ALUMNI TO R COLLEGE

in Night" Will
Observed on
April 2

April 2, has been designated "Otterbein Night". It is hoped that every section of the United States and foreign countries where there are more former students of Otterbein will be made to recollect this as a time to meet and renew the spirit of loyalty to the Mother.

Locations where district leaders are chosen, these leaders are making plans, and alumni are giving notice in due time. For any reason is not to be used, meetings may be held on April 2 as possible.

It is the custom in recent years to broadcast from WAIU in this year we will use this station. Plans for a Glee Concert and the northern Ohio gave us the opportunity to use WTAM, Cleveland. There are hundreds of Alumni who cannot get any station to do not let the broadcast be a way of a meeting.

Disappointments in years past that many meetings are held. PLEASE have some form of gathering of alumni observe this date.

Calendar now and mark the date when you are to observe in honoring Otterbein.

L SPEAKERS BEFORE Y. M. C. A.

On January 29, Professor H. L. Slutz, Ph. D., Dayton, O., a town educator and lecturer, visited the campus and spoke to the Y. M. C. A. and held personal conferences. Slutz's coming was a result of the cooperation of the Y. M. C. A. and Y. W. U.

Deever, secretary of the Christian Education of the Brethren Church, was the speaker on February 7. He brought messages to the campus. On February 13, the speaker was Mr. Hart of Ohio State University. He gave an explanation of the trouble over military training. Mr. Hart acted as president of the group of Conscientious Objectors.

Oldest Living Graduate Is Honored by College and Miami Valley Alumni Group

The above picture presents Dr. P. H. Kilbourne, national president of the Alumni Association, Dr. J. P. Landis, and his son, Mr. Robert Landis, and was taken in Dayton, O. on the occasion of the formal awarding of the Alumni Cane to Dr. Landis as the oldest living graduate, member of the class of 1869.

Among the speakers at a banquet given by the Miami Valley Otterbein Alumni Group in honor of Dr. Landis, were Mr. H. L. Boda, president of the group and presiding as master of

ceremonies; Mr. L. W. Warson, national Alumni secretary, who gave a short history of the Cane; and Dr. P. H. Kilbourne, who made the formal presentation.

Mr. Robert Landis spoke in glowing terms of the honor guest as a father. The subject of Dr. Walter N. Robert's address was, "Dr. Landis as a teacher," while Mr. Paul North Rice, librarian in the Dayton Public Library, spoke of the guest's contribution to the cultural life of the city.

Dr. Landis in his 91st year is hale

and hearty, and confessed that he had no need for a cane.

For over 50 years Dr. Landis was connected with the Seminary as an active teacher and was made Professor Emeritus in 1932. He has also been actively associated with the life and growth of his city, and was only recently elected to his fourth seven-year trusteeship of the Dayton Public Library.

His many Alumni friends wish him many more years to round out a happy and productive life.

HOME COMING BIG SUCCESS

Bad Weather Fails to Mar Event. Lose Game

Inclement weather interfered somewhat with the attendance at Winter Home Coming. However, when all were assembled in the gymnasium at game time, the bleachers were well filled.

The attendance at the Alumni dinner in King Hall was not as large as usual, many of the returning group wishing to be with their friends on the campus.

The game was fast and close, but Dayton University which had not lost a conference game, finally won—score 27-32.

College fraternal groups then had their customary "sessions" until the wee, small hours of the morning.

Despite losing the game with Dayton, everyone was in fine spirit and pronounced the occasion a very successful one.

Saturday, June 9, will be Alumni Day.

WESTMINSTER CHOIR SCHOOL GAINS FAME

We were exceedingly pleased while listening recently to the program celebrating the anniversary of the Federal Council of Churches to hear on the same program with the President of the United States, the Westminster Choir. The Westminster Choir School was founded by its present head, Dr. John Finley Williamson, Otterbein 1911, and the school and choir have gained an international reputation under his direction and the assistance of Mrs. Williamson (Rhea Parlette), also of the 1911 class.

During the past ten years this choir has appeared in 29 states in this country, and in many of the countries in Europe. Another European trip is scheduled for the fall of 1934.

The Westminster School is now located in Princeton, N. J., and for a period of 33 weeks the choir broadcasts from the New York studio of the National Broadcasting Company.

NEW HISTORY OF OTTERBEIN

Prof. W. W. Bartlett's Book to be Released This Month

"The Story of Otterbein" is the title of a new History of Otterbein which will be off the press late in March. This is a vivid narrative with interpretations based on facts, but interesting as fiction.

