OTTERBEIN SUFFERS DEFEAT.

Ohio State Warriors Get Best of Struggle Saturday Afternoon—Our Men Show Up Well

Fighting hard to the very finish, tussling with their old enemy Ohio State Saturday afternoon Otterbein went down in defeat on the new Ohio field at Columbus by the score of 14 to 0.

The weather was ideal for football and a large and interested crowd of enthusiasts of the game were on hand.

A special car from Westerville carried a large crowd of Otterbein students and friends to the grounds. Promptly at 2 o'clock the Otterbein squad led by Keith Hatfield trotted on the field.

State's men followed shortly after. Among the rooters at the state game were Dr. W. R. Funk, Nellis Funk, '07, "Tub" Staley, '08, of Dayton, E. L. Porter, '07 and I. R. Libecap, '09, from West Jefferson.

A special car from Westerville tried by Otterbein and none by Sanders was forced to punt. Mattis was downed on Otterbein's 20 line. On the next play Captain Lambert was forced to retire. After making their first down of the game, Sanders was forced to punt.

Jones received the punt on State's 40 line and carried the ball to Otterbein's 20 line. Wells and Hatfield made 10 and 15. State brought the ball up to Otterbein's 10 line when the time was up.

Hatfield kicked off. Mattis came back to his 15 line. On the next play Captain Lambert was forced to retire. After making their first down of the game, Sanders was forced to punt.

Hatfield kicked off over Otterbein's goal. After exchanging, the ball several times, Jones got Sanders' punt on State's 35 line. Wells went out on the next play for a touchdown. Jones kicked goal.

The back field, Warner, Mattis and Lambert covered their positions well. On the line Rogers, end, though his face was bleeding, stuck to his post and played the harder. Stouffer, tackle, played his usual hard consistent game. Bennett and Hartman, guards, Menke, tackle, Bailey, center, played as they always do, man to man and win in their breasts. Lambert, received a sprained ankle in the second half and Ditmer took the position acceptably, Wagner going to end. Wagner played a snappy game. Toward the end of the second half Bennett was relieved by A. Lambert, who did not have opportunity to show his prowess.

Only one forward pass was tried by Otterbein and none by State. Straight football, devoid of tricks, was maintained by both teams.

Quarterback run. Otterbein got possession of the ball on her 20 line. On their second down they were penalized 15 for holding and Sanders punted at once.

MY TRIP TO EUROPE

Crist Sorensen, popular O. U. student, writes account of ocean voyages.

My first trip across the Atlantic was made in 1899. I left Copenhagen, Denmark, April 5th in The Storm was so violent we could not eat it in the usual way. It was rather provoking when the ship would take a sudden plunge and we would get the contents of the dish over our faces and clothing. At last we reached New York. After the usual ordeal with U.S. officials or leave laundry at W. W. Jamison's Barber Shop. Work done and delivered twice a week.

FOOTBALL RALLY

Large sum raised to back Athletics, enthusiasm at fever heat.
The biggest football rally in recent years took place last Wednesday evening. Promptly at 6:15 the college band struck up the stirring notes of the football song and a grand rush was made for the chapel, for that was to be the seen of the spirited rally. Every student was there and the chapel was scarcely able to hold them all plus the enthusiasm.

Prof. S. J. Keihl president of the athletic board called the meeting to order and introduced President W. G. Clippinger as the speaker of the evening. He declared himself to be thoroughly in sympathy with clean athletics and promised his support in every possible way. Captain H. P. Lambert also made a speech which was full of spirit and promised President Clippinger a clean game at all times.

Prof. Wagoner, our old standby, briefly reviewed athletics at Otterbein. The student body was informed that, in order to have a successful football season, we not only needed quarter-backs and halfbacks and fullbacks but also all our backs. In the short canvas that was made $500 was pledged for the support of athletics in O. U.

The crowd was dismissed and a great bonfire was made on the gridiron. Songs and yells rolled up and down the hills and dales up until a late hour.

The "Point" or 'Elective System'

To those who are outside of Otterbein, the word "point" lacks all the flavor of romance, walks, talks and lectures as the word signifies here. By a "point" we mean a young man and young woman who are together, for a week, a term or a year to the exclusion of other company. The question arises as to why does this "system" appear at Otterbein and at no other school. Elsewhere they have what may be termed the "elective system,"—a low goes with different girls whomsoever he elects. A girl is ready for engagement with different men.

Take any school you wish and you will find such is the case,—not so at Otterbein. The "one" system is in vogue. This may be very dangerous grounds on which to stand and the editor offers no remedy—but consider the question. It is an open one.

Sympathy and Homesickness.

When a person is really ill, sympathy goes a long way in relieving suffering but there comes a sickness to new folk at school where sympathy should not be extended—homesickness. To be sure those who have left home for the first time will feel a peculiar emptiness and a longing for something you don’t know what—that’s homesickness, but don’t let it worry you, everyone has that microbe sooner or later but the fatal cases are very rare. If anyone comes around and says, “Isn’t it awful,” and “oh, don’t you feel blue,” or “I’m sorry for you,” tell them to disappear. You don’t need their sympathy, you need a change of thought.

