THE OTTERBEIN REVIEW

VOL. III.

WESTERVILLE, OHIO, NOVEMBER 8, 1911.

No. 8.

EVERYBODY PLEASED

Montaville Flowers Delights Large, Appreciative Audience.

A large and appreciative audience was present at the first number of the Citizens Lecture Course given by Montaville Flowers in the College Chapel last Tuesday evening. In the very beginning the speaker won his way into the hearts of his listeners by mentioning his acquaintances with different alumni of Otterbein and bringing greetings from them.

Of his various selections Mr. Flowers chose to render "A Christmas Carol," by Dickens. It can safely be said that never before, on any occasion has an entertainer more greatly pleased his hearers than did Mr. Flowers in presenting this beautiful selection. The leading character of this story, "Old Scrooge," was portrayed in a faultless manner notwithstanding the fact that it is the hardest to represent. The Christmas dinner scene at Cratchets' was especially vivid, and all characters were represented true to life.

The entertainment was one of the very highest class and everyone should indeed consider himself fortunate in hearing this noted entertainer.

Faculty Provides Teachers' Exchange.

A teachers' exchange has been established by the faculty of Otterbein, a committee having been already appointed to act in advisory relation with the President. The purpose of this committee will be to act as a sort of clearing house for our graduates and students desiring teaching (continued on page five.)

LAST CHANCE OFFERED

Indifference Concerning Student Council Is Growing.

The Review will offer one more opportunity for opinions to be expressed through its columns concerning the student council proposition. About a month ago it seemed that the entire student body was aroused over this matter. Some bitterly opposed the proposition, others were most fervent in its advocacy. Now every one has forgotten about it, to all appearances. The response to the recent agitation concerning it has been surprisingly meager. Many of the professors and students alike are taking this as an indication of opposition or, at least, indifference to the entire proposition.

The question has been asked, however, what would a student council do if we had it? It must be confessed that a positive answer to this query can not be given. In some colleges nearly all cases of discipline are handled by this council. Again, through such a body the students might make known their wishes concerning college activities. Some institutions give the student body almost unlimited power in regard to these things; others make the student council advisory in its function.

Thus it cannot be said just what a student council would do in Otterbein. The question now is, however, does Otterbein want a student council at all? The coupon will be published for one more issue. Then the vote will be announced regardless how big or how little it may be.

Executive Com. Here.

The Executive Committee of Otterbein University met on Thursday afternoon, Nov. 2. Dr. W. R. Funk and Dr. W. O. Fries, both of Dayton were present at this session. The regular routine of business, but nothing of special importance, was transacted.

DEBATERS REJOICE

O. U. May Meet Ohio, Wittenberg, Heidelberg and Wesleyan.

Otterbein will carry the heaviest debate schedule of her history this year. Coach Bale states that the prospect for winning teams is the best in years. It is likely that the contests will be dual rather than triangular as in the past. Arrangements are being made for such a debate with Ohio University and negotiations are in progress for similar contests with Heidelberg, Wittenberg and Ohio Wesleyan.

Initiative and Referendum.

The question for debate probably will be the "Initiative and Referendum." The debate class will soon take up the study of that question. The class has been pursuing the study of Foster's text-book, "Argumentation and Debate," and at the same time conducting numerous practice debates. There is still opportunity for new men who wish to enter the class for the study of the intercollegiate question.

CONTESTANTS CHOSEN

Preliminary for Declamation Contest Held Friday.

Of the ten persons who competed in the trials for the Russell Prize Declamation Contest the following 8 were retained for the final.—H. E. Bon Durrant, Grace M. Brane, J. O. Emerick, Ethel Garn, Mary Grise, Esther M. Groff, Boneta Jamison, H. E. Richer.

On account of the inconvenience occasioned by a Saturday night performance in the Chapel, the time for the final contest will probably be changed to Monday or Tuesday night of Thanksgiving week.

TREAT PROMISED

Delightful Recital Prepared by School of Music.

The program of the monthly recital which will be given Tuesday night, Nov. 7, by the Otterbein School of Music contains some very pleasing numbers and is deserving of attention by lovers of good music. These programs are of interest to us because all of the performers are our friends, our fellow students, who mingle with us day after day. The recital will be rendered in Lambert Hall beginning at 7:30 p. m. All students and townspeople are invited.

Ghosts Walk and Talk.

