

OTTERBEIN TOWERS

NEW YEAR'S ISSUE, 1951

THE EDITOR'S CORNER

Your editor takes this means to wish every member of the Otterbein family the greatest measure of health, happiness and prosperity in 1951.

On another page we announced a new policy on circulation; namely, that of sending the magazine to parents of students. Surely parents belong to our Otterbein family and we hope alumni will go out of their way to make them feel a part of us.

This issue includes the Development Fund report for 1950. It is a splendid record for a three-year old fund. Of the sixteen colleges in Ohio with published reports on giving (American Alumni Council), Otterbein ranks tenth in amount given, seventh in percentage giving and fourth in the average gift.

Our objective for 1951 is to put Otterbein at the top in percentage contributing. We do not want to concede that alumni in any college or university in Ohio are more loyal than those of Otterbein. The best tangible evidence of loyalty is a gift, of some size, to Otterbein. The gift need not be large, but it should represent each person's ability to give. Let everyone respond in some measure when the 1951 fund drive is launched.

The Cover Page

We present four Otterbein men who were elected to important political positions in the November elections. There probably are many others who were elected but notice did not come to the editor. Otterbein congratulates these men and wishes them well in their work. They are, top, left to right, Roscoe R. Walcutt, A '07; Horace W. Troop, '23; bottom, Earl A. Hoover, '26, and Richard V. James, '27.

ROSCOE R. WALCUTT, A '07

The new Majority Leader of the Senate of Ohio is Roscoe R. Walcutt, A'07, who has been a member of the Senate since 1943.

Mr. Walcutt is a lawyer by training and is a member of the Columbus, Ohio State, and American Bar Associations.

He is an active member of the Methodist Church, of various civic and fraternal bodies, and served six years as a member of the Mifflin Township Board of Education.

As Majority Leader of the Senate, he will be Chairman of the Rules Committee and one of the most influential members of the Senate.

He is married and has four children, three of whom served in World War II.

EARL R. HOOVER, '26

A new Common Pleas judge in Cleveland is Earl R. Hoover, '26, who defeated former State Senator Edwin F. Sawicki in the November elections. The Senator had been in the legislature for eight years.

Judge Hoover is well qualified for the office and had the endorsement of the Cleveland and Cuyahoga County Bar Associations, as well as that of all three Cleveland newspapers.

After graduating from the Harvard Law School, he served for several years as Assistant Attorney General of Ohio. Since 1932 he has practiced law in the city of Cleveland.

Earl is a former president of the Otterbein Alumni Association. He has been a college trustee since 1935.

Mrs. Hoover is the former Alice Propst, '28. They have one son.

HORACE W. TROOP, '23

Horace Troop, a member of the Otterbein faculty since 1924, was elected on November 6 to the House of Representatives of the State of Ohio. This will be his first term in the House.

Horace is a lawyer by profession, having received his LL.B. degree from Ohio State University. In addition to teaching Business Administration at Otterbein, he is the senior member of the law firm of Troop, Metz, Weinland, and Cone—all Otterbein graduates.

He is chairman of the Westerville School Board, a member of the First E. U. B. Church, and various civic and fraternal groups. He is a member of the college Executive and Investment Committees.

Mrs. Troop is the former Alice Davison, '23, and their children are Martha, '49, and William, Jr., '50.

RICHARD V. JAMES, '27

Another State Senator in the Ohio Legislature is Richard V. James, '27, of Magnolia, Ohio.

After graduating from Otterbein, he took work at Ohio State and Akron Universities.

He taught in the Canton, Ohio, high schools, for fifteen years, the last five of which he was assistant athletic director at Lehman High School. Since 1944 he has been engaged in coal and clay business in Magnolia, where he serves as mayor of the town.

He is a member of the E. U. B. Church, has been clerk-treasurer of his school district since 1944, and belongs to various civic and fraternal organizations.

He is married and has two children, Nancy, 8 and Tommy, 5.

