improved regulations for bidding and initiations.

Miss Myrtle E. Eldredge, Dean of Women, reported an excellent retention of women students during the year. She reported efficient work by junior counsellors in the Freshmen women's dormitory, and increasingly effective operation of the Women's Student Government Association.

Dr. Paul B. Anderson, Academic Dean, reported the inauguration of six new two-year programs leading to the new degree of Associate in General Education. A new cooperative nurses' education plan with Grant Hospital, Columbus, leading to the degree of Bachelor of Science in Nursing, was announced.

Mr. Maurice D. Gribler, Director of Admissions, reported that for the following reasons applications for entrance to college are fewer and slower than for many years: (1) uncertainties of the military situation; (2) the attractive wages being offered to high school graduates; and (3) the smaller numbers graduating from most American high schools due to the low birthrate 18 years ago. Two hundred Otterbein students this year received scholarships totalling \$20,000; and 225 students earned \$34,000 on the campus to help themselves through school.

Business Manager Sanders A. Frye reported a number of rooms and buildings renovated and repairs made on much equipment. The big item in the building operations was the erection of the new chapel-auditorium, which is nearing completion.

Dr. Schear, Mrs. Schear, President Howard and Professors Michael and Hanawalt

One hundred nine former students of Dr. E. W. E. Schear, including twenty-five M.D.'s, attended a surprise dinner given in his honor on Sunday evening, June 10, in the Cochran dining hall.

The dinner was sponsored by the local chapter of Alpha Delta Epsilon, national pre-medic fraternity, with Francis Pottenger, III, as local president. Professors Charles Botts and Fred A. Hanawalt assisted with the plans.

Letters, telegrams, and cables from more than a hundred people unable to attend the dinner were bound with an attractive cover and presented to Dr. Schear.

A radio-clock was also presented to him, and an announcement was made that more than \$700 had been received for a special project to be given in his honor.

Captain Evan Schear of the medical corps of the U. S. Army, stationed at San Antonio, Texas, made the long journey to add to the further surprise of his dad.

## DOCTOR SCHEAR RETIRES

Prof. Hanawalt Made  
Department Head

Dr. E. W. E. Schear, '07, one of Otterbein's most beloved professors, retired at the end of the past school year after 39 years of distinguished service to Otterbein.

To Dr. Schear, more than to any other man, belongs the credit for the high rating of the Otterbein science department.

In his place as head of the biology department will be Professor Fred A. Hanawalt, '13, senior member of the Division of Science and Mathematics.

*Dr. Schear is a recognized scholar.* He earned the B.A. degree at Otterbein, the M.A. at Columbia, and the Ph.D. at Ohio State.

*He is a good teacher.* Hundreds of students will testify that he not only knows the subject matter but has the ability to communicate it to others.

*He is a loyal churchman.* Every Sunday he may be found in his regular pew. He willingly accepts any church responsibility.

*He is an active civic leader.* Every worthwhile enterprise receives his support. In lodge or club he does more than his share. In Boy Scout work, he holds a high district office.

*He is a trusted friend.* Perhaps no higher compliment can be paid to anyone.

## SPECIAL AWARDS MADE BY ALUMNI ASSOCIATION

### Distinguished Alumnus Award

A year ago the Alumni Council approved the idea of granting special awards to persons who have rendered distinguished service in their fields.

The first such award was made in June at the alumni banquet to Dr. E. L. Weinland, '91, who this year observed the sixtieth anniversary of his graduation from Otterbein.

Dr. Weinland has rendered outstanding service to the college as a trustee. For fifty-one years he has been a member of the board, and for the past forty years he has served as secretary.

His service to the alumni is unique. From 1892 to 1901 he served as treasurer of the alumni association. In 1901, exactly fifty years ago, he was elected president of the association and served for five years. He truly merits the Distinguished Alumnus Award.

### Honorary Alumnus Award

The Alumni Council also decided to acknowledge outstanding service to the college by individuals who are not graduates by making them Honorary Alumni.

At the alumni dinner Bishop Emeritus A. R. Clippinger and Henry C. Ochs were given honorary relations.

For thirty years the bishop served the central area of the church, the area in which the college is located. During all this time, he has been an ardent supporter of the college, sending his three sons here and serving on the Board of Trustees for the past twenty-six years.

A similar award was granted to Henry C. Ochs, Vice President of the Winters National Bank in Dayton and a member of the Board of Trustees for the past eleven years. He also serves on three important college committees—Finance, Investments, and Executive.

## The Development Fund

In the last issue of *Towers* we printed the names of all contributors up to press time. At right we print the record of giving by classes up to June 1. The January issue will carry the names of all contributors in 1951. If you have not sent your gift for this year (calendar year closing December 31), do it now before you forget it.

### THE BEST YEAR YET

The year 1951 promises to be the best since our fund was started in 1948. On June 1, 985 alumni and ex-students had contributed \$17,481.96, an average of \$17.74. Everything about our report is excellent except the number contributing—18.9%. If 65% of Dartmouth graduates can give to their college, why shouldn't that many Otterbein grads remember their alma mater? Surely the needs here are as great; surely that many Otterbein grads can give something. Do not feel that because you cannot give \$17.74, the amount of the average gift, you will give nothing. We receive many gifts of ten and five dollars and some even smaller. Give what you can afford—but give.