"A howling success!" "More fun than I had all year!" "Laughed myself sick!" These the a few sentiments expressed concerning the Halloween Party given by the student body Monday night. And the truth is, it was a marked success. Promptly at 7:30 about two hundred Otterbeinites assembled in the gymnasium. The (continued on page five.)

Denison defeated Otterbein Saturday afternoon at Granville by a score of 23 to 8. It was the first time these two universities had met on the gridiron for five years. Saturday's game was characterized with long runs mostly by the Granville eleven. Otterbein's poor tackling and fumbling was largely responsible for the score. The O. U. eleven showed itself superior in line work, while Denison excelled in the end runs.

Only one of Denison's touchdowns was made as a result of straight football and that was made by Phelps when he bucked over. Granville's other three touchdowns were the result of long runs; two by Rupp, once when he circled end and again when he intercepted a forward pass. The other was made by Phelps from a beautiful 65 yard run. The teams with the exception of the last eight minutes

of play were very evenly matched. But during the last few minutes Denison made 2 touchdowns and cinched the game.

Coach Livingston's warriors had a good end run which proved very disastrous to Otterbein. O. U. only twice succeeded in stopping this run short of good gains, and that was when the husky Hartman augered through the interference and threw Phelps for a loss. In line plunging, however, Otterbein excelled. Plott alone made 80 yards through the Denison line, while the mighty Rupp only penetrated O. U.'s line for 30 yards. In fact only 70 yards were made through Otterbein's line, while Exendine's warriors gained 169 yards through the Denison line.

DARK BEFORE DAWN

Denison Victory Serves as Stimulant for Future.

It was a spirit broken bunch of bruised, dirt begrimed, football players that entered the Denison "gym" last Saturday and divested themselves of their tan and cardinal armor. Every mistake that each player had made stood out before him like a terrible nightmare. Yet came to these subdued warriors thoughts that nearly every one of them would be in Otterbein next year to get another crack at Denison and then mayhap there will be a different story to tell.

On to Delaware.

Also came to the boys the thoughts of Delaware and they

SECONDS TAKE IT EASY

Defeat Canal Winchester, 33-0,
on Local Gridiron.

Just for a little Friday afternoon pastime the Otterbein Seconds took on the Canal Winchester lads at the local gridiron and soundly trounced them to the tune of 33 to 0. The visitors never once worried O. U. in the game. The Seconds displayed some very clever football, following interferences well, and working the forward pass successfully. Six touchdowns, two in each the third and fourth and one in each the first and second quarters tell the story of the lopsided game. The high school lads resorted mostly to punting in keeping the ball back from the goal. The forward pass was the big ground gainer for the Seconds as Garver, Bronson and Gifford all made long runs and touchdowns from the forward pass. Bronson and Garver also proved themselves very efficient in the art of bucking the line and carrying the ball around ends, as they very nicely followed their interference.

Sanders Scores.

Sanders made a beautiful 70 yard run for Otterbein's lone touchdown. "Tink" perfectly executed one of crafty Exendine's plays and sneaked through guard for a 70 yard run and a touchdown. "Tink" also scored the other three points when he booted a place kick over from the 20 yard line. Otterbein's chances for scoring were often marred by fumbling and Denison's chances for scoring were increased by Otterbein's poor tackling. Halfback Phelps in one case was thrown three times by O. U. tackles, but in each case the tackler failed to hold the runner and Phelps

resolved to buckle down and get ready for O. W. U. Their spirit, as ought to be every student's spirit, is to put the Denison game behind and look forward to the future. There will be a special effort to secure the 200 rooters to accompany the team to Delaware. The Ladies' Aid and every man should sign the petition and go.

Antioch Saturday.

Next Saturday comes the Antioch team here to play. The game is not expected to push our boys to the utmost as St. Mary's defeated our Saturday afternoon visitors by a good score. The support of the Ladies' Aid and every male student is demanded.

EVANGELISTIC WORK

Sec'y. Hatfield Presents New Field for Y. M. C. A. Men.

An excellent and especially interesting talk by Mr. C. C. Hatfield, County Secretary of Association work in Ohio, and a vocal solo by L. M. Curts were the main features of the Y. M. C. A. meeting last Thursday evening.