MAYBE THERE'LL BE MORE TIME IN '51. Yes and No. There'll still be just sixty seconds in a minute and sixty minutes in an hour. YOU and YOUR ATTITUDE will determine how fast the seconds become minutes, the minutes become hours, and whether the hours turn into DAYS or DAZE. If you want more time, don't try to beat the hand around the clock—if you do, you're the one that will take the beating. With the approach of the WEEK-END, you'll find yourself so WEAKENED from your frantic marathon race with time that there won't be time to rest for the next round. As the one watch said to the other watch, "we must always tick together," so why not get in time with Time in '51, and see what fun it is to be alive. Will Rogers had the right idea. He was once asked what he would do if he knew he had but 48 hours to live. He replied "I'd live them one at a time." Try it! If you live them one at a time, you'll have more time in '51.

You'll be pleasantly surprised, too. Instead of always expecting the worst and generally looking as if you had just met it, you'll find time to be agreeable—you'll criticize no one unjustly—you'll not find unnecessary faults with things; and before you know it, you'll find yourself adjusting to things as they are instead of trying to adjust everything to your own desires. You'll take time to pat your friends on the back (and always high enough that they can consider it a compliment).

Too, there will be time for that quiet half hour during the day that you promised yourself in '50—time for a little quiet, undisturbed appraisal—time to enjoy the good things of life and the people who believe in you.

Yes, '51 gives us Time to do the things that our pipe dreams told us we wanted to do in '50—but we said we didn't have time; we'd wait till '51. So we salute '51—Another Chance to be a little more understanding of our fellows and a little more charitable in our judgments.

Dear Friends:

Since this is being written on January 1st, it is appropriate to wish you a Happy New Year.

Some people would raise the question: What is happy about it? How happy can we be with World War III apparently in its opening stages on the fringe of the Kremlin-controlled empire; with inflation playing hob with the fixed salaries of millions of people in the middle income group, including college professors; with stumbling leadership in high places at home and abroad; with the prospect of peace for our children apparently a vain hope; and with so-called military necessity snatching young men wholesale from colleges at the end of this academic year, depleting college enrollments and jeopardizing tomorrow's leadership?

As a matter of fact, happiness is never possible when defined in terms of satisfaction with one's environment, for always there are too many things wrong with the world and the people in it. But happiness is possible in the midst of storm if one possesses inner poise and courage and maintains the right relationship with God and man.

THE PRESIDENT'S PAGE

One reason for happiness at Otterbein College is that we are permitted to enjoy this current school year of 1950-51. It is one year of comparative calm and sanity sandwiched between the hectic period following World War II and the uncharted years ahead. Whatever comes, we can look back to 1950-51 and be glad for it.

Of course even before this school year is over, the men in school who are subject to Selective Service are being seized with a great restlessness. Some of them find the uncertainty so intolerable they leave school to enlist in the armed forces, usually the Air Force or the Navy. Some others remain in school but their uneasiness is reflected in skidding grades and waning interest in campus affairs. Most college men, however, despite the uncertainties of their future, reveal an ability for self-management and a resistance to external pressures with an inner fortitude which is admirable.

As we complete this school year and plan and work for next year, a vast store of wisdom and courage will be necessary. To balance the current budget will be a herculean task. To find more students to fill the vacancies created by the wholesale exodus into the armed forces will require persistent and ingenious effort. To adjust the faculty and administrative staff to fit the conditions of lower enrollment and lesser income and at the same time maintain a high grade academic program is a responsibility which will tax the most resourceful college trustees and administrators.

Unless we have a shooting war, the men will be coming back to college two years from now, and the indications are that thereafter college enrollments will materially increase. By 1960 college attendance will reach an all-time high.

The situation is hard, but not hopeless. We believe Otterbein College has a mission to perform. We must plan wisely, work vigorously, cooperate enthusiastically, and pray sincerely that the Otterbein of the immediate present and the ultimate future will continue to fulfill her responsibility to God and all mankind.

Most Cordially,

J. Gordon Howard

A New Nursing Curriculum

Otterbein College has developed a cooperative program with Grant Hospital School of Nursing, Columbus, Ohio, which enables a student to complete the requirements for a Bachelor of Science in Nursing degree from Otterbein and a diploma from the School of Nursing. These requirements may be met by completing a three year curriculum at Otterbein College and two years and four months work at Grant Hospital School of Nursing. There is a possibility that similar arrangements may be made with other good hospitals.

