## EDUCATIONAL CONFERENCE

### Six Recommendations Are Passed At Meeting

January 6 and 7 the Educational Conference for the Central Area was held at Otterbein. The purpose of this conference was to discuss and plan for the further advancement of Christian Education in this area.

The conference was under the direction of Bishop A. R. Clipinger, and Dr. O. T. Deever, head of Religious Education, and his assistants, Gordon Howard, Youth Department, M. I. Webber, Adult Department, James Weber, Intermediate Department and Mrs. Lula Babbitt, Children's Department.

Educational directors for the conferences in the area with the conference boards of education, and conference superintendents were delegates along with many other workers in this field.

It was an enthusiastic and profitable meeting.

One session was given over to Religious Education in our colleges. The following is a report of the Findings Committee on this phase of the work:

We recommend:

1. That conference Boards of Christian Education study the possibility of securing from local churches contributions of funds for student aid.

2. That Otterbein College and the conference Board of Christian Education cooperate in securing and increasing the enrollment of 100 students over and above the present enrollment.

3. That Otterbein College proceed with plans for another scholarship contest.

4. That Otterbein College make provision to offer a scholarship in Otterbein, when needed, to successful contestants in the Prince of Peace Declamation Contest as sponsored by the Ohio Council of Churches.

5. That Otterbein College call together at an early date the general directors of education in the cooperating territory for the purpose of working out plans for closer cooperation between the college and the annual conferences.

6. That we approve Bonebrake Seminary as the training school for United Brethren ministers and that the annual Cash Day be faithfully observed.

## PRESIDENT HOOVER PRAISES LIBERAL ARTS COLLEGES

On Saturday, November 14, for the first time in its history the American liberal arts college went on the air. Through the cooperation of the National Broadcasting Company and a group of educators interested in the future of the liberal arts college as a vital unit in our educational system, its case was forcefully presented to the radio audience of the nation.

Beginning at nine o'clock, Eastern Standard Time, a network of forty-six radio stations carried a half-hour program on the general theme of "The Liberal Arts College", which, according to the estimate of the National

Broadcasting Company, was heard by more than 45,000,000 listeners-in.

President Herbert Hoover said:

"I am glad to express appreciation of the service of the liberal arts college—that is, the small college. I do this the more freely because of the more than 600 such institutions in our land. Most of them have little, if any, endowment or state support. In these times of trends toward larger units the difficulties of the unsupported small college multiply, which make their successful operations less hopeful, and in many cases a desperate struggle.

"The important place which these institutions hold in our system of education renders their support of the utmost importance. Whatever be the magnificent services of the larger and highly specialized universities, the liberal arts colleges place an emphasis upon personal contacts of teacher and student which render them a vital part of our educational system.

"A primary purpose of education is a product of high character and noble ideals, which regard moral and spiritual qualities superior to mere material things, without which any purely economic system would collapse.

"Throughout our history these colleges have been and are now the seedbeds of leadership. They have contributed a large part to the presence in our land of nearly 2,000,000 college trained men and women. There is a great honor toll of men and women in our nation. The finest traditions of our country are rooted in their associations and their inspirations".

## BROADCAST TO BE ON APRIL 2

### "Otterbein Night" To Go on Air From Sta- tion KDKA

#### April 2—Broadcast from KDKA

Every college group and friend of Otterbein should be looking towards the annual Otterbein Night, April 2, 1932.

For several years this important event has been set for the period just before Easter which often conflicted with local programs, especially church services. This year Otterbein Night will occur during vacation week when the students will be at home and can participate in this celebration with the local group. The Glee Club will be on its vacation trip and arrangements are being made to use KDKA, Pittsburgh, for the entertainment.

Officers of local clubs and Alumni everywhere should mark this date and begin to make preparations now for the best meeting ever.

Send for lists of Alumni in your neighborhood; plan for a big time.

The Alumni office will be pleased to hear of your plans and would like to have a report after the meeting.

Do not forget the date and begin to make plans now.

Rev. and Mrs. J. B. Bovey, '92-'86, drove to Albuquerque, New Mexico, this fall to spend the winter.

## HOMECOMING FEBRUARY 12

### Basketball Game And Parties Planned For Alumni

Friday night, February 12, has been set as the date for the Winter Homecoming. This event has been growing in popularity for several years and numbers of alumni and friends find their way back to the campus to see the basket ball team in action.

