Cinderella, Little Red Riding Hood, Jack (of beanstalk fame), and a baker and his wife find out when they take a journey into the woods. It's a magical, bewildering place full of witches, wolves, giants and mysterious strangers, where familiar fairy tales get tangled up together. Wishes come true here, but at a price. Even storybook characters must face the music—of which there is plenty—in Sondheim and Lapine's irreverent Tony Award-winner.

INTO THE WOODS is presented through special arrangement with Music Theatre International (MTI). All authorized performance materials are also supplied by MTI.