The unique fact about this history is in that it was written by one who is not a graduate, and who knew very little about Otterbein until he began the work.

The author, Professor Willard W. Bartlett, Ph. D., came from the presidency of a small college to Ohio State University to work out his Doctor's degree in Education. After consulting with the department, it was agreed that a thesis on the founding and development of the small denominational college in the mid-west would be a worthy subject. Looking around for such a college, Dr. Bartlett chose Otterbein and made arrangements with the administration to have access to all records and to be given all help possible from the college, and in return the manuscript was to become the property of the college for publication, if the administration so desired.

The author spent six months of arduous work in searching all available records and putting the materials found into readable form.

The book contains over 300 pages, illustrated with halftone cuts, and many charts.

DR. CLIPPINGER VISITS ALUMNI

Good Will Tour In East Meets With Fine Success

"The best ever," and "Enthusiastic meeting" are some of the reports which came in from district leaders and others following the Alumni meetings which greeted President W. G. Clippinger on his recent 'Good Will Tour' of some of the eastern cities.

This trip of the President, beginning February 22 and ending March 3, carried him into eight of the eastern centers. Were it not for the fact that the President had just returned from a strenuous western trip, and that at this time of year more than a ten-day absence was not feasible, quite a number of other cities would have been included in the itinerary.

In spite of the worst blizzard in many years, the meetings were well attended and the spirit of friendship and helpfulness was exceedingly fine. This was made possible by the careful planning and hard work of the district leaders and their helpers.

Wilkinsburg—February 22

The first meeting was in Wilkinsburg, Pa., where Mrs. Norma Kline had arranged for the meeting at the Penn-Lincoln Hotel. A few excerpts from the report: "We think we had a real Otterbein Reunion. There were 37 present. A wonderful spirit of enthusiasm was shown. We enjoyed Dr. Clippinger's part in the program so much. It was fine to have him with us. Dr. A. E. Roose, Jr., acted as master of ceremonies. Dr. one seemed to be enthusiastic about having such a get-together regularly."

Johnstown—February 23

Dr. E. B. Learish, the district leader, just recovering from a severe illness, called upon Mrs. Learish and Rev. J. Neely Boyer to arrange the meeting for Johnstown. The meeting was held in the First United Brethren Church, and the spirit was fine.

Washington, D. C.—February 24

On to Washington where Mrs. Vida Wilhelm Brunner had worked many hours and days to put her plans into effect. The meeting was held in the home of Robert Kline, Jr., and justified all the hard work of the leader. Dr. E. V. Wilcox, nationally known as a writer on world topics, was the presiding genius and helped to make this one of the best meetings on the trip.

New York—February 26

At this point the storm began to be felt. Almost impossible to travel, yet a goodly number turned out and justified the splendid work of Mr. and Mrs. Don C. Shumaker and their helpers.

Dr. Samuel (Dodger) Kiehl presided and a splendid program was given. Here a peculiar thing was in evidence—more than half the members are musicians.

New Haven—February 28

Here the natives had to tunnel their way out. On the side streets snow was piled higher than a man's head (most any man). President spoke at (Continued On Page Two.)

Professor Arthur Klein, Ph. D., Ohio State University, under whom Dr. Bartlett did the work, says, "The fact that Dr. Bartlett had no denominational or institutional connection with Otterbein has freed his work from many of the prejudices that mar many other histories of single institutions." He also says that if he had the power to do so, he would make the study of this book a compulsory part of the curriculum.

It will be a necessary part of your library, selling at \$1.50 per copy.

Chapel service in Yale Divinity School. Good crowd, enthusiastic, due largely to the efficient work of Dr. M. L. Howe, who presided, and to the loyal folks who helped him.

Ray Johnson, who had been marooned for a day in the snow while trying to do some welfare work, was elected president of the group for next year.

Boston—March 1

The Alumni of historic old Boston trying to dig itself out of this New England blizzard the worst in fourteen years, did not let the weather chill their enthusiasm of spirit, but came out in full force to greet the President of their Alma Mater.

Dr. Clippinger spoke to the students in Boston University and took luncheon and dinner with President Marsh institution.

Mr. Marshall B. Fanning is president of this group and Mr. H. R. Brenlinger, secretary.

Jamestown, N. Y.—March 2

It is a long jump from Boston to Jamestown, but leaving at 11:15 p. m. on the first, President Clippinger was able to meet the Alumni headed by Russell Broadhead who had assembled about 45 strong in the Kidder Memorial Church to greet him.