This year our old rivals Heidelberg will provide the opposition. Heidelberg has a great team and the game will be a hard fought one.

Reunions and parties usually follow the game and the student body is looking forward to the day with pleasure.

This is also the time when some of our alumni bring in the boys and girls from their local schools who are looking forward to a course in Otterbein. If any friend or former student has not made preparation for the entertainment of these prospective students please communicate with the Alumni office.

Some rather big events are being planned this year but the details have not yet been worked out.

Set this date aside and plan to be of the number who will make this a great day.

Word has just been received of the death of Joseph Milton Bever of the class of '76, at Seattle, Washington, September, 1931. This leaves three living members of this class of 15 graduates.

## Alumni Council Member Dies

Since our last issue Otterbein and the church has suffered a great loss in the death of Dr. Noah E. Cornet, professor of Greek since 1902.

Dr. Cornet was known and loved by hundreds who had known him as a teacher and friend, as pastor and advisor.

He had been suffering for several years from a heart weakness which culminated in his passing on Friday, November 13th.

He was especially interested in the work of the Alumni Association and had been a member of the Alumni Council since its organization, where his good judgment and kind counsel was an inspiration to his associates.

He leaves a loving wife and five children to mourn his loss.

### CLEVELAND OTTERBEIN CLUB

At the last meeting of the Cleveland Woman's Club, January 9, 1932, the club took up the project of furnishing a Sousaphone for the Otterbein Band. They have pledged \$150 to be paid in two years. This club after many attempts to organize has some fine workers and they always keep some project for helping the college before them. They recently finished paying \$100 toward the lockers in the Women's gymnasium.

### MEETING OF CHICAGO GROUP

Mrs. Paul Claxton (Mildred Clemens), '24, and Mrs. Fenton Stearns (Lois Sellers), '22, were hostesses to the Chicago Alumni, at a tea November 29, 1931.

This Alumni group although widely scattered is expecting to have another meeting this spring when an even larger attendance is expected. We quote a paragraph from the fine letter of Mrs. Stearns.

"It happened that Paul Claxton directs the Men's Chorus at the Western Electric Company. They broadcast regularly on the last Sunday of each month at 4:00 o'clock over one of the Chicago stations. He arranged his program to include some Otterbein songs, among them "The Otterbein Love Song" and "Darling Nellie Gray". So we had some appropriate music for the occasion.

The Cox family from Valparaiso started but had car trouble and did not get here."

### MEETING OF AKRON ALUMNI

Under the auspices of the combined General and Women's groups of Akron, an enthusiastic meeting was held on Saturday, November 14, 1932. The guests of honor were the members of the football team on their way back from the game at Kent College.

## WHERE DOES YOUR CLASS STAND

Well, here we go again trying to instill a little old college "Pep" into this campaign to boost our active membership list.

We have now something over 200 but that is only one out of every ten graduates. I wonder what is the matter with the other nine? Some of course cannot spare the \$2.00 but this number we believe to be comparatively few. A few are disinterested and a few are actually disgruntled, maybe, but we think it is mostly indifference and neglect on the part of very many.

Those living at some distance from the campus are not being touched as they should be. They cannot be until there is better support of the program.

Please note Dr. Clippinger's greeting in another part of this issue. Let's get together and pull a little. The college will grow or decrease as the support of its alumni grows or decreases.

We have had some wonderfully encouraging letters from the class secretaries who are giving their time and means to get an active, interested, live group to join in this movement.

Write your secretary a letter. Encourage him or her, and we can do surprising things even if "Old Man Depression" has been camping on our doorstep.

The next issue of the News will come in May. Why not make an effort to make your class a winner.

Below are the names of the class Secretaries. A few classes have not been provided with a secretary. If your class is not so represented why not suggest someone for the position.

## CONFIDENCE, COOPERATION, GOOD WILL

I endorse heartily the effort now being made by the Alumni Council to increase the membership of the Association. The American Colleges are entering the valley of depression. Incomes from endowment and church funds are decreasing, and student enrollment falling off. Otterbein has not yet suffered severely but is facing a certain decline, in these respects. Now, if ever, is the time for her sons and daughters to rally to her support. The first and simplest thing you can do is to join the Association, and receive the bulletins announcing from time to time the progress and condition of the college.