A REPORT ON ALUMNI CLUB ACTIVITIES

AKRON

The Akron Alumni held a picnic at the Airport Shelter House on Sunday afternoon, September 30. Following the recreation period a basket picnic was served. Mrs. W. C. McKnight (Ruth Hayes, '27), Mrs. Wesley Snyder (Gladys Nichols, x'29) and Mrs. R. C. Bolin (Genevieve Tryon, '42) constituted the committee.

CLEVELAND

One of the most delightful meetings ever attended by the Alumni Secretary was held on Sunday afternoon, October 15, at the home of Mr. and Mrs. Carl Byers, '32 (Bertha Durfee, '32). About fifty people were in attendance. Dr. Wade Miller reported on the college and general questioning and reminiscing followed. Plans were made for regular meetings and the club promised its support in sponsoring a concert by one of the music clubs from the college.

CINCINNATI

About thirty people turned out for the Sunday afternoon barbecue at the home of P. A. "Tim" Newell in Cincinnati on Sunday afternoon, October 28. Good food (*a la chef* Newell), sociability and fun characterized the meeting. President J. Gordon Howard was the official visitor from the campus.

DAYTON

One hundred thirty alumni and guests were present for the alumni dinner served by the Fairview church in Dayton on Friday night, November 17.

The General Conference of the Evangelical United Brethren Church was in session in the city and many alumni from far and near who were delegates to the conference attended the meeting. Richard Allaman, '33, president; George Curry, x'42, vice president; and Ruth Hovermale, '49, secretary, constituted the planning committee.

SOUTHERN CALIFORNIA

The Otterbein Club of Southern California met on December 9 at the Martha Washington Restaurant in Eagle Rock with 33 percent.

President J. Warren Ayer, '07, conducted the meeting. The program consisted of transcribed college songs; transcribed greetings from President J. Gordon Howard and Alumni Secretary Wade Miller; movies of the homecoming football game; movies taken by Mr. Ayer during the 1949 commencement week; and general reminiscing. The next meeting will occur in the spring.

TO A SON AWAY AT CAMP

Alumnus Phil Deever, '34, has put down in verse how many dads must feel at times during the summer.

The grass is getting taller,
And the auto needs a bath;
The weeds don't get no smaller,
And the fish bowl water hath
A kind of yellow dirty look
As though a change were due.
We cannot find a funny book;
It must be 'cause of you!
We know you love the water,
And we know you're having fun;
And we know we hadn't oughter
Spoil the fun of any one.
So we'll send out this reminder
In a gentle sort of way,
Of the jobs you left behind yer
When to camp you went away.
Too bad,
Your Dad.

Keep up the good work, Phil! Writing poems, we mean! This makes you a contemporary of Robert Frost, Ogden Nash, Carl Sandburg, and others. *Ed.*

Alumni In Tokyo, Japan Hold Meeting

On Saturday, September 16, on the invitation of Tadashi Yabe, '24, the Otterbein alumni of Tokyo, Japan, met at Kantoku-tei, Koraku-en Park, Tokyo, for fellowship. Although eight were present, only seven are in the picture. Mr. Russel J. Singer, '16, arrived after the picture was taken.

Pictured above are Mrs. Kenneth Bunce (Alice Shively, '33); Mrs. Maski Kumagai (Ina Gammertsfelder, '24); Mrs. John Shively (Beulah Feightner, '33); John Shively, '33; Dr. Tadashi Yabe, '24; Dr. Ross Lohr, '27; and Dr. Kenneth Bunce, '30.

A New Reading Public

We welcome with this issue a new reading public—the parents of Otterbein students. The decision to include them was made by the Alumni Council on October 21. Below is a copy of the letter written by the editor to parents informing them of the council's action:

TO ALL PARENTS OF
Otterbein College Students

Dear Friends:

At the last meeting of our Alumni Council it was decided that we would send to you each issue of the Otterbein TOWERS, our alumni magazine.

It was our feeling that you would be especially interested in Otterbein now while a member of your family is in college.

You will keep in mind that this magazine is written primarily for alumni. But we are anxious for you to learn to know our graduates who are leaders in all walks of life, who are found in every state and on every continent, and who are some of the finest people in the world.

