# THE OTTERBEIN REVIEW

Vol I

WESTERVILLE, OHIO, May 3, 1909

No. 2

## Capital vs. Otterbein.

In a very close and interesting game Capital University defeated the Varsity on the local diamond last Saturday. Until the eighth inning the teams ran neck and neck, Capital scoring one run and Otterbein two. In the eighth Rumble scored on Cooperider's hit to center field, then Berkhold and Sauerteig swatted out a hit apiece, each one counting two runs. Otterbein was unable to score in the eighth or ninth.

In the second, Sanders flew out to Berkhold. Keister got to first by a hit over third. Kline got to first on a strike to Rumble. Young struck out, and Keister scored the first run. John made first by a liner to Cooperider and Kline scored.

In the fourth inning, Cooperider fanned. Long made first on a strike to Keister, and made second on Keister's error. Johanssen was given his base on balls. Heiby fanned. Berkhold hit to Wagner and Long scored. Johanssen was put out between bases.

Eighth inning, Rumble got his base by being hit with the ball. Bratchie got his base on balls. Cooperider got to first on fly to center field. Rumble scored. Long got to first on strike to Ketner. Johanssen fanned. Heiby fanned. Berkhold made first on fly to Lloyd. On Lloyd's error Bratchie and Cooperider scored. Sauerteig sent a two bagger to Wagner and let Long and Berkhold score. Krause fanned.

It was pure tough luck that lost the game. Our fellows played good ball throughout and with the exception of that terrible eighth played superior ball to Capital.

The day was cold, more suited to football than baseball, but a large crowd was out to root, which shows the student body is in hearty accord and ready to support our team on all occasions.

OTTERBEIN SECONDS 5 MUTES 6

Before the Varsity game Saturday afternoon the mutes of Columbus defeated the O. U. second team in a very quiet game. The mutes without great noise proceeded to show that they knew something about the game. The great difficulty with our boys seemed to be a lack of judgment in running bases. Both Marsh and Emerick pitched good ball.

L. L. Custer, '10, spent Saturday and Sunday in Dayton.

The engagement of Miss Josephine Markley, '04, to Dr. R. S. Wilson has been announced.

Last Monday a shower was given Mrs. Lillian Mauck Lawrence at her old home. Showers are said usually to precede and stormy seasons to follow the wedding ceremony, but as the pleasant April showers which bring forth everything from dishpans to handkerchiefs, have in this case followed the ceremony, let us hope that all the necessary "thunder and lightning" may have gone before.

The Westerville high school defeated Worthington high school Saturday by a score of 11 to 8.

### Cochran Hall.

"Cochran Hall" or the "Dorm": which name shall we use in speaking of this home for Otterbein girls? It is our opinion that the former is the right and proper term and to use any other is uncalled for. In the first place, this elegant home was the gift of Mrs. Philip G. Cochran of Dawson, Pa. and the building erected to be known as the "Philip G. Cochran Memorial Hall". Now it's certain we have to call this building by either one of the two names so why not call it by the name of the one in whose honor it was erected. "Cochran" or "Cochran Hall" is much more refined and sounds better than "Dorm" or "Dormitory" a term used in schools where they are not so fortunate as to have a better name.

In other schools, buildings are called by their proper titles and why not here at Otterbein?

Custom, only, has established the term "Dorm" and we can accustom ourselves to say "Cochran" as well as "Dorm." Henceforth, in the Otterbein Review, Cochran or Cochran Hall will be used almost exclusively.

### Otterbein Loses Prof. E. P. Durrant.

The fishworms, June bugs and caterpillars held a jubilee last week when they learned that the vivisectionist, E. P. Durrant, professor of the biological and geological departments in Otterbein had tendered his resignation. Prof. Durrant has had charge of the classes of biology and geology for the past five years and has been

eminently successful, being highly admired and respected by all those who knew him.

Professor Durrant has accepted the position of assistant professor of anatomy and physiology at O. S. U. and will begin his duties next fall and then woe to other bugs and buggesses who fall beneath the professors skillful hand.

The resignation of Prof. Durrant will take effect at the close of this term and his absence will be regretted by the students and associates here in O. U.

### Flowers for My Mother.

S. F. WENGER, '11.

Beside my path wild flowers grow,  
The grass and weeds between,  
And I recall how years ago  
I plucked them from the green.

How I recall that flower-decked spot,  
How one I plucked and then another!  
But pray, why should I not?  
I plucked them for my mother.

Still the scented flowers blow  
And the lap of earth adorn;  
But now they move me so  
And cause me oft to mourn.

For well I know they may be found—  
I often see them as I pass,—  
Growing on many a worshiped mound  
Amid the verdant grass.

Since God took one of souls he gave  
The flowers in the grass may smother,  
For with a lily in her hand,  
A rose upon her grave,  
'Neath the flowers sleeps my mother.

Menke, coming out of the ice cream parlors—Gee! I'm just as sweet now in the inside as on the outside.

April 29. The leader Mr C. A. Welch gave an excellent talk on the subject, "Looking Forward." He spoke of the expectation with which a student on entering college looks forward to and toward what he is going to do when graduated. He pointed out as examples several illustrious men and especially emphasized Paul's influence.

In conclusion, the leader said we should get an all round development while in school, and put away all evil deeds and bad motives, for, though they may be concealed for a time, they will sooner or later come to light.

The meeting was of a decidedly personal nature and everyone entered into it with heart and soul. We believe that it is well sometimes to call the attention of the boys to some of their actions that they may understand the influences arising therefrom. Attendance 67.

**Y. W. C. A.**

April 27. The meeting was led by Miss Lily Henry. The topic discussed was "Daughters of the King." Scripture lesson Ps. 45:6-17. During the discussion the following points were brought out. To be a true daughter of the King one must be righteous, holy and entirely free from wickedness, live for God at all times and under all circumstances; make all conversations in accordance with the love of God. The duties of "Daughters of the King" as brought out by the girls in the open discussion were—to be about the King's business; to honor the Savior; to do service for the Master, to be in daily communion with the Master; and to manifest loyalty to God and a willingness to do His will.

**R. E. A.**

April 28 The meeting was called to order by President W. A. Knapp. After song and prayer, R. M. Fox gave an excellent exposition on John 12:1-8. J. H. Montz read a very interesting and helpful paper on "Why I have decided to devote my life to definite Christian work." "The Value of Trained Workers," was the subject of an address by