Confidence, cooperation and good-will are needed now as not for many years.

Sincerely,

W. G. Clippinger.

# 1600 VOLUMES GIVEN LIBRARY

## Fine Contributions Are Made By Two Alumni

The college library has recently been enriched by fine contributions of books from two of our Alumni. Over 1600 volumes have been added in these two gifts.

Mrs. Justina Stevens, '83, Temple Hill, Cheefoo Shantung Province, China, has given to the college practically her entire library consisting of books in the field of Language, Literature, Art, Nature, History (including biography and travel) Religion and Miscellany in all nearly 1300 volumes.

Mr. James Allison Barnes, '94, Paris, France, has also given a generous lot of very valuable books in all about 380 volumes, among them, a set of Encyclopedia Biblicane, set of The International Critical Commentary, a set of the Expositors Bible and seven volumes of Hastings' Bible Dictionary.

These books have been catalogued and are now accessible to the student body.

The large accessions impose upon us anew the importance of enlarging our Library building in the near future.

## ALUMNI NEW

Mr. and Mrs. L. O. Perry, '24-'22, have moved from New Madison, Ohio to 19327 Havana Avenue, Detroit, Michigan, where Mr. Perry has taken up work.

Miss Stella R. Lilly, '16, who has been teaching at Quincy, Illinois, for the past six years, has started another year teaching seniors in the high school.

Mrs. A. H. Syler (Mabel Putt), '09, is publicity director for a School of Religion or Teachers Training School that is to be held the first part of this year at Sugar Creek, Ohio.

Miss Carrie Hendrickson, '05, of Alliance, Ohio is at home recovering from a severe operation. Miss Hendrickson has taught several years in the Alliance schools.

Mr. Elvin S. Warrick, '21, and wife Ruth Campbell Warrick, '22, are living at 902½ California Avenue, Urbana, Illinois. Mr. Warrick is Assistant Librarian at the University of Illinois. He expects to receive his masters degree in Library Science this year.

Professor W. H. Troop, head of the department of Business Administration, who was reelected to the Village Council in November was again named president of that body and also Police Judge. Professor Troop is making a reputation as a judge and has the entire confidence of the community.

## CAGE TEAM IS ONE OF BEST

### Has Possibilities In Spite Of Two Defeats

By William Botts

Although the Otterbein college basketball team has only been able to break even in the four games played so far, no one can deny that the team this year has possibilities. We can even go so far as to say it is one of the best court teams to ever represent Otterbein.

#### Stars On Team

When Dr. Edler issued his initial call, five lettermen, Andrews, Francis, Axline, Robinson and Botts reported from last year's squad along with a likely looking group of sophomores. The main cogs in the new varsity five are Sam Andrews, Dayton and Barney Francis, Tiffin who were given honorable mention on last year's All-Ohio.

Several of the lettermen, counted upon to win regular berths, were shoved out by the sophomore men: Virgil Hinton, Canton McKinley; Bob Albright, Dayton Stivers; Ray Schick, Westerville; Bud Worstell, Lima; Henry Furniss, Galena; Claire Rice, Danville; and Roger Huhn, Westerville. Of the above mentioned, Hinton, Schick and Albright have won positions on the varsity with Worstell and Rice being first substitutes.

For the first time in many years the center position, a cause of worry to the coaches, has been ably filled by Albright and Worstell. Both men are aggressive and scrappers. Albright, by his considerable experience, has won the regular position. At the forwards we have Hinton and Francis. Hinton is a newcomer to the team and is the first left-handed man on an Otterbein team since the days of Ralph Gibson. He is an excellent shot, but lacks experience. Francis was second high scorer of the team last year with 141 points in twelve games. He is an excellent all-around man.

At the guards are Andrews and Schick. Andrews is a real star—lead his team in scoring last year with 142 points. Schick is a sophomore and a scrappy one at that. With more experience, Schick will be another Andrews.

#### Win Two Games

The first two games played were victories for the Edlermen over Bowling Green 29-28 and Kenyon 36-28. Andrews won the Bowling Green game with a basket in the final minutes of play. Otterbein lead throughout the contest and were better shots than their opponents. The Kenyon game was a shooting practice for Otterbein. Andrews and Francis lead the scoring.