We are proud of our graduates and that member of your home who will soon join the ranks of our far flung Otterbein family.

The TOWERS follows our graduates to the ends of the earth and is our way of holding our college family together and keeping the sons and daughters of Otterbein in touch with each other.

We hope you will enjoy the magazine as our alumni do. We invite your comments, suggestions and criticisms.

You may expect the next issue around the middle of January.

Very sincerely yours,
Wade S. Miller,
Editor, Otterbein TOWERS

GENERAL CONFERENCE ACTIONS

The quadrennial meeting of the General Conference of the Evangelical United Brethren Church was held in Memorial Hall in Dayton, November 10-20.

Three Otterbein graduates returned to office for new four-year terms as follows: Ira D. Warner, '11, bishop of the Pacific area; Janet Gilbert, '18, executive secretary of the Women's Society of World Service; and U. P. Hovermale, '21, executive secretary of the Department of Church extension.

Increased Financial Support

The conference approved an annual \$22,000 general allocation to Otterbein College, and in addition, the college will share to the extent of 9% in an annual denomination wide offering to be received on Education Day in September. The goal for this offering will be \$100,000, and if raised, will mean \$9,000 for Otterbein. Thus, it is possible for the college to receive as much as \$31,000 annually during the next four years.

During the past several quadrennia Otterbein has been receiving \$12,500 annually.

Attention

FORMER CHOIR MEMBERS

A. R. Spessard

Former members of the choir of the First Evangelical United Brethren Church in Westerville (the College Church) who sang under the direction of Professor Arthur Ray Spessard are invited to return on April 22, 1951, to participate in the observance of the one-hundredth anniversary of the organization of the church.

Professor Spessard served as choir director for thirty years and scores of college young people sang under his direction. He will present a chorus of former choir members as a finale of a week's celebration of the anniversary.

Former choir members are asked to contact Mrs. Ralph W. Smith, chairman, the Observance Committee, First E. U. B. Church, Westerville, for further details.

CLASS REUNIONS

Classes of 1901, 1911, 1921, 1926, 1931 and 1941 will hold reunions on Alumni Day, June 9. This is your invitation. Details will come from class presidents at a later date—but start planning now the trek back to the campus. Members of the classes of 1901 and 1926 should make special effort to be back for their fiftieth and twenty-fifth anniversaries, respectively.

Special Gifts Received

Since the last TOWERS was printed a number of special gifts have been received as follows:

BEQUESTS: A bequest of \$1,000 was received from the estate of the late Dr. James C. Steiner, '15. A check for \$2,311.24 has been received from the executors of the late Marshall Fanning, '94, estate. Both Mr. and Mrs. Fanning died within the past year.

SCHOLARSHIP FUND: Miss Cora Scott, '91, has added \$1,000 to the scholarship fund she established some years ago. The fund now amounts to \$2,000.

MUSIC RECORDS: Mrs. John Hoffstatt, of Greensburg, Pennsylvania, gave \$250 to the college for the music records library.

MUSIC: Miss Ella Barnes, '07, gave to the music department several collections of vocal music. Prof. Glenn Grant Grabill gave a rare collection of music for two pianos.

BINOCULARS: Prof. Fred Hanawalt, '13, gave \$40 for the purchase of one pair of binoculars for the science department.

THE FANNINGS

As announced above, Otterbein received \$2,311.24 from the estate of Dr. and Mrs. Marshall Fanning, '94 (Mary L. Murray, '94). The will stipulated that the income from the fund should be used to purchase books for the library.

In the death of the Fannings during the past year, Otterbein lost two of her most devoted graduates. Their home in Boston was always open to Otterbein friends. Their great interest was in books and through the years they gave to the Otterbein library some of the choicest books in their collection.

The Otterbein librarian, Mrs. Mary Crumrine, '07, reports that for the past fifteen years the Fannings sent their copies of the *Harvard Alumni Bulletin*.

The crowning honor of Dr. Fanning's life was his membership in the Boston *Athenaeum*.

A NEW CLUB ORGANIZED

The Development Fund Board on October 21 authorized the organization of a new club to be known as the Centurion Club, with its members known as Patrons of Higher Education.