Mr. Hatfield emphasized the importance of a new Association activity, the evangelistic band work. The coming of Mr. Hatfield will no doubt be initiatory to the carrying out of this branch of student activity, which is new to Otterbein students. For this reason the speaker dwelt largely upon the explanation of student band work, giving many practical suggestions as to the best methods of conducting evangelistic campaigns. The suggestions in general were somewhat as follows:

The band should consist of three to five trustworthy men who possess ability of winning men to Christ, the most essential requirement being that of good speaking ability, while others should be able to conduct the music. A soloist or quartet would be especially helpful. Plans for union services should be made because the work of the Association is interdenominational, and in this way greater success can be expected. If members of the band possess knowledge of athletics they can more easily win their way into the hearts of young men of the community in which they labor.

Band for Otterbein.

The speaker also showed very clearly the opportunity and duties of college men in the great work of the Y. M. C. A. in its share of the evangelization of the world. He thought that at least one evangelistic band could be secured from the Association here at Otterbein.

New Girls Talk at Y. W. C. A.

The New Girls' meeting led by Miss Calfish was very helpful to all, but was especially interesting to the new girls. The leader read for the Scripture lesson a part of the beautiful story of Ruth. She gave some very good remarks on why new girls should take active part in Y. W. C. A. work. She said that we need exercise to grow spiritually, as

well as to grow physically. Y. W. C. A. furnishes an opportunity to speak for Christ, and to work for Him through the committee work. We owe it to our parents to get the most out of college life. They want us to develop along all lines.

The remainder of the meeting was taken up by the new girls. Many of them spoke for the first time, and showed their intention of doing all they could for the Association.

Miss Karg Leads Next.

"The Importance of Little Things," will be discussed next Tuesday night. Katherine Karg will be the leader.

R. E. A. Meets.

The first regular meeting of the Religious Educational association for this year was held Wednesday evening, Nov. 1. About twenty-five were present and listened to helpful talks by A. D. Cook, Kiyoshi Yabe and R. E. Penick. The subject of Mr. Cook's remarks was, "The Call of the Y. M. C. A. Secretary." Mr. Penick talked upon the theme, "Problems of the Ministry," while Mr. Yabe spoke on the "Missionary Call."

Rally Train Jammed.

All the regular passengers and many friends took advantage of the Rally Day Excursion Sunday. Promptly at 9:30 a. m. the train started. Throughout the journey the passengers were royally entertained. Good music, singing and speaking were the main features. Many interesting talks in regard to Sunday school work were given. The choir and orchestra rendered exceptionally good numbers. The brakeman's report was probably the most interesting, showing that six hundred and forty-four passengers were aboard and that the fares amounted to \$22. The train reached its destination at 11:00 being ten minutes late. The passengers departed reluctantly all saying they had had a royal good time and a pleasant journey.

Otterbein's Parasites.

It is a fact much to be regretted that in the preliminaries for the Freshman-Sophomore declamation contest, last Friday, only ten contestants appeared. This discloses either a woeful indifference to this important literary activity or an inexcusable laziness upon the part of some of the members of the lower classes. Of course the time—worn excuse given by most of the individual members of these classes. Of course the time—classes concerning similar literary activities, is that they haven't time. From the lips of some this excuse is truly disgusting. Many of these "over-worked students" are carrying as much as sixteen hours work per week and in order to bear up under this heavy load must spend hours each day loafing or "gasing," in President Thompson's phraseology. Almost every mother's boy or girl who continually meets you with, "I am too busy," is wasting hosts of time each week.

If we are students, true students, we will accept some of

these outside activities, which have real merit, not merely as privileges, but as actual duties. Are you and I, as Otterbein students, doing our duty to ourselves, our class, our college? If not, we are mere parasites, drinking in all that we can in a narrow selfish way and giving nothing in return.

Courtesy at Least.

College students surely ought to show courtesy even if that which should underlie courtesy is lacking. Not long since President Clippinger announced in chapel that the student body would be favored with an address by one of the most noted social reformers in the world. Everyone was urged to hear him.

The speaker came at some sacrifice to himself. The greater part of the student body remained away, merely from lack of interest and with a greater lack of courtesy. Doubtless some of those who did not attend had good reasons for not doing so; but it is equally true that the greater number could have been present with very little of inconvenience to themselves.

If we are not sufficiently interested in the messages of truly great men to walk a block or two to hear them, we ought to give such men an audience out of courtesy at least.

Wrongs may right themselves but seldom during the life time of the wronged.

Rev. S. F. Wenger, '11, dropped in town on business Friday. Same old "Poly."

