"THE BOY FRIEND"

"We scheme about, and dream about, and we've been known to scream about -- that certain thing called the Boy Friend", sing "les jeunes filles" in the Otterbein College Theatre's production of "THE BOY FRIEND", on tour of the Northeast area for five weeks, beginning 3 August 1964.

"THE BOY FRIEND" is a gay, light-hearted spoof of the 1920's, written by Sandy Wilson and first produced in London in 1953. The following year this musical was brought to New York, where it opened to rave reviews from the critics.

The play is set at Madame DuBonnet's exclusive finishing school for young ladies, the Villa Caprice, on the outskirts of Nice. "THE BOY FRIEND" carries its gay mood throughout the entire show with Charleston dances, madcap poses and flapper fashions in true Twenties style. The Otterbein College Theatre production puts snap in the songs and spice in the romances, capturing the essence of the Twenties era.

In addition to its musical production, the group will present a variety show on their Northeast tour, which will feature folk music-hootenanny style, pop music, dancing and specialty acts.

All members of "THE BOY FRIEND" cast are full-time, regularly-enrolled students at Otterbein College in Westerville, Ohio, and are active in theatre activities. Otterbein is a liberal arts institution of 1200 students located northeast of Columbus, Ohio. Founded in 1847, it was the first college in the United States to begin as a co-educational insitution and the first to employ women on its faculty. Before leaving for its USO-AETA tour, "THE BOY FRIEND" played a three-night run to capacity crowds during the May Day weekend festivities on the Otterbein campus.

Individually, the members of the troupe are:

Sally Banbury from Danville, Ohio, graduated this spring with a major in biology. Sally, who plans to be a nurse, served as president of her sorority and the campus dance club, was an officer in the Glee Club and Women's Athletic Association, and was a member of the A.F.R.O.T.C. Angel Flight. She was elected May Queen in 1963.
