EDUCATION DAY TO BE FEB. 9TH

Quota for Special Offer- ing Is 10 Cents Per Person

Education Day will be observed in the churches throughout the denomination on Feb. 9.

This is the day which is set aside by the General Conference for the purpose of taking a special offering for our colleges. All the churches in the Otterbein territory are asked to place special emphasis upon this effort this year and we are asking the alumni to get behind this project in the local church and assist the pastor in any way possible to raise the quota of 10 cents per member.

The college is assigned \$12,000 in the benevolence budget but last year received only \$2,046 with \$3,588 from the Education Day offerings or a total of \$5,634, which was less than half the amount assigned in the benevolence budget.

Let us be looking ahead and make definite plans for raising the quotas this year so that we will be able to wipe out the deficit of the past year which amounted to \$3,783.

Alumni living outside of the co-operating territory can send their contributions directly to the college.

Otterbein Opens 89th Year With Larger Freshmen Class

Otterbein College opened its eighty-ninth year Wednesday morning, September 18, with a program of speaking and special music. President W. G. Clippinger spoke on the subject—"The Heritage of the Christian College." He referred to the inheritance of physical equipment such as buildings and grounds, library and laboratories, traditions and ideals in the form of educational standards, social customs, and spiritual values. He also spoke of the inheritance of friendships—the strongest and most beautiful of any developed in a lifetime. He closed by saying that we can despise our inheritance, we can merely appreciate it and get a mental apprehension of it, or we can add to our inheritance and magnify it during our own generation.

The opening program, also, included music by a violin quartet composed of Mrs. Mabel Dunn Hopkins, head of the Violin Department, Mr. Loren Peters and Mr. Kenneth Holland, both of whom are members of the class of 1935, and Miss Elizabeth Baxter, with Mr. Paul Jones at the piano. Prayer was offered by Bishop A. R. Clippinger and the Scripture read by Rev. J. S. Innerst, Pastor of the College Church. Mr. William Wolfarth, president of the Student Council, greeted the new and old students and explained to the new students the

functioning of the Student Council.

The enrollment this year shows a marked increase over last year. There is a gain of 41% in the freshman class and a total gain in the four classes of 13%. A considerable number of new upper classmen have registered, which helps to offset the number of those who could not return this year. From this it would seem that Otterbein has turned the corner of the depression, but every square has four corners, and it will take about three more such gains to get Otterbein square with her high record of attendance in previous years.

A considerable degree of optimism and good feeling have attended the opening week. The regular opening was preceded by a period of freshman activities which began on Saturday, September 14, and included a Parent-Faculty Conference, a Faculty Reception to Freshmen and Parents followed by a dinner. Sunday, in addition to the regular church services, there were music and dramatic programs. Monday and Tuesday the freshmen were busy with registration, physical examinations, and examinations in English, mathematics, and history. In addition to this period of adjustment for freshmen, the Big Sister and Big Buddie Movements, sponsored by the Christian Associations, will aid

HOMECOMING DAY IS OCT. 26

Hiram Game Main Event On Unusually Fine Program

The annual Fall Homecoming will be observed Saturday, October 26th. This should be a red-letter day in the history of Otterbein College. Alumni and friends will again make their appearance on the campus to renew old acquaintances and make new friends.

A very unusual program is promised by the committee in charge. In the afternoon the Cards will meet their old rival Hiram on the gridiron. After the game everyone is invited to Cochran Hall for an informal reception. Following the reception the Alumni dinner will be served in the Cochran Hall dining room.

In the evening the Junior class will present "something new and something different" in the form of a real drama entitled "The Witching Hour" by Augustus Thomas. This is the first time the Juniors have had the privilege of entertaining the Homecoming crowd and are sure to do their best.

Those who miss this Homecoming are going to miss a real treat. Revive the old Otterbein spirit and plan to be with the crowd.

HONOR DEGREES AWARDED TO SIX

Otterbein Honors Men At Annual Com- mencement

President Clippinger awarded honorary degrees to six well-known and deserving men. Dr. Howard Hyde Russell and Dr. Clarence A. Dykstra received the degree of L. H. D., Dr. John Finley Williamson his degree of L. L. D. Professor Winfred Coover received the degree of Sc. D. and Dr. J. R. Howe and Rev. Dewey Whitwell received the degree D. D.

Dr. Russell has an illustrious record which is as follows: A. B. from Griswold College of Iowa in 1872; L. L. B. from Indianola College of Iowa in 1878; B. D. and A. M. from Oberlin Theological Seminary in 1888 and 1895; D. D. degrees from Ohio Wesleyan in 1896, and from Oberlin Theological Seminary in 1921; and L. L. D. from Otterbein in 1922.