Realizing the need for a larger number of men and women who will give substantially each year to the support of Otterbein, this club is being organized with an immediate goal of 100 members giving a minimum of \$100.00 each year for a 100 year old college—Otterbein.

This is not meant to discourage giving smaller amounts. In many instances, the person who gives \$5.00 makes more of a sacrifice than the person who gives \$100.00. On the other hand, the person who can afford to give \$100.00 should not be satisfied to give only \$5.00, \$10.00 or \$50.00. The emphasis in development fund programs everywhere is changing from "a gift from everyone" to "everyone giving according to his ability to give."

It is hoped that those members of the Otterbein family who can give \$100.00 or more will do so and thereby encourage others. Gifts may be paid in installments; divided between the classes of husbands and wives; and counted in the regular development fund program.

Those who give in 1951 shall be known as Charter Members. Already a number of persons have indicated their desire to be organizers of the club. Those enlisted to date are:

FACULTY NOTES

DR. JOHN CLIPPINGER, '41

At the October meeting of the Columbus and Franklin County Ministerial Associations, Dr. John Clippinger, '41, gave two lectures and led a discussion. The first hour dealt with *A Short History of Pastoral Counseling* and the second concerned *Management of Guilt Reactions*. He also spoke at the December meeting of the Columbus Academy of Osteopathic Medicine on the subject *Counseling Techniques for Physicians*.

DR. PAUL FRANK

Dr. Paul Frank recently won scholastic recognition by having his book *The Concept of Musical Romanticism in the Light of the Comparative Criticism of Style* accepted for publication. The work is the second volume of a series of book-length studies in musicology.

Since last May, over an FM station in Chicago, Dr. Frank has had a weekly radio program with the title *Interpretations of Music*. He travels to Chicago every five or six weeks and records his programs on tape for broadcasting.

PROFESSOR LAWRENCE FRANK

Last summer Professor Lawrence Frank was named Sub-Dean of the Ohio Chapter of the American Guild of Organists.

ANNUAL REPORT ON THE DEVELOPMENT FUND

On this and the pages following you will see the report of the 1950 Development Fund. It is an excellent record when compared with that of other Ohio colleges. On the other hand, Otterbein alumni should not be satisfied as long as there is any college anywhere in which a higher percentage of alumni make contributions.

At the present time we have a goal of 63% to shoot at for this past year alumni of Dartmouth set the percentage record with the number participating, followed closely by Vassar with 62%.

Actually, we will settle in 1951 for the best record in Ohio—that record being held at the present time by Wooster with 35%. Let us adopt as our slogan for next year—"Second to none (in Ohio) in 1951." It is a goal we can reach.

OBSERVATIONS

NUMBER OF CONTRIBUTORS

We show a small but steady increase in the number contributing 986—1,071—1,168. Our chief difficulty seems to be that we lose almost as many contributors from one year to the next as we gain new ones. During 1950 we gained 412 new contributors over 1949; but, we lost 314 who contributed in 1949 leaving us a net gain of 98 for 1950. This has been true during each of the past three years. Of the 986 contributors the first year, 560 have a perfect record of giving for the three years. Let every alumnus put his college in his budget for an annual gift, just as he does his lodge, service club, community chest, church and Red Cross.

PERCENTAGE CONTRIBUTING

The Otterbein record of 23.7% of alumni contributing is about average for the nation and places us seventh from the top of the sixteen Ohio colleges with annual fund drives.

In this column there is no reason why Otterbein should not be at the top. Obviously everyone should give according to his ability, but no one should decline to give simply because his gift must be small.

Two factors contributing to a low percentage are (1) the large number of academy and special students, many of whom attended Otterbein only a few months and do not have ties as binding as others; and (2) the large number of recent graduates who are just getting started in their jobs, are establishing homes, and, therefore, are hard pressed for funds.

BISHOP CLIPPINGER RETIRES

After twenty-nine years in the bishopric and having reached the retirement age, Rev. A. R. Clippinger, senior bishop of the Evangelical United Brethren Church, requested retired relations at the recent session of the General Conference of the church held in Dayton, Ohio.

The church conferred on him the highest honor it can bestow upon its retired servants—the rank of Bishop-Emeritus.

