Records Smashed in Track Meet.

In the Track Meet Saturday between Otterbein and Wittenberg, our boys trimmed the Lutherans to the tune of 91 to 23. The meet was held at the Fair Grounds, Springfield, and the day ideal to smash records; however but a small crowd was present to see the smashing. Our boys out-classed their opponents from start to finish due, no doubt, to good, hard, consistent training, under the able leadership of Capt. Percy Rogers. The events follow:

FIELD EVENTS.

Hammer Throw—Contestants, Fox, Stouffer, O. U.; Hanning, Zeigler, W. Stouffer threw the hammer 103 feet, 11 $\frac{3}{4}$ inches, breaking his own record of 103.8. Fox took second at 87.11.

Discuss Throw—Contestants, Hartman, Fox, O. U.; Hanning, Kriegbaum, W. Fox took first on throw of 108 feet 11 in., breaking our college record of 101 feet 11 inches made by J. F. Knox. Kriegbaum took second by a throw of 104 feet 5 $\frac{1}{2}$ inches.

Shot Put—Contestants, Fox, Hartman, O. U.; Hanning, Kriegbaum, W. Fox secured first place throwing 33 feet 6 $\frac{1}{2}$ inches; Hartman second, 33 feet 4 $\frac{1}{2}$ inches.

220 low hurdle—Contestants, Rogers, Gifford, O. U.; Wilson, Hahn, W. First, Rogers, time, 28 seconds; second, Wilson, 29 sec.

High Jump—Contestants, Lloyd, Kelly, O. U.; Slearer, Hanning, W. First, Lloyd, Ht. 5 feet 5 inches; second, Kelly, 5 feet 4 inches.

Mile Run—Contestants, Sayre, Zeigler, O. U.; Stoffer, Wells, W. First, Sayre, time 4:53. Wittenberg men did not finish.

120 yard hurdle—Contestants, Shumaker, Rogers, O. U. Shearer, Hahn, W. First, Hahn, time 18 3-5 seconds; second, Rogers, 20 1-5 seconds.

220 yard Dash—Contestants,

Welbaum, Ditmer, O. U.; Brenner, Wilson, W. First, Ditmer. Time 23 seconds; second, Wilson, 25 seconds.

Pole Vault—Contestants, Rogers, O. U.; Brenner, Walker, W. First, Rogers. Ht. 9 feet 6 in.

100 yard Dash—Contestants, Ditmar, Welbaum, O. U.; Sawyer, Crever, W. First Ditmer. Time 11 seconds.

Two Mile Run—contestants, Zeigler, Hall, O. U., Dickey, Pershing, W. First—Zeigler - Time 12:7 2 5, Second, Hall.

Broad Jump—contestants, Gifford, Lloyd, O. U., Ciever, Brenner, W. First—Gifford, 19 feet 5 $\frac{1}{2}$ inches, Second, Brenner, 19 feet $\frac{1}{2}$ inch.

Half Mile Run—contestants, Essig, Sayre, O. U. Sawyer, Shearer, W. First, Essig - Time 2:8 1-5. Second, Sayre, Time 2:10 2-5.

Relay Mile—Essig, Rogers, Shumaker, Ditmar, Otterbein. Walker, Sawyer, Wilson, Brenner, Wittenberg. Otterbein won easily—3, 49 3-5.

Otterbein men showed good form while Wittenberg's men lacked training. Otterbein took 13 firsts out of 14 events, a record that speaks for itself. It is not necessary to mention the men individually but each Otterbein man deserves praise for the excellent showing made.

JUMPS AND DASHES

Stouffer broke his own record by 3 $\frac{3}{4}$ in.

Fox, Lloyd, Zeigler, Sayre and Gifford won the coveted "O."

Kelly, Hall and Welbaum did good work. These men are going to do things.

In the mile run, the Wittenbergers forgot that they were in a race, one man stopped the other fainted dead away.

Otterbein vs. Heidelberg.

The students of the University had the pleasure of seeing the home team defeat their old time rivals, the Heidelberg boys, in an interesting game of ball on the local gridiron, last Friday afternoon. The day was ideal, the temperature was high, and the crowd was large and enthusiastic, all of which were conducive to good playing.

