SEASON OPENS

OTTERBEIN DEFEATS S. O. M. U. BASEBALLERS.

Prospects for Coming Games
Bright—Rain Prevents Friday's
Game.

Otterbein's interest no longer centered upon indoor athletics has turned to the outdoor sports. The Baseball season has been opened and the first defeat has been handed to Otterbein's opponents. The breezy bunch of Ohio Medics, Tuesday April 11 were the first to receive torture when they met with the local boys on the Westerville diamond. Although they played a fairly tight game, they went back to Columbus realizing a four to nothing defeat.

Both Otterbein and the Medics were weak at the bat, only eight hits being made during the game. However Calihan bested his opponent, and showed himself to be the same old main stay. Otterbein's work on the bases proved the local nine's superiority, and had the O. U. men lined a few more safties out, the score would have been considerable larger.

The line up was somewhat changed owing to the absence of John at first, and Funk at third base.

The scoring was done in the first and fourth rounds. In the first Funk got in by an error Young scored after getting hit by a ball, when L. Calihan drove out a slashing three bagger. In the fourth fframe two more were

Miss Anna V. Zeller

made. Fouts got on base by an error; Hemminger walked. Both advanced a base on a passed ball and came home when Wineford secured a single.

MATTIS WINS

Local Peace Contest Held Friday Afternoon.

As the result of the local Peace contest Friday afternoon W. L. Mattis will represent Otterbein at the state contest which will be held in Westerville next Friday afternoon and evening. Three men contested in the local contest. Mr. Mattis received first honors, H. E. Bon Durrant, second, and C. V. Roop third. The judges were Prof. Cornetet, Dr. Jones and Dr. Snavelly.

Mr. Mattis' experience in oratorical work and his excellent showing in the local contest make sure that Otterbein will be well represented.

Meet Called

Owing to the conditions of the weather the dual meet with Ohio Wesleyan University, which was to be the big event on last Saturday afternoon, was called off. track on account of the late rains was in such deplorable condition as to be good only for some aquatic sport. The speeders however will not go stale from lack of work. The management will in all probability secure Athens for Saturday, May 6.

Rain Reigns.

The weather man again held the upper hand, and the contest between Denison and Otterbein which was to be the drawing card for last Friday afternoon was postponed. Arrangements have been made for another date with this team nine will don their uniforms, preparatory to a victory over the boys from Granville on either Thursday or Friday afternoon of this week.

DEATH SUMMONS

TAKES USEFUL LIFE FROM OTTERBEIN'S MIDST.

Miss Anna Zeller Whose Death
Occurred April 13 Was Fer-
vently Devoted to Her
Work.

Following several weeks of intense suffering borne with remarkable fortitude and patience Miss Anna V. Zeller, matron of Cochran Hall, passed away at 8:30 on the morning of April 13 in the St. Elizabeth hospital at Dayton. Her death was due to a cancerous disease from which she had been suffering since early in February. Since that time until within two weeks of her death Miss Zeller although greatly weakened and enfeebled by her illness remained at her duties at the hall maintaining an ever constant interest and devotion to her work and the welfare of the girls. About two weeks before her death she was compelled to leave for her home in Dayton where after medical examination she was advised to enter St. Elizabeth hospital for operation. She was accordingly removed to the hospital on Saturday, April 8, where the operation was performed. It was found that her death was only a matter of a short time and from that on she gradually grew weaker, death coming to her relief the following Thursday.

The funeral was held in the chapel at the Woodland cemetery at Dayton, Saturday, April 15, at which cemetery interment was made. The services were in

MEN WHO KNOW
COME HERE FOR SHOES!

17 EAST GAY STREET,

Columbus, Ohio.

NO NEAR-FITS HERE

Perhaps you have had a near-fit some time in the past, a shoe that felt very good in the store but hurt your feet while wearing them. It is very true that some who attempt fitting feet don't know how and somewilfully misfit, it being a question with them of simply getting the money. Often the store is out of the exact size that you wear in the style you like so sell you a near-fit trusting to luck in their causing corns and serious annoyance.

Our policy is different, the shoes are the best that can be sold for the money, the salesmen understand the anatomy of the feet and we can fit your foot right in a style you like, with the absolute assurance that if by any means they do not come up to your expectation we will make them right.

Prof. Weinland Speaks at Y. M. C. A.

Prof. Weinland delivered a very interesting and helpful address before the men of the Young Men's Christian Association Thursday night. He clearly pointed out many striking lessons from the life of Elijah for the man of today.