The Dayton *Journal* had this to say about the bishop. "The membership of the E.U.B. Church and the people of the Dayton and Miami Valley area, of whatever denomination, have known and felt the energy and the beneficence of this outstanding Protestant churchman. They cannot but greet the inevitable retirement which brings to a close the active phases of a full and useful life with mingled feelings of pride and regret."

Although not an alumnus of Otterbein, no one worked harder for nor was more interested in the success of Otterbein than Bishop Clippinger. The best proof of this statement is the fact that his three sons, Conrad, '35, John '41, and Malcolm, '43, attended Otterbein. Further proof, if needed, is that he has been a member of the board of trustees continuously since 1925. His continuous term of service on the board is exceeded only by that of Dr. E. L. Weinland, '91.

Without question, he and his brother, the late President Walter G. Clippinger, are more responsible for the strength and prestige of Otterbein than any other two men living or dead.

The entire Otterbein constituency wishes the bishop many years of happiness in the retired relation he so richly deserves.

THE AGE OF MIRACLES

Do you believe in miracles? No? Then you should have heard Rodney Huber, '16, as he addressed the combined Columbus Kiwanis and Columbus Petroleum Clubs at the Neil House on October 16.

The occasion was the observance of Oil Progress Week. The choice of Rodney Huber was natural, since he is general manager of retail marketing for the Gulf Oil Corporation. Before assuming his present position a little over a year ago, Rodney was manager of advertising and sales promotion for Gulf Oil.

SERVING IN ALL CORNERS OF THE WORLD

Wherever there is service to be performed, you are likely to find an Otterbein grad. Take Hawaii, for example—there you will find Arlene N. Thompson, '34, a credit to the nursing profession. She was recently elected president of the Territorial Nurses' Association after serving a term of office as president of the Territory of Hawaii League of Nursing Education.

A few months ago she was appointed by the Governor of Hawaii as a member of the Territorial Board of Nurse Examiners. She was also appointed by the American Nurses' Association as a member on the A.N.A. Committee—Florence Nightingale International Foundation.

OTTERBEIN SCHOLAR HONORED

Harold Platz, '35, Professor of Biblical Literature in Bonebrake Theological Seminary, is one of a group of American and British scholars now engaged in the task of preparing a new and more accurate edition of the New Testament. Professor Platz is serving on the Commission for the Study of Greek Manuscripts.

SPECIAL TO ALUMNI IN ILLINOIS, MICHIGAN, INDIANA AND WISCONSIN

Alumni in the above states will be glad to learn of the appointment of Mrs. Elvira Baker, of the Educational Counseling Service, as mid-west representative for Otterbein College.

Mrs. Baker has her office at 185 N. Wabash Avenue, Chicago, and will be glad to meet Otterbein alumni at any time.

The college requests that alumni in the above areas refer prospective students to her for specific information. Or, if alumni prefer, they may continue to send names to Otterbein and the admissions office will forward them to Mrs. Baker.

Mrs. Baker's telephone is FInancial 6-2592. Otterbein College is also listed under the same number.

FOOTBALL WIDOW WIDDOES

Viola Widdoes can't help but feel that there's something in a name. Years ago men bore names appropriate to their occupations. Today the name Widdoes is associated in Ohio with football. But to Mrs. Widdoes it is a more accurate representation of her role as a football widow.

Her husband Carroll C. Widdoes, who has been her football hero since their Otterbein College days in the 1920's, is now athletic director at Ohio University in Athens. Back in 1944, when coaching at Ohio State University, "Wid" was elected "coach of the year." It was then that Mrs. Widdoes felt her widowship most keenly.

Elated over the honor bestowed on her husband, Mrs. Widdoes accompanied him to New York City to accept the award. No sooner had she arrived in the city than she was brusquely informed: "Sorry, Mrs. Widdoes, the award dinner is a stag affair." The excitement of seeing New York for the first time couldn't quite make up for being thrown out of the game at such a crucial moment.

Though circumstances have pushed her into this position time after time, as far as football goes, she has refused to become a 100 per cent athletic widow. She learned to play golf and now finds herself far more understanding about late dinners or warmed-over meals. "I've come to realize that you can't always predict how long nine holes will take, and that one just doesn't leave in the middle of the seventh hole because supper might be waiting," she says.

