Football has a long and interesting history at Otterbein College. There is an emeritus member of the faculty, undoubtedly sitting in the stands at this game, who played on an Otterbein team which tied Ohio State University in 1904. An earlier team had even beaten OSU in 1891 by a score of 42 to 6. No Otterbein team has ever gone to the Rose Bowl but one did travel to Canton in 1896 to play a game which was actually a part of William McKinley's "front porch" campaign for the presidency.

Boys have come from Florida, New Mexico, Massachusetts, Sierra Leone, and China to play football for Otterbein. Young men, having learned their football here, have gone out all over the world to coach the game. I learned my first football at Indiana Central College from an Otterbein coach. Many of the men on this year's squad have been taught by Otterbein graduates. A boy plays football here, not to increase the revenues or the prestige of the institution, but as an important part of his own education. He becomes a better doctor, or teacher, or minister, or executive because of his experience.

We welcome you to another season of football at Otterbein, and we promise you that, win or lose, you will see some exciting activity.

Lynn W. Turner,  
President  
Otterbein College