Heidelberg has for years refused to come to Westerville to contest in any kind of athletic sports. Friday's game showed Heidelberg that our boys know a few things about baseball.

The game opened with Lloyd in the box for the first time this season, and he pitched a good steady game throughout. In the first a couple of men were sent to first on balls and Snyder got to first on Ketner's error. But after the visitors scored one run Lloyd settled down to his old time gait, and they were allowed only one more run. Wineland received a painful injury early in the game, having his finger broken, but his grit was shown in taking his place in the field. Sanders took his place as catcher in which positions they completed the game.

Our first score was made by Lloyd in the first inning, being allowed his base on balls. In the second inning Sanders scored, after stealing bases in a fine manner.

No scores in the third inning, but in the fourth Sanders scored again.

No score in the fifth inning. In the sixth Ketner got home on a wild throw of Mase.

In the seventh Young and John each got a score to their credit. And in the 8th Weyman secured the second score for the visitors. In the ninth no score was made leaving Otterbein the game 6 to 2.

Lloyd pitched a good game, and he had good support. Sanders did especially good at the

bat, and John played his usually good game at first.

May 4. Leader, Grace Mumma. Scripture lesson Ps. 27. After prayer and scripture reading, Miss Ada Buttermore gave a vocal solo after which Mrs. Simster, a missionary from China, addressed the girls. The gist of her remarks is as follows: The first stride toward evangelization is the day school, this is but a step, however, to the boarding school where the real work begins.

The teaching force is not large enough and consequently there is urgent need for more workers. In the schools the girls are taught to be home makers in the broadest sense of the word. Mrs. Simster emphasized personal work but that girls must not be approached on the subject of their souls until their confidence is won. Physicians are needed but natives must be trained as Americans cannot stand the climate.

The practice of infant betrothal must be destroyed so that Christian girls can marry Christian men.

The Bible school comes next in order here the girls are given a training that makes them capable of more efficient work than the missionaries themselves. Mrs. Simster closed with the plea "Feed my lambs."

Y. M. C. A.

The Devotional Committee of Y. M. C. A. is to be commended for securing Dr. Garst to speak last Thursday evening. "Opportunities for Service" was his topic. He pointed to the open door and said that it was more widely open now than ever before. He said it is a great opportunity to live in our land. We should be lifters not weights. Not only maintain ourselves but bear the burdens of others. A man who bears only his own weight leaves no legacy to posterity. Dr. Garst said young men are called to consecrated preparation. There are problems to be solved, and the youth of our land must rise to the occasion.

East Ohio Conference Students Meet.

On the evening of May 6 the members of the East Ohio conference quietly gathered at the

home of Mrs. Shephard on Main street for their annual business meeting. The program was one of the very best, there being something doing every minute. Luncheon was served and the rest of the evening was spent in games and music. One of the main features of the evening was the organizing of a sculpture class, something new at Otterbein. The convention will meet annually the second Saturday in September at Nimishila park Canton Ohio. The following officers were elected: President, J. C. Baker; vice president, M. L. Hartman; secretary, O. W. Marsh; treasurer, Miss Ruth Williamson; chairman of Social committee and yell master M. E. Lutz; press reporter, J. R. Bridenstine.

Five Feet of Education.

"Five feet of books," that, of itself would be a complete education has been submitted by Dr. Charles Alexander Nelson, Librarian of Columbia University and has been endorsed by Rev. S. J. McCabe, president of Marquette University. These books are simply "the classics." Some time ago Pres. Chas. W. Eliot, Harvard made promise that he would name a "five foot shelf of books," the reading of which for ten minutes a day would give a man a liberal education. This list is expected in the near future. No doubt many or most of the books named by Dr. Nelson

The Otterbein Bulletin, the sixty-first catalogue number, is before us. It in itself portrays "Greater Otterbein." You feel the spirit in leafing its pages. In the matter of attendance this has been the largest in the history of the institution showing a net total of 461, for the year September-June plus summer school. The frontispiece shows a cut of "The Eva Glen Dora Lambert Fine Arts Building" which is being built rapidly and will be ready for occupancy by October 1. Our faculty has been increased by five members: Prof. Weinland, chemistry; Prof. West, mathematics and rhetoric; Mrs. Whalen, assistant piano and voice; Miss Thompson, assistant in art and Miss Moore, professor of rhetoric.

