OFFICE OF THE PRESIDENT  
KENYON COLLEGE  
GAMBIER, OHIO  
43022

Welcome to Kenyon College:

This year marks Kenyon College's one hundred and forty-eighth year as an institution of higher education and the third for Kenyon's Coordinate College for Women. Our academic thrust as a liberal arts college remains the same, but we feel we have achieved better balance in our classrooms with women as an integral part of this collegium.

If time is not too pressing when the game is over, you might enjoy driving through the Village to view the campus, which is beautiful at this time of year.

Although Kenyon is a teaching institution and place of learning, we are aware of the importance of athletics. As a result, we have an intercollegiate athletic program in ten sports and a comprehensive intramural athletic program. These are both carried forward with considerable vigor because of our belief in the strong relationship between mental and physical fitness.

We take pleasure in welcoming you to Gambier and hope that your visit today will prove pleasant and that you will visit often.

Sincerely yours,

## Opening Game

Kenyon opens its 1971 season with a defensive unit intact from last year's squad. The offense, however, is somewhat questionable, and its ability to move the ball will be of more than passing interest to the coaches. Kenyon Head Coach Phil Morse, who coached the Lords to a 5-4 mark last year, is beginning his fifth season as Kenyon mentor, and he will be seeking a fourth consecutive winning season. Otterbein, today's opponent for the Lords, is, like Kenyon, depending on its young players. The Otterbein unit, 3-6 last year, has remolded its offense with the graduation of outstanding passing quarterback Norm Lukey.

#### KENYON LORDS: COACHING STAFF

Dick Sloan, Head Coach Phil Morse, Don White, Bill Heiser, and Tom McHugh.
