# OTTERBEIN LOVE SONG

IN A QUIET PEACEFUL VILLAGE,  
THERE IS ONE WE LOVE SO TRUE.  
SHE EVER GIVES A WELCOME  
TO HER FRIENDS BOTH OLD AND NEW.  
SHE STANDS SERENE  
'MID TREE TOPS GREEN  
SHE'S OUR DEAR OTTERBEIN.

OLD OTTERBEIN, OUR COLLEGE,  
WE SING OF THEE TODAY;  
OUR MEMORIES ROUND THEE LINGER,  
IN A SWEET AND MYSTIC WAY.  
'O OTTERBEIN, WE LOVE THEE,  
OUR HEARTS ARE ONLY THINE,  
WE PLEDGE ANEW,  
WE WILL BE TRUE,  
DEAR OTTERBEIN.

HER HALLS HAVE THEIR OWN MESSAGE  
OF TRUTH AND HOPE AND LOVE;  
SHE GUIDES HER YOUTHS AND MAIDENS  
TO THE LIFE THAT LOOKS ABOVE.  
HER STATELY TOWER  
SPEAKS NAUGHT BUT POWER,  
FOR OUR DEAR OTTERBEIN.

### DANCE CONCERT: FAMOUSLY YOURS FOREVER

Choreographer Stella Hiatt Kane based the 2015 Dance Concert on Gottfried Helnwein's painting *Boulevard of Broken Dreams* which is an American pop reinterpretation of Edward Hopper's *Night Hawk*. The art depicts Marilyn Monroe, Elvis Presley, James Dean and Humphrey Bogart in a diner. Their thoughts and reflection—portrayed through the actors physical text behind the glass diner sparked the dance work outside of the glass.

### MUCH ADO ABOUT NOTHING

Otterbein witnessed one of Shakespeare's wittiest, most lovable pairs of lovers in Benedick and Beatrice. The "star-crossed" lovers came together even though they never wanted to admit their feelings for each other. Joined by friends Hero and Claudio, an inseparable pair, Benedick and Beatrice learned a lesson about love.

Chair of the Department of Theatre and Dance John Stefano took center stage as Tevye, a poor dairyman with five daughters, in Otterbein's production of the nine-Tony-award-winning play, *Fiddler on the Roof*. In the face of changing social times and the growing anti-semitism of Czarist Russia, Tevye tries to protect his daughters and instill them with traditional values.

## IS HE DEAD?

In this Otterbein production, a young genius painter, Jean-Francois Millet, is ready to tie the knot. Jean-Francois is also in debt to a villainous picture-dealer. There is only one way that he can pay his debts and marry his girl, and that is to die since only dead painters achieve fame and fortune. But, when complications arise, he must find a way to be resurrected to marry his love.

## FREEZONE!

The annual Other Prom that FreeZone! sponsors is an event that gives students on campus who did not feel comfortable attending their high school prom the chance to have a prom experience.

FreeZone! also hosted the Speak Out Open Mic. The event is an open mic event where students were able to discuss times, when they have been silenced and their voices together in solidarity.

2015-2016 was the inaugural year of the Otterbein University Student Government or OUSG. Consisting of 60 elected or appointed officers and Senators, the purpose of Student Government is to serve as the representative assembly of the student body, vested with the powers and responsibilities to represent their constituency according to the Bylaws of the University Senate.

The Otterbein University Student Government exists to enhance student life by empowering students through involvement in Student Government, student organizations, and the University's shared governance process.

In its first year, OUSG addressed student concerns, researched recycling and divestment for a greener campus and drafted a policy for responsible personal consumption of alcohol on campus by students 21 years of age or older in specific University-owned residence halls beginning in the 2016-2017 school year.

Otterbein placed a league-best 56 student-athletes on the Academic All-OAC list for spring season and 104 overall for the entire academic year when spanning fall, winter and spring competition. To be eligible, a student-athlete must maintain a cumulative grade-point average of 3.5, have reached varsity status and be at least a sophomore.

Otterbein captured FOUR Ohio Athletic Conference (OAC) team championships during the 2015-16 athletic year (women's cross country, baseball, softball, men's golf). The OAC championships for softball and women's cross country were the first in school history.

Men's lacrosse, women's tennis and women's golf all narrowly missed OAC championships and settled for second-place finishes within the conference. Women's tennis went 18-4 and at one point during the season strung together an 11-match winning streak.

## GOLF

Senior David Monaco won the individual OAC Championship in men's golf. Monaco finished 17th nationally with a 73.38 stroke average in his final year of competition. Fellow men's golfer Austin Wells captured national recognition with All-American honors at the NCAA tournament, finishing 27th individually.

## FOOTBALL &amp; TRACK

Sophomore Julian Lowe earned All-OAC honors in football and three conference titles during indoor track season. His 77 receptions represented the most catches by an Otterbein football player in a single-season since 1990. He then became the OAC Indoor Sprinter of the Year, winning titles in the 200-meter dash and as part of the 4x2 and 4x4 relays.

## TRACK &amp; FIELD

Senior Taylor Lindsey became the 12th All-American for the Otterbein women's track and field program, finishing tied for seventh in the pole vault at the NCAA Outdoor Championships in Waverly, Iowa. A four-time national qualifier, she set a new school record by clearing 12'-7 1/2" (3.85m) on two separate occasions.

## CROSS COUNTRY

Distance runners Claire Lamb and Ian Kellogg were named OAC and All-Ohio Freshmen of the Year in cross country. The duo qualified for the NCAA Championships and ultimately finished as the third-fastest freshmen in the country for their respective genders.

## BASEBALL

Senior Tyler Kent turned in an incredible year on the baseball diamond, becoming just the 12th student-athlete in school history (across any sport) to earn All-American honors for both academics and athletics in the same season. He was second team All-American for his play on the field from D3baseball.com and ABCA/Rawlings, and then brought home first team CoSIDA Academic All-America recognition.