Turn your attention to some activity, get out and run around the block if nothing else. Do something, anything to absorb your attention so that you don’t have time to think of this home longing bug.

Cochran Hall.

A meeting of all the girls of the Cochran Association, was held in the library last Saturday morning. A number of amendments to the Constitution and By-Laws were proposed, which the girls will vote on in two weeks.

Mr. Harris is clearing off the old tennis court for the girls.

Wednesday evening the first floor girls flocked to Mary Carter’s room. What for? Ask them.

Miss Mary Creamer has been absent from the Halls the last week on account of the death of her sister, Mrs. Thomas, of Columbus.

Ruth Bookwalter was around giving good-bye to the old Dorm girls Monday afternoon.

Clara Hendrix spent Saturday in Columbus, visiting her brothers there.

Hazel Codner and Mary Huntwork Sundayed with their home folks at Canal Winchester.

Clyde Spoon and Minette Van Gundy visited friends in Columbus Saturday and Sunday.

Harriet Peters, of Groveport, Mabel Peters, of Deuvals, Ethel Smith, of Ashville, and Florence Shridle, of Groveport, spent the week-end at their respective homes.

Miss Zellar’s Dictionary—“A point is an engagement for a term.”

Carum veteran tomaculum graced the table Thursday morning before and after breakfast.

Miss Z. (addressing the girls)—“Now, Young ladies, invite the young gentlemen to call upon you, and embrace your opportunities.”

A number of spreads were enjoyed last week and the new girls initiated into the pleasures of “Dorm” life.

I wish to call the attention of property owners to the village ordinance against burning leaves on paved portions of the streets. All leaves should be carried to the back yard and burned and not piled up in the street to make extra work for the street commissioner. We would also suggest that all leaves be burned some time during the day instead of at evening when the smoke of burning hangs around all over town for several hours.

My Trip to Europe (Continued from Page Two)

...the outside of the car reaching in to collect the fares. A great many precautions, necessary and unnecessary, are enforced—none is not even allowed to open or close a door in the railroad cars.

During my stay in Denmark I visited the northern part of Jutland. The soil there is very poor yet the country is densely populated. The living house and barn are usually built together so that you can walk from the parlor all through the whole house into the cow and horse stable. Everything is kept very clean. One can walk through a Danish barn with slippers on and not get them soiled a bit. I believe that is more than can be said about the American barns. During my stay in Denmark I saw some splendid farms. Many Danish farmers keep a cow for each acre he cultivates. I left Horsense, Denmark, April 4th, Esbjerg April 5th, arrived in England April 6th, in Grimsby. After a few hours’ stay we crossed the country to Liverpool. Here we remained a couple of days. I visited the slums, also the large new library and museum. The conditions of the English poor are very appalling. I saw a large number of girls doing hard manual labor, also a lot of men going idle. The museum is unusually fine.

During my trip from Liverpool to Quebec via the steamer Empress of Britain, C. F. R. line. The prettiest sight I saw was covered with icebergs and the morning sun shone on them brightly. I think Quebec is prettier than Montreal but not as pretty as Toronto. After a number of stops and sightseeing I arrived in Louisville, Ohio, broke but glad to get back to good old Ohio.

Bible Study Rally Large Enrollment.

The second meeting for Y. M. C. A. for this year was as inspiring as the first. It was the occasion of the annual Bible Study rally and a large crowd was in attendance. The speaker, instead of Mr. Keen as was announced, was H. H. Lichty, the State Secretary of Ohio colleges. Notwithstanding the fact that he was called upon unexpectedly to address the men, his address was a model of conciseness and definiteness. He said there was more for a man to know than a few things in books, that there was more for a man than to be a star athlete, that the best student was the one interested in all phases of college life and not an extremity in any one. He gave statistics showing the marvelous increase of the enrollment of college men in Bible study in the past few years.

F. W. Fanshier, Bible Study chairman, made a strong appeal and a large enrollment was secured.

The courses outlined for Bible Study this year are as follows:
- Freshman—Life of Christ by Byworth.
- Junior—Leaders of Israel, by Robinson.
- Senior—The Will of God, by H. B. Wright.

Among the teachers are Shumaker, C. M. Wagner, Brooks, M. L. Hartman, Grill, Mattis, Brane, Essig, Dick, Bilsing.

Opening Meeting Has A Large Attendance.

At the opening meeting of Y. W. C. A. there was a large attendance and splendid interest manifested which is indicative of a most successful year. The topic for the evening was “On the Fence,” leader, Miss Lillie Resler and scripture lesson Ps. 57. The leader’s remarks were particularly addressed to the new girls. There are many things that call for definite decision by a girl just entering school. She must choose whether she will be with Christ or associate herself with things on the outside. The purpose of Y. W. C. A. is to teach the girls their right relations to Christ. Many excuses are given for staying outside of the fence, but right things must be put in their right place first.

Her talk was a heart to heart talk with the girls which no one could fail to appreciate.