### MOST COMMON REASONS FOR NOT GIVING

1. Procrastination  
Fully 20% expect to give but put it off until it is too late.
2. Hope to give more later  
Another 20% fail to send a small gift because they think that they may be able to give more later.

**GIVE TODAY. IF YOU ARE ABLE TO GIVE MORE LATER, YOU CAN SEND A SECOND CHECK.**

Several Otterbein grads send a check to the college every month. Why not give regularly—monthly, quarterly, or semi-annually.

Coach and Mrs. A. A. Exendine

## CLASS REUNIONS A

A June, 1951 Commencement reunion, considered by many observers to be one of the most colorful and unique gatherings in Otterbein's history, was the result of a chance meeting of two members of the famous 1910 football team, Homer Lambert, captain and Walter Bailey, center.

Lambert contacted the great coach of the 1909, 1910, 1911 football teams, A. A. Exendine, (former captain of the Carlisle Indian football team when Jim Thorpe was a player), now with the U. S. Department of the Interior, Tulsa, Oklahoma. When Mr. Exendine enthusiastically accepted the invitation to be present, Lambert notified all members of the three teams. Bailey, now a member of the Otterbein faculty and alumni president of the class of 1911, started preparations for the big event sponsored by the forty year class and attended by members and rooters of the three teams.

As the "kick-off" for the weekend celebration, Professor and Mrs. Bailey had open house on Friday evening where early arrivals had the first opportunity to renew friendships of forty years ago and meet Coach Exendine and his charming wife. Next was the EXENDINE LUNCHEON held Saturday noon in the dining room of Cochran Hall, attended by eighty members of the three classes and twenty-five Exendine team members.

Park Wineland was toastmaster. Ralph Smith read the names of the deceased members, and letters from those unable to be present. President J. Gordon Howard welcomed the group and Rex John, President of the Class of 1911, responded. Professor A. P. Rosselot, long associated with Otterbein athletics, introduced the beloved Exendine who addressed his teams in his old intimate fashion. Short talks were given by team members and others. Professors G. G. Grabill and F. A. Hanawalt led group singing and presented an original skit.

After the luncheon the women relaxed in Garst Cottage, while the men moved over to Clements Cottage where many games were replayed, many goals recrossed and always sincere recognition given to the continuing influence of a wonderful Coach on the lives of the men present.

The party broke up after midnight with the men believing they had set a high mark for other groups to equal or surpass, but doubting if any group will ever have a more enjoyable time honoring a great coach and a great college.

# ND PARTIES ADD YEARS TO A PERSON'S LIFE

One of the best tonics we have to recommend to all graduates is a trip back to Otterbein for a reunion with college friends. On these and the two pages following we present pictures of seven reunions held on the campus on Alumni Day. When the time comes for your class reunion, don't miss it. Next June the classes of 1892, 1902, 1912, 1922, 1927, 1932 and 1942 will have reunions.

'Neath the trees of Old Otterbein  
We're welcomed home to-day.  
We come from the East, we come from the West,  
We come from the city's fray.  
We come from the North, we come from the South,  
From the mountains and over the seas;  
From the meadows broad and the rolling plain,  
From the city's hum and the battle strain.  
We come, dear God, we come  
With all our Faith, with all our Fears,  
With all we've sought throughout the years.  
Our hopes, our joys, our loss, our gain,  
Our tears, our laughter and our pain.  
We bring it all, all back again.  
To the feet of the same dear God  
We met at Old Otterbein!

—Caroline Lambert Charles

## Scholastic-Minded Alumni

Some folks have expressed surprise that music could come out of the Physics Department. Prof. McCloy to date has composed three songs dedicated to Otterbein. They are "The Sweetheart Serenade," "My College Hero," and "The Alma Mater Song." None of these has been published, for Prof. does this just for his own amazement.

Otterbein alumni officially represented their college at the inaugurations of two college presidents. Dr. Gerald Rosselot, '29, was present at the inauguration ceremonies of Omer Clyde Aderhold as president of the University of Georgia on May 9, and Dr. Harvey S. Gruver, '02, attended the inauguration of Harold C. Case as president of Boston University, June 3.

Otterbein graduates never seem to let up on book-learning, to judge by the number who continue their studies in graduate schools. Those receiving degrees this spring and summer are as follows:

WESTERN RESERVE UNIVERSITY: Clifford E. Gebhart, '47, Doctor of Medicine; Betty Jeanne Nichols, '49, Master of Science in Social Administration; Richard Dean Florian, '48, Master of Arts in Physical Education.

## Quiz and Quill Alumni Organize

At the annual Quiz and Quill breakfast on June 9, Mrs. Jean Unger Chase, '43, reported the beginning of an organized Quiz and Quill alumni unit to work cooperatively with the campus group. This organization is the result of a movement that began earlier this year in a joint meeting of the actives and alumni.

With William Brill as chairman, and Miss Mary Thomas '28 as secretary and treasurer, the alumni plan to expand the Quiz and Quill "News Letter," arrange joint programs with the student members, and stimulate continued creative work among the graduates. Interested alumni should write to Miss Thomas.
