POOR WESLEYAN

METHODISTS OUTPLAYED BY COACH GOODWIN'S PETS.

Nineteen Hits for a Total of Four
teen-Runs Proves Wesleyan an
Easy Victim.

The baseball season opened in grand style at Wesleyan, Saturday, and the rooters who ventured out to see the game there saw their team defeated by a 14 to 6 score after they had witnessed Otterbein enjoying a great swatfest and a large rungethathering.

If the first game proves anything, Otterbein has in camp one of the greatest bunch of sluggers in its baseball history as well as a fine set of fielders as only two errors were chalked up against our boys, one of these being of an excusable kind. In every inning except the second Otterbein connected with the ball safely. They made the majority of their runs in the 3rd and 6th frames when 9 men faced the pitcher for a total of 4 runs in the former and 10 men in the latter for 5 runs. Each man made one hit or more in the game.

Sanders pitched a steady game throughout. He had good control as is shown when he struck out one of Wesleyan's batters after he had given him an advantage of 3 balls. He was backed up well by Capt. Weinland, who was always handing out a cheery line of talk. The latter made a sensational play when he captured a foul near the grandstand after a beautiful run.

Boxwell at first showed up fine. He slashed out 3 terrific hits besides fielding his position in errorless style in accepting 10 chances. The other regular infielders played a fine game, making but one wobble between them and that after a hard chance. Keister participated

THE INCOME TAX

SUBJECT OF DISCUSSION BETWEEN OTTERBEIN AND HEIDELBERG.

Otterbein Boys Coached by Prof
Evans Confident of Spirited Con-
test on Eve of Battle.

After months of hard work and persistent study on the question, "Resolved, That the Income Tax should become a part of our Federal System of Taxation (constitutionality granted), our debating teams will clash with Heidelberg's debaters Tuesday evening, April 5, at 8 o'clock.

Our negative team, composed of B. F. Richer, S. W. Bilsing, A. S. Keister, and J. O. Cox as alternate, will debate Heidelberg's affirmative team at Tiffin, while our affirmative team, consisting of F. G. Ketner, S. S. DeVaux, T. C. Harper and G. C. Meuthersbaugh as alternate, will meet Heidelberg's negative team in the college chapel here.

Since Heidelberg is our old time rival on the forensic platform, this debate promises to be the most hotly contested one ever held with Otterbein. The college orchestra will provide the music for the evening.

Prof. E. B. Evans, of the Public Speaking Department, has been untiring in his efforts to produce successful teams this year and much credit is due him for his efforts. Tickets are being sold by representatives of each class and a large and enthusiastic audience is anticipated.

Curt Young has been elected captain of the basketball team for 1911.

IMPORTANT MEETING

Of Board of Trustees Wednesday and Thursday

The completion of the half million dollar endowment fund, erection of new buildings and other important business will be discussed at the spring meeting of the Board of Trustees next Wednesday and Thursday.

The first meeting is at 1:30.

Dr. Scott Sails.

When the "Romanic" left Boston for Naples Saturday it carried as passenger Dr. Geo. Scott, who will spend the spring in Italy. Mrs. Scott will join him in June. With Flick tourists they will enjoy a European summer and return to America in September.

ed in a double play that Goodwin said was good enough for any league.

The outfielder trio worked in style. Two new faces were seen. Funk accepted his only chance after a hard run. He made 3 hits and backed up other fielders in pretty fashion. Wagner captured two flies that looked good for hits. Hemminger did not have any chances, but besides making a hit he stole 2nd and 3rd in the 7th inning.

Remember that all you who are sore because you were not at Wesleyan to enjoy this victory have a chance to redeem yourselves next Saturday by your presence at Capital University.

Art Department Anticipating an Excellent Term's Work

Mrs. Scott is the recipient of a twenty-five dollar check from Mr. Warren Thomas, of Columbus, to aid in furnishing the art rooms. Mr. Thomas is a steadfast friend of the college and repeatedly in the past has given to this department.

Much outdoor work will be done this term and the work in metal, jewelry and china will receive much attention. The students will be busy also in water color and drawing.

Everything points to a good term and the instructors are enthusiastic in making this the best term of the year. Several new students have been enrolled and more will be in the coming week.

The absent minded Prof. returned home one evening and after ringing his front door bell for some time to no effort, heard the maid's voice from the second story window, "The Prof is not in." "Al right," answered the Prof., "I'll call again," and he hobbled down the stone steps.

First Meeting of Spring Term Led By Hartman.