Otterbein is on the increase in every way. "Greater Otterbein" is in the atmosphere. With every professor, student, alumnus and friend thinking feeling "Greater Otterbein" who will deny that indeed "Otterbein will own the state."

It is intended that the Otterbein Review be a typical college paper, that is to contain the news of the week, to give space to locals and jokes and to bring forth literary productions, and special articles.

With four pages we found ourselves cramped to cover the ground thoroughly and hence our addition of two pages. Students of Otterbein we want your contributions—locals, news, poems, etc. The Review is

anxious to please. You expect to be pleased. Let us help each other.

The word "knocker" is one familiar to every reader, and familiar though it be do we always stop to consider the influence of one, who may be properly designated by that appellation? We fear not. Neither do we always seem to depict in our own dispositions some traits of that character.

Students in particular, when affairs do not turn out according to plan or expectation, seem possessed with an irresistible inclination to give vent to expressions which will not help the matter, but on the contrary injure it. A cause, which if carried out might be of advantage to all, is easily crushed at its very beginning, sometimes though not always by this thoughtless knocking.

Let us guard our expressions, let us think before we speak. If a movement is on, which we do not favor, let us oppose it, not knock it.

We are in receipt of a booklet from Prof. Alexander C. Flick, '94, Syracuse university announcing the ninth annual tour through Europe of the University Travel Study Club. For a nominal cost a member of this club spends seventy-six days in Europe sight seeing and studying—a trip that is certainly ideal. Prof. Flick is the organizer of this club and is assisted by Ira Carleton Flick, '06, specialist in architecture. Who could imagine a more delightful way to spend the summer sight seeing in Europe—and seeing it right.

We wish to call your attention to the article by Prof. Mills, entitled "Are You Ready for the Question?"

A new athletic field has been needed for several years. Otterbein is growing in every department and we are growing right out of the present field for athletics. The site proposed by Prof. Mills is a good one as it has natural advantages—a good

large field flanked on either side with natural walls of earth would be a stadium of which O. U. could be truly proud. Anyhow this plan is worth consideration. Talk it among your friends.

It is with pleasure that we acknowledge the gift of Mrs. C. V. Gillet, of Upper Lake, Cal., to the university library. The gift consists of 39 volumes of "A History of the Western Half of the United States," by Herbert Howe Bancroft. Mrs. Gillet was a student in Otterbein fifty years ago and now to show her affection for her alma mater she presents this most acceptable gift.

This gift is a most valuable one, it is complete and exhaustive in every detail. The students and friends of Otterbein will long remember Mrs. Gillet for her generosity and tender feeling for old Otterbein.

Our first exchange was received from "The Leander Clark Era" a hustling weekly that is right there with the news.

Some "Cases."

I.

The town is full of "cases,"
And funny episodes
Are told by blushing faces,
On each and all the roads.

II.

Some "points," have more than others
To tell their loving friends,
And now and then a brother
Has seen a head, low bend.

III.

Perhaps you do not know
Of what I now do speak;
But come and let us go
Into some halls to peep.

IV.

You know what halls I mean,
The halls of warm debate,
Where boys, some smart, some green,
Sit often very late.

V.

Be quiet now, my spy,
One noise will spoil the scene;
And we will surely die,
If caught behind this scene.

VI.

Just see that lovely smile,
The look of those fond eyes;
They have the latest style
And dream of future ties.

VII.

Enough of that at present,
But come with me along;
We'll walk just like a peasant,
Into the house of song.

VIII.

Don't look surprised my chap,
It is a common thing,
To sit upon a lap,
And wait for bells to ring.

IX.

Behold the stalwart shoulder
Beneath that other head,
If it were only bolder,
'T would do what I just said.

X.

Come now, we'll take a stroll
And catch a fish or two;
Behind the grave-yard knoll
The suckers are not few.

XI.

Be careful as before,
Or you'll not get a bite;
Oh say, forever more!
What is that dressed in white?