H. R. Gifford of Wapakoneta was another 1911 man in town visiting friends.

W. R. Bailey, '11, and C. L. Bailey, '11, made week end visits with their parents. Walter's pet football team of Piqua high school met defeat Friday at the hands of Troy high school, 5-0. Condolences.

Mrs. H. H. Lawrence, mother of Etna A. Lawrence, a former Otterbein student, died at her home in Westerville last Monday. She was well known by many Otterbein people, who will be saddened to learn of her passing away. Funeral services were held Wednesday afternoon at 2:30 at the M. E. church, interment being made at Green Lawn, Columbus.

Rachel Winter Tobey, '61.

After having been home only a short time from her visit to Westerville in celebration of the fiftieth anniversary of her graduation, Mrs. Rachel Winter Tobey, '61, passed away at her home in Chicago. Mrs. Tobey had been ill only a short time and the news of her death came as a shock to relatives and friends. Miss Winter and Prof. Guitner attended the funeral from Westerville. Services were held at 11:00 o'clock Thursday morning with interment at Mt. Hope cemetery.

Mrs. Tobey was born in 1838 at Washington, Pennsylvania.

After graduating from Otterbein in 1861, she taught in the Westerville schools and Westfield college. In November, 1866, she married Rev. W. O. Tobey, '66, of the U. B. and Presbyterian churches, and one time assistant editor of the Religious Telescope, who died in 1909. At the time of her last visit to Otterbein she made many friends among the younger graduates and students by her ever-present friendliness and Otterbein spirit.

Smith-Van Sickle.

Mr. and Mrs. Levias Smith of Cleveland have announced the marriage of their daughter Elsie Esther to Mr. Frank Overton Van Sickle on October 31. The couple will be at home at Rocky River after Nov. 15. Mr. and Mrs. Van Sickle are both Otterbein graduates, the former of the class of 1906 and the latter of 1903.

LOCALS

Treasurer W. O. Baker was on the side lines at Denison Saturday.

"Daddy" Resler acted as chaperon for the rooting squad Saturday.

Among those who journeyed with the team Saturday were,—Misses Ruth Detwiler and Helen Dittmer; Messrs. C. R. Hall, D. A. Bandeen, H. P. Lambert, Albert Lambert and L. M. Troxell.

Charley Hall is at his home in Dayton. Charles has recently reached the ripe old age of twenty-one and went home to cast his first vote. There is a certain man he wishes to see mayor of his ancestral home. Just why, is better explained by Charles himself.

Messrs. Garver, Smith, L. E., Fouts, Farver, Daub, Converse, De Veaux, Sanders, Profs. Weinland and Grabill and Mr. Brundage attended the State game Saturday.

Dr. Shupe of Dayton, editor of the "Watchword," called on his daughter and niece today. He made an address at chapel on Christian Endeavor work in the colleges.

Beryl Campbell's mother visited her last week. She seems almost as fun-loving as Beryl. The girls are very much in love with her.

To-night the Faculty Club will hold a meeting in the parlors of the Hall. President Clippinger will give a talk on "Student Government." The purpose of the club is the meeting together of the faculty members for the discussion of education.

COCHRAN HALL ITEMS.

Among the girls who missed the splendid Sunday dinner at the Hall this week were: Edith White, Lucy Welch, Mabel Willis, Edith Wilson, Edna Phalar, Margaret Gaver, Miss Gannon, Louella Sollers, Beryl Campbell, Evarena Harmon, Lucy Huntwork, and Lydia Nelson. They missed a great dinner—chicken and ice cream.

Miss Nelson was called home last week on account of the serious illness of her father. She returned this morning.

Walked to Columbus.

Saturday morning four girls, Ethel Kephart, Grace Straw, Leila Bates, and Ethel Trone per-

Big Catch in Alum Creek by Prof. Rosselot's father.

formed the marvelous feat of walking to Columbus. They left here about nine-thirty and walked at a steady pace to Worthington, arriving in that great metropolis at eleven-thirty. There they ate their dinner and rested. At one o'clock they walked on and arrived in Columbus after four in the afternoon. It is strange that the girls were as lively as ever the next day.

OTTERBEINESQUES.

Dr. Jones—"Have any of the class ever seen any article made of pewter?"

Foltz—"Isn't that what the ladies aid spoons are made of?"

Dr. Funk in Biology—"What was Darwin's greatest production?"

Bronson—"The Ode to the Earthworm."
