WORLD PREMIERE OF "ANTIGRAVITY" CLOSSES OTTERBEIN SEASON

Peter, played by Jared Jensen, and his sister, Wendy, played by Kelly Reeves, spend a weekend trying to repair the family home and sort out changing relationships in the original play *Antigravity*, written by Mystery Science Theatre writer Bill Corbett.

Each year Otterbein's Department of Theatre and Dance closes its season with a commissioned play in an effort to bring original theatre to Central Ohio. This year Corbett takes a comic and serious look at feelings of isolation and fear that come with the end of the millenium.

Antigravity will be performed in Otterbein's Campus Center Theatre, 100 W. Home St. in Westerville, May 27-30 and June 3-6.

The opening night performance begins at 7:30 p.m.; other evening performances are at 8 p.m. Sunday matinees begin at 2 p.m.

Tickets are \$11 for Thursday and Sunday and \$12 for Friday and Saturday. Tickets can be reserved by call the Otterbein College box office at 823-1109 between 1 and 4:30 p.m. weekdays.
