The purpose of WORKSHOP THEATRE is to provide opportunity for advanced students to gain experience in directing, and to provide students (particularly beginning college students) with the opportunity to gain experience in acting. The physical facilities of theatre, such as seting and costumes, are de-emphasized in the WORKSHOP THEATRE. Some attempt is made to suggest the correct technical facilities, but the emphasis is upon directing and acting. We try to pick good scripts -- we hope to do them well. We hope you enjoy this production because those who have worked on it have learned a great deal. Their hope is to provide you with a pleasant theatre experience within the framework of the WORKSHOP THEATRE. Thank you for joining us and please come again.