In the two defeats suffered by the Cardinals, Ohio Northern won 36-28 and Marietta won a thriller in two overtime periods by a 43-42 score. As usual Andrews and Francis were the high point men, although pressed hard by Albright. Rice a sub entered the

## MAN OF MANY DUTIES AT OTTERBEIN

William Botts, President of the senior class, Captain of the Baseball team, varsity basketball man, and publicity man is the young man pictured here. During the past year Bill has acted as college correspondent for the Columbus Citizen, The Dayton News and

Dayton Journal, and the International News Service. Botts completes his college course this year with a major in Business Administration.

## TRACK TEAM IS ONLY UNDEFEATED OUTFIT

Otterbein had good athletic teams in every sport this year but the only undefeated group was the track team. The Otterbein thin-clads ran roughshod over all their opponents to complete the season without a blemish on their record.

Coach Floyd Beelman, Otterbein star of several years back was the guiding mentor and secured fine co-operation throughout the year. As in football not many men were lost by the way of graduation and the team for next season should be able to keep up the good work of the past season in fine style.

## THE SHIVELY FAMILY ON FURLOUGH

Rev. B. F. Shively, '05, Mrs. Grace Resler Shively, '06, and son, Donald, are spending their furlough from the mission field in Westerville. They returned last summer bringing their son, John, with them to re-enter Otterbein where he had already spent two years. Mr. and Mrs. Shively also have two daughters, Mary and Alice, in college. These three children are all in the Junior class, which is unusual for one family.

Rev. Shively has been teaching in Doshisha Mission School in Kyoto, Japan for more than twenty years.

The Shiveleys are filling speaking engagements in various parts of the country and are in demand at this time for such subjects as the "Manchurian Situation" and phases of Japanese life and culture. If interested in having Dr. Shively speak to your people address him at Westerville, Ohio.

They expect to return to Japan sometime this year.

Marietta game near the end of the game and kept his team in the running by scoring five points.

There are eight games remaining on the schedule with the homecoming game on February 12 with Heidelberg.

For the first time since 1927 prospects loom very bright for a successful baseball season. Only two lettermen were lost through graduation and both of these were subs.

## GOOD TEAM IS PROSPECT

### Gridiron Outfit To Be Composed Of Veterans

By Dale B. Evans

Otterbein fans should see one of the finest football teams in history trot upon the field October first, when the Cardinals line up against the best Oberlin has to offer.

Coach Edler has a team of veterans that know the Edler system of football ready to answer the call as not one first team man will be graduated in June, that is if the boys all make the grade and come back. Coach Edler developed two All-Ohio men this year in Francis and Bowells and should make everyone of the eight opponents of the coming season realize that at last little Otterbein has a real coach and a real team.

Lane and Campbell will be at the end posts next year with Sprecker, Heil and Worstell pushing them hard to get the jobs. Garrett and Bowells, those two iron men of Dayton will make the Card's opponents "take them and like it" from the tackle position. Spork and Bennett with the the experience gained last season should also see a bit of action. Huhn and Miller, two hard driving interference running guards will have a hard time holding their positions against the on-rush of Morrison and Shope. Shope won a letter this year at the guard posts.

Hal Martin and Hugh Glover will again be ready to handle the center post. Both are mighty tough boys.

In the backfield will be All-Ohio Francis directing the play with Schick, Huston, Albright, Kneppshield, Nutt, Scott, and Weaston trying for half-back jobs. The elusive, hard hitting Schick seems to be most sure of his job as a running mate to Albright.

The veterans Short, Paul Schott, and John Schott will take care of the full-back's work with Short ahead in the race for the post.

Other members of the freshman team who should give the vets a workout are George, Barton, Orndorff, Shishler, Cox, Landon, Messmer, Purdy, Van Sickle, and Harris.

Otterbein's eight game schedule with Oberlin as an opener and Akron as the finale is as follows:

October 1—Oberlin at Oberlin

October 8—Kent at Kent

October 15—Ohio Northern at Westerville

October 22—Capital at Columbus

October 29—Ashland at Westerville

November 5—Kenyon at Gambier

November 12—Toledo at Westerville

November 19—Akron at Akron