Miss Margaret Anderson also spoke at this meeting. President Clippinger in his opening remarks said: "We are making this Good Will Tour of the east in order to give us an opportunity to appraise a Christian educational institution in these difficult times. There is a definite place for the Christian college. While denominational schools have no argument with non-sectarian institutions it must be remembered that the college connected directly with the church has the advantage of offering the student an excellent training in the spirit of Christianity."

Cleveland—March 3

Snow has given way to fog. As Will Rogers says, the fog was at least two feet deep. But Earl R. Hoover and the Otterbein Woman's Club had put forth magnificent efforts and had a group of one hundred and fifty present, some high school students included. Mr. Hoover and his cohorts are proud, and justly so, of their achievement. In fact, they think if they keep going at this rate, they will soon beat Dayton. It is believed that if the weather had been propitious they would have had two hundred present.

Beginning with the Wilkesburg meeting the President was made the "Bearer of official greetings" carrying the greeting of the last group attended to the next. Since Cleveland was the last meeting on the tour, this group voted that the greeting from that club be sent to this office to be broadcast over the entire world. So here it is: From the Cleveland Alumni—

"Greeting and best wishes with a plea for cooperation in making a greater Otterbein."

JUDGE VISITS CAMPUS

Twenty-nine years is a comparatively long time. It was just that length of time from the graduation of Judge Sardis W. Bates to the time when he recently returned to his Alma Mater.

Judge Bates who has received many honors, in his state was a chapel speaker March 8.

Mrs. J. R. King, a sister, entertained the members of the Class of 1905 and other friends in honor of Judge Bates during his stay on the campus.

EDUCATIONAL CONFERENCE DRAWS LEADERS FROM FIVE STATES

An Educational Conference with representatives from five states led by the General Officers of the United Brethren Church, was brought to a close at Otterbein College, Wednesday afternoon, January 3, when Dr. Walter G. Clippinger, president of the College, gave a general summary of the work of the two day session.

Among the speakers at the conference were Rev. E. B. Learish, D. D., Johnstown, Pa.; Dr. O. T. Dever, Dayton, O., secretary of the Board of Education of the United Brethren Church; Dr. A. R. Clippinger, bishop of the central area; Rev. J. Gordon Howard, Dayton, O., director of Young People's work; and Dr. Chas. E. Miller, president of Heidelberg College, Tiffin, O.

The theme of the conference was: How to intensify the interest of young people and adults in christian education.

ALUMNI OFFICE RECORDS

"It is no exaggeration to say that every American university or college has already learned that its very being is constituted, not only in the students enrolled in their schools and in the faculties and officers engaged in conducting its schools, but in that great body of people known as alumni.

"When a man graduates from the university his connections with it should not cease. His interest and devotion should increase with the years. In fact the alumni are the most important part of the university individually and as a body in many different ways and are a source of advice and counsel in the spiritual and intellectual life of their Alma Mater.

"Granted that the institution depends upon its former students, unusual care must be expended upon the business of maintaining records of their work and their movements since leaving school, their latest addresses, and other particulars by means of which the relationship between the alumni and university are kept alive and active. That alumni records are necessary is proved by the fact that in this country there are very few educational institutions, if any, that do not devote considerable attention and money to this work. The benefits derived from such endeavors are mutual; for not only are organized alumni valuable to the university; but the university itself is and should be a source of inspiration and help to the alumni; which fact is evidenced by the many instances in which the alumni visit such offices for information by means of which they may keep alive class and club organizations, old friendships, memories of their college days, etc.

Please keep us informed of any changes in address.

Mr. and Mrs. Pyle are spending the winter in Florida.

Dr. Pyle is president of the local General Alumni Group.

At the University of Edinburgh in Scotland students are fined for cutting classes. Each year the fines are used to buy a Christmas present for the President.

An honorary fraternity is being formed at Xavier college for students who make good grades while participating in extra-curricular activities. Excellence in the latter is primary.

Varsity Quartet Can Be Heard From Station WAIU Columbus

These four young men from Lima Central High School are now in their junior year in Otterbein. They have sung together for six years. Since entering school in 1931 they have travelled many miles representing the college in churches and schools throughout Ohio. They have been broadcasting from WAIU, Columbus,

since their freshman year, appearing at the present time at 6:45 p. m. Left to right they are—Richard Whittington, first tenor; Gordon Shaw, second tenor; Robert Holmes, baritone, and Troy Belden, bass. They are available for engagements during the rest of the school year. March 11 they will accompany Doctor Clippinger to Jackson, Beaver, and Oak Hill.

