Angels Fire GM Walsh

ANAHEIM (AP) — Dick Walsh, hailed as a trading genius at the start of the 1971 baseball season, has been fired as general manager of the California Angels.

Board Chairman Gene Autry and Angels' President Bob Reynolds announced Wednesday night that they were not retaining Walsh, 45, who has four years to run on a seven-year contract.

The executives said "exploration talks" have been held with the Baltimore Orioles'

day when Coach Lee Tressel brings his high-flying Baldwin-Wallace College combine to Springfield for a 1:30 p.m. homecoming attraction.

It's the biggest of five OC games on the weekend card.

Both teams have won their only two conference starts. Baldwin-Wallace, 5-0, is one of Ohio's three remaining unbeaten teams. Wittenberg has won four in a row since an opening 33-7 setback at Western Kentucky.

OTTERBEIN attempts to square its OC record at 2-2 and season tally at 3-3 when Marietta visits Memorial Stadium, Westerville, for a 2 p.m. homecoming game. The Pioneers are 3-0 in the conference and have won four straight since dropping a 26-0 decision to a strong Westminster, Pa., team in the season opener.

Two frustrated football teams get together at New Concord when Muskingum (0-5) hosts Capital (1-4) in McConagha Stadium. Roth

vice president in charge of player personnel, Harry Dalton, who has been rumored for the past month as a likely successor to Walsh.

"A final decision will take several days," Autry and Reynolds said in a joint statement. "There are important considerations for both sides."

Dalton declined comment in Baltimore, and Walsh was not immediately available to newsmen.