Elijah was born in a period of corruption of morals and religion. Instead of being pulled down by the tendency of the age he was inspired to be a prophet. Whenever the hordes of corruption and evil have control, there is always a force working for the correction of these evils and the elimination of corruption. Elijah was the voice of God which cried out in a corrupt age. The voice of God is always crying out for right.

Elijah had the qualities of leadership. He cultivated a strong body and a holy spirit. That thing which predominated above all else in his life was attitude. Attitude is what we actually are and do, not merely what we think. Elijah assumed a stern, unflinching attitude against the evil of the day in both low and high places. This great character maintained his unflinching attitude in the face of both physical and mental defeat.

The factors of his attitude are largely accountable for his success.

He arose above his environment. Man's environment and even his heredity can be moulded into true living. Elijah lived apart with God. God sustained him.

Elijah's life teaches us that our attitude has a definite effect on ourselves and on others. If we assume a firm, noble attitude we will become strong. If we follow a weak cringing attitude we will be of little force. Our influence will mean but little to others unless we have a definite and positive attitude. The attitude of college men ought to be of the manly nature. We ought to have a determined attitude on the questions of the day, both moral and political. If we assume a belligerent attitude our influence will be good. If we are passive our influence is worse than nothing. Success is the measure and quality of our influence.

Elijah stood square with the world on his two heels. He was

both fair and square. Elijah became a powerful and successful man. May we incorporate in our lives the qualities which made Elijah a real man.

Y. W. C. A.

"The College Girl's Intemperance" was the subject at Y. W. C. A. last Tuesday evening. Grace Coblentz was the leader. She told the story of Benj. Franklin who when a boy paid for a whistle three or four times its actual value. Are we not, as college girls paying too big a price for a good many things?

We as college girls are inclined to be intemperate in our use of language. We use extravagant phrases for little things and then when we really have something great or terrible to tell we are without words to express ourselves.

The college girl is often intemperate in her dress, her eating, her money, and in her waste of time.

We often think we cannot do many of the things we are asked to do as we think we have not time.

But "We can all do more than we have done,

And never feel any worse,
It was never loving that emptied the heart,

Or giving that emptied the purse."

STATE PEACE CONTEST

Will be Held in Westerville Next Friday.

Twelve different Ohio colleges will be represented in the State Peace contest which will be held in Westerville Friday. On account of the large number of contestants the program will be divided into two parts. Part I. will be given at 3 p. m., and Part II. at 8 p. m. The College Orchestra and Glee Club will furnish music.

This contest bids fair to be one of the best in the history of the State Association according to the prediction of Secretary Prof. S. F. Weston. Otterbein is indeed fortunate in securing this state wide contest and it is sincerely hoped that students, faculty and the people of Westerville will give the contestants a large and attentive hearing. Admission is free.

Baseball—Rain vs. Otterbein—Admission free—No one invited.

The present issue of the Review marks another anniversary in the history of this publication and next week will find a new staff in control. That mistakes have been made is an admission freely granted for college publications at their best seldom reach perfection. But in publishing this weekly we have attempted to keep two essential requisites in the foreground, viz.; the publication of a symmetrical college paper not allowing personal prejudice to play any part whatsoever; and the giving of an optimistic and boosting attitude to Otterbein's every interest. How far we have succeeded in this aim is for our readers to judge.

We wish to thank contributors, readers and all who have helped to make possible the successful termination of another year in the history of the Review. We have enjoyed the spirit of co-operation.

To the members of the new staff we commend Otterbein's weekly with our heartiest wishes for their unbounded success.

It seems to be one of the traits of human nature—rather human weakness—to become blind to the good qualities of another until after they have gone never to return. It was only fitting and proper that services be held yesterday in memory of Miss Zeller

and that beautiful words be spoken concerning her life. In these words were found unmistakable facts, truths bearing no exaggeration. Miss Zeller was an earnest Christian woman, she was devoted to her work, she loved the girls whose care was entrusted to her, she prayed for their welfare, and her ideals were of an inspiring and uplifting character. Yet all these traits, while surely known, could not have been appreciated to their fullest extent while she was engaged in her active duties. But this is only one example of the multiplicity of others for whom eulogies have been spoken and even monuments erected after death but who while living had received little or no expression of appreciation for the work accomplished at their hands. One word of encouragement and good cheer addressed to the living is worth countless eulogies or monuments in memory of a departed friend.

COCHRAN HALL ITEMS.