MEETING OF THE COLUMBUS-WETTERVILLE OTTERBEIN CLUB

January 20 was the date set, and one hundred alumni and friends appeared at the Y. W. C. A. building in Columbus at that time to revive the spirit of youth and reopen the gates of memory on deeds and tasks of other days.

To bring this about more readily, and to get some of the more revered and dignified business and professional men to lay aside their official manner, the chairman of the program committee, Mrs. F. J. Resler, had planned a Math-Clio-Phila-Phron (or some thing) Literary Society. The Hon. E. L. Weinland presided over this august body, while Dr. Charles Snavely and Mrs. Carrie Lambert Charles acted as critic and secretary respectively.

MEETING OF DAYTON MEN'S CLUB

The Otterbein Men's Club of Dayton met February 12 with a goodly number present. Some time was spent in playing games. Dr. Kilbourne ran off the Ping Pong tournament which was won by Paul Sprout. There were some real players in the running, but Paul took them all.

Other games were enjoyed until the time for refreshments came, when Bob West took the leadership. He is getting a reputation as a provider of good things to eat.

New officers for the ensuing year were elected—President, C. C. Conley; Vice President, Waldo Keck; Secretary-Treasurer, Wayne Rardain. The retiring officers were: President, Thomas Bradrick, Jr.; Vice President, Herman Lehman; Secretary, Fred Peerless; Treasurer, Roy Peden.

CHICAGO ALUMNI GROUP

The Chicago Alumni Group held an enthusiastic meeting at the home of Mr. and Mrs. H. M. Croghan, East Chicago, on Feb. 17. Dr. W. G. Clippinger who was in the city attending an Educational meeting was their guest.

Mr. Samuel Wells was elected temporary chairman to plan for a meeting on Otterbein Night. Mr. H. M. Croghan is the district leader of the Chicago Branch, and is ably assisted by Mrs. Croghan.

REPORT OF ALUMNI MEETING IN ST. LOUIS

At the bottom of the sheet containing his song is printed the following:

BIRTHS

Born to Mr. and Mrs. Glenn M. Buell on Wednesday, January 31, 1934, a boy, Richard Wendell, weight 7 pounds, 10½ ounces. The proud father is teacher and coach in the Sunbury High School, and is already ambitious that Richard may become a great basketball player.

Word has been received that a "brand-new baby boy" just arrived at the home of Dr. and Mrs. Francis M. Pottenger, Jr. of Monrovia, Calif. Both Dr. and Mrs. Pottenger are members of the class of 1925, Dr. Pottenger receiving his M. D. degree from Cincinnati in 1929.

MAKING PLANS FOR MAY DAY PROGRAM

Perhaps the most spectacular and beautiful program of the year is given on May Day, held each year on the first Saturday in May. The out-door program at this event is under the supervision of the director of Girls' Physical Education, Miss Elizabeth Garland.

Other programs of special interest are provided for visitors by the students who act on that day as hosts to parents, alumni, and friends.

SPESSARD PRESENTS BAND IN FIRST CONCERT OF YEAR

One of the finest concerts of the year was given by the College Band under the direction of Prof. A. R. Spessard. It was indeed a surprise to discover such excellency of tone among all the parts and instruments since band music is so often harsh. The selections, which included an interesting Spanish Suite by Fulton, were all done well, and although the audience was small everyone present was highly appreciative of the work put forth by Professor Spessard and the band members.

F. E. R. A. STUDENTS

Twenty-one new students were enrolled recently under the F. E. R. A. by which the Federal Government pays for work on the campus up to a maximum of \$20 per month. Most of these young men and women live in the vicinity of the College so that the money so received will about pay their tuition.

There are now 294 enrolled in the four college classes—nine more than last year.

SPECIMENS RECEIVED

Some recent additions have been made to the Biology Department by contribution. Two fine specimens of abalone shell and a cocoanut within its original husk were donated by Fred Norris. Paul Jones presented several fossil plants from the Ohio Coal beds. These things are very much appreciated.

COLLEGE LENTEN SERVICES

The students and members of the First United Brethren Church are uniting in a Lenten Revival Service which will continue until Easter.

The cooperation of so many of the students is gratifying to all connected with the church. Rev. J. Stuart Innerst is bringing the gospel messages.

SENIOR RECOGNITION DAY

Senior Recognition Day which has become one of the regularly scheduled events of the year, and is marked by appropriate exercises in the Chapel, will probably occur Wednesday, March 21.

DEATHS

The funeral services for Dr. B. M. Long, well known Nebraska religious leader, were held in Lincoln, Tuesday, December 5, 1933.

