OCT. 2 - 8 P.M.

OBSERVATIONS FROM THE PRESIDENT'S BOX

In central Ohio football and fall are synonymous. The thrill of the beautifully executed play, the rich music of the band and the pungency of crisp fall air amidst brilliant flashes of color excite the senses. For spectator - participants Otterbein football promises experiences blending mind and emotion. We analyze strategy and second guess the coaches. We marvel at the leadership and teamwork. We pulsate to the pace of competitive conflict. Totally involved, we rekindle cherished memories and hopes. Football transcends time-capturing the great traditions of the past and the newness of now. The pageantry sharpens our focus on that intangible we call the "spirit of Otterbein."

The Ohio Conference places football in perspective. Competition within rules, cooperation in pursuit of defined goals, application of skills to problems, and discipline and decision making under pressure are characteristics of good football, strong liberal arts programs and successful living. Our concern at Otterbein is with education as the development of human potential. I am proud that both our athletic program and conference reflect that philosophy.

While this is my first year as President of Otterbein, I have had the privilege of knowing Coach Bob Agler and his staff over a span of eight years. They are men in the finest Otterbein tradition of coaching as teaching. They have consistently demonstrated concern for individual lives and values as well as athletic excellence. I know that an Agler team will be well coached, spirited and exciting. I wish the coaches and team every success.