The return of the girls to Cochran Hall was saddened by the knowledge that Miss Zeller had gone never to return. Each girl feels that she has lost a true friend.

Mary Bolenbaugh, Margaret Gaver, Hortense Potts and Gertrude Meyer are at Indianapolis attending the Y. W. C. A. Convention there.

Irene Staub was at her home in Dayton from Thursday to Sunday last week.

Esta Moser had as her guest over Sunday, Miss Gladys Lynch, of Van Wert, O.

Another new girl, Miss Goodwin, is welcomed among us.

A number of the girls attended the Student Volunteer Convention at Columbus on Saturday.

Mary Shiffler spent Sunday at her home in Gahanna.

There was great surprise in the Hall on Wednesday morning when we learned of the marriage of Miss Nevada Emrick to Mr. Alvin Sherbine of Johnstown, Pa. Mr. and Mrs. Sherbine are now traveling abroad.

Miss Lucy Huntwork of Basil, O, visited her sister Marie on Saturday.

DEATH SUMMONS

(continued from page one)

charge of Dr. W. J. Shuey assisted by President Clippinger.

Two beautiful floral tributes were presented by the girls and the members of the faculty.

Memorial services at Westerville were conducted yesterday in the chapel. Just before the opening of the services the girls of the Hall dressed in white took their places in the middle tier of seats which had been reserved for them. After the pastor's address who dwelt on the christian life of Miss Zeller, Miss Detwiler in behalf of the girls and Dr. Sherrick for the faculty beautifully expressed their appreciation of the life of the one departed which had meant much to all who had come in contact with her high ideals.

Miss Zeller was born in Germantown, Ohio, April 14 in the year 1846 making her age one day less than 65 years. She received her education in the Dayton public schools graduating from the Steele High school. She was especially talented in vocal music and for a number of years was a teacher of that art. For twenty years she sang in the quartet in the first U. B. church at Dayton in which organization were Judge Shauck and A. S. Kumler.

Five years of her later life Miss Zeller devoted to the care of her aged mother. At the death of her mother she made her home with relatives in Dayton to whom she was devotedly attached.

Miss Zeller was a devoted christian woman. She had been a member of the First U. B. church at Dayton before coming to Westerville and while there took an active part in every department of the church especially in the Sunday school in which she had taught for a number of years. At the time of her death she was a member of the U. B. church at Westerville at whose religious gatherings she was always in attendance.

Five years ago when Cochran Hall was opened Miss Zeller was secured as matron to the girls. Coming into this new department at Otterbein with the natural barriers for progress which usually accompany the launching of a new department, Miss Zeller possibly overcame these difficul-

ties with an acquisition of efficiency which few other women could have accomplished. Nothing was left undone for the comfort and welfare of the girls for whose every interest she had a keen and motherly regard. She was devoted to the interest of the entire school and its success and prosperity were her own.

With her lofty ideals which found expression in the accomplishment of her work in which she had a devoted and untiring interest the memory of Miss Zeller will always be one of reverence and respect to all with whom she had come in contact.

TENNIS "O"

Will Be Granted by Athletic Board—Amendments to Track Rulings Considered.

That tennis is hereafter to be regarded at Otterbein as a recognized collegiate sport was made manifest this morning when H. P. Lambert read before the student body a list of amendments to the athletic rules which will be discussed and acted upon two weeks from today. These amendments provide for the granting of an "O" with the necessary requisites. Amendments are also made inserted in regard to the awarding of the track team "O." The amendments read as follows:

Insert in Article IV, Sec. IV. (5) The number of intercollegiate tennis tournaments shall not exceed six.

Article V Sec III to read

It shall be the duty of the Athletic Board to elect Managers for all Athletic teams. Those for football and basketball shall be chosen not later than two weeks after name of captain has been reported, but baseball, track and tennis managers shall be elected in second semester by old athletic Board.

In Article IX Sec. (b) (5) "The Varsity "O" may be awarded at the discretion of the Athletic Board to men who have played four full tennis matches in either single or doubles, of intercollegiate tennis."

The requirement of track shall be amended to read; Article IX Sec. 1 (4) "The Varsity "O" may be awarded at the discretion of the Athletic Board to men who have won in competition eleven points in a track season.

OTTERBEINESQUES.

Prof. West—"What is a figure of rhetoric?"

Arthur Lambert—"A scarecrow."

Professor—"You ought to be ashamed of yourself. Why, at your age George Washington was a surveyor."