Dr. Long was 86 years of age and had been in the ministry for 56 years. He received his M. A. degree from Otterbein in 1882 and began his ministry in the United Brethren denomination. Later he entered the Presbyterian ministry.

Rev. E. Oscar Sneath, Otterbein, 1930, passed away on October 6, 1933.

Rev. Sneath spent his first two years in college at Lebanon Valley. After graduating from Otterbein, he entered Yale Divinity School, dropping out to accept a pastorate. He had been expecting to reenter Yale to finish his course.

The funeral services were held in the Stehman Memorial Church, Lancaster, Pa.

CLASS B BASKET BALL
TOURNEY ON CAMPUS

For the fourth consecutive year the Class B basket ball tournament for the central district is being held at Otterbein. This brings to the campus many high school students and their friends from the central part of the state.

The preliminaries were held March 2 and 3 with 30 teams competing. Of these teams three were coached by Otterbein graduates. Two of these teams, Ostrander, coached by Mr. Linnaeus Pounds, and Centerburg, coached by Mr. Lawrence Green will be in the Quarter Finals.

The management of the tournament is under the direction of Professor R. F. Martin, head of the department of Physical Education. Professor Martin has been highly complimented by the central tournament committee and the participating coaches on the manner in which he conducts these tournaments.

Freshman Team Winds
Up Undefeated Season

(Tan and Cardinal)

There has been much talk this season about the freshman basketball team and its possibilities for the varsity of 1934-35. So far this year the frosh have played somewhere in the neighborhood of 17 or 18 practice games, winning all of them. In the majority of these unofficial contests the scores have been doubled on their opponents. Among their victims were many good teams from the Columbus church leagues and high school quintets. The closest scrimmage of the year with the New Albany M. E. team, recent conquerors of the Capital frosh. Our first-year men barely nosed out the fast New Albany squad by a 30-29 score, although their passing was very erratic and they couldn't connect with the basket in their usual capable manner.

The men responsible for this fine record are "Louie" Rutter, scintillating guard from Toledo Waite, who has been a powerful factor, both in the point-making and on the defense; Ron Lane, his fast, scrappy running mate from Columbus South, whose keen eye has been a great help at many times; Sam Loucks, towering six feet, four inch center from Canal Winchester, a very good floor-man and a remarkable pivot shot. Denton Elliott, also from Canal Winchester, small but mighty as many of his opponents, who have witnessed his speed, will testify; Harry Davies, another Toledo Waite graduate who works with Elliott at the forward posts in great style; Don Martin, Westerville, lanky forward and a dead-shot, Dave Potts; Bill Anderson, Akron South, yet another clever forward; Russell Brown, Centerville; and Jack Baker, Barberton, whose sterling defensive play shows great promise for coming years.

Other substitutes, Eastman, Lohr, Lunsford and Steck, have done their bit in helping the team along also. All in all its been a great year for the frosh and Coach Beelman is to be commended on his handling of this galaxy of stars.

CAGERS WIN SIX AND
LOSE SEVEN GAMES

With six wins to their credit and seven reverses marked up against them the Otterbein Cardinals closed the current basketball season. Much credit is due Coach Edler for taking only a few men of outstanding ability and developing a team of high caliber. With only two regulars from last year's championship squad, namely Worstell and Holland and with Miller, Hinton, Schick, Bradshaw, Schott, Snively, Booth, Wolfarth and Cheek the team was built.

Otterbein won the following games Kent State, Capital two games, Marietta, Ashland and Denison. The games lost were: Akron, Denison, Ohio Northern two games, Bowling Green, Muskingum and Dayton. Otterbein collected a total of 382 points while her opponents had 403 points.

Kenneth Holland was high point man. Holland collected 129 points in eight games. Due to a bad leg injury Holland was not able to compete in any games until the last game of the year and then only for a short time, but long enough to score four points.

Paul Schott, of Canton, playing his first and also his last year of College ball, proved to be an outstanding guard. Paul held many of his men to very few points. He made 27 points.

Karl Worstell, lanky center, scored a total of 70 points. Lank is six foot, six inches and many of his shots were either tip-in shots or one hand shots from the pivot position.

Ray Schick, of Westerville, the other guard was one of the fastest men on the team. Ray broke up many a play and scored 39 points.

Virgil Hinton, also of Canton, at a forward post played a brilliant game, and had 57 points to his credit.

All the regulars are seniors with the exception of Holland, but Otterbein will have an outstanding team next year. With Holland, Wolfarth, Booth, Cheek, Snively and Miller from the present squad and some exceptional men on the freshman team that are sure of varsity positions, Otterbein will once more have a chance at the Conference title.