Dr. Dykstra has a well established reputation in the field of city manager form of government. He received his A. B. from the University of Iowa in 1903. Since that time, he has held positions in political science and history at the University of Chicago, Ohio State University, the University of Kansas, and the University of California. He has been city manager of Cincinnati since 1930.

Dr. J. R. Howe is very well-known to members of Otterbein campus because of being a former student and also because of close contacts he maintained with the group. He received his A. B. degree from Otterbein in 1921; his B. D. from Yale Divinity School in 1924; and his degree of Ph. D. from Yale University in 1926, and has been a teacher at the Bonebrake Theological Seminary since the fall of 1926.

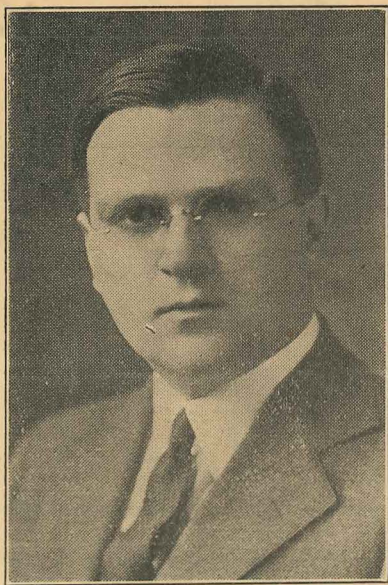

Dr. John Finley Williamson is another of Otterbein's illustrious alumni. He received his certificate in Music from Otterbein in 1911, and in 1928 he received the degree of Doctor of Music from Wooster University. He is the head of the Westminster Choir which he organized in 1920, and also the Westminster Choir School which he founded in 1926. The latter school has collegiate ranking with the right to grant degrees of Bachelor of Music and Master of Music. The Westminster Choir has made extensive trips in America and also abroad.

Mr. Winfred Forrest Coover is also very familiar about Otterbein's campus. He graduated from Otterbein in 1900. In 1903 he received the degree of Master of Arts from Ohio State University. He has attended graduate school at Columbia University, but at the present time is head of the department of Chemistry at the Iowa State College of Agriculture and Mechanical Arts at Ames, Iowa.

GIVEN ACCLAIM FOR MEDICAL RESEARCH

Among the hundreds of papers presented before the American Chemical Society in its August meeting in San Francisco none was received more warmly or enlisted more newspaper comment, among them the New York Times, than the one read by Dr. Francis M. Pottenger, Jr., '25, of Monrovia, Cal.

Dr. Pottenger conceived the idea that the hormone contained in the cortex of the adrenal glands should have a stimulating effect on asthmatic and tubercular patients. As a result he has developed an elaborate system of extraction of the hormone from the glands and an extensive program of feeding tests on guinea pigs and other small animals. He is associated with his father, who graduated in '92.

In checking up the placement of the graduates of last year's class the interesting fact was revealed that all graduates of the music department succeeded in getting positions. This is a very fine tribute to director and instructors in that department.

REPRESENTS GOV'T. AT FOREIGN CONGRESS

Dr. Richard Bradfield, '17, professor of agronomy, Ohio State University, has just returned from Oxford, England, where he was an official delegate of the United States government to the Third International Congress of Soil Science.

Dr. Bradfield, with five other members of the Ohio delegation attending the conference, made an extensive study of soils and agriculture in England, Wales, Scotland and Holland.

Representatives of 40 countries attended the congress including 67 from the United States of which Ohio sent the largest delegation.

Dr. Bradfield reports that European countries are attempting to become as self-sufficient as possible. Great Britain has enacted a program in which subsidies are used to encourage agriculture. A subsidy for wheat, about 65 cents on the bushel above the market price, is received by English farmers.

In every country represented at the international gathering according to Dr. Bradfield the cry is the same: Overproduction on one hand and the demand for the production of articles previously imported on the other. Delegates to the congress consider this nationalistic struggle for self-sufficiency a serious problem for agricultural economists of the world.

Dale Hutson, '18, formerly of Findlay and head of the English department in the Findlay High School has accepted a similar position in the Lakewood, Ohio High School. Mr. Hutson was quite prominent in Findlay musical circles and will be missed very much.

HOUSEMOTHERS' REIGN ENTERS SECOND YEAR

Fraternities are entering into the second year of life with Housemothers to guide and assist them. Last year the idea seemed to cause a great deal of comment because the outcome was not known. This year the Housemother seems to be a natural part of the life in the Fraternity house. A few changes have been made in the location of the Fraternity houses and in the Housemothers.

