## *Next Week*

*THE IMAGINARY INVALID*, Moliere's classic comedy about a hypochondriac who complains about a million imaginary ills, and even more about the astronomical amounts of his monthly doctor and apothecary bills, will play Wednesday thru Saturday, July 5-6-7-8. By marrying his daughter to a doctor he reasons he can save money and have the best of personal attention, but the daughter has other plans and an inventive maid helps her expose the doctors as charlatans in one of the funniest scenes from all theatre. The play will be directed by Dr. John Morrow and it will feature Marc Smythe, Bec Holford, David Mack and David Graf.