XII.

It is a sight the best
That I have ever seen;
Perhaps the final test
Of Cupid-like esteem.

XIII.

Behold those manly lips,
So watery and sleek,
How gently they do sip,
The honey from the cheek.

XIV.

Too much for me, old scout,
It makes me kind o' sick;
And so we faced about
Our way through woods to pick.

XV.

We came unto a hill,
And saw another pair;
One helped the other 'till
They climbed the mighty stair.

XVI.

While they were going up,
He kissed her on the neck;
Now wasn't that enough
To raise a frown from Teck?

XVII.

On State street we did meet
Another growing "case,"
It seemed that she did seek,
To lead him in the race.

XVIII.

Her arms were twined around
His somewhat stooping form;
It seemed that he was bound
To keep her from the Dorm.

XIX.

The "cases" are so many
That lately have been caught;
I give this little warning.
And hope 'tis not for naught.

Are You Ready for the Question?

PROF. W. O. MILLS.

All in favor of a first class Athletic field for Otterbein say "Aye, Aye!!!" All opposed "No." Profound silence! The question is carried. We will have the field, (Prolonged applause!) Where is it? (An audible sticking up of ears.) In the old gravel pit at the north end of Grove street. Pshaw! What are you giving us? Listen! Westerville owns the lot and would sell (or donate). The lot is 128.7 ft. by 409 ft. and is already an amphitheatre. The lots on each side can be purchased at a reasonable price. Build an eight or ten foot wall on the outside of the three lots, get a steam shovel to excavate to the present level and throw back to this wall all the dirt and remove the sand and gravel to some place for storage until it can be sold. M—mh—h!! but who would foot the bills? O you pessimist! The hundreds of friends of Otterbein athletics would be glad of the chance. Line up, boys, and give your poorly convoluted grey matter a few minutes beneficial exercise in the way of hard thinking. It will be the better for it. You can do things when you will and for only a part of the cost of the Y. M. C. A. building, you can have an athletic field that will make Syracuse university turn green with envy. The pot of gold at the foot of the rainbow is just within your reach. Ergo reach! Let the man who gives most to the shaping of the field name it. Get every athlete and athleteless in Ot-

Echoes From Cochran Hall.

On Thursday and Friday of last week Miss Roxie Verts and Miss Helen Tiegher, of Dayton, were the guests of Myrtle Saul.

The hall was favored in having Mrs. Simster from Delaware as a guest Wednesday morning. Mrs. Simster has been a missionary in China and spoke to the Y. W. C. A. on this subject Tuesday evening.

The Hall girls had their picture "took" Thursday noon on the north steps.

A COCHRAN DRAMA IN FOUR ACTS.

Time: 4:00 p. m.

Place: Northwest and south-west corners of Cochran Hall.

ACT I.

THE NORTHWEST CORNER.

A handsome knight appears and with anxious eyes looks up to the third story and gently whistles a tender little tune. A fair face surrounded by a halo of raven locks appears at the window and to the knight's great relief answers "I'll be down in a minute, Joy."

ACT II.

AT NORTHWEST CORNER ALSO—

Another knight of bold appearance whistles two long-drawn-out notes (like the blasts of a trumpet) before his lady's window. Soon comes the response "Yes, Leslie."

ACT III.

THE SCENE CHANGES TO THE SOUTH-WEST CORNER.

A patient looking warrior slowly comes up the walk repeatedly whistling a plaintive little tune (the first phrase of Philophronea.) This knight is not so successful as those in the preceding acts but after a half hour's wait his "Ladie Faire" finally appears.

ACT IV.

THE SOUTHWEST CORNER CONTINUED.

A sprightly young knight with his helmet tilted towards one ear fondly whistles "When the moon plays Peek-a-boo" and an answering voice says "alright Orren."

Dr. Sanders' Psychology class was favored by having present Saturday evening at the Professor's home Rev. E. H. Caylor and son, of Columbus, who have a knowledge of hypnotism. In a forceful way Rev. Caylor spoke of the influence of the mind over the body and the younger Mr. Caylor made some successful demonstrations on subjects from the class. The visit was much appreciated by those present as it was highly instructive and entertaining.