Student—"Yes, I know, and at your age he was president of the United States."—Ex.

F. E. Williams of Chicago Junction waxes poetic during classes as follows:

"Do you know what ails our Campie

That he looks so kind o' mean?
Well the measly little scampie
Would like to see Irene."

"He has a fluttering love pain
Stitching in his heart
Which was placed there
By little cupid's dart."

Answers to correspondents on Delicate Subjects,

Note—We shall now attempt to answer a number of the queries which have come to our desk from time to time. We trust they will answer your purpose and add to your happiness.

Uncle Sim,
Snake Editor

"Pat"—Perhaps the fellows are jealous because you have more private interviews with the college president.

"Short One"—"Don't worry about it. Doesn't the good book say, 'Who by taking thought can add one cubit to his stature?'"

"First King of Israel"—"You say you are the son of a preacher and she the daughter of a minister. It will be perfectly all right for you to marry her any way. First get her consent."

Miss Stephens—"You are confused in one initial. It was E. E. Hale and not E. N. Hale who wrote 'The Man Without a Country.'"

"Puff"—The fact that you are mistaken for a college professor is no sign of a duck's nest. Some people are mighty poor judges. If the faculty knew the blunders you would probably be expelled.

"Bacon"—Your recent case of chicken pox need not interfere with your matrimonial possibilities.

"Spludge"—The surest way for you to make a splash in the

world is to jump into Alum Creek.

Edith B.—Wagner's music ought to be especially pleasing to you.

"Alone"—"Your lucky star was a meteorite and went to smash. Bear your own sorrow."

"Skinny"—A safe calling for you would be missionary work among the cannibals. Reduce your weight a few ounces and you will live forever, as far as the cannibals are concerned.

Clara—Gestures in class certainly add emphasis. Practice before the mirror is excellent.

Joy—You are gift-ed with remarkable command of language. Each word in this statement is emphatic.

Subscriber—Yes, a new Otterbein Review staff has been elected. The paper will probably continue hereafter as heretofore. Yes we realize that we shall be missed, thank you.

DAYTONITES BANQUET

Annual Otterbein Affair Is Huge Success.

The Otterbein banquet at the First U. B. church at Dayton April 17 was a big jollification there being the usual good things to eat, orators who waxed eloquent both in wit and sage philosophy, and all those things which characterize an affair manipulated by Daytonites.

The good old Otterbein spirit was much in evidence among the old grads as shown by all those who spoke. The presiding officer, Dr. L. E. Custer, '84, gave the opening speech introducing the toastmaster F. W. Fansher, '10. President Clippinger, S. J. Flickinger, '72, L. K. Funkhouser, '08, S. B. Kelly, '86, Mrs. Mary Hall Folkerth, '10, R. H. Brane, '13, Dr. W. O. Fries and Dr. W. R. Funk, responded to toasts. J. B. Gilbert, '97, gave two vocal selections. "Old Otterbein," the big hit of Otterbein songs, sung at the conclusion of the program capped the climax of this event.

Mrs. Elizabeth Poffenbarger, aunt of Prof. L. A. Weinland and Helen Weinland, died Sunday afternoon at Eaton, Ohio. The funeral will be held at 2:30 p. m., Tuesday. Those who will attend from Westerville are: J. A. Weinland, Prof. and Mrs. L. A. Weinland and Miss Helen Weinland.

WILLIAMS' ICE CREAM PARLOR

Young Men and Women

Every day without a Bliss Business Education is so much of a loss to you. It's the education you will soon demand. You may get other education and do WELL, but you can get a Bliss Business Education and do BETTER. When, in less than six months, we can qualify a young man under twenty, and earning no salary, to fill a \$75.00 per month position; a girl of nineteen, with us but eight months, now drawing \$1200.00 per year; a school teacher, who took the combined course, for a secretaryship now paying him \$5200.00 a year, don't you think it is time that you were letting us fit you for a good position—ALL BLISS GRADUATES ARE HOLDING GOOD POSITIONS.

We will teach you to overcome your inferiors, rise above your equals, and compete with your superiors. We will make you ten times more valuable to yourself and assist you to a position that will pay you 50, 100, 200 and perhaps even 300 per cent more than you can earn now.

Places obtained for students to earn board while in attendance; railroad fare to the city allowed; and to the first representative of any town a discount of five per cent deducted from regular rates.

New classes formed each Monday. Write for the "Seal of Fortune." You will marvel at the records of success our students are making, and will be better able to judge what we can do for you. Address Dept. C.