Eta Phi Mu is remaining in their same location, corner of West Park and University and Mrs. Messmer is again looking after them.

Pi Beta Sigma again is located on College Ave. with Mrs. Priest as Housemother.

Pi Kappa Phi is in their site of last year, across from King Hall, and Mr. and Mrs. Jones again are with them.

Sigma Delta Phi has moved into a new location at 94 W. Park St. with Mr. and Mrs. Clapham helping them.

Zeta Phi has moved to 74 W. Main St., and Miss Rogers still holds forth with them.

The general situation with the Fraternities is improved over last year and the campus can look forward to another busy Fraternity year.

All the Fraternities are planning special activities in connection with Homecoming which will be held Oct. 26.

MISS OTT PROMOTED TO HEAD LIBRARIAN

Appeal To Alumni

We are very desirous of having our alumni records brought up to date and kept that way but we are handicapped considerably because of the fact that a large number of our alumni do not notify the office of changes of address or occupation. Consequently we are asking all alumni who have made any change in either address or occupation during the past three years to clip the coupon below for that purpose and send to the Alumni Secretary.

DEATHS

The Foreign Mission Office has received a cablegram announcing the death of Rev. Kiyoshi Yabe, native worker in our Japanese Mission and associated with Rev. J. Edgar Knipp in the Shiga Ken Province. He spent a number of years in the United States, where he completed his education, graduating from Otterbein in 1912. He was heard in many of our local churches and was a man of outstanding ability and consecration and his loss will be keenly felt by our church and the entire missionary forces of Japan. Kagawa, the great Christian leader in Japan wired Rev. Knipp this beautiful tribute: "He leaves Japan great and glorious influences. His character radiates sweet perfume. His spirit will go on forever." What a noble tribute to be paid to any man.

Miss Ruth Gibson, '34, Westerville, Ohio was killed instantly while riding in an interurban passenger car, near Springfield, Ohio on August 10. Miss Gibson was very active on the campus. Besides being elected May Queen, she graduated with cum laude honors and was president of Sigma Alpha Tau.

Miss Josephine Johnson, long and favorably known to the church as a teacher of German in Otterbein, was called by death quite suddenly July 15. She was a woman of fine Christian character and many accomplishments. For a number of years she has lived in retirement at the Otterbein Home.

Christian Ulrich, '05, Wyoming, Ohio died at his home on Friday, June 14. Mr. Ulrich had been ill for more than a year and died of a complication of diseases. He was widely known as a musician and directed the choir of the Wyoming Presbyterian Church. He was buried in the Twin Valley Cemetery, near Germantown.

ONE PLUS ONE EQUALS ONE

A radiogram has been received announcing the marriage of John R. Shively, '33, to Miss Beulah Feightner, '33, at the Shively home on July 2. Dr. B. F. Shively, '05, father of the groom, performed the ceremony. The groom is the son of Dr. and Mrs. B. F. Shively (Mary Grace Ressler, '06) of Kyoto, Japan. At the present time he is instructor in English in the High School at Yamagata, Japan. The bride is the daughter of Mr. and Mrs. L. C. Feightner, of Canton, Ohio. She was an active member in our church there until she sailed for Japan in June. For the present they will make their home in Yamagata, Japan.

Rev. Addison E. Davis, '81, pastor at Custar, Ohio, recently officiated at two weddings that were of special interest. One was the marriage of his grandson and name sake, Dr. Mel Addison Davis to Miss Grace Darling Jones, of Columbus.

Both the bride and groom graduated from Ohio State University.

The other marriage referred to was one of two Otterbein College graduates. These were Miss Martha Ellen Dipert, '34, of Findlay, O. and Mr. Burdette Wood, '34, of Steubenville, Ohio.

Miss Dipert is a granddaughter of Rev. Davis. The couple will reside at Steubenville where Mr. Wood has a position in the chemical department of a large steel mill.

Rev. Phillip O. Deever, son of Dr. and Mrs. O. T. Deever, secretary of the Board of Christian Education, was married to Miss Josephine Stoner of Dayton, Ohio, August 31. The ceremony was read by the groom's father, assisted by Dr. C. W. Brewbaker, in the Fairview Church of Dayton.

Miss Stoner was a student in Otterbein College, finishing her special preparation for kindergarten teaching in the University of Cincinnati. She began teaching in the kindergarten department in the Wilbur Wright School in Dayton, but for a number of years has been on the regular teaching staff. Reverend Mr. Deever is a graduate of Otterbein, class of '34, and now is a student in Bonebrake Seminary and is serving as pastor of our church at the Otterbein Home.

