He is responsible for many innovations in the Otterbein theatre program since he began teaching here in 1958, including the overseas tour, New York Theatre Tours and now, Otterbein's first summer theatre program. Dr. Dodrill is also responsible for the Otterbein Artist Series and he is currently chairman of the Greater Columbus Arts Council.

DEENA FERRIGNO, Designer-Technical Director, received a B.A. from the University of Massachusetts, and an M.A. from the University of Michigan, where she acted as Technical Director and Designer of Children's Theatre for two years. We are delighted to have her with us for the second semester and summer while Prof. Fred Thayer is on sabbatical leave doing graduate work.

WILLIAM BRASMER is chairman of the Department of Theatre Arts at Denison University and Director of the Denison University Theatre. For fifteen years he was Managing Director of the Denison Summer Theatre and in his nineteen years of teaching at Denison he has directed over 75 productions. Director's Corner

At the close of this first season of Summer Theatre at Otterbein, we would like to share some interesting statistics with you. We cannot begin to tell you how much we appreciate the way Westerville and the Central Ohio theatre-goers have supported this new venture. Westerville merchants have actively supported our program with advertisements and the loan of properties, etc. We sold 405 season tickets, a remarkable number for a first season, and 58 persons-couples-organizations contributed \$10 or more as Theatre Patrons to a fund to be utilized in the event of a deficit. Our total attendance will be approximately 85% of capacity for the entire season. The above statistics are also indicative of the great support offered by the *Public Opinion*, *Columbus Dispatch*, *Columbus Citizen-Journal* and other area news media — thank you!

I would like to express my grateful appreciation to the entire summer theatre staff and company who have worked so hard to make this project a reality. I would like to thank Prof. William Brummer for contributing so generously as director of **Rhinoceros**, Bob Stegmiller for giving so generously of his time and equipment and for directing **Take Her, She's Mine**, and I would especially like to thank Deena Ferrigno for fulfilling the many responsibilities (designer-technical director and theatre set-up) which were laid upon her very capable shoulders.

Finally, I would be remiss if I did not express my grateful appreciation to the 20 members of the company. These very capable and devoted young people have worked innumerable hours as actors and technicians in order to bring you good theatre while they learn and practice their craft, thus fulfilling the double function of educational theatre to provide entertainment while teaching the art of the theatre. Incidentally, they have conducted themselves at all times with the highest sense of duty, responsibility and integrity, thus making this summer a joy instead of a disaster — we could pay them no higher tribute than "thank you — well done!"

Dr. Charles Dodrill

P. S. — See you next season!!