Her game is far from a meager attempt. During the eight years Wid was at Ohio State University, she won the women's university golf championship five times with a game that's in the mid-80's. At least twice her 79's have broken course records for women. Once in Canton, the other time in Johnstown, Pennsylvania.

As co-ed Vi Peden, she took high honors at a

women's track meet at Otterbein in 1928. She garnered 20 points for placing first in the shot put, heaving it 30:3; the javelin throw, for a 64:4½ pitch; a 66-foot basketball toss; and a 169:4 baseball throw. She already had won prizes in similar events and in the 100-yard dash in high school. But the closest she ever came to playing the sport for which her family is best known was when she wore football garb for a skit in her college days.

She's still chalking up firsts. This year it's in bowling, where her 151 average tied for high individual mark in a women's league in Athens. She also rolled up a tie for first among the women in a mixed league.

Interested in athletics all her life, Vi Peden majored in home economics at Otterbein because physical education was not offered as a major at the time. But she was able to minor in the latter and did play on the basketball, hockey and volleyball teams with the bloomer girls of her day.

The Widdoes have three sons all of whom like to play with the pigskin. Dick, the eldest, is now in dental school at Ohio State University and was defensive halfback on the 1949 championship team. He held down the same position in 1950.

Jim, a senior at Athens High School, has been star quarterback for the Bulldogs for the past two years. Another rabid football player is 10-year-old Tommy, a sixth-grader at Athen's East Side School.

Mrs. Widdoes has been a faithful football fan through the years, attending the games of husband and sons whenever possible. She likes to sit among the spectators and usually gets a chuckle out of the rantings of the overly-enthusiastic.

Among the collection of trophies on the upright piano in the Widdoeses' dining room are the Stark County husband-and-wife golf trophy of 1937 and the 1936 father-son golf trophy, which Dick helped win at the age of 6. Trophies also are scattered about on end tables and window sills to remind one that

Student Prospects

Surveys show that alumni play a major role in causing students to select a particular college. You, Mr., Mrs., or Miss Otterbein Grad., are acquainted with the very boys and girls we should have as students. We need their names. They need what Otterbein has to offer. You hold the answer. Send their names at once. We must have your help if we are to maintain a good enrollment next fall. Eligible boys are being called into service. We must work hard to enlist girls and those men not likely to be called. The competition for these eligibles is keen. Let every grad become a recruiter for Otterbein.

BULLETIN BOARD

Winter Homecoming

The Winter Homecoming is scheduled for Saturday, February 10. Don't miss it. The basketball opponent will be Heidelberg.

Church Centennial

Note the article on page 6 concerning the Centennial of the college church and the parts to be played by Professor Emeritus Spessard and those who formerly sang in his choirs.

Binoculars Needed

Professor Hanawalt reports that he needs several more binoculars for his ornithology course. A set can be purchased for \$40.00. Perhaps alumni have field or opera glasses no longer needed. Send them to Mr. Hanawalt, or \$40.00 to buy a set. The donation will count as a gift to the Development Fund.

Class Reunions

See page 6 for an announcement about class reunions. Make plans now to attend.

Cowan Hall Dedication

Bad weather and other difficulties have slowed down construction on the chapel-auditorium. It is hoped and believed that the building will be ready for dedication at commencement. Not often do alumni have an opportunity to see a college building dedicated, so "Come On Down to Otterbein" for commencement and the dedication.

Help Wanted

The most important request made in many years is the one on page 15 for student prospects. Otterbein faces a much smaller student body next year *unless, unless* each graduate does something to help enlist promising students. The least you can do is send names of prospects.

A CAPPELLA CHOIR TOURS

The A Cappella Choir will travel to southern Ohio and West Virginia during its annual spring tour. The first concert will be given in Middletown on Sunday afternoon, February 25, with an evening concert at the Dayton Oak Street E.U.B. church.

By the middle of the week, the choir will be in Parkersburg and Clarksburg, West Virginia, and in southern Ohio by the 2 and 3 of March to complete the trip.

Later in the spring, starting March 25, the choir has tentative plans for a southern trip, giving concerts in Tennessee, Kentucky, Florida and Georgia.