The marriage of Miss Geneva Irene Bushey, daughter of Mr. and Mrs. D. B. Bushey of North Baltimore, O., to Walter Adolph Victor Steiner of Bridgeport, Connecticut, was solemnized quietly at the home of the bride Friday afternoon, August 23.

NOTICE OF CHANGE OF ADDRESS

Alumni Secretary
Otterbein College
Westerville, Ohio

Dear Secretary:

Please change my address as indicated below:

NINE ON SQUAD HAVE LETTERS

Four Are in Backfield And Five On Line

The Cards are fortunate this year in having nine lettermen return from last year to carry on the grid war for Otterbein. Five of these veterans are linemen and four are backfield men. This promises to form the nucleus of a fine team this year.

The linemen who are back are Lane, Middletown; Snively, Massilon; Warner, Oregon; Eastman, Westerville; and Baker, Barberton; the backfield men are Zeigler, Dayton; Booth, Newcomerstown; Perry, Westerville; and Anderson, Akron. Zeigler, Lane and Booth are three-letter men while Snively and Perry are two-letter men. Perry and Anderson are triple-threat men also.

The Sophomores are well represented on the squad this year having contributed 14 men, as follows: Riley, Middletown; Flanagan, Miamisburg; Funkhouser, Hagerstown; Schiering, Parma; McGee, Rittman; Elliott, Canal Winchester; Griffith, Philipsburg, Pa.; Wellbaum, Farmersville; and Hohn, Dayton all on the line. Russell, Willard; Wolfe, New Philadelphia; Shuck, Findlay; Stouffer, Newcomerstown; and Arnold, Barberton in the backfield. Other members on the squad who were not out before are Boor, Bowerstown; and DeWeese, Dayton.

FROSH WIN ANNUAL SCRAP DAY EVENTS

Freshmen led by Paul Zeigler, Dayton, proved themselves masters of Scrap Day by defeating the Sophomores who were led by Gerald Riley. The Sophs had no trouble with the relay-race, winning it by a margin of twenty-five yards.

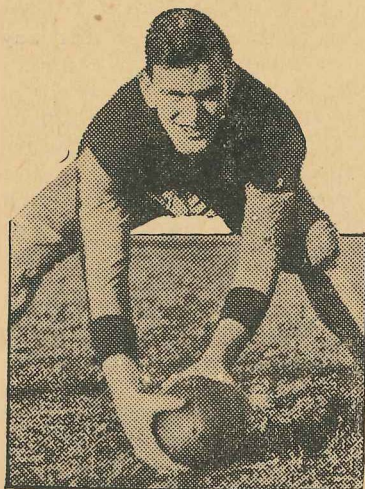

The sack rush started off with a rush, and Vincent Arnold came running back to make the first tally for the Sophs when he crossed the line with a bag within a half-minute after the starting gun went off. However, this Soph spurt was short-lived, and it was some time before Slusser made the next score for his class. This proved to be the last the Sophs made. Meanwhile the Frosh were easily dragging their opponents and bags across the line, and the final gun found the class of '39, leading 9-2.

The tug-of-war supplied the real excitement of the day. The Frosh were given a decided advantage because of their weight, but such an upset was never expected. Within three minutes after the starting gun, the last Soph went head-first into Alum Creek. This is perhaps the best time ever made in this event since the organization of Scrap Day.

Miss Arlene Noyes, a graduate of 1934, has sailed for Honolulu, Hawaii where she will become a nurse and teacher in the Mid-Pacific Institute, a Christian Mission Boarding School. Besides carrying on college work at Otterbein she also held the position of school nurse.

the freshmen in adapting themselves to campus life.

Because of the great need of financial help President Clippinger has busied himself in soliciting money from alumni and other friends for an emergency fund for the aid of needy students. This has been a practice of his for three years. The response this year has been better than in previous years, and it has been made possible for a number of students to come to college who otherwise could not do so. The various forms of student aid are as follows: endowed scholarships, emergency scholarships, service scholarships, National Youth Administration (federal aid), and student loans. There are, also, first honor student allowances and ministerial aid. Through these sources a surprisingly large number of students are being helped. Seeing the great need for current expense funds, some of the donors to the Emergency Fund have requested that their gifts be applied to the current expenses of the institution. It is quite obvious that to bestow too much help upon individual students and rob the institution of its own means of sustenance would thus defeat the very purpose for which student aid exists. In brief, it would "kill the goose that lays the golden egg."

Returning this year to her alma mater is Miss Olive Shisler, '31, who is now the secretary to Mr. J. P. West, treasurer of the college.