M. L. Hartman led the first meeting of the spring term on the topic, "The Tree of Life." The leader brought out some very good thoughts, some of which are the following: "The soul is monarch of three kingdoms—the past, the present and the future. The past is ruled by memory, the present by reason and the future by hope. Memory is the root of the tree of life. What history is to a nation memory is to the individual. Our life tomorrow will largely be what we put into it today.

"Reason is like a sieve. By it we sift out the thoughts and deeds which we wish to treasure up.

"Hope of future gives us higher aspirations and helps us live better lives. We must throw open the avenues through which this hope may bless us.

"There are three parts to a tree: Root, trunk and branches. So it is with life. Our yesterday's determine largely our to-days and they in turn our to-morrows. A tree strongly built will withstand the storm. Likewise we can withstand the storms life if we are firm in Christ.

PROF. S. J. KIEHL

Acquits Himself Nobly as Worshipful Master at Inspection.

A high compliment was paid to Blendon Lodge, No. 339 of Masons Monday evening, March 21, by Dr. C. L. Harrod, of Columbus, who made an inspection.

Worshipful Master S. J. Kiehl was commended for the fine condition of this lodge.

Jimmy's Boys.

15 to 12 was the way the Regulars, otherwise J. O. Cox's Sunday School lads, defeated the Never Dies of Mr. Brundage's Sunday School class last Wednesday.

Jimmy has a class of whom he can well be proud.

Character and Reputation.

There is a broad distinction between character and reputation, for one may be destroyed by slander, while the other can

never be harmed save by its possessor. Reputation is no man's keeping. You and I cannot determine what other men shall think of us and say about us. We can only determine what they ought to think of us and say about us.—J. G. Holland.

TRACK ATHLETICS.

Prospects Foretell Successful Season--Many Candidates.

Otterbein is looking forward to a very successful track season. While the meets are far in the distance, Captain Ditmer has been having his men out every evening, getting in condition for the different events. The material is abundant, each event having several times the required number of participants. Everyone is prophesying a fine season, as we wish to make this a record breaker in this line of athletics for this year as we have in the other sports.

Manager Fansher has arranged meets as follows:

May 7—Denison (probably) at Granville.

May 14—Wittenberg at Otterbein.

May 28—Big Six at Columbus.

June 4—Ohio at Athens.

June 11—Denison at Westerville.

June 14—Annual field day here.

Football Schedule.

The following football schedule has been arranged by Manager C. L. Bailey:

DID TWO HUNDRED GUESTS AT DAYTON BANQUET

Annual Reunion of Otterbein Folk,
Said to be the Best Ever.
Many Students Present.

But to mention "That Dayton Banquet" is enough to bring to the minds of those present, fond memories of Monday evening, March 28, when more than two hundred Otterbeiners and friends gathered at the First U. B. Church in Dayton for their annual banquet.

Limited space prevents an exhaustive account of this memorable affair.

The menu, the decorations, the toasts, the music, the guests, all gave evidence of a good healthy Otterbein spirit that predominated throughout the evening.

Those who were on the program, Sam. J. Flickinger, Mrs. Chas. Bosler, Sam E. Kumler and Dr. W. G. Clippinger spoke as only broad minded Otterbein people can speak.

The quartet chosen from members of Otterbein Glee Club, made such an impression that plans for a big concert by the Glee Club in Dayton in the near future is assured. Messrs. Prof. Resler, P. N. Bennett, L. M. Curts and C. D. Yates provided the words while Mrs. F. J. Resler furnished the accompaniment.

Those who had the banquet in charge are to be congratulated and commended for the success of the occasion.

Dr. L. E. Custer was elected president for next year succeeding Irvin G. Kumler.

After the toasts L. P. Cooper announced the annual reunion of Otterbein students of the Miami Valley Chautauqua, July 23.

ORATORY.

Freshman-Sophomore Contest Planned to Decide Honors.

There will be a public speaking contest this term between the members of the freshmen

and sophomore classes. It will consist mainly of orations by the boys and declamations by the girls.

Preliminaries will be held and the best three of each class will be the contestants. There will be about twenty freshmen and about ten or twelve sophomores enter.

This step is to be highly commended for it will tend to increase interest in public speaking in Otterbein.

Piano Benches.

Prof. G. G. Grabill was in receipt last week of a fine gift from Mr. and Mrs. J. M. Fisher, of Anderson, Ind. This gift consists of three elegant three-foot piano benches, two mahogany and one rosewood. The rosewood is in use in the chapel while the mahoganies will grace the conservatory.

Mr. and Mrs. Fisher are loyal friends of Otterbein as this generous gift indicates.
